We hereby offer, upon the terms and subject to the conditions set forth in this prospectus and the accompanying letter of transmittal (which together constitute the “exchange offer”), to exchange up to \$525,000,000 aggregate principal amount of our 5.375% Senior Notes due 2022, and the guarantees thereof, which have been registered under the Securities Act of 1933, as amended, which we refer to as the “exchange notes,” for an equal aggregate principal amount of our currently outstanding 5.375% Senior Notes due 2022, and the guarantees thereof, that were issued on June 24, 2014, which we refer to as the “old notes.” We refer to the old notes and the exchange notes collectively as the “notes.”

THE EXCHANGE OFFER AND WITHDRAWAL RIGHTS WILL EXPIRE AT 3:00 P.M., NEW YORK CITY TIME, ON JUNE 25, 2015, UNLESS EXTENDED.

The material terms of the exchange offer are summarized below and are more fully described in this prospectus.

Material Terms of the Exchange Offer

- The terms of the exchange notes are substantially identical to those of the old notes except that the exchange notes are registered under the Securities Act of 1933, as amended, and the transfer restrictions, registration rights and rights to additional interest applicable to the old notes do not apply to the exchange notes.
- We will exchange all old notes that are validly tendered and not withdrawn prior to the expiration of the exchange offer.
- You may withdraw tenders of old notes at any time prior to the expiration of the exchange offer.
- We will not receive any proceeds from the exchange offer.
- The exchange of old notes for exchange notes by tendering holders should not be a taxable event for U.S. federal income tax purposes.
- There is no public market for the exchange notes. We have not applied, and do not intend to apply, for listing of the exchange notes on any national securities exchange or automated quotation system.

See “[Risk Factors](#)” beginning on page 10 of this prospectus for a discussion of certain risks that you should consider carefully before participating in the exchange offer.

Each broker-dealer that receives exchange notes for its own account pursuant to the exchange offer must acknowledge that it will deliver a prospectus in connection with any resale of the exchange notes. This prospectus, as amended or supplemented, may be used by a broker-dealer in connection with resales of exchange notes received in exchange for old notes that were acquired by such broker-dealer as a result of market-making or other trading activities. We have agreed that for a period of 180 days after the expiration of the exchange offer, we will make this prospectus available to any broker-dealer for use in connection with any such resales. See “Plan of Distribution.”

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of these securities or passed upon the adequacy or accuracy of this prospectus. Any representation to the contrary is a criminal offense.

THE EXCHANGE NOTES HAVE NOT BEEN AND WILL NOT BE QUALIFIED FOR PUBLIC DISTRIBUTION UNDER THE SECURITIES LAWS OF ANY PROVINCE OR TERRITORY OF CANADA. CAUTIONARY NOTE REGARDING FORWARD LOOKING STATEMENTS

In addition to historical information, this prospectus and the documents incorporated by reference herein may contain information and statements relating to future events and future results. This information and these statements are “forward-looking” within the meaning of securities laws, including the “safe harbor” provisions of the Securities Act (Ontario), the United States Private Securities Litigation Reform Act of 1995, Section 21E of the Securities Exchange Act of 1934, as amended, or the “Exchange Act,” and Section 27A of the Securities Act and involve known and unknown risks, uncertainties, future expectations and other factors that may cause our actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. Such statements include, but are not limited to, statements that relate to projections of sales, earnings, earnings per share, cash flows, capital expenditures or other financial items, discussions of estimated future revenue enhancements and cost savings. These statements also relate to our business strategy, goals and expectations concerning our market position, future operations, margins, profitability, liquidity and capital resources. Generally, words such as “anticipate,” “believe,” “continue,” “could,” “endeavor,” “estimate,” “expect,” “intend,” “may,” “will,” “plan,” “predict,” “project,” “should” and similar terms and phrases are used to identify forward-looking statements in this prospectus and in the documents incorporated by reference herein. These forward-looking statements reflect current expectations regarding future events and operating performance and are made only as of the date of this prospectus.

The forward-looking statements are not guarantees of future performance or events and, by their nature, are based on certain estimates and assumptions regarding interest and foreign exchange rates, expected growth, results of operations, performance, business prospects and opportunities and effective income tax rates, which are subject to inherent risks and uncertainties. Material factors or assumptions that were applied in drawing a conclusion or making an estimate set out in forward-looking statements may include, but are not limited to, assumptions regarding management’s current plans and estimates, our ability to remain a low cost supplier, and effective management of commodity costs. Although we believe the assumptions underlying these forward-looking statements are reasonable, any of these assumptions could prove to be inaccurate and, as a result, the forward-looking statements based on those assumptions could prove to be incorrect. Our operations involve risks and uncertainties, many of which are outside of our control, and any one or any combination of these risks and uncertainties could also affect whether the forward-looking statements ultimately prove to be correct. These risks and uncertainties include, but are not limited to, those described in the section entitled “Risk Factors.”

We caution the reader that the risk factors described in the section entitled “Risk Factors” may not be exhaustive. We operate in a continually changing business environment, and new risk factors emerge from time to time. Management cannot predict such new risk factors, nor can it assess the impact, if any, of such new risk factors on our business or the extent to which any factor, or combination of factors, may cause actual results to differ materially from those projected in any forward-looking statements. We undertake no obligation to update or revise these forward-looking statements, whether as a result of changes in underlying factors, new information, future events or otherwise, except as required by law. Undue reliance should not be placed on forward-looking statements.

The Exchange Offer

The following is a brief summary of certain material terms of the exchange offer. For a more complete description of the terms of the exchange offer, see “The Exchange Offer” in this prospectus.

Background

On June 24, 2014, we issued \$525,000,000 aggregate principal amount of our 5.375% Senior Notes due 2022, or the old notes, to Merrill Lynch, Pierce, Fenner & Smith Incorporated, Credit Suisse Securities (USA) LLC, Deutsche Bank Securities Inc., J.P. Morgan Securities LLC and Wells Fargo Securities LLC, as the initial purchasers, in a transaction exempt from the registration requirements of the Securities Act. The initial purchasers then sold the old notes to qualified institutional buyers in reliance on Rule 144A and to persons outside the United States in reliance on Regulation S under the Securities Act. Because the old notes have been sold in reliance on exemptions from registration, the old notes are subject to transfer restrictions. In connection with the issuance of the old notes, we entered into a registration rights agreement with the initial purchasers pursuant to which we agreed, among other things, to deliver to you this prospectus and to complete an exchange offer for the old notes.

The Exchange Offer

We are offering to exchange up to \$525,000,000 aggregate principal amount of our 5.375% Senior Notes due 2022, or the exchange notes, for an equal aggregate principal amount of old notes. The terms of the exchange notes are identical in all material respects to the terms of the old notes, except that the exchange notes have been registered under the Securities Act and do not contain transfer restrictions, registration rights or additional interest provisions. You should read the discussion set forth under “Description of the Exchange Notes” for further information regarding the exchange notes. In order to be exchanged, an old note must be properly tendered and accepted. All old notes that are validly tendered and not withdrawn will be exchanged. We will issue and deliver the exchange notes promptly after the expiration of the exchange offer.

Resale of Exchange Notes

Based on interpretations by the SEC’s Staff, as detailed in a series of no-action letters issued to third parties unrelated to us, we believe that the exchange notes issued in the exchange offer may be offered for resale, resold or otherwise transferred by you without compliance with the registration and prospectus delivery requirements of the Securities Act as long as:

- you, or the person or entity receiving the exchange notes, acquires the exchange notes in the ordinary course of business;
- neither you nor any such person or entity receiving the exchange notes is engaging in or intends to engage in a distribution of the exchange notes within the meaning of the federal securities laws;
- neither you nor any such person or entity receiving the exchange notes has an arrangement or understanding with any person or entity to participate in any distribution of the exchange notes; and

- neither you nor any such person or entity receiving the exchange notes is an “affiliate” of Cott Beverages Inc., as that term is defined in Rule 405 under the Securities Act.

We have not submitted a no-action letter to the SEC and there can be no assurance that the SEC would make a similar determination with respect to this exchange offer. If you do not meet the conditions described above, you must comply with the registration and prospectus delivery requirements of the Securities Act in connection with the resale of the exchange notes. If you fail to comply with these requirements you may incur liabilities under the Securities Act, and we will not indemnify you for such liabilities.

Expiration Date

3:00 p.m., New York City time, on June 25, 2015, unless, in our sole discretion, we extend or terminate the exchange offer.

Withdrawal Rights

You may withdraw tendered old notes at any time prior to 3:00 p.m., New York City time, on the expiration date. See “The Exchange Offer—Terms of the Exchange Offer.”

Conditions to the Exchange Offer

The exchange offer is subject to certain customary conditions, including our determination that the exchange offer does not violate any law, statute, rule, regulation or interpretation by the Staff of the SEC or any regulatory authority or other foreign, federal, state or local government agency or court of competent jurisdiction, some of which may be waived by us. See “The Exchange Offer—Conditions to the Exchange Offer.”

Procedures for Tendering Old Notes

You may tender your old notes by instructing your broker or bank where you keep the old notes to tender them for you. In some cases, you may be asked to submit the blue-colored letter of transmittal that may accompany this prospectus. By tendering your old notes, you will represent to us, among other things, (1) that you are, or the person or entity receiving the exchange notes, is acquiring the exchange notes in the ordinary course of business, (2) that neither you nor any such other person or entity has any arrangement or understanding with any person to participate in the distribution of the exchange notes within the meaning of the Securities Act and (3) that neither you nor any such other person or entity is our affiliate within the meaning of Rule 405 under the Securities Act. Your old notes will be tendered in minimum denominations of \$2,000 and integral multiples of \$1,000. Exchange notes will be issued in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

A timely confirmation of book-entry transfer of your old notes into the exchange agent’s account at The Depository Trust Company (“DTC”), according to the procedures described in this prospectus under “The Exchange Offer,” must be received by the exchange agent before 3:00 p.m., New York City time, on the expiration date.

Table of Contents

Consequences of Failure to Exchange	Any old notes not accepted for exchange for any reason will be credited to an account maintained at DTC promptly after the expiration or termination of the exchange offer. Old notes that are not tendered, or that are tendered but not accepted, will be subject to their existing transfer restrictions. We will have no further obligation, except under limited circumstances, to provide for registration under the Securities Act of the old notes. The liquidity of the old notes could be adversely affected by the exchange offer. See “Risk Factors—Risks Related to Retention of the Old Notes—If you do not exchange your old notes, your old notes will continue to be subject to the existing transfer restrictions and you may be unable to sell your old notes.”
Taxation	The exchange of old notes for exchange notes by tendering holders should not be a taxable event for U.S. federal income tax purposes. For more details, see “Material United States Federal Income Tax Consequences.”
Use of Proceeds	We will not receive any proceeds from the issuance of the exchange notes in the exchange offer. For more details, see “Use of Proceeds.”
Exchange Agent	Wells Fargo Bank, National Association is serving as the exchange agent in connection with the exchange offer. The address, telephone number and facsimile number of the exchange agent are listed under “The Exchange Offer—Exchange Agent.”

Offer to Purchase

If we experience specific kinds of changes of control, and, under certain circumstances, if we sell certain assets, we may be required to offer to purchase all or a portion of the exchange notes at 101% of the principal amount of the exchange notes on the date of purchase plus any accrued and unpaid interest and additional interest, if any, to the date of repurchase. See “Description of the Exchange Notes—Change of Control” and “Description of the Exchange Notes—Certain Covenants—Limitation on Sales of Assets and Subsidiary Stock.”

- make other restricted payments or investments;
- redeem debt that is junior in right of payment to the exchange notes;
- use our assets as security in other transactions;
- place restrictions on distributions and other payments from restricted subsidiaries;
- sell certain assets or merge with or into other entities; and
- enter into transactions with affiliates.

Each of the covenants is subject to a number of important exceptions and qualifications. See “Description of the Exchange Notes—Certain Covenants.”

Table of Contents

on, and transfers will be effected only through, records maintained by DTC and its direct and indirect participants and any such interests may not be exchanged for certificated securities, except in limited circumstances. See “Description of the Exchange Notes—Book-Entry Delivery and Form.”

Absence of Established Markets for the Notes

The exchange notes are a new issue of securities, and currently there is no market for the notes. We do not intend to apply for the exchange notes to be listed on any securities exchange, or to arrange for any quotation system to quote them. Accordingly, we cannot assure you that liquid markets will develop for the exchange notes.

Risk Factors

An investment in the exchange notes involves substantial risk. See “Risk Factors” for a description of certain of the risks you should consider before investing in the exchange notes.

RATIO OF EARNINGS TO FIXED CHARGES

The following table sets forth the unaudited consolidated ratio of earnings to fixed charges for the periods shown:

	<u>Three months ended</u> <u>Apr. 4, 2015</u>	<u>Year ended</u>				
		<u>Jan. 3,</u> <u>2015</u>	<u>Dec. 28,</u> <u>2013</u>	<u>Dec. 29,</u> <u>2012</u>	<u>Dec. 31,</u> <u>2011</u>	<u>Jan. 1,</u> <u>2011</u>
Ratio of earnings to fixed charges ^(a)	—	—	1.3	1.8	1.6	2.7

(a) We compute the ratio of earnings to fixed charges by dividing (i) earnings (loss), which consists of net income from continuing operations before income taxes plus fixed charges and amortization of capitalized interest less interest capitalized during the period and adjusted for undistributed earnings in equity investments, by (ii) fixed charges, which consist of interest expense, capitalized interest and the portion of rental expense under operating leases estimated to be representative of the interest factor.

The ratio of earnings to fixed charges was less than 1:1 for the year ended January 3, 2015 and the three months ended April 4, 2015. In order to achieve a ratio of earnings to fixed charges of 1:1, we would have had to generate an additional \$51 million in pre-tax earnings in the year ended January 3, 2015 and an additional \$12 million in pre-tax earnings in the three months ended April 4, 2015.

RISK FACTORS

In considering whether to invest in the exchange notes offered hereby, you should understand the high degree of risk involved. You should carefully consider the risk factors and other information contained in this prospectus and the risk factors and other information incorporated by reference under the caption “Item IA. Risk Factors” in our Form 10-K, as well as the other information incorporated by reference herein as such risk factors and other information may be updated from time to time by our subsequent reports and other filings under the Exchange Act. See “Where You Can Find More Information” and “Incorporation of Certain Information by Reference.” The risks below are not the only risks we face. Additional risks and uncertainties not currently known to us or that we currently deem to be immaterial also may materially adversely affect our business, financial condition or results of operations.

Risks Related To Our Capital Structure and This Offering

Your right to receive payments on the exchange notes and the guarantees will be effectively subordinated to our secured debt to the extent of the value of the assets securing that debt.

The exchange notes and the guarantees will be effectively subordinated to claims of existing and future secured creditors to the extent of the value of the assets securing such claims. As of April 4, 2015, we had \$221.0 million of secured borrowings outstanding under the ABL Facility (including \$42.0 million in outstanding letters of credit) and \$394.2 million aggregate principal amount of DS Services Notes outstanding. The indenture governing the exchange notes will permit us to incur additional secured indebtedness. In the event of a liquidation, dissolution, reorganization, bankruptcy or any similar proceeding, holders of our secured obligations will have claims that are prior to claims of the holders of the exchange notes or the guarantees with respect to the assets securing those obligations, which are substantially all of our assets. Accordingly, there may not be sufficient funds remaining to pay amounts due on all or any of the exchange notes.

Your right to receive payments on the exchange notes could be adversely affected if any of our non-guarantor subsidiaries declares bankruptcy, liquidates or reorganizes.

Some, but not all, of our subsidiaries will guarantee the exchange notes. In the event of a bankruptcy, liquidation or reorganization of any of the non-guarantor subsidiaries, holders of their debt and their trade creditors will generally be entitled to payment of their claims from assets of those subsidiaries before any assets are made available for distribution to us. As of January 3, 2015, the old notes were structurally subordinated to approximately \$10.9 million of debt and other liabilities (including trade payables) of these non-guarantor subsidiaries. The non-guarantor subsidiaries generated approximately 6.6% of our consolidated revenues for the twelve months ended January 3, 2015, and held approximately 1.3% of our consolidated assets as of January 3, 2015.

Certain of our subsidiaries will be classified as unrestricted subsidiaries and will not be subject to any of the covenants in the indenture governing the exchange notes, and we may not be able to rely on the cash flow or assets of those unrestricted subsidiaries to pay our indebtedness.

Unrestricted subsidiaries will not be subject to the covenants under the indenture governing the exchange notes. Unrestricted subsidiaries may enter into financing arrangements that limit their ability to make loans or other payments to fund payments in respect of the exchange notes. Accordingly, we may not be able to rely on the cash flow or assets of unrestricted subsidiaries to pay any of our indebtedness, including the exchange notes. The unrestricted subsidiaries had assets of approximately \$20.6 million as of April 4, 2015, and revenues of approximately \$26.3 million for the three months ended April 4, 2015.

The trading prices for the exchange notes will be directly affected by many factors, including our credit rating.

Credit rating agencies continually revise their ratings for companies they follow, including us. Any ratings downgrade could adversely affect the trading price of the exchange notes, or the trading market for the exchange

Table of Contents

notes, to the extent a trading market for the exchange notes develops. The condition of the financial and credit markets and prevailing interest rates have fluctuated in the past and are likely to fluctuate in the future and any fluctuation may impact the trading price of the exchange notes.

We may not have the ability to raise the funds necessary to finance a change of control offer if required by the indenture for the exchange notes or the terms of our other indebtedness.

