PROXY CIRCULAR

SOLICITATION OF PROXIES; RECORD DATE

Management and the Board of Directors of Cott Corporation ("Cott") are soliciting your proxy to vote your shares at the 2004 annual and special meeting of Cott shareowners, which will be held on April 27, 2004 at the Glenn Gould Studio, Canadian Broadcasting Centre, 250 Front Street West, Toronto, Ontario, Canada, at 8:30 a.m. local time.

Owners of Cott common shares of record at the close of business on March 12, 2004 will be entitled to vote at the meeting. Shares acquired after that date carry the right to vote at the meeting if the holder can provide proof of ownership and has notified the Secretary of Cott in writing at least ten days before the meeting.

This Proxy Circular and the accompanying Proxy are being mailed to Cott shareowners on or about March 26, 2004. Proxies are solicited to give all shareowners of record an opportunity to vote on matters that will be presented at the annual and special meeting. The solicitation will be primarily by mail, but may also be made by telephone, or personal contact by employees of Cott. Cott has retained Georgeson Shareholder Communications Canada Inc. to assist it in the solicitation of proxies from shareowners of Cott for the meeting. Cott estimates that the costs which might be incurred for such solicitation would be approximately \$40,000 and Cott will pay solicitation costs. If you have any questions about the information contained in this Proxy Circular or require assistance in completing your form of proxy, please contact Georgeson at 1-866-800-5491.

APPOINTMENT OF PROXIES

The persons named in the Proxy are directors or officers of Cott. You may appoint a person, other than Cott's directors or officers, to represent you at the meeting. To do so, insert your appointee's name in the space provided in the Proxy and strike out the other names, or complete another proper Proxy. In either case, deliver the Proxy before the meeting or any continuation of the meeting after an adjournment of the meeting to Computershare Trust Company of Canada, 100 University Avenue, 9th Floor, Toronto, Ontario, Canada M5J 2Y1 -- Attention: Secretary of Cott Corporation.

REVOCAION OF PROXIES

You can revoke your proxy in any manner permitted by law. This includes delivering a written statement signed by you (or by an attorney authorized by you in writing) to Cott Corporation at 207 Queen's Quay West, Suite 340, Toronto, Ontario, Canada M5J 1A7 -- Attention: Secretary, before the meeting or giving it to the Chairman of the meeting at the beginning of the meeting or any continuation of the meeting after an adjournment of the meeting.

CONFIDENTIALITY OF VOTE

Computershare Trust Company of Canada counts and tabulates proxies in a manner that preserves the confidentiality of your votes. Proxies will not be submitted to management unless: (a) there is a proxy contest; (b) the Proxy contains comments clearly intended for management; or (c) it is necessary to determine a Proxy's validity or to enable management and/or the Board of Directors to meet their legal obligations to shareowners or to discharge their legal duties to Cott.

VOTING PROCEDURES AND MATTERS TO BE VOTED ON

Shares represented by a Proxy will be voted or withheld from voting on matters that will take place at the annual and special meeting, in accordance with the instructions given by the shareowner. IF NO INSTRUCTIONS ARE INDICATED, EACH SHARE WILL BE VOTED:

- (1) FOR THE ELECTION OF THE TWELVE DIRECTORS LISTED UNDER THE HEADING "PROPOSAL NO. 1 -- NOMINEES FOR ELECTION TO THE BOARD OF DIRECTORS" ON PAGE 3 OF THIS PROXY CIRCULAR;
- (2) FOR THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS AUDITORS OF COTT DESCRIBED UNDER "PROPOSAL NO. 2 -- APPOINTMENT OF AUDITORS" ON PAGE 22 OF THIS PROXY CIRCULAR;

The person to whom you give your Proxy will decide how to vote on amendments to the matters of business described above and on any additional matters that may properly come up for a vote at the meeting. Cott is not aware of any proposal to bring any additional or different matter to a vote at the meeting.

NON-REGISTERED SHAREOWNERS

A non-registered shareowner is a shareowner who beneficially owns shares but the shares are registered in the name of an intermediary, such as a securities broker, financial institution, trustee, custodian or other nominee who holds shares on behalf of the shareowner, or in the name of a clearing agency in which the intermediary is a participant. Intermediaries have obligations to forward meeting materials to non-registered shareowners, unless otherwise instructed by the shareowner (and as required by regulation in some cases, despite such instructions).

Only registered shareowners or their duly appointed proxyholders are permitted to vote at the annual and special meeting. A non-registered shareowner should follow the directions of his, her or its intermediary with respect to the procedures to be followed in order to permit the non-registered shareowner to direct the voting of shares beneficially owned by such shareowner. A non-registered shareowner wishing to attend and vote at the annual and special meeting must insert his, her or its own name in the space provided for the appointment of a proxyholder on the voting instruction form or proxy form provided by the intermediary and return it in accordance with the intermediary's directions.

COMMON SHARES OUTSTANDING

As of February 29, 2004 there were 70,396,981 common shares outstanding and entitled to be voted at the meeting. Each common share carries the right to one vote at the meeting.

QUORUM AND VOTE COUNTING

The annual and special meeting requires a quorum, which for this meeting means:

- At least two persons personally present, each being a shareowner entitled to vote at the meeting or a duly appointed proxy for an absent shareowner so entitled; and
- Persons owning or representing not less than a majority of the total number of Cott shares entitled to vote.

Directors who receive the highest vote totals will be elected as directors. Cumulative voting in the election of directors is not permitted. All other matters must be approved by a majority of the votes cast by shareowners that are present or represented and entitled to vote at the meeting. Abstentions (including abstentions by brokers) are counted as present and entitled to vote for purposes of establishing a quorum, but they are not counted as votes for or against any proposal.

PROCEDURE FOR CONSIDERING SHAREOWNERS PROPOSALS

If you want to propose any matter for a vote by Cott's shareowners at Cott's 2005 annual meeting, you must send your proposal to Cott's Secretary. In order for your proposal to be considered for inclusion in the 2005 Proxy Circular and Proxy, it must be received by Cott's Secretary by no later than December 26, 2004 at Cott Corporation, 207 Queen's Quay West, Suite 340, Toronto, Ontario, Canada M5J 1A7.

GENERAL

All dollar amounts are in United States dollars unless otherwise stated. All information contained in this document is as of February 29, 2004 unless otherwise indicated.

PRINCIPAL SHAREOWNERS

Based upon publicly filed and available documents, and to Cott's knowledge, on February 29, 2004, shareowners who beneficially owned or exercised control or direction over more than 5% of the outstanding voting shares were:

The Agreement also provides that the THL Entities will not exercise any options to acquire additional common shares of Cott if, after giving effect to such exercise, the THL Entities would have the power to vote or hold more than 35% of the outstanding voting shares of Cott, calculated on a fully diluted basis.

PROPOSAL NO. 1 -- NOMINEES FOR ELECTION TO THE BOARD OF DIRECTORS

Twelve directors are to be elected to serve until the close of business of the 2005 annual meeting or until they cease to hold office. All of the nominees are currently directors of Cott and have been since the dates indicated below. Cott expects that each of the nominees will be able to serve as a director. However, if any nominee becomes unable to serve as a director for any reason prior to the meeting, the proxyholders reserve the right to vote the shares for another nominee at their discretion, unless the Proxy specifies that the shares abstain from voting for all the director nominees.

Mr. Weise also served as president of Cott from June 1998 to July 2003. Cott has announced that as of August 31, 2004 Mr. Weise will retire as chief executive officer but if elected will remain as chairman with an active role in assisting management in long-term strategy, customer relations and investor relations.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Nine of the nominees for director, Messrs. Adair, Bennett, Boll, Gouin, Hagerty, Harkins, Livingston and Watt and Ms. Magee are unrelated and outside directors who the board has determined are independent within the meaning of the rules of the New York Stock Exchange. An "unrelated director" is a person who is independent of management and is free from any interest or any business or other relationship, other than interests and relationships arising from owning shares of Cott, which could, or could reasonably be perceived to, materially interfere with his or her ability to act with a view to Cott's best interests. A director is "independent" in accordance with the rules of the New York Stock Exchange if the board affirmatively determines that such director has no material relationship with Cott (either directly or as a partner, shareholder or officer of an organization that has a relationship with Cott).