Upon the occurrence of certain change of control events, we will be required to offer to purchase all outstanding exchange notes and other outstanding debt. A change of control event under the indenture governing the exchange notes could also constitute a change of control under the ABL Facility and the indentures governing the 2020 Notes and the DS Services Notes, which could result in the acceleration of the indebtedness outstanding thereunder. Any of our future debt agreements may contain similar restrictions and provisions. If a change of control were to occur, we cannot assure you that we would have sufficient funds to pay the purchase price for all the exchange notes tendered by the holders or such other indebtedness and under the indenture governing the exchange notes we may not be permitted to repurchase such other indebtedness, which could result in an event of default under such indebtedness. Moreover, under the indenture governing the exchange notes, certain important corporate events, such as leveraged recapitalizations that would increase the level of our indebtedness, would not constitute a “change of control” and thus would not give rise to any repurchase rights.

Thus, there can be no assurance that in the event of a change of control we will have sufficient funds to satisfy our obligations with respect to any or all of the tendered exchange notes. See “Description of the Exchange Notes—Repurchase at the Option of Holders—Change of Control.”

Certain laws may allow courts, under specific circumstances, to avoid guarantees and require note holders to return payments received from guarantors.

Under certain bankruptcy and fraudulent transfer laws, a court could avoid a guarantee or subordinate a guarantee to all of our other debts or all other debts of a guarantor if, among other things, the guarantor, at the time it incurred the indebtedness evidenced by its guarantee, received less than reasonably equivalent value or fair consideration for the incurrence of such indebtedness and:

- the guarantor was insolvent or rendered insolvent by reason of such incurrence;
- the guarantor was engaged in a business or transaction for which our or the guarantor’s remaining assets constituted unreasonably small capital; or
- the guarantor intended to incur, or believed that it would incur, debts beyond our or its ability to pay such debts as they mature.

The indenture governing the exchange notes limits the liability of each guarantor on its guarantee to the maximum amount that such guarantor could incur without risk that its guarantee would be subject to avoidance as a fraudulent transfer. However, this limitation may not protect such guarantees from fraudulent transfer challenges or, if it does, that the remaining amount due and collectible under the guarantees would suffice, if necessary, to pay the exchange notes in full when due.

A legal challenge to the obligations under any guarantee on fraudulent conveyance grounds could focus on any benefits received in exchange for the incurrence of those obligations. We believe that each of our subsidiaries making a guarantee received reasonably equivalent value for incurring the guarantee, but a court may disagree with our conclusion or elect to apply a different standard in making its determination. A court could thus void the obligations under a guarantee, subordinate it to a guarantor’s other debt or take other action detrimental to the holders of the exchange notes. The measures of insolvency for purposes of the fraudulent transfer laws vary depending on the law applied in the proceeding to determine whether a fraudulent transfer has occurred. Generally, however, an entity would be considered insolvent if:

- the sum of its debts, including contingent liabilities, is greater than the fair saleable value of all of its assets;

Table of Contents

- the present fair saleable value of its assets is less than the amount that would be required to pay its probable liabilities on its existing debts, including contingent liabilities, as they become absolute and mature; or
- it cannot pay its debts as they become due.

There is no public market for the exchange notes and we do not know if a market will ever develop or, if a market does develop, whether it will be sustained.

The exchange notes are a new issue of securities and there is no existing trading market for the exchange notes. Accordingly, we cannot assure you that a liquid market will develop or continue for the exchange notes, that you will be able to sell your exchange notes at a particular time or at the price that you desire. We do not intend to apply for listing or quotation of the exchange notes on any securities exchange or stock market. The liquidity of any market for the exchange notes will depend on a number of factors, including:

- the number of holders of the exchange notes;
- our operating performance and financial condition;
- the market for similar securities;
- the interest of securities dealers in making a market in the exchange notes; and
- prevailing interest rates.

The trading price of the exchange notes may be volatile.

Historically, the market for non-investment grade debt has been subject to disruptions that have caused substantial volatility in the prices of securities similar to the exchange notes. We cannot assure you that any such disruptions may not adversely affect the prices at which you may sell your exchange notes. The exchange notes may trade at a discount from the initial offering price of the exchange notes, depending upon prevailing interest rates, the market for similar exchange notes, our performance and other factors.

Risks Related to Retention of the Old Notes

If you do not exchange your old notes, your old notes will continue to be subject to the existing transfer restrictions and you may be unable to sell your old notes.

We will only issue exchange notes in exchange for old notes that are validly tendered in accordance with the procedures set forth in this prospectus. Therefore, you should carefully follow the instructions on how to tender your old notes. See “The Exchange Offer—Procedures for Tendering Old Notes.” We did not register the old notes under the Securities Act, nor do we intend to do so following the exchange offer. If you do not exchange your old notes in the exchange offer, or if your old notes are not accepted for exchange, then, after we consummate the exchange offer, you may continue to hold old notes that are subject to the existing transfer restrictions and may be transferred only in limited circumstances under the securities laws. If you do not exchange your old notes, you will lose your right to have your old notes registered under the federal securities laws, except in limited circumstances. As a result, you will not be able to offer or sell old notes except in reliance on an exemption from, or in a transaction not subject to, the Securities Act and applicable state securities laws.

Because we anticipate that most holders of old notes will elect to exchange their old notes, we expect that the liquidity of the trading market for any old notes remaining after the completion of the exchange offer will be substantially reduced. Any old notes tendered and exchanged in the exchange offer will reduce the aggregate number of old notes outstanding. Accordingly, the liquidity of the market for any old notes could be adversely affected and you may be unable to sell them.

USE OF PROCEEDS

We will not receive any cash proceeds from the issuance of the exchange notes in the exchange offer. In consideration for issuing the exchange notes, we will receive in exchange old notes in like principal amount. The form and terms of the exchange notes are identical in all material respects to the form and terms of the old notes, except that the transfer restrictions, registration rights and rights to additional interest applicable to the old notes do not apply to the exchange notes. The old notes surrendered in exchange for the exchange notes will be retired and canceled and cannot be reissued. Accordingly, issuance of the exchange notes will not result in any increase in our outstanding debt.

On June 24, 2014, we issued and sold the old notes. The net proceeds from the sale of the old notes were used to repurchase or redeem any and all of the outstanding \$375.0 million senior notes that were due on September 1, 2018, to repay the loans outstanding under the ABL Facility, to pay related fees and expenses and for general corporate purposes.

THE EXCHANGE OFFER

Purpose of the Exchange Offer

The exchange offer is designed to provide holders of old notes with an opportunity to acquire exchange notes which, unlike the old notes, will be freely transferable at all times, subject to any restrictions on transfer imposed by state “blue sky” laws and provided that the holder is not our affiliate within the meaning of the Securities Act and represents that the exchange notes are being acquired in the ordinary course of the holder’s business and the holder is not engaged in, and does not intend to engage in, a distribution of the exchange notes.

The old notes were originally issued and sold on June 24, 2014, the issue date, to the initial purchasers, pursuant to the purchase agreement dated June 10, 2014. The old notes were issued and sold in a transaction not registered under the Securities Act in reliance upon the exemption provided by Section 4(a)(2) of the Securities Act. The concurrent resale of the old notes by the initial purchasers to investors was done in reliance upon the exemptions provided by Rule 144A and Regulation S promulgated under the Securities Act. The old notes may not be reoffered, resold or transferred other than (i) to us or our subsidiaries, (ii) to a qualified institutional buyer in compliance with Rule 144A promulgated under the Securities Act, (iii) outside the United States to a non-U.S. person within the meaning of Regulation S under the Securities Act, (iv) pursuant to the exemption from registration provided by Rule 144 promulgated under the Securities Act (if available) or (v) pursuant to an effective registration statement under the Securities Act.

In connection with the original issuance and sale of the old notes, we entered into a registration rights agreement, pursuant to which we agreed to file with the SEC a registration statement covering the exchange by us of the exchange notes for the old notes, or the exchange offer. The registration rights agreement provides that we will file with the SEC an exchange offer registration statement on an appropriate form under the Securities Act and offer to holders of old notes who are able to make certain representations the opportunity to exchange their old notes for exchange notes.

Under existing interpretations by the Staff of the SEC as set forth in no-action letters issued to third parties in other transactions, the exchange notes would, in general, be freely transferable after the exchange offer without further registration under the Securities Act; provided, however, that in the case of broker-dealers participating in the exchange offer, a prospectus meeting the requirements of the Securities Act must be delivered by such broker-dealers in connection with resales of the exchange notes. We have agreed to furnish a prospectus meeting the requirements of the Securities Act to any such broker-dealer for use in connection with any resale of any exchange notes acquired in the exchange offer. A broker-dealer that delivers such a prospectus to purchasers in connection with such resales will be subject to certain of the civil liability provisions under the Securities Act and will be bound by the provisions of the registration rights agreement (including certain indemnification rights and obligations).

Each holder of old notes that exchanges such old notes for exchange notes in the exchange offer will be deemed to have made certain representations, including representations that (i) any exchange notes to be received by it will be acquired in the ordinary course of its business, (ii) it has no arrangement or understanding with any person to participate in the distribution (within the meaning of the Securities Act) of exchange notes and (iii) it is not our affiliate as defined in Rule 405 under the Securities Act, or if it is an affiliate, it will comply with the registration and prospectus delivery requirements of the Securities Act to the extent applicable.

If the holder is not a broker-dealer, it will be required to represent that it is not engaged in, and does not intend to engage in, the distribution of exchange notes. If the holder is a broker-dealer that will receive exchange notes for its own account in exchange for old notes that were acquired as a result of market-making activities or other trading activities, it will be required to acknowledge that it will deliver a prospectus in connection with any resale of such exchange notes.

Terms of the Exchange Offer

Upon the terms and subject to the conditions set forth in this prospectus and in the letter of transmittal, we will accept any and all old notes validly tendered and not withdrawn prior to 3:00 p.m., New York City time, on the expiration date. Subject to the minimum denomination requirements of the exchange notes, the exchange notes are being offered in exchange for a like principal amount of old notes. Old notes may be exchanged only in minimum denominations of \$2,000 and integral multiples of \$1,000 principal amount. Holders may tender all, some or none of their old notes pursuant to the exchange offer.

The form and terms of the exchange notes will be identical in all material respects to the form and terms of the old notes except that (i) the exchange notes will be registered under the Securities Act and, therefore, will not bear legends restricting the transfer thereof and (ii) holders of the exchange notes will not be entitled to certain rights of holders of old notes under and related to the registration rights agreement. The exchange notes will evidence the same debt as the old notes and will be entitled to the benefits of the indenture. The exchange notes will be treated as a single class under the indenture with any old notes that remain outstanding. The exchange offer is not conditioned upon any minimum aggregate principal amount of old notes being tendered for exchange.

Expiration Date; Extensions; Termination; Amendments

The exchange offer will expire at 3:00 p.m., New York City time, on June 25, 2015. We reserve the right to extend the exchange offer at our discretion, in which event the term expiration date shall mean the time and date on which the exchange offer as so extended shall expire. Any such extension will be communicated to the exchange agent either orally or in writing (if orally, to be promptly confirmed in writing) and will be followed promptly by a press release or other permitted means which will be made no later than 9:00 a.m., New York City time, on the business day immediately following the previously scheduled expiration date.

We reserve the right to extend or terminate the exchange offer and not accept for exchange any old notes if any of the events set forth below under “—Conditions to the Exchange Offer” occur, and are not waived by us, by giving oral or written notice (if orally, to be promptly confirmed in writing) of such delay or termination to the exchange agent. See “—Conditions to the Exchange Offer.”

We also reserve the right to amend the terms of the exchange offer in any manner, provided, however, that if we amend the exchange offer in a manner that we determine constitutes a material or significant change, we will extend the exchange offer so that it remains open for a period of five to ten business days after such amendment is communicated to holders, depending upon the significance of the amendment.

Without limiting the manner in which we may choose to make a public announcement of any extension, termination or amendment of the exchange offer, we will comply with applicable securities laws by disclosing any such amendment by means of a prospectus supplement that we distribute to holders of the old notes. We will have no other obligation to publish, advertise or otherwise communicate any such public announcement other than by making a timely release through any appropriate news agency.

Procedures for Tendering Old Notes

Since the old notes are represented by global book-entry notes, DTC, as depository, or its nominee is treated as the registered holder of the old notes and will be the only entity that can tender your old notes for exchange notes. Therefore, to tender old notes subject to this exchange offer and to obtain exchange notes, you must instruct the institution where you keep your old notes to tender your old notes on your behalf so that they are received prior to the expiration of this exchange offer.

The letter of transmittal that may accompany this prospectus may be used by you to give such instructions.

YOU SHOULD CONSULT YOUR ACCOUNT REPRESENTATIVE AT THE BROKER OR BANK WHERE YOU KEEP YOUR OLD NOTES TO DETERMINE THE PREFERRED PROCEDURE.

IF YOU WISH TO ACCEPT THIS EXCHANGE OFFER, PLEASE INSTRUCT YOUR BROKER OR ACCOUNT REPRESENTATIVE IN TIME FOR YOUR OLD NOTES TO BE TENDERED BEFORE THE 3:00 P.M. (NEW YORK CITY TIME) DEADLINE ON JUNE 25, 2015.

You may tender all, some or none of your old notes in this exchange offer. However, your old notes may be tendered only in minimum denominations of \$2,000 and integral multiples of \$1,000.

When you tender your old notes and we accept them, the tender will be a binding agreement between you and us in accordance with the terms and conditions in this prospectus.

We will decide all questions about the validity, form, eligibility, acceptance and withdrawal of tendered old notes, and our reasonable determination will be final and binding on you. We reserve the absolute right to:

- (1) reject any and all tenders of any particular old note not properly tendered;
- (2) refuse to accept any old note if, in our judgment or the judgment of our counsel, the acceptance would be unlawful; and
- (3) waive any defects or irregularities or conditions to the exchange offer as to any particular old notes before the expiration of the exchange offer.

Our reasonable interpretation of the terms and conditions of the exchange offer will be final and binding on all parties. You must cure any defects or irregularities in connection with tenders of old notes as we will determine. Neither we, the exchange agent nor any other person will incur any liability for failure to notify you of any defect or irregularity with respect to your tender of old notes. If we waive any terms or conditions pursuant to (3) above with respect to a note holder, we will extend the same waiver to all note holders with respect to that term or condition being waived.

Deemed Representations

To participate in the exchange offer, we require that you represent to us that:

- (i) you or any other person acquiring exchange notes in exchange for your old notes in the exchange offer is acquiring them in the ordinary course of business;
- (ii) neither you nor any other person acquiring exchange notes in exchange for your old notes in the exchange offer is engaging in or intends to engage in a distribution of the exchange notes within the meaning of the federal securities laws;
- (iii) neither you nor any other person acquiring exchange notes in exchange for your old notes has an arrangement or understanding with any person to participate in the distribution of exchange notes issued in the exchange offer;
- (iv) neither you nor any other person acquiring exchange notes in exchange for your old notes is our “affiliate” as defined under Rule 405 of the Securities Act; and
- (v) if you or another person acquiring exchange notes in exchange for your old notes is a broker-dealer and you acquired the old notes as a result of market-making activities or other trading activities, you acknowledge that you will deliver a prospectus meeting the requirements of the Securities Act in connection with any resale of the exchange notes.

BY TENDERING YOUR OLD NOTES YOU ARE DEEMED TO HAVE MADE THESE REPRESENTATIONS.

Table of Contents

Broker-dealers who cannot make the representations in item (v) of the paragraph above cannot use this exchange offer prospectus in connection with resales of the exchange notes issued in the exchange offer.

If you are our “affiliate,” as defined under Rule 405 of the Securities Act, if you are a broker-dealer who acquired your old notes in the initial offering and not as a result of market-making or trading activities, or if you are engaged in or intend to engage in or have an arrangement or understanding with any person to participate in a distribution of exchange notes acquired in the exchange offer, you or that person:

- (i) may not rely on the applicable interpretations of the Staff of the SEC and therefore may not participate in the exchange offer; and
- (ii) must comply with the registration and prospectus delivery requirements of the Securities Act or an exemption therefrom when reselling the old notes.

Procedures for Brokers and Custodian Banks; DTC ATOP Account

In order to accept this exchange offer on behalf of a holder of old notes you must submit or cause your DTC participant to submit an Agent’s Message as described below.

The exchange agent, on our behalf, will seek to establish an Automated Tender Offer Program, or ATOP, account with respect to the old notes at DTC promptly after the delivery of this prospectus. Any financial institution that is a DTC participant, including your broker or bank, may make book-entry tender of old notes by causing the book-entry transfer of such old notes into our ATOP account in accordance with DTC’s procedures for such transfers. Concurrently with the delivery of old notes, an Agent’s Message in connection with such book-entry transfer must be transmitted by DTC to, and received by, the exchange agent prior to 3:00 p.m., New York City time, on the expiration date. The confirmation of a book-entry transfer into the ATOP account as described above is referred to herein as a “Book-Entry Confirmation.”

The term “Agent’s Message” means a message transmitted by the DTC participants to DTC, and thereafter transmitted by DTC to the exchange agent, forming a part of the Book-Entry Confirmation which states that DTC has received an express acknowledgment from the participant in DTC described in such Agent’s Message stating that such participant and beneficial holder agree to be bound by the terms of this exchange offer.

Each Agent’s Message must include the following information:

- (i) Name of the beneficial owner tendering such old notes;
- (ii) Account number of the beneficial owner tendering such old notes;
- (iii) Principal amount of old notes tendered by such beneficial owner; and
- (iv) A confirmation that the beneficial holder of the old notes tendered has made the representations for the benefit of us set forth under “—Deemed Representations” above.