Mr. Adair's employer, CIBC World Markets Inc., was engaged in 2003 to purchase common shares of Cott on the open market for the Executive Incentive Share Compensation Plan. In addition, Mr. Adair has business relationships with certain members of management through his position as an investment advisor at CIBC World Markets Inc. The board has determined that Mr. Adair is an unrelated, independent director on the basis that such relationships are not sufficiently significant to Mr. Adair's role with CIBC World Markets Inc. (and account for well below 2% of the gross revenues test in the rules of the New York Stock Exchange) to affect his ability to act with a view to the best interests of Cott and were not material to Cott, Mr. Adair or CIBC World Markets Inc.

Prior to June 2003, Mr. Watt was Chairman of Watt International Inc. ("WII"), which has a purchase and restricted services agreement with Cott with an approximate remaining term of five years. Under the terms of that agreement, WII provides Cott with packaging and collateral material and store design services. Cott has agreed that it will not, subject to certain exceptions, engage another party to provide the services described in the purchase and restricted services agreement in Canada, the U.S. and Mexico during the ten-year period ending June 1, 2009. Cott, however, may perform the services under the purchase and restricted services agreement using its own employees. During the last fiscal year, Cott paid WII \$417,750, under that agreement, which the board was advised represents less than 2% of WII's revenues. After consideration of this relationship and other relevant factors, including the fact that Cott paid Deuteronomy Inc. (of which Mr. Watt is the sole shareholder) C\$208,333 for services in 2002, the amount of the payments over the last year, the nature of the services performed and the lack of other relationships between Mr. Watt and Cott, the board determined that Mr. Watt is currently independent for the purposes of the rules of the New York Stock Exchange.

Each of Messrs. Boll, Hagerty and Harkins is a managing director and Mr Harkins is the President of Thomas H. Lee Partners, L.P., an affiliate of the THL Entities. In December 2003 the THL Entities sold 7,500,000 of their common shares of Cott by way of a short form prospectus offering in Canada. Cott did not receive any proceeds from the sale of these shares. Pursuant to a registration rights agreement entered into between Cott and the THL Entities in July 1998, Cott is responsible for all expenses in connection with the sale of common shares by the THL Entities where such shares are offered through the filing of a registration statement with the U.S. Securities and Exchange Commission. As

Cott determined that it was in its best interests to facilitate an orderly distribution of such common shares, it agreed to be responsible for all of the expenses in connection with the offering (other than the underwriters' fee and out-of-pocket expenses and certain other expenses of the underwriters and the selling shareholders, respectively) to a maximum prescribed amount. The total amount of fees paid by Cott in respect of the offering as at February 29, 2004 is \$357,844. The THL Entities have various agreements with Cott in connection with their share ownership. The board has determined that since the relationships of Messrs. Boll, Hagerty and Harkins are with a significant shareholder of Cott and not with members of Cott's management and since Messrs. Boll, Hagerty and Harkins are not involved in the day-to-day management of Cott and do not exercise any control or direction over Cott except for their positions as directors of Cott and shareowners, Messrs. Boll, Hagerty and Harkins are independent within the meaning of the rules of the New York Stock Exchange. In making its assessment, the board also considered that the New York Stock Exchange does not consider ownership of a significant amount of stock alone as a bar to a finding of independence.

Mr. Weise and Mr. Sheppard are related inside directors, as each is an employee and officer of Cott. Mr. Halperin is an outside director but, as the brother of Mark R. Halperin, senior vice-president, general counsel and secretary of Cott, he may be considered to be a related director. None of Messrs. Weise, Sheppard or Halperin is an independent director within the meaning of the rules of the New York Stock Exchange.