BY SENDING AN AGENT’S MESSAGE THE DTC PARTICIPANT IS DEEMED TO HAVE CERTIFIED THAT THE BENEFICIAL HOLDER FOR WHOM OLD NOTES ARE BEING TENDERED HAS BEEN PROVIDED WITH A COPY OF THIS PROSPECTUS.

The delivery of old notes through DTC, and any transmission of an Agent’s Message through ATOP, is at the election and risk of the person tendering old notes. We will ask the exchange agent to instruct DTC to return those old notes, if any, that were tendered through ATOP but were not accepted by us, to the DTC participant that tendered such old notes on behalf of holders of the old notes.

Table of Contents

Acceptance of Old Notes for Exchange; Delivery of Exchange Notes

We will accept validly tendered old notes when the conditions to the exchange offer have been satisfied or we have waived them. We will have accepted your validly tendered old notes when we have given oral or written notice to the exchange agent (if oral, to be promptly confirmed in writing). The exchange agent will act as agent for the tendering holders for the purpose of receiving the exchange notes from us. If we do not accept any old notes tendered for exchange by book-entry transfer because of an invalid tender or other valid reason, we will credit the old notes to an account maintained with DTC promptly after the exchange offer terminates or expires.

THE AGENT'S MESSAGE MUST BE TRANSMITTED TO THE EXCHANGE AGENT BEFORE 3:00 PM, NEW YORK CITY TIME, ON THE EXPIRATION DATE.

Withdrawal Rights

You may withdraw your tender of old notes at any time before 3:00 p.m., New York City time, on the expiration date.

For a withdrawal to be effective, you should contact your bank or broker where your old notes are held and have them send an ATOP notice of withdrawal so that it is received by the exchange agent before 3:00 p.m., New York City time, on the expiration date. Such notice of withdrawal must:

- (1) specify the name of the person that tendered the old notes to be withdrawn;
- (2) identify the old notes to be withdrawn, including the CUSIP number and principal amount at maturity of the old notes; and
- (3) specify the name and number of an account at DTC to which your withdrawn old notes can be credited.

We will decide all questions as to the validity, form and eligibility (including time of receipt) of the notices and our reasonable determination will be final and binding on all parties. Any tendered old notes that you withdraw will not be considered to have been validly tendered. We will return any old notes that have been tendered but not exchanged, or credit them to the DTC account, promptly after withdrawal, rejection of tender, or termination of the exchange offer. You may re-tender properly withdrawn old notes by following one of the procedures described above prior to the expiration date.

Conditions to the Exchange Offer

Notwithstanding any other provisions of the exchange offer, or any extension of the exchange offer, we will not be required to accept for exchange, or to issue exchange notes in exchange for, any old notes and may terminate the exchange offer (whether or not any old notes have been accepted for exchange) or amend the exchange offer, if any of the following conditions has occurred or exists or has not been satisfied, or has not been waived by us in our sole reasonable discretion, prior to the expiration date:

- there is threatened, instituted or pending any action or proceeding before, or any injunction, order or decree issued by, any court or governmental agency or other governmental regulatory or administrative agency or commission:
 - (1) seeking to restrain or prohibit the making or completion of the exchange offer or any other transaction contemplated by the exchange offer, or assessing or seeking any damages as a result of this transaction; or
 - (2) resulting in a material delay in our ability to accept for exchange or exchange some or all of the old notes in the exchange offer; or
 - (3) any statute, rule, regulation, order or injunction has been sought, proposed, introduced, enacted, promulgated or deemed applicable to the exchange offer or any of the transactions contemplated by the exchange offer by any governmental authority, domestic or foreign; or

Table of Contents

- any action has been taken, proposed or threatened, by any governmental authority, domestic or foreign, that, in our sole reasonable judgment, would directly or indirectly result in any of the consequences referred to in clauses (1), (2) or (3) above or, in our sole reasonable judgment, would result in the holders of exchange notes having obligations with respect to resales and transfers of exchange notes which are greater than those described in the interpretation of the SEC referred to above, or would otherwise make it inadvisable to proceed with the exchange offer; or the following has occurred:
 - (1) any general suspension of or general limitation on prices for, or trading in, securities on any national securities exchange or in the over-the-counter market; or
 - (2) any limitation by a governmental authority which adversely affects our ability to complete the transactions contemplated by the exchange offer; or
 - (3) a declaration of a banking moratorium or any suspension of payments in respect of banks in the United States or any limitation by any governmental agency or authority which adversely affects the extension of credit; or
 - (4) a commencement of a war, armed hostilities or other similar international calamity directly or indirectly involving the United States, or, in the case of any of the preceding events existing at the time of the commencement of the exchange offer, a material acceleration or worsening of these calamities; or
- any change, or any development involving a prospective change, has occurred or been threatened in our business, financial condition, operations or prospects and those of our subsidiaries taken as a whole that is or may be adverse to us, or we have become aware of facts that have or may have an adverse impact on the value of the old notes or the exchange notes, which in our sole reasonable judgment in any case makes it inadvisable to proceed with the exchange offer and/or with such acceptance for exchange or with such exchange; or
- there shall occur a change in the current interpretation by the Staff of the SEC which permits the exchange notes issued pursuant to the exchange offer in exchange for old notes to be offered for resale, resold and otherwise transferred by holders thereof (other than broker-dealers and any such holder which is our affiliate within the meaning of Rule 405 promulgated under the Securities Act) without compliance with the registration and prospectus delivery provisions of the Securities Act, provided that such exchange notes are acquired in the ordinary course of such holders' business and such holders have no arrangement or understanding with any person to participate in the distribution of such exchange notes; or
- any law, statute, rule or regulation shall have been adopted or enacted which, in our reasonable judgment, would impair our ability to proceed with the exchange offer; or
- a stop order shall have been issued by the SEC or any state securities authority suspending the effectiveness of the registration statement, or proceedings shall have been initiated or, to our knowledge, threatened for that purpose, or any governmental approval has not been obtained, which approval we shall, in our sole reasonable discretion, deem necessary for the consummation of the exchange offer as contemplated hereby; or
- we have received an opinion of counsel experienced in such matters to the effect that there exists any actual or threatened legal impediment (including a default or prospective default under an agreement, indenture or other instrument or obligation to which we are a party or by which we are bound) to the consummation of the transactions contemplated by the exchange offer.

If we determine in our sole reasonable discretion that any of the foregoing events or conditions has occurred or exists or has not been satisfied, we may, subject to applicable law, terminate the exchange offer (whether or not any old notes have been accepted for exchange) or may waive any such condition or otherwise amend the terms of the exchange offer in any respect. If such waiver or amendment constitutes a material change to the

Table of Contents

exchange offer, we will promptly disclose such waiver or amendment by means of a prospectus supplement that will be distributed to the registered holders of the old notes and will extend the exchange offer to the extent required by Rule 14e-1 promulgated under the Exchange Act.

These conditions are for our sole benefit and we may assert them regardless of the circumstances giving rise to any of these conditions, or we may waive them, in whole or in part, in our sole reasonable discretion, provided that we will not waive any condition with respect to an individual holder of old notes unless we waive that condition for all such holders. Any reasonable determination made by us concerning an event, development or circumstance described or referred to above will be final and binding on all parties.

The liquidity of the old notes could be adversely affected by the exchange offer.

DESCRIPTION OF THE EXCHANGE NOTES

General

The following is a description of the 5.375% senior notes due 2022 (the “Notes”). In this description, references to the “Notes” are to the exchange notes, unless the context otherwise requires. The old notes were issued by Cott Beverages Inc. (the “Issuer”). In this Description of the Exchange Notes, the term “Issuer” refers to Cott Beverages Inc., any successor thereto and any successor obligor to the Issuer of the Notes, and not to any of its Subsidiaries, and the “Company” refers only to Cott Corporation, and any successor thereto and any successor obligor to the Company on the Guarantee of the Notes, and not to any of its Subsidiaries.

The Issuer issued the old notes under and will issue the exchange notes pursuant to an indenture (the “Indenture”) dated as of June 24, 2014 among the Issuer, the guarantors party thereto (the “Guarantors”), Wells Fargo Bank, National Association, as trustee (the “Trustee”), and as paying agent, registrar and transfer agent. The Notes were issued in a private transaction that was not subject to the registration requirements of the Securities Act. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act. The Notes are subject to all such terms pursuant to the provisions of the Indenture, and Holders of the Notes are referred to the Indenture for a statement thereof.

The following is a summary of the material provisions of the Indenture. Because this is a summary, it may not contain all the information that is important to you. You should read the Indenture in its entirety. Copies of the proposed form of the Indenture are available as described under “Where You Can Find More Information.” You can find the definitions of certain terms used in this description under “—Certain Definitions.”

Brief Description of the Exchange Notes and the Note Guarantees

The Notes are:

- general unsecured senior obligations of the Issuer;
- *pari passu* in right of payment with any existing and future senior Indebtedness (including the Credit Agreement) of the Issuer;
- effectively subordinated to all Secured Indebtedness of the Issuer (including the Credit Agreement) to the extent of the value of the assets securing such Indebtedness;
- senior in right of payment to any future Subordinated Indebtedness of the Issuer;
- guaranteed on a senior unsecured basis by each Guarantor; and
- structurally subordinated to any existing and future Indebtedness and other liabilities, including preferred stock, of Non-Guarantors.

The Notes and the Indenture are, jointly and severally, unconditionally guaranteed on a senior unsecured basis by all of the Guarantors. See the section entitled “—Guarantees.” Each Note Guarantee (as defined below) are:

- a general unsecured senior obligation of the Guarantor;
- *pari passu* in right of payment with any existing and future senior Indebtedness of the Guarantors;
- effectively subordinated to all Secured Indebtedness of the Guarantors (including the Credit Agreement) to the extent of the value of the assets securing such Indebtedness; and
- senior in right of payment to any future Subordinated Indebtedness of the Guarantor.

Principal, Maturity and Interest

The Notes are issued in minimum denominations of \$2,000 and in integral multiples of \$1,000 in excess thereof. The rights of Holders of beneficial interests in the Notes to receive the payments on such Notes are subject to applicable procedures of The Depository Trust Company (“DTC”). If the due date for any payment in respect of any Notes is not a Business Day at the place at which such payment is due to be paid, the Holder thereof will not be entitled to payment of the amount due until the next succeeding Business Day at such place, and will not be entitled to any further interest or other payment as a result of any such delay.

The Notes were issued in an aggregate principal amount of \$525.0 million on the Issue Date. The Notes will mature on July 1, 2022. Interest on the Notes accrues at the rate per annum set forth on the cover of this prospectus and will be payable, in cash, semi-annually in arrears on January 1 and July 1 of each year, commencing on January 1, 2015 to Holders of record on the immediately preceding December 15 and June 15, respectively. Interest on the Notes accrues from the most recent date to which interest has been paid or, if no interest has been paid, from the date of original issuance. Interest is computed on the basis of a 360-day year comprised of twelve 30-day months. Each interest period ends on (but does not include) the relevant interest payment date.

Additional Interest may accrue on the Notes in certain circumstances pursuant to the Registrations Rights Agreement.

Additional Notes

The Indenture provides for the issuance of additional notes having identical terms and conditions to the Notes offered hereby, subject to compliance with the covenants contained in the Indenture (“*Additional Notes*”). Additional Notes are part of the same issue as the Notes offered hereby under the Indenture for all purposes, including, without limitation, waivers, amendments, redemptions and offers to purchase, provided that Additional Notes will not be issued with the same CUSIP or ISIN, as applicable, as existing Notes unless such Additional Notes are fungible with the existing Notes for U.S. federal income tax purposes.

Payments

Principal of, and premium, if any, and interest and Additional Interest, if any, on the Notes is payable at the office or agency of the Issuer maintained for such purpose or, at the option of the paying agent, payment of interest and Additional Interest, if any, may be made by check mailed to the Holders of the Notes at their respective addresses set forth in the register of Holders provided that all payments of principal, premium, if any, interest and Additional Interest, if any, with respect to Notes represented by one or more global notes registered in the name of or held by DTC or its nominee is made by wire transfer of immediately available funds to the accounts specified by the Holder or Holders thereof. Until otherwise designated by the Issuer, the Issuer’s office or agency is the office of the Agent maintained for such purpose.

Guarantees

The obligations of the Issuer under the Notes and the Indenture are initially, jointly and severally, unconditionally guaranteed on a senior unsecured basis (the “*Note Guarantees*”) by the Company and each Restricted Subsidiary that guarantees the Credit Agreement (each, a “*Guarantor*”).

In addition, if the Company or any Restricted Subsidiary acquires or creates a Wholly Owned Domestic Subsidiary that is a Restricted Subsidiary (and non-Wholly Owned Subsidiaries if such non-Wholly Owned Subsidiaries guarantee other capital markets debt of the Issuer or any Guarantor) (other than an Immaterial Subsidiary) after the Issue Date, which Subsidiary guarantees the payment of any Indebtedness of the Issuer or any Guarantor, then the Company will cause such new Subsidiary to provide a Note Guarantee.

Table of Contents

Each Note Guarantee is limited to the maximum amount that would not render the Guarantor's obligations subject to avoidance under applicable fraudulent conveyance provisions of the United States Bankruptcy Code or any comparable provision of foreign or state law to comply with corporate benefit, financial assistance and other laws. By virtue of this limitation, a Guarantor's obligation under its Note Guarantee could be significantly less than amounts payable with respect to the Notes, or a Guarantor may have effectively no obligation under its Note Guarantee. See "Risk Factors—Risks Related to the Exchange Notes."

The Note Guarantee of a Guarantor terminates upon:

- (1) (A) a sale or other disposition (including by way of consolidation or merger) of the Capital Stock of such Guarantor (after which such Guarantor is no longer a Restricted Subsidiary) or (B) the sale or disposition of all or substantially all the assets of the Guarantor (other than to the Company or a Restricted Subsidiary) otherwise permitted by the Indenture;
- (2) the designation in accordance with the Indenture of the Guarantor as an Unrestricted Subsidiary or the occurrence of any event after which the Guarantor is no longer a Restricted Subsidiary;
- (3) defeasance or discharge of the Notes, as provided in "—Defeasance" and "—Satisfaction and Discharge";
- (4) to the extent that such Guarantor is not an Immaterial Subsidiary solely due to the operation of clause (i) of the definition of "Immaterial Subsidiary," upon the release of the guarantee referred to in such clause; or
- (5) to the extent such Guarantor is also a guarantor or borrower under the Credit Agreement and, at the time of release of its Guarantee, (x) has been released from its guarantee of, and all pledges and security, if any, granted in connection with the Credit Agreement, (y) does not Guarantee any Indebtedness of the Company or any of the other Guarantors, and (z) there is no Indebtedness outstanding that was Incurred by such Guarantor under the first paragraph of "—Limitation on Indebtedness" in its status as a Guarantor;
provided, however, that the Guarantee of the Company may only be released under this paragraph pursuant to clause (3) immediately above.

Claims of creditors of non-guarantor Subsidiaries, including trade creditors, secured creditors and creditors holding debt and guarantees issued by those Subsidiaries, and claims of preferred and minority stockholders (if any) of those Subsidiaries and claims against joint ventures generally will have priority with respect to the assets and earnings of those Subsidiaries and joint ventures over the claims of creditors of the Company, including Holders of the Notes. The Notes and each Note Guarantee therefore are effectively subordinated to creditors (including trade creditors) and preferred and minority stockholders (if any) of Subsidiaries of the Company (other than the Guarantors) and joint ventures. Although the Indenture limits the incurrence of Indebtedness, Disqualified Stock and Preferred Stock of Restricted Subsidiaries, the limitation is subject to a number of significant exceptions. Moreover, the Indenture does not impose any limitation on the incurrence by Restricted Subsidiaries of liabilities that are not considered Indebtedness, Disqualified Stock or Preferred Stock under the Indenture. See "—Certain Covenants—Limitation on Indebtedness."

Optional Redemption

Except as set forth in the next three paragraphs, the Notes are not redeemable at the option of the Issuer.

At any time prior to July 1, 2017 the Issuer may redeem the Notes in whole or in part, at its option, upon not less than 30 nor more than 60 days' prior notice at a redemption price equal to 100% of the principal amount of such Notes plus the relevant Applicable Premium as of, and accrued and unpaid interest and Additional Interest, if any, to the redemption date.

At any time and from time to time on or after July 1, 2017 the Issuer may redeem the Notes, in whole or in part, upon not less than 30 nor more than 60 days' notice at a redemption price equal to the percentage of

Table of Contents

principal amount set forth below plus accrued and unpaid interest and Additional Interest, if any, on the Notes redeemed, to the applicable date of redemption, if redeemed during the twelve-month period beginning on July 1 of the year indicated below:

<u>Year</u>	<u>Percentage</u>
2017	104.031%
2018	102.688%
2019	101.344%
2020 and thereafter	100.000%

At any time and from time to time prior to July 1, 2017, the Issuer may redeem Notes with the Net Cash Proceeds received by the Company from any Equity Offering at a redemption price equal to 105.375% plus accrued and unpaid interest and Additional Interest, if any, to the redemption date, in an aggregate principal amount for all such redemptions not to exceed 40% of the original aggregate principal amount of the Notes (including Additional Notes), *provided* that:

- (1) in each case the redemption takes place not later than 180 days after the closing of the related Equity Offering; and
- (2) not less than 60% of the original aggregate principal amount of the Notes (including Additional Notes) issued under the Indenture remains outstanding immediately thereafter (excluding Notes held by the Company or any of its Subsidiaries).

Notice of redemption is provided as set forth under “—Selection and Notice” below.

Any redemption and notice of redemption may, at the Issuer’s discretion, be subject to the satisfaction of one or more conditions precedent (including, in the case of a redemption related to an Equity Offering, the consummation of such Equity Offering). In addition, if such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Issuer’s discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Issuer in its sole discretion), or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Issuer in its sole discretion) by the redemption date, or by the redemption date so delayed.

If the optional redemption date is on or after an interest record date and on or before the related interest payment date, the accrued and unpaid interest will be paid to the Person in whose name the Note is registered at the close of business on such record date, and no additional interest will be payable to Holders whose Notes will be subject to redemption by the Issuer. If the Issuer delivers global notes to the Trustee for cancellation on a date that is after the record date and on or before the next interest payment date, then interest shall be paid in accordance with the procedures of DTC.

Unless the Issuer defaults in the payment of the redemption price, interest will cease to accrue on the notes or portions thereof called for redemption on the applicable redemption date.

Sinking Fund

The Issuer is not required to make mandatory redemption payments or sinking fund payments with respect to the Notes. However, under certain circumstances, the Issuer may be required to offer to purchase Notes as described under the captions “Change of Control,” and “Certain Covenants—Limitation on Sales of Assets and Subsidiary Stock.” The Company may at any time and from time to time purchase Notes in the open market or otherwise.

Table of Contents

Selection and Notice

If less than all of the Notes are to be redeemed at any time, the Agent, as registrar, will select the Notes for redemption in compliance with the requirements of the principal securities exchange, if any, on which the Notes are listed, as certified to the Trustee by the Issuer, and in compliance with the requirements of DTC, or if the Notes are not so listed or such exchange prescribes no method of selection and the Notes are not held through DTC or DTC prescribes no method of selection, on a pro rata basis; *provided, however*, that no Note in an unauthorized denomination shall be redeemed in part.

Notices of redemption will be delivered electronically or mailed by first class mail at least 30 but not more than 60 days before the redemption date to each Holder to be redeemed at the address of such Holder appearing in the security register or otherwise in accordance with the procedures of DTC, except that redemption notices may be delivered electronically or mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of the Indenture.

If any Note is to be redeemed in part only, the notice of redemption that relates to that Note shall state the portion of the principal amount thereof to be redeemed, in which case a portion of the original Note will be issued in the name of the Holder thereof upon cancellation of the original Note. In the case of a Global Note, an appropriate notation will be made on such Note to decrease the principal amount thereof to an amount equal to the unredeemed portion thereof. Subject to the terms of the applicable redemption notice (including any conditions contained therein), Notes called for redemption become due on the date fixed for redemption. On and after the redemption date, unless the Issuer defaults in the payment of the redemption price, interest ceases to accrue on Notes or portions of them called for redemption.

Change of Control

If a Change of Control occurs, each holder of Notes will have the right to require the Issuer to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of that holder's Notes pursuant to a "*Change of Control Offer*." In the Change of Control Offer, the Issuer will offer a "*Change of Control Payment*" in cash equal to 101% of the aggregate principal amount of the Notes repurchased, plus accrued and unpaid interest and Additional Interest thereon, if any, to the date of purchase. If the Change of Control Payment Date is on or after an interest record date and on or before the related interest payment date, the accrued and unpaid interest will be paid to the Person in whose name the Note is registered at the close of business on such record date, and no additional interest will be payable to Holders whose Notes will be subject to the Change of Control Payment by the Issuer.

Within 30 days following any Change of Control, the Issuer will mail a notice to each holder (with a copy to the Trustee) describing the transaction or transactions that constitute the Change of Control and offering to repurchase Notes on a certain date (the "*Change of Control Payment Date*") specified in such notice, which will be no earlier than 30 days and no later than 60 days from the date such notice is delivered, pursuant to the procedures required by the Indenture and described in such notice. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this covenant, the Issuer's compliance with such laws and regulations shall not in and of itself cause a breach of their obligations under such covenant.

On the Change of Control Payment Date, the Issuer will, to the extent lawful:

- (1) accept for payment all Notes or portions thereof properly tendered pursuant to the Change of Control Offer;
- (2) deposit with the paying agent an amount equal to the Change of Control Payment in respect of all Notes or portions thereof so tendered; and
- (3) deliver or cause to be delivered to the Trustee the Notes so accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions thereof being purchased by the Issuer.

Table of Contents

The paying agent will promptly mail to each holder of Notes so tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and mail, or cause to be transferred by book entry, to each holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; provided that each such new Note will be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof.

The provisions described above that require the Issuer to make a Change of Control Offer following a Change of Control will be applicable regardless of whether or not any other provisions of the Indenture are applicable. Except as described above with respect to a Change of Control, the Indenture does not contain provisions that permit the holders of the Notes to require that the Issuer repurchases or redeems the Notes in the event of a takeover, recapitalization or similar transaction.

The Issuer is not required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in the Indenture applicable to a Change of Control Offer made by the Issuer and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer.

In the event that holders of not less than 90% of the aggregate principal amount of the outstanding notes accept a Change of Control Offer and the Issuer purchases all of the Notes held by such holders, the Issuer has the right, upon not less than 10 nor more than 60 days' prior notice, given not more than 30 days following the purchase pursuant to the Change of Control Offer described above, to redeem all of the Notes that remain outstanding following such purchase at a redemption price equal to the Change of Control Payment plus, to the extent not included in the Change of Control Payment, accrued and unpaid interest on the notes that remain outstanding, to, but not including, the date of redemption (subject to the right of holders of record on the relevant record date to receive interest due on an interest payment date that is on or prior to the redemption date).

The definition of Change of Control includes a phrase relating to the sale, lease, transfer, conveyance or other disposition of "all or substantially all" of the assets of the Company and its Subsidiaries, taken as a whole. Although there is a limited body of case law interpreting the phrase "substantially all," there is no precise established definition of the phrase under applicable law. Accordingly, the ability of a holder of Notes to require the Issuer to repurchase Notes as a result of a sale, lease, transfer, conveyance or other disposition of less than all of the assets of the Issuer and its Subsidiaries, taken as a whole, or of the Company and its Subsidiaries, taken as a whole, to another Person or group may be uncertain.

The Credit Agreement provides that certain change of control events with respect to the Company would constitute a default under the Credit Agreement. Any future credit agreements or other similar agreements to which the Company or the Issuer becomes a party may contain similar restrictions and provisions and may also prohibit the Issuer from purchasing any Notes. In the event a Change of Control occurs at a time when the Company or the Issuer is prohibited from purchasing Notes, the Company or the Issuer could seek the consent of its lenders to the purchase of Notes or could attempt to refinance the borrowings that contain such prohibition. If the Company or the Issuer does not obtain such a consent or repay such borrowings, the Issuer will remain prohibited from purchasing Notes. In such case, the Issuer's failure to purchase tendered Notes would constitute an Event of Default under the Indenture which would, in turn, constitute a default under such other agreements. In addition, the exercise by the holders of Notes of their right to require the Issuer to repurchase the Notes upon a Change of Control could cause a default under these other agreements, even if the Change of Control itself does not, due to the financial effect of such repurchase on the Company. Finally, the Issuer's ability to pay cash to the holders of Notes upon a repurchase may be limited by the Company's or the Issuer's then existing financial resources.

The provisions under the Indenture relative to the Company's obligation to make an offer to repurchase the Notes as a result of a Change of Control may be waived or modified with the written consent of the Holders of a majority in principal amount of the Notes then outstanding.

Certain Covenants

Set forth below are summaries of certain covenants that are contained in the Indenture.

Suspension of Covenants on Achievement of Investment Grade Status

Following the first day:

- (a) the Notes have achieved Investment Grade Status; and
- (b) no Default or Event of Default has occurred and is continuing under the Indenture, then, beginning on that day, and continuing until the Reversion Date (as defined below), the Company and its Restricted Subsidiaries will not be subject to the provisions of the Indenture summarized under the following headings (collectively, the “Suspended Covenants”):
 - “—Limitation on Indebtedness,”
 - “—Limitation on Restricted Payments,”
 - “—Limitation on Restrictions on Distributions from Restricted Subsidiaries,”
 - “—Limitation on Sales of Assets and Subsidiary Stock,”
 - “—Limitation on Affiliate Transactions,”
 - “—Limitation on Guarantees,” and
 - the provisions of clause (3) of the first paragraph of “—Merger and Consolidation.”

No Default, Event of Default or breach of any kind shall be deemed to exist under the indenture or the notes with respect to the Suspended Covenants based on, and none of the Company or any of its Subsidiaries shall bear any liability for, any actions taken or events occurring after the notes attain an Investment Grade Rating, regardless of whether such actions or event would have been permitted if the applicable Suspended Covenants remained in effect. The Suspended Covenants will not be reinstated even if the Company subsequently does not satisfy the requirements set forth in clauses (a) and (b) above. After the Suspended Covenants have been suspended, the Company and its Restricted Subsidiaries shall remain subject to the provisions of the indenture described above under the caption “Repurchase at the Option of Holders—Change of Control” and described under the following subheadings:

- “Liens,”
- “Merger, Consolidation or Sale of Assets” (other than the financial test set forth in clause (3) of that covenant), and
- “SEC Reports.”

If at any time the Notes cease to have such Investment Grade Status or if a Default or Event of Default occurs and is continuing, then the Suspended Covenants will thereafter be reinstated as if such covenants had never been suspended (the “*Reversion Date*”) and be applicable pursuant to the terms of the Indenture (including in connection with performing any calculation or assessment to determine compliance with the terms of the Indenture), unless and until the Notes subsequently attain Investment Grade Status and no Default or Event of Default is in existence (in which event the Suspended Covenants shall no longer be in effect for such time that the Notes maintain an Investment Grade Status and no Default or Event of Default is in existence); *provided, however*, that no Default, Event of Default or breach of any kind shall be deemed to exist under the Indenture or the Notes with respect to the Suspended Covenants based on, and none of the Company or any of its Subsidiaries shall bear any liability under the Indenture or the Notes for, any actions taken or events occurring during the Suspension Period (as defined below), or any actions taken at any time pursuant to any contractual obligation entered into during the Suspension Period and not in contemplation of an impending Reversion Date, regardless of whether such actions or events would have been permitted if the applicable Suspended Covenants remained in effect during such period. The period of time between the date of suspension of the covenants and the Reversion Date is referred to as the “*Suspension Period*.”

Table of Contents

On the Reversion Date, all Indebtedness Incurred during the Suspension Period will be classified to have been Incurred pursuant to the first paragraph of “—Limitation on Indebtedness” or one of the clauses set forth in the second paragraph of “—Limitation on Indebtedness” (to the extent such Indebtedness would be permitted to be Incurred thereunder as of the Reversion Date and after giving effect to the Indebtedness Incurred prior to the Suspension Period and outstanding on the Reversion Date). To the extent such Indebtedness would not be so permitted to be Incurred pursuant to the first and second paragraphs of “—Limitation on Indebtedness,” such Indebtedness will be deemed to have been outstanding on the Issue Date, so that it is classified as permitted under clause (4)(b) of the second paragraph of “—Limitation on Indebtedness.” Calculations made after the Reversion Date of the amount available to be made as Restricted Payments under “—Limitation on Restricted Payments” will be made as though the covenants described under “—Limitation on Restricted Payments” had been in effect since the Issue Date and throughout the Suspension Period; *provided*, that, no Subsidiaries may be designated as Unrestricted Subsidiaries during the Suspension Period. Accordingly, Restricted Payments made during the Suspension Period will reduce the amount available to be made as Restricted Payments under the first paragraph of “—Limitation on Restricted Payments.” During the Suspension Period, any future obligation to grant further Note Guarantees shall be suspended. All such further obligation to grant Note Guarantees shall be reinstated upon the Reversion Date.

There can be no assurance that the Notes will ever achieve or maintain Investment Grade Status.

Limitation on Indebtedness

The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, Incur any Indebtedness (including Acquired Indebtedness) and the Company will not issue any shares of Disqualified Stock and will not permit any Restricted Subsidiary to issue any shares of Disqualified Stock or Preferred Stock; *provided*, that the Company may incur Indebtedness (including Acquired Indebtedness) or issue shares of Disqualified Stock, and any Restricted Subsidiary may incur Indebtedness (including Acquired Indebtedness), issue shares of Disqualified Stock and issue shares of Preferred Stock, if the Fixed Charge Coverage Ratio for the Company and its Restricted Subsidiaries for the most recently ended four fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is Incurred or such Disqualified Stock or Preferred Stock is issued would have been at least 2.00 to 1.00, determined on a *pro forma* basis (including a *pro forma* application of the net proceeds therefrom), as if the additional Indebtedness had been incurred, or the Disqualified Stock or Preferred Stock had been issued, as the case may be, and the application of proceeds therefrom had occurred at the beginning of such four- quarter period; *provided* that the then outstanding aggregate principal amount of Indebtedness (including Acquired Indebtedness), Disqualified Stock and Preferred Stock that may be incurred or issued, as applicable, pursuant to the foregoing by Restricted Subsidiaries that are not the Issuer or Guarantors shall not exceed \$100.0 million.

The first paragraph of this covenant will not prohibit the Incurrence of the following Indebtedness:

- (1) the incurrence of Indebtedness pursuant to any Credit Facility; *provided* that the aggregate principal amount of all such Indebtedness outstanding under this clause (1) as of any date of incurrence (after giving *pro forma* effect to the application of the proceeds of such incurrence) shall not exceed (i) the greater of (A) \$350 million, and (B) the sum of (x) 85% of the net book value of the accounts receivable of the Company and its Restricted Subsidiaries, (y) 75% of the total Eligible Inventory of the Company and its Restricted Subsidiaries, and (z) the sum of (A) 75% of the Eligible Real Property of the Company and its Restricted Subsidiaries and (B) 85% of of the value of the Eligible Equipment of the Company and its Restricted Subsidiaries, in each case, in each case determined in accordance with GAAP and calculated on a *pro forma* basis to give effect to any acquisitions or dispositions of assets made in connection with any transaction on the date of calculation; plus (ii) in the case of any refinancing of any Indebtedness permitted under this clause or any portion thereof, the aggregate amount of fees, underwriting discounts, accrued and unpaid interest, premiums and other costs and expenses Incurred in connection with such refinancing;

Table of Contents

- (2) Guarantees by the Company or any Restricted Subsidiary of Indebtedness of the Company or any Guarantor so long as the Incurrence of such Indebtedness is permitted under the terms of the Indenture;
- (3) Indebtedness, Preferred Stock or Disqualified Stock held by the Company or any Restricted Subsidiary; *provided, however*, that:
 - (a) any subsequent issuance or transfer of Capital Stock or any other event which results in any such Indebtedness, Preferred Stock or Disqualified Stock being beneficially held by a Person other than the Company or a Restricted Subsidiary of the Company; and
 - (b) any sale or other transfer of any such Indebtedness, Preferred Stock or Disqualified Stock to a Person other than the Company or a Restricted Subsidiary of the Company, shall be deemed, in each case, to constitute an Incurrence of such Indebtedness by the Company or such Restricted Subsidiary, as the case may be;
- (4) Indebtedness represented by (a) the Notes (other than any Additional Notes), including any Guarantee thereof, (b) any Indebtedness (other than Indebtedness incurred pursuant to clauses (1) and (3)) outstanding on the Issue Date, and (c) Refinancing Indebtedness Incurred in respect of any Indebtedness described in this clause or clauses (5), (7) or (13) of this paragraph or Incurred pursuant to the first paragraph of this covenant;
- (5) Indebtedness of (x) the Company or any Restricted Subsidiary Incurred or issued to finance an acquisition or (y) Persons that are acquired by the Company or any Restricted Subsidiary or merged into or consolidated with the Company or a Restricted Subsidiary in accordance with the terms of the Indenture; provided that after giving effect to such acquisition, merger or consolidation, either:
 - (a) the Company would be permitted to Incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in the first paragraph of this covenant; or
 - (b) the Fixed Charge Coverage Ratio of the Company and the Restricted Subsidiary would not be lower than immediately prior to such acquisition, merger or consolidation.
- (6) Hedging Obligations (excluding Hedging Obligations entered into for speculative purposes);
- (7) Indebtedness represented by Capitalized Lease Obligations or Purchase Money Obligations, in an aggregate principal amount which, when taken together with the principal amount of all other Indebtedness Incurred pursuant to this clause and then outstanding, including Refinancing Indebtedness in respect thereof, does not exceed \$125.0 million;
- (8) Indebtedness in respect of (a) workers' compensation claims, self-insurance obligations, performance, indemnity, surety, judgment, appeal, advance payment, customs, value added or other tax or other guarantees or other similar bonds, instruments or obligations and completion guarantees and warranties provided by the Company or a Restricted Subsidiary or relating to liabilities, obligations or guarantees Incurred in the ordinary course of business or consistent with past practices (other than Guarantees for borrowed money), (b) the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business or consistent with past practices; *provided, however*, that such Indebtedness is extinguished within five Business Days of Incurrence; (c) customer deposits and advance payments received in the ordinary course of business or consistent with past practices from customers for goods or services purchased in the ordinary course of business or consistent with past practices; (d) letters of credit, bankers' acceptances, guarantees or other similar instruments or obligations issued or relating to liabilities or obligations Incurred in the ordinary course of business or consistent with past practices, and (e) any customary cash management, cash pooling or netting or setting off arrangements in the ordinary course of business or consistent with past practices;

Person or any Capital Stock of a Subsidiary (other than Guarantees of Indebtedness Incurred by any Person acquiring or disposing of such business or assets or such Subsidiary for the purpose of financing such acquisition or disposition); *provided* that the maximum liability of the Company and its Restricted Subsidiaries in respect of all such Indebtedness in connection with a Disposition shall at no time exceed the gross proceeds, including the fair market value of non-cash proceeds (measured at the time received and without giving effect to any subsequent changes in value), actually received by the Company and its Restricted Subsidiaries in connection with such disposition;

- (10) Indebtedness of Non-Guarantors in an aggregate amount not to exceed the greater of (a) \$20.0 million and (b) 1.5% of the Total Assets of the Company at any time outstanding and any Refinancing Indebtedness in respect thereof;
- (11) Indebtedness consisting of promissory notes issued by the Company or any of its Subsidiaries to any current or former employee, director or consultant of the Company or any of its Subsidiaries (or permitted transferees, assigns, estates, or heirs of such employee, director or consultant), to finance the purchase or redemption of Capital Stock of the Company that is permitted by the covenant described below under “—Limitation on Restricted Payments”;
- (12) Indebtedness of the Company or any of its Restricted Subsidiaries consisting of (i) the financing of insurance premiums Incurred in the ordinary course of business or (ii) take-or-pay obligations contained in supply arrangements, in each case; and
- (13) Indebtedness in an aggregate outstanding principal amount which, when taken together with any Refinancing Indebtedness in respect thereof and the principal amount of all other Indebtedness Incurred pursuant to this clause and then outstanding, will not exceed the greater of (a) \$100.0 million and (b) 6.75% of the Total Assets of the Company at the time of Incurrence.