MEETINGS OF THE BOARD OF DIRECTORS AND COMMITTEES

In 2003, the board of directors held ten meetings. Each director attended in person or by telephone at least 70% of the total number of meetings of the board of directors and committees on which they served, except for Thomas Hagerty who missed six board meetings and all three meetings of the Corporate Governance Committee.

SECURITY OWNERSHIP OF DIRECTORS AND OFFICERS

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Cott's directors and executive officers and beneficial owners of more than 10% of Cott's common shares, as well as certain affiliates of such persons, must file reports with the Securities and Exchange Commission showing the number of Cott's common shares they beneficially own and any changes in their beneficial ownership.

Based on Cott's review of these reports, and written representations, if any, of the directors, executive officers and beneficial owners of more than 10% of Cott's common shares, as well as certain affiliates of such persons, Cott believes that all required reports were filed in 2003 in a timely manner.

EMPLOYMENT CONTRACTS AND TERMINATION OF EMPLOYMENT ARRANGEMENTS

Each of the named executive officers is a party to an employment agreement with Cott.

Frank E. Weise III, Mark Benadiba, Paul Richardson, Raymond P. Silcock and John K. Sheppard have individual contracts of employment with Cott for an unspecified term, which provide for annual base salaries at rates not less than the amounts reported in the Summary Compensation Table for 2003. Each of these agreements provides for:

- The payment to the applicable named executive officer of bonuses consistent with market and industry standards from time to time and which are based upon the achievement of agreed upon criteria established from time to time by the board of directors' Human Resources and Compensation Committee; and
- Customary allowances and perquisites.

Cott provides both short-term and long-term incentive programs in which each of the named executive officers participates. Subject to the terms of employment contracts for the respective named executive officers, the level of participation is determined by the Human Resources and Compensation Committee at its sole discretion and varies by named executive officer.

Upon termination of Mr. Weise's employment by Cott, other than for just cause, or upon a deemed termination (other than following a change of control), Mr. Weise shall be entitled to receive from Cott severance equal to:

(a) If such termination occurs on or prior to June 30, 2004, the greater of:

- (i) Two times the average of his base salary and bonuses over the prior two years, and
- (ii) A pro-rated bonus (based on prior years) for the period in the year prior to termination; or

(b) If such termination occurs following June 30, 2004, Mr. Weise shall be entitled to receive not less than 120 days notice of his termination or pay in lieu thereof.

If Mr. Weise's employment agreement comes to an end, other than as a result of a termination by Cott for just cause, Mr. Weise and his spouse are entitled to health insurance benefits, for as long as either Mr. Weise or his spouse live, equal to the greater of:

- The health insurance benefits provided to Cott's chief executive officer, or the chief executive officer of Cott's successor, or the highest paid officer of Cott or any successor in the absence of a chief executive officer, or
- Health insurance benefits equal to those provided to Mr. Weise immediately prior to the expiration or termination of his employment agreement.

If, following a change of control, Mr. Weise's employment is terminated by Cott, other than for just cause, or is deemed terminated, he shall be entitled to receive a payment equal to:

- 36 months of his base salary,
- Continuation of his benefits, or a cash equivalent, as discussed above, and
- The average of the bonuses paid to him over the prior two years.

All unvested options and other entitlements under Mr. Weise's employment agreement vest immediately upon a change of control. In addition, 200,000 options granted to Mr. Weise in December 2002 shall immediately vest if Mr. Weise's employment agreement comes to an end, other than as a result of a termination by Cott for just cause.

A "change of control" means any person or group of persons acquiring more than 50% of the outstanding voting shares of Cott, a sale by Cott of all or substantially all of Cott's undertakings and assets or the voluntary liquidation, dissolution or winding-up of Cott.