For purposes of determining compliance with, and the outstanding principal amount of any particular Indebtedness Incurred pursuant to and in compliance with, this covenant:

- (1) subject to clause (3) below, in the event that all or any portion of any item of Indebtedness meets the criteria of more than one of the types of Indebtedness described in the first and second paragraphs of this covenant, the Company, in its sole discretion, will classify, and may from time to time reclassify, such item of Indebtedness and only be required to include the amount and type of such Indebtedness in one of the clauses of the second paragraph or the first paragraph of this covenant;
- (2) subject to clause (3) below, additionally, all or any portion of any item of Indebtedness may later be classified as having been Incurred pursuant to any type of Indebtedness described in the first and second paragraphs of this covenant so long as such Indebtedness is permitted to be Incurred pursuant to such provision at the time of reclassification;
- (3) all Indebtedness outstanding on the Issue Date under the Credit Agreement shall be deemed Incurred on the Issue Date under clause (1) of the second paragraph of the description of this covenant;
- (4) Guarantees of, or obligations in respect of letters of credit, bankers’ acceptances or other similar instruments relating to, or Liens securing, Indebtedness that is otherwise included in the determination of a particular amount of Indebtedness shall not be included;
- (5) if obligations in respect of letters of credit, bankers’ acceptances or other similar instruments are Incurred pursuant to any Credit Facility and are being treated as Incurred pursuant to clause (1), (7), (10) or (13) of the second paragraph above or the first paragraph above and the letters of credit, bankers’ acceptances or other similar instruments relate to other Indebtedness, then such other Indebtedness shall not be included;
- (6) the principal amount of any Disqualified Stock of the Company or a Restricted Subsidiary, or Preferred Stock of a Restricted Subsidiary, will be equal to the greater of the maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) or the liquidation preference thereof;

Table of Contents

- (7) Indebtedness permitted by this covenant need not be permitted solely by reference to one provision permitting such Indebtedness but may be permitted in part by one such provision and in part by one or more other provisions of this covenant permitting such Indebtedness; and
- (8) the amount of Indebtedness issued at a price that is less than the principal amount thereof will be equal to the amount of the liability in respect thereof determined on the basis of GAAP.

Accrual of interest, accrual of dividends, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest in the form of additional Indebtedness, the payment of dividends in the form of additional shares of Preferred Stock or Disqualified Stock or the reclassification of commitments or obligations not treated as Indebtedness due to a change in GAAP, will not be deemed to be an Incurrence of Indebtedness. The amount of any Indebtedness outstanding as of any date shall be (a) the accreted value thereof in the case of any Indebtedness issued with original issue discount and (b) the principal amount of the Indebtedness, or liquidation preference thereof, in the case of any other Indebtedness.

If at any time an Unrestricted Subsidiary becomes a Restricted Subsidiary, any Indebtedness of such Subsidiary shall be deemed to be Incurred by a Restricted Subsidiary of the Company as of such date (and, if such Indebtedness is not permitted to be Incurred as of such date under the covenant described under this “—Limitation on Indebtedness,” the Company shall be in default of this covenant).

Notwithstanding any other provision of this covenant, the maximum amount of Indebtedness that the Company or a Restricted Subsidiary may Incur pursuant to this covenant shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies. The principal amount of any Indebtedness Incurred to refinance other Indebtedness, if Incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such Refinancing Indebtedness is denominated that is in effect on the date of such refinancing. The Indenture will provide that the Company and the Issuer will not, and will not permit any Guarantor to, directly or indirectly, Incur any Indebtedness (including Acquired Indebtedness) that is subordinated or junior in right of payment to any Indebtedness of the Company, the Issuer or such Guarantor, as the case may be, unless such Indebtedness is expressly subordinated in right of payment to the Notes or such Guarantor’s Guarantee to the extent and in the same manner as such Indebtedness is subordinated to other Indebtedness of the Company or such Guarantor, as the case may be.

The Indenture does not treat (1) unsecured Indebtedness as subordinated or junior to Secured Indebtedness merely because it is unsecured or (2) senior Indebtedness as subordinated or junior to any other senior Indebtedness merely because it has a junior priority with respect to the same collateral or is secured by different collateral.

Limitation on Restricted Payments

The Company will not, and will not permit any of its Restricted Subsidiaries, directly or indirectly, to:

- (1) declare or pay any dividend or make any distribution on or in respect of the Company’s or any Restricted Subsidiary’s Capital Stock (including, without limitation, any payment in connection with any merger or consolidation involving the Company or any of its Restricted Subsidiaries) except:
 - (a) dividends or distributions payable in Capital Stock of the Company (other than Disqualified Stock) or in options, warrants or other rights to purchase such Capital Stock of the Company; and

- (4) make any Restricted Investment;

(any such dividend, distribution, purchase, redemption, repurchase, defeasance, other acquisition, retirement or Restricted Investment referred to in clauses (1) through (4) are referred to herein as a “Restricted Payment”), if at the time the Company or such Restricted Subsidiary makes such Restricted Payment:

- (a) a Default shall have occurred and be continuing (or would result immediately thereafter therefrom);
- (b) the Company is not able to Incur an additional \$1.00 of Indebtedness pursuant to the first paragraph under the “—Limitation on Indebtedness” covenant after giving effect, on a *pro forma* basis, to such Restricted Payment; or
- (c) the aggregate amount of such Restricted Payment and all other Restricted Payments made subsequent to October 1, 2001 (and not returned or rescinded) (including Permitted Payments permitted below by clause (6) of the next succeeding paragraph, but excluding all other Restricted Payments permitted by the next succeeding paragraph) would exceed the sum of (without duplication):
 - (i) 50% of the Consolidated Net Income of the Company for the period (taken as one accounting period) beginning on October 1, 2001 to the end of the Company’s most recently ended fiscal quarter for which internal financial statements are available at the time of such Restricted Payment, or, in the case such Consolidated Net Income for such period is a deficit, minus 100% of such deficit; *plus*
 - (ii) 100% of the aggregate Net Cash Proceeds, and the fair market value of property or assets or marketable securities, received by the Company from the issue or sale of its Capital Stock (other than Disqualified Stock) subsequent to the Issue Date or otherwise contributed to the equity (other than through the issuance of Disqualified Stock) of the Company subsequent to the Issue Date (other than (x) Net Cash Proceeds or property or assets or marketable securities received from an issuance or sale of such Capital Stock pursuant to an incentive plan established by the Company or any Subsidiary of the Company for the benefit of its employees to the extent funded by the Company or any Restricted Subsidiary, (y) Net Cash Proceeds or property or assets or marketable securities to the extent that any Restricted Payment has been made from such proceeds in reliance on clause (6) of the next succeeding paragraph and (z) Excluded Contributions);
 - (iii) 100% of the aggregate Net Cash Proceeds, and the fair market value of property or assets or marketable securities, received by the Company or any Restricted Subsidiary from the issuance or sale (other than to the Company or a Restricted Subsidiary of the Company or an employee stock ownership plan or trust established by the Company or any Subsidiary of the Company for the benefit of their employees to the extent funded by the Company or any Restricted Subsidiary) by the Company or any Restricted Subsidiary subsequent to the Issue Date of any Indebtedness or Disqualified Stock that has been converted into or exchanged for Capital Stock of the Company (other than Disqualified Stock) plus, without duplication, the amount of any cash, and the fair market value of property or assets or marketable securities, received by the Company or any Restricted Subsidiary upon such conversion or exchange;

- (iv) 100% of the aggregate amount received in cash and the fair market value, as determined in good faith by the Company, of marketable securities or other property received by means of: (i) the sale or other disposition (other than to the Company or a Restricted Subsidiary) of Restricted Investments made by the Company or its Restricted Subsidiaries and repurchases and redemptions of such Restricted Investments from the Company or its Restricted Subsidiaries and repayments of loans or advances, and releases of guarantees, which constitute Restricted Investments by the Company or its Restricted Subsidiaries, in each case after the Issue Date; or (ii) the sale (other than to the Company or a Restricted Subsidiary) of the stock of an Unrestricted Subsidiary or a distribution from an Unrestricted Subsidiary (other than in each case to the extent of the amount of the Investment that constituted a Permitted Investment) or a dividend from an Unrestricted Subsidiary after the Issue Date; and
- (v) in the case of the redesignation of an Unrestricted Subsidiary as a Restricted Subsidiary or the merger or consolidation of an Unrestricted Subsidiary into the Company or a Restricted Subsidiary or the transfer of all or substantially all of the assets of an Unrestricted Subsidiary to the Company or a Restricted Subsidiary after the Issue Date, the fair market value of the Investment in such Unrestricted Subsidiary (or the assets transferred), as determined in good faith of the Company at the time of the redesignation of such Unrestricted Subsidiary as a Restricted Subsidiary or at the time of such merger or consolidation or transfer of assets (after taking into consideration any Indebtedness associated with the Unrestricted Subsidiary so designated or merged or consolidated or Indebtedness associated with the assets so transferred), other than to the extent of the amount of the Investment that constituted a Permitted Investment.

The foregoing provisions do not prohibit any of the following (collectively, “*Permitted Payments*”):

- (1) the payment of any dividend or distribution within 60 days after the date of declaration thereof if at the date of declaration such payment would have complied with the provisions of the Indenture, or the redemption, repurchase or retirement of Indebtedness if, at the date of any irrevocable redemption notice, such payment would have complied with the provisions of the Indenture as if it were and is deemed at such time to be a Restricted Payment at the time of such notice;
- (2) any purchase, repurchase, redemption, defeasance or other acquisition or retirement of Capital Stock or Subordinated Indebtedness made by exchange (including any such exchange pursuant to the exercise of a conversion right or privilege in connection with which cash is paid in lieu of the issuance of fractional shares) for, or out of the proceeds of the substantially concurrent sale of, Capital Stock of the Company (other than Disqualified Stock) (“*Refunding Capital Stock*”) or a substantially concurrent contribution to the equity (other than through the issuance of Disqualified Stock or through an Excluded Contribution) of the Company; *provided, however*, that to the extent so applied, the Net Cash Proceeds, or fair market value of property or assets or of marketable securities, from such sale of Capital Stock or such contribution will be excluded from clause (c) of the preceding paragraph;
- (3) any purchase, repurchase, redemption, defeasance or other acquisition or retirement of Subordinated Indebtedness made by exchange for, or out of the proceeds of the substantially concurrent sale of, Subordinated Indebtedness that constitutes Refinancing Indebtedness permitted to be Incurred pursuant to the covenant described under “—Limitation on Indebtedness” above;
- (4) any purchase, repurchase, redemption, defeasance or other acquisition or retirement of Preferred Stock of the Company or a Restricted Subsidiary made by exchange for or out of the proceeds of the substantially concurrent sale of Preferred Stock (other than an issuance of Disqualified Stock of the Company or Preferred Stock of a Restricted Subsidiary to replace Preferred Stock (other than Disqualified Stock) of the Company) of the Company or a Restricted Subsidiary, as the case may be, that, in each case, is permitted to be Incurred pursuant to the covenant described under “—Limitation on Indebtedness” above;

- (a) the cash proceeds from the sale of Capital Stock (other than Disqualified Stock) of the Company to members of management, directors or consultants of the Company or any of its Subsidiaries that occurred after the Issue Date, to the extent the cash proceeds from the sale of such Capital Stock have not otherwise been applied to the payment of Restricted Payments by virtue of clause (c) of the preceding paragraph; plus

- (10) payments by the Company to holders of Capital Stock of the Company in lieu of the issuance of fractional shares of such Capital Stock, *provided, however*, that any such payment, loan, advance, dividend or distribution shall not be for the purpose of evading any limitation of this covenant or otherwise to facilitate any dividend or other return of capital to the holders of such Capital Stock (as determined in good faith by the Board of Directors);
- (11) Restricted Payments that are made with Excluded Contributions;

For purposes of determining compliance with this "Restricted Payments" covenant, in the event that a Restricted Payment meets the criteria of more than one of the categories of Permitted Payments described in clauses (1) through (15) above, or is permitted pursuant to the first paragraph of this covenant, the Company is entitled to classify such Restricted Payment (or portion thereof) on the date of its payment or later reclassify such Restricted Payment (or portion thereof) in any manner that complies with this covenant, except that the Company may not reclassify any Restricted Payments as having been made under clause (14) above if originally made under another clause or pursuant to the first paragraph of this covenant.

The amount of all Restricted Payments (other than cash) shall be the fair market value on the date of such Restricted Payment of the asset (s) or securities proposed to be paid, transferred or issued by the Company or such Restricted Subsidiary, as the case may be, pursuant to such Restricted Payment. The fair market value of any cash Restricted Payment shall be their face amount, and the fair market value of any non-cash Restricted Payment, property or assets other than cash shall be determined conclusively by the Board of Directors of the Company acting in good faith.

Limitation on Liens

The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, create, Incur or permit to exist any Lien that secures Indebtedness (other than Permitted Liens) upon any of its property or assets (including Capital Stock of a Restricted Subsidiary of the Company), whether owned on the Issue Date or acquired after that date, (such Lien, the “*Initial Lien*”), without effectively providing that the Notes shall be secured equally and ratably with (or prior to) the obligations so secured for so long as such obligations are so secured.

Any Lien created for the benefit of the Holders of the Notes pursuant to the preceding sentence shall provide by its terms that such Lien shall be automatically and unconditionally released and discharged upon the release and discharge of the Initial Lien.

With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the Incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness. The “Increased Amount” of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, the accretion of accreted value, the amortization of original issue discount, the payment of interest in the form of additional Indebtedness with the same terms, accretion of original issue discount or liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness.

Limitation on Restrictions on Distributions from Restricted Subsidiaries

The Company will not, and will not permit any Restricted Subsidiary (other than a Guarantor) to, create or otherwise cause or permit to exist or become effective any consensual encumbrance or consensual restriction on the ability of any Restricted Subsidiary to:

- (A) pay dividends or make any other distributions in cash or otherwise on its Capital Stock or pay any Indebtedness or other obligations owed to the Company or any Restricted Subsidiary;
- (B) make any loans or advances to the Company or any Restricted Subsidiary; or
- (C) sell, lease or transfer any of its property or assets to the Company or any Restricted Subsidiary; *provided* that (x) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common stock and (y) the subordination of (including the application of any standstill requirements to) loans or advances made to the Company or any Restricted Subsidiary to other Indebtedness Incurred by the Company or any Restricted Subsidiary shall not be deemed to constitute such an encumbrance or restriction.

The provisions of the preceding paragraph do not prohibit:

- (1) any encumbrance or restriction pursuant to (a) any Credit Facility or (b) any other agreement or instrument, in each case, in effect at or entered into on the Issue Date (or otherwise required as of the Issue Date);
- (2) the Indenture, the Notes and the Note Guarantees;

portion of the funds utilized to consummate, the transaction or series of related transactions pursuant to which such Person became a Restricted Subsidiary or was acquired by the Company or was merged, consolidated or otherwise combined with or into the Company or any Restricted Subsidiary or such agreement or instrument was entered into in contemplation of or in connection with such transaction) and outstanding on such date; *provided* that, for the purposes of this clause, if another Person is the Successor Company, any Subsidiary thereof or agreement or instrument of such Person or any such Subsidiary shall be deemed acquired or assumed by the Company or any Restricted Subsidiary when such Person becomes the Successor Company;

- (5) any encumbrance or restriction:
 - (a) that restricts in a customary manner the subletting, assignment or transfer of any property or asset that is subject to a lease, license or similar contract or agreement, or the assignment or transfer of any lease, license or other contract or agreement;
 - (b) contained in mortgages, pledges, charges or other security agreements permitted under the Indenture or securing Indebtedness of the Company or a Restricted Subsidiary permitted under the Indenture to the extent such encumbrances or restrictions restrict the transfer or encumbrance of the property or assets subject to such mortgages, pledges, charges or other security agreements; or
 - (c) pursuant to customary provisions restricting dispositions of real property interests set forth in any reciprocal easement agreements of the Company or any Restricted Subsidiary;
- (6) any encumbrance or restriction pursuant to Purchase Money Obligations or Capitalized Lease Obligations permitted under the Indenture, in each case, that impose encumbrances or restrictions on the property so acquired;

- (12) any encumbrance or restriction arising pursuant to an agreement or instrument relating to any Indebtedness permitted to be Incurred subsequent to the Issue Date pursuant to the provisions of the covenant described under “—Limitation on Indebtedness” if the encumbrances and restrictions contained in any such agreement or instrument taken as a whole are not materially less favorable to the Holders than (i) the encumbrances and restrictions contained in the Credit Agreement, together with the security documents associated therewith as in effect on the Issue Date or (ii) in comparable financings (as determined in good faith by the Company) and where, in the case of clause (ii), either (a) the Company determines at the time of issuance of such Indebtedness that such encumbrances or restrictions will not adversely affect, in any material respect, the Company’s ability to make principal or interest payments on the Notes or (b) such encumbrance or restriction applies only during the continuance of a default relating to such Indebtedness;
- (13) any encumbrance or restriction existing by reason of any lien permitted under “—Limitation on Liens”; or

- (14) any encumbrance or restriction pursuant to an agreement or instrument effecting a refinancing of Indebtedness Incurred pursuant to, or that otherwise extends, renews, restates, replaces, restructures or refinances, an agreement or instrument referred to in clauses (1) to (13) of this paragraph or this clause (an “*Initial Agreement*”) or contained in any amendment, supplement, extension, renewal, restatement, replacement, restructuring or other modification to an agreement referred to in clauses (1) to (13) of this paragraph or this clause (14); *provided, however*, that the encumbrances and restrictions with respect to such Restricted Subsidiary contained in any such agreement or instrument are not materially less favorable to the Holders taken as a whole than the encumbrances and restrictions contained in the Initial Agreement or Initial Agreements to which such refinancing or amendment, supplement or other modification relates (as determined in good faith by the Company).

Limitation on Sales of Assets and Subsidiary Stock

The Company will not, and will not permit any of its Restricted Subsidiaries to, make any Asset Disposition unless:

- (1) the Company or such Restricted Subsidiary, as the case may be, receives consideration (including by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise) at least equal to the fair market value (such fair market value to be determined on the date of contractually agreeing to such Asset Disposition), as determined in good faith by the Board of Directors of the Company, of the shares and assets subject to such Asset Disposition (including, for the avoidance of doubt, if such Asset Disposition is a Permitted Asset Swap);
- (2) in any such Asset Disposition, or series of related Asset Dispositions (except to the extent the Asset Disposition is a Permitted Asset Swap), at least 75% of the consideration from such Asset Disposition (including by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise) received by the Company or such Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents; and
- (3) the Company or any of its Restricted Subsidiaries, at its respective option, will apply such Net Available Cash from any Asset Disposition:
 - (a) (i) to prepay, repay or purchase any Indebtedness of a Non-Guarantor or that is secured by a Lien (in each case, other than Indebtedness owed to the Company or any Restricted Subsidiary) or Indebtedness under the Credit Agreement (or any Refinancing Indebtedness in respect thereof) within 365 days from the later of (A) the date of such Asset Disposition and (B) the receipt of such Net Available Cash; *provided, however*, that, in connection with any prepayment, repayment or purchase of Indebtedness pursuant to this clause (a), the Company or such Restricted Subsidiary will retire such Indebtedness and will cause the related commitment (if any) to be reduced in an amount equal to the principal amount so prepaid, repaid or purchased; or (ii) to prepay, repay or purchase Pari Passu Indebtedness; provided further that, to the extent the Company redeem, repay or repurchase Pari Passu Indebtedness pursuant to this clause (ii), the Company shall equally and ratably reduce Obligations under the Notes as provided under “—Optional Redemption,” through open-market purchases (to the extent such purchases are at or above 100% of the principal amount thereof) or by making an offer (in accordance with the procedures set forth below for an Asset Disposition Offer) to all Holders to purchase their Notes at 100% of the principal amount thereof, plus the amount of accrued but unpaid interest and Additional Interest, if any, on the amount of Notes that would otherwise be prepaid; or
 - (b) to invest in or commit to invest in Additional Assets (including by means of an investment in Additional Assets by a Restricted Subsidiary with Net Available Cash received by the Company or another Restricted Subsidiary) within 365 days from the later of (i) the date of such Asset Disposition and (ii) the receipt of such Net Available Cash; *provided, however*, that any such reinvestment in Additional Assets made pursuant to a definitive binding agreement or a

Table of Contents

commitment approved by the Board of Directors of the Company that is executed or approved within such time will satisfy this requirement, so long as such investment is consummated within 180 days of such 365th day;

provided that, pending the final application of any such Net Available Cash in accordance with clause (a) or clause (b) above, the Company and its Restricted Subsidiaries may temporarily reduce Indebtedness or otherwise use such Net Available Cash in any manner not prohibited by the Indenture.

Any Net Available Cash from Asset Dispositions that is not applied or invested or committed to be applied or invested as provided in the preceding paragraph will be deemed to constitute “*Excess Proceeds*” under the Indenture. If the aggregate amount of Excess Proceeds under the Indenture exceeds \$40 million, the Company will within 10 Business Days be required to make an offer (“*Asset Disposition Offer*”) to all Holders of Notes issued under such Indenture and, to the extent the Company or the Issuer elects, to all holders of other outstanding Pari Passu Indebtedness, to purchase the maximum principal amount of Notes and any such Pari Passu Indebtedness to which the Asset Disposition Offer applies that may be purchased out of the Excess Proceeds, at an offer price in respect of the Notes in an amount equal to 100% of the principal amount of the Notes and Pari Passu Indebtedness, in each case, plus accrued and unpaid interest and Additional Interest, if any, to, but not including, the date of purchase, in accordance with the procedures set forth in the Indenture or the agreements governing the Pari Passu Indebtedness, as applicable, and, with respect to the Notes, in minimum denominations of \$2,000 and in integral multiples of \$1,000 in excess thereof. The Company will deliver notice of such Asset Disposition Offer electronically or by first-class mail, with a copy to the Trustee and Agent, to each Holder of Notes at the address of such Holder appearing in the security register or otherwise in accordance with the procedures of DTC, describing the transaction or transactions that constitute the Asset Disposition and offering to repurchase the Notes for the specified purchase price on the date specified in the notice, which date will be no earlier than 30 days and no later than 60 days from the date such notice is delivered, pursuant to the procedures required by the Indenture and described in such notice.

To the extent that the aggregate amount of Notes and Pari Passu Indebtedness so validly tendered and not properly withdrawn pursuant to an Asset Disposition Offer is less than the Excess Proceeds, the Company may use any remaining Excess Proceeds for any purpose not prohibited by the Indenture. If the aggregate principal amount of the Notes surrendered in any Asset Disposition Offer by Holders and other Pari Passu Indebtedness surrendered by holders or lenders, collectively, exceeds the amount of Excess Proceeds, the Excess Proceeds shall be allocated among the Notes and Pari Passu Indebtedness to be purchased on a pro rata basis on the basis of the aggregate principal amount of tendered Notes and Pari Passu Indebtedness, provided that no Notes or other Pari Passu Indebtedness will be selected and purchased in an unauthorized denomination. Upon completion of any Asset Disposition Offer, the amount of Excess Proceeds shall be reset at zero.

To the extent that any portion of Net Available Cash payable in respect of the Notes is denominated in a currency other than U.S. dollars, the amount thereof payable in respect of the Notes shall not exceed the net amount of funds in U.S. dollars that is actually received by the Company upon converting such portion into U.S. dollars.

Notwithstanding any other provisions of this covenant, (i) to the extent that any of or all the Net Available Cash of any Asset Disposition by a Foreign Subsidiary (a “*Foreign Disposition*”) is (x) prohibited or delayed by applicable local law, (y) restricted by applicable organizational documents or any agreement or (z) subject to other onerous organizational or administrative impediments from being repatriated to the United States, the portion of such Net Available Cash so affected will not be required to be applied in compliance with this covenant, and such amounts may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law will not permit repatriation to the United States (the Company hereby agreeing to use reasonable efforts (as determined in the Company’s reasonable business judgment) to otherwise cause the applicable Foreign Subsidiary to within one year following the date on which the respective payment would otherwise have been required, promptly take all actions reasonably required by the applicable local law,

applicable organizational impediments or other impediment to permit such repatriation), and if within one year following the date on which the respective payment would otherwise have been required, such repatriation of any of such affected Net Available Cash is permitted under the applicable local law, applicable organizational impediment or other impediment, such repatriation will be promptly effected and such repatriated Net Available Cash will be promptly (and in any event not later than five (5) Business Days after such repatriation could be made) applied (net of additional Taxes payable or reserved against as a result thereof) (whether or not repatriation actually occurs) in compliance with this covenant and (ii) to the extent that the Company has determined in good faith that repatriation of any of or all the Net Available Cash of any Foreign Disposition would have an adverse Tax cost consequence with respect to such Net Available Cash (which for the avoidance of doubt, includes, but is not limited to, any prepayment whereby doing so Holdings, the Company, any Restricted Subsidiary or any of their respective affiliates and/or equity partners would incur a tax liability, including a tax dividend, deemed dividend pursuant to Code Section 956 or a withholding tax), the Net Available Cash so affected may be retained by the applicable Foreign Subsidiary. The non-application of any prepayment amounts as a consequence of the foregoing provisions will not, for the avoidance of doubt, constitute a Default or an Event of Default.

For the purposes of clause (2) of the first paragraph of this covenant, the following will be deemed to be cash:

- (1) the assumption by the transferee of Indebtedness or other liabilities of the Company or a Restricted Subsidiary (other than Subordinated Indebtedness of the Company or a Guarantor) and the release of the Company or such Restricted Subsidiary from all liability on such Indebtedness or other liability in connection with such Asset Disposition;
- (2) securities, notes or other obligations received by the Company or any Restricted Subsidiary of the Company from the transferee that are converted by the Company or such Restricted Subsidiary into cash or Cash Equivalents within 180 days following the closing of such Asset Disposition;
- (3) Indebtedness of any Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Disposition, to the extent that the Company and each other Restricted Subsidiary are released from any Guarantee of payment of such Indebtedness in connection with such Asset Disposition;
- (4) consideration consisting of Indebtedness of the Company (other than Subordinated Indebtedness) received after the Issue Date from Persons who are not the Company or any Restricted Subsidiary; and
- (5) any Designated Non-Cash Consideration received by the Company or any Restricted Subsidiary in such Asset Dispositions having an aggregate fair market value, taken together with all other Designated Non-Cash Consideration received pursuant to this covenant that is at that time outstanding, not to exceed the greater of (i) \$40.0 million; and (ii) 3.0% of the Total Assets of the Company (with the fair market value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value).

To the extent that the provisions of any securities laws or regulations conflict with the provisions of the Indenture, the Company will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in the Indenture by virtue thereof.

The Credit Agreement prohibits the Issuer from purchasing any Notes and also provides that certain asset sale events with respect to the Company or the Issuer would constitute a default under the Credit Agreement. Any future credit agreements or other similar agreements to which the Company or the Issuer becomes a party may contain similar restrictions and provisions and may also prohibit the Issuer from purchasing any Notes. In the event an Asset Disposition occurs at a time when the Company or the Issuer is prohibited from purchasing the Notes, the Company or the Issuer could seek the consent of its lenders to the purchase of the Notes or could attempt to refinance the borrowings that contain such prohibition. If the Company or the Issuer does not obtain such consent or repay such borrowings, the Issuer will remain prohibited from purchasing the Notes. In such case, the Issuer's failure to purchase tendered Notes would constitute an Event of Default under the Indenture.

Limitation on Affiliate Transactions

The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, enter into or conduct any transaction (including the purchase, sale, lease or exchange of any property or the rendering of any service) with any Affiliate of the Company (an “*Affiliate Transaction*”) involving aggregate value in excess of \$5.0 million unless:

- (1) the terms of such Affiliate Transaction taken as a whole are not materially less favorable to the Company or such Restricted Subsidiary, as the case may be, than those that could be obtained in a comparable transaction at the time of such transaction or the execution of the agreement providing for such transaction in arm’s length dealings with a Person who is not such an Affiliate; and
- (2) in the event such Affiliate Transaction involves an aggregate value in excess of \$35.0 million, the terms of such transaction have been approved by a majority of the members of the Board of Directors of the Company.

Any Affiliate Transaction shall be deemed to have satisfied the requirements set forth in clause (2) of this paragraph if such Affiliate Transaction is approved by a majority of the Disinterested Directors, if any.

The provisions of the preceding paragraph do not apply to:

- (1) any Restricted Payment permitted to be made pursuant to the covenant described under “—Limitation on Restricted Payments,” or any Permitted Investment;
- (2) any issuance or sale of Capital Stock, options, other equity-related interests or other securities, or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, or entering into, or maintenance of, any employment, consulting, collective bargaining or benefit plan, program, agreement or arrangement, related trust or other similar agreement and other compensation arrangements, options, warrants or other rights to purchase Capital Stock of the Company or any Restricted Subsidiary, restricted stock plans, long-term incentive plans, stock appreciation rights plans, participation plans or similar employee benefits or consultants’ plans (including valuation, health, insurance, deferred compensation, severance, retirement, savings or similar plans, programs or arrangements) or indemnities provided on behalf of officers, employees, directors or consultants approved by the Board of Directors of the Company, in each case in the ordinary course of business or consistent with past practices;
- (3) any transaction between or among the Company and any Restricted Subsidiary (or entity that becomes a Restricted Subsidiary as a result of such transaction), or between or among Restricted Subsidiaries;
- (4) the payment of compensation, reasonable fees and reimbursement of expenses to, and customary indemnities (including under customary insurance policies) and employee benefit and pension expenses provided on behalf of, directors, officers, consultants or employees of the Company or any Restricted Subsidiary of the Company (whether directly or indirectly and including through any Person owned or controlled by any of such directors, officers or employees);
- (5) the entry into and performance of obligations of the Company or any of its Restricted Subsidiaries under the terms of any transaction arising out of, and any payments pursuant to or for purposes of funding, any agreement or instrument in effect as of or on the Issue Date, as these agreements and instruments may be amended, modified, supplemented, extended, renewed or refinanced from time to time in accordance with the other terms of this covenant or to the extent not more disadvantageous to the Holders in any material respect;
- (6) transactions with customers, clients, suppliers or purchasers or sellers of goods or services, in each case in the ordinary course of business or consistent with past practices, which are fair to the Company or the relevant Restricted Subsidiary in the reasonable determination of the Board of Directors or the senior management of the Company or the relevant Restricted Subsidiary, or are on terms no less favorable than those that could reasonably have been obtained at such time from an unaffiliated party;

Table of Contents

- (7) any transaction between or among the Company or any Restricted Subsidiary and any Affiliate of the Company or an Associate or similar entity that would constitute an Affiliate Transaction solely because the Company or a Restricted Subsidiary owns an equity interest in or otherwise controls such Affiliate, Associate or similar entity;
- (8) issuances or sales of Capital Stock (other than Disqualified Stock) of the Company or options, warrants or other rights to acquire such Capital Stock and the granting of registration and other customary rights in connection therewith or any contribution to capital of the Company or any Restricted Subsidiary;
- (9) transactions in which the Company or any Restricted Subsidiary, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Company or such Restricted Subsidiary from a financial point of view or meets the requirements of clause (1) of the preceding paragraph;
- (10) any purchases by the Company's Affiliates of Indebtedness or Disqualified Stock of the Company or any of its Restricted Subsidiaries the majority of which Indebtedness or Disqualified Stock is purchased by Persons who are not the Company's Affiliates; *provided* that such purchases by the Company's Affiliates are on the same terms as such purchases by such Persons who are not the Company's Affiliates; and
- (11) transactions entered into by an Unrestricted Subsidiary, so long as not entered in contemplation of the redesignation as a Restricted Subsidiary, with an Affiliate prior to the redesignation of any such Unrestricted Subsidiary as a Restricted Subsidiary as described under the caption "Designation of Restricted and Unrestricted Subsidiaries."

Designation of Restricted and Unrestricted Subsidiaries

The Board of Directors of the Company may designate any Restricted Subsidiary to be an Unrestricted Subsidiary if that designation would not cause a Default. If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate fair market value of all outstanding Investments owned by the Company and its Restricted Subsidiaries in the Subsidiary designated as Unrestricted will be deemed to be an Investment made as of the time of the designation and will reduce the amount available for Restricted Payments under the covenant described above under the caption "—Certain Covenants—Limitation on Restricted Payments" or under one or more clauses of the definition of Permitted Investments, as determined by the Company. That designation is only permitted if the Investment would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary.

Any designation of a Subsidiary of the Company as an Unrestricted Subsidiary will be evidenced to the Trustee by filing with the Trustee a resolution of the Board of Directors of the Company giving effect to such designation and an Officer's Certificate certifying that such designation complies with the preceding conditions and was permitted by the covenant described above under the caption "—Certain Covenants—Limitation on Restricted Payments." If, at any time, any Unrestricted Subsidiary would fail to meet the preceding requirements as an Unrestricted Subsidiary, it will thereafter cease to be an Unrestricted Subsidiary for purposes of the Indenture and any Indebtedness of such Subsidiary will be deemed to be incurred by a Restricted Subsidiary of the Company as of such date and, if such Indebtedness is not permitted to be incurred as of such date under the covenant described under the caption "—Certain Covenants—Limitation on Indebtedness," the Company will be in default of such covenant.