If Mr. Benadiba's employment is terminated by Cott without cause, other than by reason of Mr. Benadiba's death prior to July 6, 2006 (the "window period"), Mr. Benadiba is entitled to receive an amount equal to the aggregate of (a) two times his base salary paid to him and two times the cash value of benefits and perquisites during the most recently completed 12 months and (b) two times the greater of (i) Mr. Benadiba's target base bonus at the date of termination or deemed termination and (ii) C\$500,000. If Mr. Benadiba voluntarily terminates his employment prior to the end of the window period (other than in the case of a deemed termination), Mr. Benadiba shall be entitled to an amount equal to the aggregate of (a) his base salary paid to him and the cash value of benefits and perquisites during the most recently completed 12 months and (b) the greater of (i) Mr. Benadiba's target base bonus at the date of termination or deemed termination and (ii)

C\$500,000.

If Mr. Silcock's employment is terminated by Cott for any reason other than just cause, he will receive a severance payment equal to 24 months' base salary and bonus and car allowance and the cash value of his benefits, excluding short and long term disability and out of country benefits.

If Mr. Sheppard's employment is terminated by Cott without cause, he will receive two years of severance pay equivalent to his base salary and base bonus as well as two years of perquisites and continuation of health and dental benefits coverage for a period of up to two years or until Mr. Sheppard finds new employment.

Mr. Richardson's agreement provides that either Mr. Richardson or Cott may terminate his employment at any time on six months written notice by the terminating party. If either party terminates the agreement or if Mr. Richardson dies, he or his estate will receive a severance payment equal to the aggregate of two times his annual salary and bonus paid or payable plus the cash value of all benefits and perquisites and the average of any other remuneration during the two years prior to the termination notice.

COMPENSATION OF DIRECTORS

The Lead Independent Director of the board of directors receives an annual retainer of C\$100,000 and the other outside directors receive meeting fees in addition to their annual retainers. The table below sets out the annual retainer and meeting fees for the other outside directors. Mr. Weise and Mr. Sheppard are management directors and accordingly do not receive directors' fees. Messrs. Boll, Hagerty and Harkins, also did not receive directors' fees.

	C\$
Director retainer	32,000
Committee chair retainer	4,000
Committee membership retainer	3,200
Board meeting fee (in person)	1,600
Board meeting fee (by telephone)	800
Committee chair meeting fee (in person)	1,600
Committee meeting fee (in person)	1,200
Committee meeting fee (by telephone or in conjunction with a board of directors meeting)	600(1)

(1) Chair of the committee receives \$800 when attending a committee meeting conducted by phone or in conjunction with a board of directors meeting.

Directors are reimbursed for their travel expenses in connection with board of directors and committee meeting attendance. In addition to options granted to Mr. Sheppard in 2003 (see "Option Grants"), a total of 25,000 options to acquire Cott common stock, in the aggregate, were granted to Mr. Livingston. These options granted to Mr. Livingston were fully vested immediately upon being granted. No other directors were granted options in 2003. Directors are required to own personally at least C\$50,000 worth of Cott common shares, which must be acquired within three years of joining the board or by December 2006, whichever is later. The common shares may be acquired through Cott's Share Plan for Non-Employee Directors.

Cott's Share Plan for Non-Employee Directors allows directors who are neither employees nor full-time officers of Cott to elect to receive their fees in the form of common shares of Cott. Under the terms of this plan, fees that would otherwise be payable to directors who elect to participate in the plan are paid to a third party trustee who uses the funds to purchase common shares of Cott on the open market. The trustee allocates the number of shares attributable to each participant based on the amount of fees contributed in respect of that member. A participant may only receive the shares purchased under the plan (or direct the trustee to sell the shares purchased on his or her behalf and receive the proceeds from the sale of such shares) upon ceasing to be a director. No shares are issued from treasury in connection with this plan and it is not dilutive to shareowners.

EXECUTIVE OFFICERS

For information with respect to identification of executive officers, see "Executive Officers of Cott" Part I of Cott's 2004 Annual Report on Form 10-K filed pursuant to the Securities Exchange Act of 1934 and with all applicable Canadian securities authorities.

The amendments proposed under Proposal No. 4 -- Amendment to Option Plan are not reflected for purposes of this table.

The material terms of the Option Plan are summarized in "Report on Executive Compensation -- Long-Term Incentives -- Option Plan."