The Board of Directors of the Company may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary of the Company; *provided* that such designation will be deemed to be an incurrence of Indebtedness by a Restricted Subsidiary of the Company of any outstanding Indebtedness of such Unrestricted Subsidiary, and such designation will only be permitted if (1) such Indebtedness is permitted under the covenant described under the caption "—Certain Covenants—Limitation on Indebtedness," calculated on a *pro forma* basis as if such designation had occurred at the beginning of the applicable reference period; and (2) no Default

or Event of Default would be in existence before or after such designation. Any such designation by the Board of Directors of the Company shall be evidenced to the Trustee by filing with the Trustee a certified copy of a resolution of the Board of Directors of the Company giving effect to such designation and an Officer's Certificate certifying that such designation complies with the preceding conditions.

Reports

Whether or not the Company is subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, so long as any notes are outstanding, the Company will furnish to the Trustee:

- (1) within 90 days after the end of each fiscal year, annual reports of the Company containing substantially all of the financial information that would have been required to be contained in an Annual Report on Form 10-K under the Exchange Act if the Company had been a reporting company under the Exchange Act (but only to the extent similar information is included in the Company's Offering Memorandum dated June 10, 2014), including (A) "Management's Discussion and Analysis of Financial Condition and Results of Operations," and (B) audited financial statements prepared in accordance with GAAP;
- (2) within 45 days after the end of each of the first three fiscal quarters of each fiscal year, quarterly reports of the Company containing substantially all of the financial information that would have been required to be contained in a Quarterly Report on Form 10-Q under the Exchange Act if the Company had been a reporting company under the Exchange Act, including (A) "Management's Discussion and Analysis of Financial Condition and Results of Operations," and (B) unaudited quarterly financial statements prepared in accordance with GAAP; and
- (3) within the time periods specified for filing Current Reports on Form 8-K after the occurrence of each event that would have been required to be reported in a Current Report on Form 8-K under the Exchange Act if the Company had been a reporting company under the Exchange Act, current reports containing substantially all of the information that would have been required to be contained in a Current Report on Form 8-K under the Exchange Act if the Company had been a reporting company under the Exchange Act.

Notwithstanding the foregoing, such reports (A) will not be required to comply with Section 302, Section 906 or Section 404 of the Sarbanes-Oxley Act of 2002, or related Items 307 and 308 of Regulation S-K promulgated by the SEC, or Item 10(e) of Regulation S-K (with respect to any non-GAAP financial measures contained therein) and (B) will not be required to contain the separate financial information for Guarantors or Subsidiaries whose securities are pledged to secure the Notes contemplated by Rule 3-10 or Rule 3-16 of Regulation S-X promulgated by the SEC.

In addition, the Company shall furnish to noteholders, prospective investors, broker-dealers and securities analysts, upon their request, any information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act so long as the notes are not freely transferable under the Securities Act.

If at any time any of the Subsidiaries of the Company that have been designated as Unrestricted Subsidiaries have combined net assets exceeding 10% of the Company's consolidated net assets, then the quarterly and annual financial information required by the first paragraph of this covenant will include or be accompanied by a reasonably detailed presentation of the financial condition and results of operations of the Company and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of the Company.

In the event that any parent of the Company becomes a guarantor of the Notes, the Indenture permits the Company to satisfy its obligations in this covenant with respect to financial information relating to the Company by furnishing financial information relating to such parent; *provided* that the same is accompanied by consolidating information that explains in reasonable detail the differences between the information relating to such parent, on the one hand, and the information relating to the Company and its Restricted Subsidiaries on a standalone basis, on the other hand.

Table of Contents

Notwithstanding the foregoing, the Company will be deemed to have furnished such reports referred to above to the Trustee and the Holders of the Notes if the Company has filed such reports with the SEC via the EDGAR filing system and such reports are publicly available; *provided, however*, that the Trustee shall have no responsibility whatsoever to determine if such filing has occurred.

Limitation on Guarantees

The Company will not permit any of its Wholly Owned Subsidiaries that are Restricted Subsidiaries (and non-Wholly Owned Subsidiaries if such non-Wholly Owned Subsidiaries guarantee other capital markets debt of the Issuer or any Guarantor), other than a Guarantor, to Guarantee any Indebtedness of the Issuer or any Guarantor or and, unless:

- (1) such Restricted Subsidiary within 30 days executes and delivers a supplemental indenture to the Indenture providing for a senior Guarantee by such Restricted Subsidiary, except that with respect to a guarantee of Indebtedness of the Issuer or any Guarantor, if such Indebtedness is by its express terms subordinated in right of payment to the Notes or such Guarantor's Note Guarantee, any such guarantee by such Restricted Subsidiary with respect to such Indebtedness shall be subordinated in right of payment to such Guarantee substantially to the same extent as such Indebtedness is subordinated to the Notes or such Guarantor's Note Guarantee;
- (2) such Restricted Subsidiary waives and will not in any manner whatsoever claim or take the benefit or advantage of, any rights of reimbursement, indemnity or subrogation or any other rights against the Company or any other Restricted Subsidiary as a result of any payment by such Restricted Subsidiary under its Guarantee until payment in full of Obligations under the Indenture; and
- (3) such Restricted Subsidiary shall deliver to the Trustee an Opinion of Counsel stating that:
 - (a) such Guarantee has been duly executed and authorized; and
 - (b) such Guarantee constitutes a valid, binding and enforceable obligation of such Restricted Subsidiary, except insofar as enforcement thereof may be limited by bankruptcy, insolvency or similar laws (including all laws relating to fraudulent transfers) and except insofar as enforcement thereof is subject to general principals of equity;

provided that this covenant shall not be applicable (i) to any guarantee of any Restricted Subsidiary that existed at the time such Person became a Restricted Subsidiary and was not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary, or (ii) in the event that the Guarantee of the Company's obligations under the Notes or the Indenture by such Subsidiary would not be permitted under applicable law, or if a consent is required thereunder and cannot be reasonably obtained in the good faith judgment of the Company.

The Company may elect, in its sole discretion, to cause any Subsidiary that is not otherwise required to be a Guarantor to become a Guarantor, in which case, such Subsidiary shall only be required to comply with the 30-day period described above.

If any Guarantor becomes an Immaterial Subsidiary, the Company shall have the right, by execution and delivery of a supplemental indenture to the Trustee, to cause such Immaterial Subsidiary to cease to be a Guarantor, subject to the requirement described in the first paragraph above that such Subsidiary shall be required to become a Guarantor if it ceases to be an Immaterial Subsidiary (except that if such Subsidiary has been properly designated as an Unrestricted Subsidiary it shall not be so required to become a Guarantor or execute a supplemental indenture); provided, further, that such Immaterial Subsidiary shall not be permitted to Guarantee any Indebtedness of the Company or the other Guarantors, unless it again becomes a Guarantor.

Merger and Consolidation

The Company

Neither the Company nor the Issuer will consolidate with or merge with or into, or convey, transfer or lease all or substantially all its assets to, any Person, unless:

- (1) the resulting, surviving or transferee Person (the “*Successor Company*”) will be a Person organized and existing under the laws of the United States of America, any State thereof or the District of Columbia, Canada, Switzerland, the United Kingdom, any member of the European Union, or any state, province or division of any of the foregoing countries and the Successor Company (if not the Company or the Issuer, as the case may be) will expressly assume, by supplemental indenture, executed and delivered to the Trustee, all the obligations of the Company or the Issuer, as the case may be under the Notes and the Indenture, provided that if such Successor Company is not a corporation, a co-obligor of the Notes that is a Restricted Subsidiary is a corporation organized under such laws;
- (2) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the Successor Company or any Subsidiary of the Successor Company as a result of such transaction as having been Incurred by the Successor Company or such Subsidiary at the time of such transaction), no Default or Event of Default shall have occurred and be continuing;
- (3) immediately after giving effect to such transaction, either (a) the Successor Company would be able to Incur at least an additional \$1.00 of Indebtedness pursuant to the first paragraph of the covenant described under “—Limitation on Indebtedness” or (b) the Fixed Charge Coverage Ratio would not be lower than it was immediately prior to giving effect to such transaction; and
- (4) the Company shall have delivered to the Trustee an Officer’s Certificate and an Opinion of Counsel, each to the effect that such consolidation, merger or transfer and such supplemental indenture (if any) comply with the Indenture and an Opinion of Counsel to the effect that such supplemental indenture (if any) has been duly authorized, executed and delivered and is a legal, valid and binding agreement enforceable against the Successor Company, *provided* that in giving an Opinion of Counsel, counsel may rely on an Officer’s Certificate as to any matters of fact, including as to satisfaction of clauses (2) and (3) above.

For purposes of this covenant, the sale, lease, conveyance, assignment, transfer, or other disposition of all or substantially all of the properties and assets of one or more Subsidiaries of the Company, which properties and assets, if held by the Company instead of such Subsidiaries, would constitute all or substantially all of the properties and assets of the Company on a consolidated basis, shall be deemed to be the transfer of all or substantially all of the properties and assets of the Company.

The Successor Company will succeed to, and be substituted for, and may exercise every right and power of, the Company under the Indenture but in the case of a lease of all or substantially all its assets, the predecessor company will not be released from its obligations under the Indenture or the Notes.

Notwithstanding the preceding clauses (2), (3) and (4) (which do not apply to transactions referred to in this sentence), (a) any Restricted Subsidiary of the Company may consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to the Company and (b) any Restricted Subsidiary may consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to any other Restricted Subsidiary. Notwithstanding the preceding clauses (2) and (3) (which do not apply to the transactions referred to in this sentence), the Company may consolidate or otherwise combine with or merge into an Affiliate incorporated or organized for the purpose of changing the legal domicile of the Company, reincorporating the Company in another jurisdiction, or changing the legal form of the Company.

There is no precise established definition of the phrase “substantially all” under applicable law. Accordingly, in certain circumstances there may be a degree of uncertainty as to whether a particular transaction would involve “all or substantially all” of the property or assets of a Person.

Table of Contents

The foregoing provisions (other than the requirements of clause (2) of the first paragraph of this covenant) shall not apply to the creation of a new Subsidiary as a Restricted Subsidiary of the Company.

Guarantors

No Guarantor (other than the Company) may:

- (1) consolidate with or merge with or into any Person, or
- (2) sell, convey, transfer or dispose of, all or substantially all its assets, in one transaction or a series of related transactions, to any Person, or
- (3) permit any Person to merge with or into the Guarantor, unless:
 - (A) the other Person is the Issuer or a Guarantor or becomes a Guarantor concurrently with the transaction; or
 - (B) (1) either (x) a Guarantor is the continuing Person or (y) the resulting, surviving or transferee Person expressly assumes all of the obligations of the Guarantor under its Guarantee of the Notes; and (2) immediately after giving effect to the transaction, no Default has occurred and is continuing; or
 - (C) the transaction constitutes a sale or other disposition (including by way of consolidation or merger) of the Guarantor or the sale or disposition of all or substantially all the assets of the Guarantor (in each case other than to the Company or a Restricted Subsidiary) otherwise permitted by the Indenture.

There is no precise established definition of the phrase “substantially all” under applicable law. Accordingly, in certain circumstances there may be a degree of uncertainty as to whether a particular transaction would involve “all or substantially all” of the property or assets of a Person.

Events of Default

Each of the following is an Event of Default under the Indenture:

- (1) default in any payment of interest or Additional Interest, if any, on any Note when due and payable, continued for 30 days;
- (2) default in the payment of the principal amount of or premium, if any, on any Note issued under the Indenture when due at its Stated Maturity, upon optional redemption, upon required repurchase, upon declaration or otherwise;
- (3) failure to comply with the Company’s agreements or obligations contained in the Indenture for 60 days after written notice by the Trustee on behalf of the Holders or by the Holders of 30% in principal amount of the outstanding Notes;
- (4) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company or any of its Restricted Subsidiaries (or the payment of which is Guaranteed by the Company any of its Restricted Subsidiaries) other than Indebtedness owed to the Company or a Restricted Subsidiary whether such Indebtedness or Guarantee now exists, or is created after the date hereof, which default:
 - (a) is caused by a failure to pay principal of such Indebtedness, at its stated final maturity (after giving effect to any applicable grace periods) provided in such Indebtedness (“*payment default*”); or
 - (b) results in the acceleration of such Indebtedness prior to its stated final maturity (the “*cross acceleration provision*”);

Table of Contents

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a payment default or the maturity of which has been so accelerated, aggregates \$35.0 million or more;

- (5) certain events of bankruptcy, insolvency or court protection of the Company or a Significant Subsidiary or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries), would constitute a Significant Subsidiary (the “*bankruptcy provisions*”);
- (6) failure by the Company or any Significant Subsidiary (or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries) would constitute a Significant Subsidiary), to pay final judgments aggregating in excess of \$35.0 million other than any judgments covered by indemnities provided by, or insurance policies issued by, reputable and creditworthy issuers, which final judgments remain unpaid, undischarged and unstayed for a period of more than 60 days after such judgment becomes final, and in the event such judgment is covered by insurance, an enforcement proceeding has been commenced by any creditor upon such judgment or decree which is not promptly stayed (the “*judgment default provision*”); or
- (7) any Guarantee of the Notes ceases to be in full force and effect, other than in accordance with the terms of the Indenture or a Guarantor denies or disaffirms its obligations under its Guarantee of the Notes, other than in accordance with the terms thereof or upon release of such Guarantee in accordance with the Indenture.

However, a default under clauses (3), (4) or (6) of this paragraph will not constitute an Event of Default until the Trustee or the Holders of 30% in principal amount of the outstanding Notes notify the Company of the default and, with respect to clauses (3) and (6) the Company does not cure such default within the time specified in clauses (3) or (6), as applicable, of this paragraph after receipt of such notice.

If an Event of Default (other than an Event of Default described in clause (5) above with respect to the Company) occurs and is continuing, the Trustee by notice to the Company or the Holders of at least 30% in principal amount of the outstanding Notes by written notice to the Company and the Trustee, may, and the Trustee (subject to certain conditions) at the request of such Holders shall, declare the principal of, and accrued and unpaid interest, if any, on all the Notes to be due and payable and to the extent such Event of Default arises from the failure to pay the redemption price that is then due and not subject to any conditions in connection with an optional redemption, the premium then due with respect to such optional redemption on all the Notes to be due and payable. Upon such a declaration, the principal of, and accrued and unpaid interest, if any, on the Notes will be due and payable immediately together with any premium new with respect to an optional redemption. In the event of a declaration of acceleration of the Notes because an Event of Default described in clause (4) under “—Events of Default” has occurred and is continuing, the declaration of acceleration of the Notes shall be automatically annulled if the event of default or payment default triggering such Event of Default pursuant to clause (4) shall be remedied or cured, or waived by the holders of the Indebtedness, or the Indebtedness that gave rise to such Event of Default shall have been discharged in full, in each case, within 30 days after the declaration of acceleration with respect thereto and if (1) the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction and (2) all existing Events of Default, except nonpayment of principal, premium or interest, including Additional Interest, if any, on the Notes that became due solely because of the acceleration of the Notes, have been cured or waived.

If an Event of Default described in clause (5) above with respect to the Company occurs and is continuing the principal of, and accrued and unpaid interest, if any, on all the Notes will become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders.

The Holders of a majority in principal amount of the outstanding Notes under the Indenture may waive all past or existing Defaults or Events of Default (except with respect to nonpayment of principal, premium or

Table of Contents

interest, including Additional Interest, if any) and rescind any such acceleration with respect to such Notes and its consequences if rescission would not conflict with any judgment or decree of a court of competent jurisdiction.

If an Event of Default occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers under the Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee indemnity or security satisfactory to the Trustee against any fee, loss, liability or expense. Except to enforce the right to receive payment of principal or interest when due, no Holder may pursue any remedy with respect to the Indenture or the Notes unless:

- (1) such Holder has previously given the Trustee written notice that an Event of Default is continuing;
- (2) Holders of at least 30% in principal amount of the outstanding Notes have requested in writing the Trustee to pursue the remedy;
- (3) such Holders have offered in writing the Trustee security or indemnity satisfactory to the Trustee against any loss, liability or expense;
- (4) the Trustee has not complied with such request within 60 days after the receipt of the written request and the offer of security or indemnity; and
- (5) the Holders of a majority in principal amount of the outstanding Notes have not given the Trustee a written direction that, in the opinion of the Trustee, is inconsistent with such request within such 60-day period.

Subject to certain restrictions, the Holders of a majority in principal amount of the outstanding Notes are given the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. The Indenture provides that, in the event an Event of Default has occurred and is continuing, the Trustee will be required in the exercise of its powers to use the degree of care that a prudent person would use in the conduct of its own affairs. The Trustee, however, may refuse to follow any direction that conflicts with law or the Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability. Prior to taking any action under the Indenture, the Trustee will be entitled to indemnification satisfactory to it against all liabilities, losses, expenses caused by taking or not taking such action.

The Indenture provides that if a Default occurs and is continuing and the Trustee is informed of such occurrence by the Company in writing, the Trustee must give notice of the Default to the Holders within 60 days after being notified by the Company. Except in the case of a Default in the payment of principal of, or premium, if any, or interest on any Note, the Trustee may withhold notice if and so long as it in good faith determines that withholding notice is in the interests of the Holders. The Company is required to deliver to the Trustee, within 120 days after the end of each fiscal year, an Officer's Certificate indicating whether the signers thereof know of any Default that occurred during the previous year. The Company is required to deliver to the Trustee, within 30 days after the occurrence thereof, written notice of any events of which they are aware which would constitute certain Defaults, their status and what action the Company is taking or proposes to take in respect thereof.

Notwithstanding any other provision of the Indenture, the sole remedy for an Event of Default relating to the failure to comply with the reporting obligations described above under the heading "—Certain Covenants—Reports," and for any failure to comply with the requirements of Section 314(a) of the Trust Indenture Act, if any, will for the 60 days after the occurrence of such an Event of Default consist exclusively of the right to receive additional interest on the principal amount of the Notes at a rate equal to 0.25% per annum. This additional interest will be payable in the same manner and subject to the same terms as other interest payable under the Indenture. This additional interest will accrue on all outstanding Notes from and including the date on which an Event of Default relating to a failure to comply with the reporting obligations described above under the heading "—Certain Covenants—Reports" or Section 314(a) of the Trust Indenture Act first occurs, if

applicable, to but excluding the 60th day thereafter (or such earlier date on which the Event of Default relating to such reporting obligations is cured or waived). If the Event of Default resulting from such failure to comply with the reporting obligations is continuing on such 60th day, such additional interest will cease to accrue and the Notes will be subject to the other remedies provided under the heading “—Events of Default.”

The Notes provide for the Trustee to take action on behalf of the Holders in certain circumstances, but only if the Trustee is indemnified to its satisfaction. It may not be possible for the Trustee to take certain actions in relation to the Notes and, accordingly, in such circumstances the Trustee will be unable to take action, notwithstanding the provision of an indemnity to it, and it will be for Holders to take action directly.

Amendments and Waivers

Subject to certain exceptions, the Note Documents may be amended, supplemented or otherwise modified with the consent of the Holders of a majority in principal amount of the Notes then outstanding (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, such Notes) and, subject to certain exceptions, any default or compliance with any provisions thereof may be waived with the consent of the Holders of a majority in principal amount of the Notes then outstanding (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, such Notes). However an amendment or waiver may not, with respect to any such Notes held by a non-consenting Holder:

- (1) reduce the principal amount of such Notes whose Holders must consent to an amendment;
- (2) reduce the stated rate of or extend the stated time for payment of interest on any such Note (other than provisions relating to Change of Control and Asset Dispositions);
- (3) reduce the principal of or extend the Stated Maturity of any such Note;
- (4) reduce the premium payable upon the redemption of any such Note or change the time at which any such Note may be redeemed, in each case as described above under “—Optional Redemption”;
- (5) make any such Note payable in money other than that stated in such Note;
- (6) impair the right of any Holder to receive payment of principal of and interest on such Holder’s Notes on or after the due dates therefor or to institute suit for the enforcement of any such payment on or with respect to such Holder’s Notes;
- (7) waive a Default or Event of Default with respect to the nonpayment of principal, premium, interest or Additional Interest (except pursuant to a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of such Notes and a waiver of the payment default that resulted from such acceleration); or
- (8) make any change in the amendment or waiver provisions which require the Holders’ consent described in this sentence.

Notwithstanding the foregoing, without the consent of any Holder, the Company and the Trustee may amend or supplement any Note Documents to:

- (1) cure any ambiguity, omission, mistake, defect, error or inconsistency, conform any provision to this “Description of the Exchange Notes,” or reduce the minimum denomination of the Notes;
- (2) provide for the assumption by a successor Person of the obligations of the Company under any Note Document;
- (3) provide for uncertificated Notes in addition to or in place of certificated Notes;
- (4) add to the covenants or provide for a Guarantee for the benefit of the Holders or surrender any right or power conferred upon the Company or any Restricted Subsidiary;
- (5) make any change that does not adversely affect the rights of any Holder in any material respect;

Table of Contents

- (6) make such provisions as necessary (as determined in good faith by the Company) for the issuance of Additional Notes;
- (7) to provide for any Restricted Subsidiary to provide a Guarantee in accordance with the covenant described under “—Certain Covenants—Limitation on Indebtedness,” to add Guarantees with respect to the Notes, to add security to or for the benefit of the Notes, or to confirm and evidence the release, termination, discharge or retaking of any Guarantee or Lien with respect to or securing the Notes when such release, termination, discharge or retaking is provided for under the Indenture;
- (8) at the Company’s election, comply with any requirement of the SEC in connection with the qualification of the Indenture under the Trust Indenture Act, if such qualification is required;
- (9) to evidence and provide for the acceptance and appointment under the Indenture of a successor Trustee pursuant to the requirements thereof or to provide for the accession by the Trustee to any Note Document; or
- (10) to make any amendment to the provisions of the Indenture relating to the transfer and legending of Notes as permitted by the Indenture, including, without limitation, to facilitate the issuance and administration of Notes; *provided, however*, that (i) compliance with the Indenture as so amended would not result in Notes being transferred in violation of the Securities Act or any applicable securities law and (ii) such amendment does not materially and adversely affect the rights of Holders to transfer Notes.

The consent of the Holders is not necessary under the Indenture to approve the particular form of any proposed amendment of any Note Document. It is sufficient if such consent approves the substance of the proposed amendment. A consent to any amendment or waiver under the Indenture by any Holder of Notes given in connection with a tender of such Holder’s Notes will not be rendered invalid by such tender.

Defeasance

The Issuer at any time may terminate all obligations of the Issuer under the Notes and the Indenture (“*legal defeasance*”) and cure all then existing Defaults and Events of Default, except for certain obligations, including those respecting the defeasance trust, the rights, powers, trusts, duties, immunities and indemnities of the Trustee and the obligations of the Issuer in connection therewith and obligations concerning issuing temporary Notes, registrations of Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust.

The Issuer at any time may terminate its obligations under the covenants described under “—Certain Covenants” (other than clauses (1) and (2) of “—Merger and Consolidation”) and “—Change of Control” and the default provisions relating to such covenants described under “—Events of Default” above, the operation of the cross-default upon a payment default, the cross acceleration provisions, the bankruptcy provisions with respect to the Company and Significant Subsidiaries, the judgment default provision and the guarantee provision described under “—Events of Default” above (“*covenant defeasance*”).

The Issuer at its option at any time may exercise its legal defeasance option notwithstanding its prior exercise of its covenant defeasance option. If the Issuer exercises its legal defeasance option, payment of the Notes may not be accelerated because of an Event of Default with respect to the Notes. If the Issuer exercises its covenant defeasance option with respect to the Notes, payment of the Notes may not be accelerated because of an Event of Default specified in clause (3), (4), (5) (with respect only to the Company and Significant Subsidiaries), (6) or (7) under “—Events of Default” above.

In order to exercise either defeasance option, the Company must irrevocably deposit in trust (the “*defeasance trust*”) with the Trustee, as paying agent, cash in dollars or U.S. Government Obligations or a

combination thereof deemed sufficient in the opinion of a nationally recognized firm of public accountants for the payment of principal and Additional Interest, premium, if any, and interest on the Notes to redemption or maturity, as the case may be, and must comply with certain other conditions, including delivery to the Trustee of:

- (1) an Opinion of Counsel in the United States stating that Holders of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit and defeasance and will be subject to U.S. federal income tax on the same amounts and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred (and in the case of legal defeasance only, such Opinion of Counsel in the United States must be based on a ruling of the U.S. Internal Revenue Service or change in applicable U.S. federal income tax law since the issuance of the Notes);
- (2) an Opinion of Counsel to the effect that, as of the date of such opinion and subject to customary assumptions and exclusions, following the deposit, the trust funds will not be subject to the effect of Section 547 of Title 11 of the United States Code, as amended;
- (3) an Officer's Certificate stating that the deposit was not made by the Issuer with the intent of defeating, hindering, delaying, defrauding or preferring any creditors of the Issuer; and
- (4) an Officer's Certificate and an Opinion of Counsel (which opinion of counsel may be subject to customary assumptions and exclusions), each stating that all conditions precedent provided for or relating to legal defeasance or covenant defeasance, as the case may be, have been complied with.

Satisfaction and Discharge

The Indenture is discharged and will cease to be of further effect (except as to surviving rights of conversion or transfer or exchange of the Notes, as expressly provided for in the Indenture) as to all outstanding Notes when (1) either (a) all the Notes previously authenticated and delivered (other than certain lost, stolen or destroyed Notes and certain Notes for which provision for payment was previously made and thereafter the funds have been released to the Issuer) have been delivered to the Trustee for cancellation; or (b) all Notes not previously delivered to the Trustee for cancellation (i) have become due and payable, (ii) will become due and payable at their Stated Maturity within one year or (iii) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer; (2) the Issuer has deposited or caused to be deposited with the Trustee, money or U.S. Government Obligations, or a combination thereof deemed sufficient in the opinion of a nationally recognized firm of public accountants, as applicable, in an amount sufficient to pay and discharge the entire indebtedness on the Notes not previously delivered to the Trustee for cancellation, for principal, premium, if any, and interest and Additional Interest, if any, to the date of deposit (in the case of Notes that have become due and payable), or to the Stated Maturity or redemption date, as the case may be; (3) the Issuer has paid or caused to be paid all other sums payable under the Indenture; and (4) the Issuer has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel each to the effect that all conditions precedent under the "—Satisfaction and Discharge" section of the Indenture relating to the satisfaction and discharge of the Indenture have been complied with; *provided* that any such counsel may rely on any Officer's Certificate as to matters of fact (including as to compliance with the foregoing clauses (1), (2) and (3)).

No Personal Liability of Directors, Officers, Employees and Shareholders

No director, officer, employee, incorporator, stockholder or shareholder of the Company or any of its respective Subsidiaries or Affiliates, as such, shall have any liability for any obligations of the Issuer or any Guarantor under the Note Documents or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. Such waiver may not be effective to waive liabilities under the U.S. federal securities laws and it is the view of the SEC that such a waiver is against public policy.

Concerning the Trustee and Certain Agents

Wells Fargo Bank, National Association has been appointed as Trustee and Wells Fargo Bank, National Association has been appointed as Agent (in each of such capacities as paying agent, registrar and transfer agent) under the Indenture. The Indenture provides that, except during the continuance of an Event of Default, the Trustee will perform only such duties as are set forth specifically in such Indenture. During the existence of an Event of Default, the Trustee will exercise such of the rights and powers vested in it under the Indenture and use the same degree of care that a prudent Person would use in conducting its own affairs. The permissive rights of the Trustee to take or refrain from taking any action enumerated in the Indenture will not be construed as an obligation or duty.

The Indenture imposes certain limitations on the rights of the Trustee, should it become a creditor of the Company, to obtain payment of claims in certain cases, or to realize on certain property received in respect of any such claim as security or otherwise. The Trustee is permitted to engage in other transactions with the Company and its Affiliates and Subsidiaries.

The Indenture sets out the terms under which the Trustee may retire or be removed, and replaced. Such terms include, among others, (1) that the Trustee may be removed at any time by the Holders of a majority in principal amount of then outstanding Notes, or may resign at any time by giving written notice to the Issuer and (2) that if the Trustee at any time (a) has or acquires a conflict of interest that is not eliminated, (b) fails to meet certain minimum limits regarding the aggregate of its capital and surplus or (c) becomes incapable of acting as Trustee or becomes insolvent or bankrupt, then the Issuer may remove the Trustee, or any Holder who has been a bona fide Holder for not less than six months may petition any court for removal of the Trustee and appointment of a successor Trustee.

Any removal or resignation of the Trustee shall not become effective until the acceptance of appointment by the successor Trustee.

The Indenture contains provisions for the indemnification of the Trustee for any loss, liability, taxes and expenses incurred without gross negligence or willful misconduct on its part, arising out of or in connection with the acceptance or administration of the Indenture.

All notices to Holders of Notes will be validly given if electronically delivered or mailed to them at their respective addresses in the register of the Holders of the Notes, if any, maintained by the registrar. Each such notice shall be deemed to have been given on the date of such publication or, if published more than once on different dates, on the first date on which publication is made; *provided* that, if notices are mailed, such notice shall be deemed to have been given on the later of such publication and the seventh day after being so mailed. Any notice or communication mailed to a Holder shall be mailed to such Person by first-class mail or other equivalent means and shall be sufficiently given to him if so mailed within the time prescribed. Failure to mail a notice or communication to a Holder or any defect in it shall not affect its sufficiency with respect to other Holders. If a notice or communication is mailed in the manner provided above, it is duly given, whether or not the addressee receives it.

simultaneously with the event for which the calculation of the Fixed Charge Coverage Ratio is made (the “*Fixed Charge Coverage Ratio Calculation Date*”), then the Fixed Charge Coverage Ratio (solely for purposes of Incurring Indebtedness) shall be calculated giving *pro forma* effect to such Incurrence, assumption, Guarantee, redemption, defeasance, retirement or extinguishment of Indebtedness, or such issuance or redemption of Disqualified Stock or Preferred Stock, as if the same had occurred at the beginning of the applicable four-quarter period; *provided, however*, that the *pro forma* calculation shall not give effect to any Indebtedness Incurred on such determination date pursuant to the provisions described in the second paragraph under “—Certain Covenants—Limitation on Indebtedness” excluding Indebtedness Incurred under clauses (4) and (5) thereof.

MATERIAL UNITED STATES FEDERAL INCOME TAX CONSEQUENCES

The following is a summary of the material United States federal income tax consequences relating to the exchange of old notes for exchange notes in the exchange offer. It does not contain a complete analysis of all of the potential tax consequences relating to the exchange. This summary is limited to holders of old notes who hold the old notes as “capital assets” (in general, assets held for investment). Special situations, such as the following, are not addressed:

- tax consequences to holders who may be subject to special tax treatment, such as tax-exempt entities, dealers in securities or currencies, banks, other financial institutions, insurance companies, regulated investment companies, traders in securities that elect to use a mark-to-market method of accounting for their securities holdings or corporations that accumulate earnings to avoid United States federal income tax;
- tax consequences to persons holding notes as part of a hedging, integrated, constructive sale or conversion transaction or a straddle or other risk reduction transaction;
- tax consequences to holders whose “functional currency” is not the United States dollar;
- tax consequences to persons who hold notes through a partnership or similar pass-through entity;
- United States federal gift tax, estate tax or alternative minimum tax consequences, if any; or
- any state, local or non-United States tax consequences.

We recommend that each holder consult its own tax advisor as to the particular tax consequences of exchanging old notes for exchange notes in the exchange offer, including the applicability and effect of any state, local or non-United States tax law.

The discussion below is based upon the provisions of the United States Internal Revenue Code of 1986, as amended, existing and proposed Treasury regulations promulgated thereunder, and rulings, judicial decisions and administrative interpretations thereunder, as of the date hereof. Those authorities may be changed, perhaps retroactively, so as to result in United States federal income tax consequences different from those discussed below.

Consequences of Tendering Old Notes

The exchange of old notes for exchange notes pursuant to the exchange offer should not constitute a taxable “exchange” for United States federal income tax purposes because the exchange notes should not be considered to differ materially in kind or extent from the old notes. Rather, the exchange notes received by a holder should be treated as a continuation of the old notes in the hands of such holder. Accordingly, there should be no United States federal income tax consequences to tendering holders arising from the exchange of old notes for exchange notes pursuant to the exchange offer.

PLAN OF DISTRIBUTION

Each broker-dealer that receives exchange notes for its own account pursuant to the exchange offer must acknowledge that it will deliver a prospectus in connection with any resale of such exchange notes. This prospectus, as it may be amended or supplemented from time to time, may be used by a broker-dealer in connection with resales of exchange notes received in exchange for old notes where such old notes were acquired as a result of market-making activities or other trading activities. We have agreed that, for a period of 180 days after the expiration of the exchange offer, we will make this prospectus, as amended or supplemented, available to any broker-dealer for use in connection with any such resales. In addition, until [REDACTED], 2015 (90 days after the date of this prospectus), all broker-dealers effecting transactions in the exchange notes may be required to deliver a prospectus.

We will not receive any proceeds from any sale of exchange notes by broker-dealers. Exchange notes received by broker-dealers for their own account pursuant to the exchange offer may be sold from time to time in one or more transactions in the over-the-counter market, in negotiated transactions, through the writing of options on the exchange notes or a combination of such methods of resale. These resales may be made at market prices prevailing at the time of resale, at prices related to such prevailing market prices or negotiated prices. Any such resale may be made directly to purchasers or to or through brokers or dealers who may receive compensation in the form of commissions or concessions from any such broker-dealer or the purchasers of any such exchange notes. Any broker-dealer that resells exchange notes that were received by it for its own account pursuant to the exchange offer and any broker or dealer that participates in a distribution of such exchange notes may be deemed to be an “underwriter” within the meaning of the Securities Act, and any profit on any such resale of exchange notes and any commissions or concessions received by any such persons may be deemed to be underwriting compensation under the Securities Act. The letter of transmittal delivered with this prospectus states that, by acknowledging that it will deliver and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an “underwriter” within the meaning of the Securities Act.

For a period of 180 days after the expiration of the exchange offer, we will promptly send additional copies of this prospectus and any amendment or supplement to this prospectus to any broker-dealer that requests such documents. We have agreed to pay all expenses incident to the performance of our obligations in connection with the exchange offer. We will indemnify the holders of the exchange notes (including any broker-dealer) against certain liabilities, including liabilities under the Securities Act.

The validity of the exchange notes and the enforceability of obligations under the exchange notes and guarantees will be passed upon for us by Kirkland & Ellis LLP, New York, New York, as U.S. counsel and Goodmans LLP, as Canadian counsel.