HUMAN RESOURCES AND COMPENSATION COMMITTEE

REPORT ON EXECUTIVE COMPENSATION

The Human Resources and Compensation Committee is responsible for reviewing, developing and recommending to the board the appropriate management compensation policies, programs and levels. The committee develops performance objectives in conjunction with the chief executive officer and assesses the performance of the chief executive officer and reviews the performance of the other senior executive officers at least annually in relation to these objectives.

COMPENSATION PRINCIPLES

Cott is committed to the philosophy of partnership and to sharing the benefits of success with those who help it grow. Cott's strength and ability to sustain growth is based on an organization which perceives people as its single most important asset. The committee's goal is to provide sufficient compensation opportunities for executives of Cott in order to attract, retain and motivate the best possible management team to lead Cott in the achievement of both its short and long-term performance goals. The committee believes that compensation significantly based on performance is more likely to enhance Cott's financial success, which leads to the improvement of shareowner value. In furtherance of these goals, Cott has adopted an annual bonus plan, an employee share option plan, an employee share purchase savings plans and an executive incentive share compensation plan to:

- increase the risk/reward ratio of its executive compensation program,
- focus management on long-term strategic issues, and
- align management's interests with those of the shareowners of Cott in the sustained growth of shareowner value.

COMPENSATION ELEMENTS AND DETERMINATION PROCESS

Compensation for executive officers, including the chief executive officer, of Cott consists of a base salary, opportunities for bonus cash compensation, and long-term compensation in the form of stock options, a share purchase savings plan and an executive investment share purchase plan. Each of the named executive officers has a written agreement: see "Employment Contracts and Termination of Employment Arrangements". The committee's role is to determine what increase in base salary, the amount of bonus, performance targets for performance-based compensation, and the appropriate level and targets for other compensation, if any, would be appropriate for Cott's executives. Management negotiated, and the committee approved, Cott's arrangements with each of the executives described under "Employment Contracts and Termination of Employment Arrangements" with the exception of Mr. Weise's agreement. The committee negotiated Mr. Weise's agreement.

In reviewing and determining executive compensation, the committee examines each component individually as well as total compensation as a whole. The committee determines each executive officer's compensation with reference to relevant industry norms, experience, past performance, level of responsibility and personal requirements and expectations. The committee reviews salary levels periodically and may make adjustments, if warranted, after an evaluation of executive and company performance, salary increase trends in Cott's geographic marketplace, current salary competitive positioning, and any increase in responsibilities assumed by the executive. The committee has, from time to time, considered the advice of independent consultants with respect to compensation matters. As noted above, in appropriate circumstances, the committee may augment cash compensation with the payment of bonuses to more closely align an individual's overall compensation with his or her performance, or the profitability of the business unit for which the individual is accountable. The committee may determine bonuses and levels of other compensation using overall corporate or business segment performance targets. The committee sets performance objectives and target levels on an annual basis, and assesses executives against these targets in determining their overall compensation.

In supporting the philosophy of linking executives and officers and shareowners, the committee has established certain required minimum holdings levels of common shares for executives and officers. The committee has required that these levels will be met by the later of December 31, 2005 and three years following the date they became a member of management. Currently all of the named officers comply with these requirements or it is anticipated that they will comply within the timeline provided. The following chart outlines the minimum holding levels required by the committee:

POSITION	SALARY MULTIPLE
Chief Executive Officer	5X
President, Executive Vice Presidents, Senior Vice Presidents	3X

Other officers and vice presidents of Cott and its subsidiaries are required to hold between one-half and two times the amount of their salary in Cott shares.

LONG-TERM INCENTIVES

The committee considers long-term incentives to be an essential component of executive compensation so that a proper balance exists between short and long-term considerations and enhancing shareowner value. There are several components to Cott's long-term incentive program. The committee considers the level of each executive's participation in the program by assessing each executive's current level of participation and, in light of that participation, the extent to which further participation will assist in furthering the goals of such program.

Option Plan

Under the 1986 Common Share Option Plan, as amended but prior to the amendment sought in this proxy circular (see Proposal No. 4 -- Amendment to Option Plan), an aggregate of the lesser of 12,000,000 or 15% of Cott's outstanding common shares (determined on the date of grant of an option) are reserved for issuance to eligible directors, officers, employees and service providers of Cott and its subsidiaries. This amount includes common shares reserved for issuance pursuant to options granted under other compensation-related arrangements, and may be increased or decreased as a result of Cott's merger with any other entity, or as a result of a rights offering, reclassification, consolidation or subdivision of its shares.

Administration

The Human Resources and Compensation Committee administers the Option Plan and has the power and authority to construe and interpret the Option Plan and any awards made under the Option Plan. The Human Resources and Compensation Committee determines who is eligible to participate in the Option Plan, the number of common shares for which options are granted, the date of grant of options and the vesting period for each option. The board of directors may amend the Option Plan at any time provided that shareowner and regulatory or stock exchange approval of the amended Option Plan, if required, is received prior to the issuance of options under the amended Option Plan.

Option Awards

The grant of options and the issuance of shares under the Option Plan are subject to the following limitations:

- the number of common shares subject to outstanding options may not exceed 15% of the common shares outstanding on the date of grant of the option;
- the aggregate number of shares which may be issued to any one person pursuant to options granted under the Option Plan and any other share compensation arrangement shall not exceed 5% of the aggregate number of common shares outstanding on the date of grant;
- the aggregate number of common shares which may be issued, within a one year period, pursuant to options granted under the Option Plan and any other share compensation arrangement (A) to insiders, shall not exceed 10% of the aggregate number of common shares outstanding on the date of grant, and (B) to any one insider, together with such insider's associates, shall not exceed 5% of the aggregate number of common shares outstanding on the date of grant, excluding, in each case, common shares issued pursuant to share compensation arrangements over the preceding one year period.

Options to acquire common shares are granted at the closing price on the Toronto Stock Exchange on the last trading day preceding the date of grant (other than options granted to U.S. participants who own more than 10% of the total combined voting power of Cott, which are granted at 110% of the Toronto Stock Exchange closing price). Options are nontransferable and have a term of not more than ten years. If a participant ceases to be a director, officer, employee or service provider, all vested unexercised options awarded to such participant will expire on the earliest of:

- The expiry date of such options;
- 60 days following the date the participant ceases to be a director, officer, employee or service provider (the "termination date"), or in the event of the death of a participant, 365 days following the date of the death of such participant; and
- Three years from the date of total and permanent disability or the retirement of a participant.

Any unvested options held by a participant will be forfeited on the date the participant ceases to be a director, officer, employee or service provider for reasons other than death, and any unvested options will fully vest upon the death of a participant. In addition, any unvested options held by Option Plan participants will fully vest in the case of

- a consolidation, merger or amalgamation of Cott with any other corporation following which Cott's voting shareowners hold less than 50% of the voting shares of the surviving entity;
- a sale of all (or substantially all) of Cott's undertakings and assets; or
- a proposal made in connection with a liquidation, dissolution, or winding-up of Cott.

If the number of outstanding shares is materially affected as a result of Cott's merger with another entity, or as a result of a rights offering or a reclassification, consolidation or subdivision of shares, participants will be entitled to receive the same consideration paid to the holders of shares in connection with the amalgamation, merger, rights offering, reclassification, consolidation or subdivision, as if they had exercised their options immediately prior to such event. Also, participants will have the right to exercise all vested and unvested options held by them if a take-over bid is made with a per-share offer price greater than (or equal to) their option exercise price, provided the take-over bid permits tendering by notice of guaranteed delivery. Any such exercise will be conditioned upon completion of the take-over bid.

As of February 29, 2004, there were approximately 184 holders of options under the Option Plan and approximately 2,800 people (being all of Cott's directors, officers and employees, as well as certain consultants) were

eligible to participate in the Option Plan. The market value of common shares of Cott underlying options outstanding as of February 29, 2004 was \$114,525,477.

The foregoing summary does not contain all of the information that may be important to shareowners. The complete text of the Option Plan, as amended to reflect Proposal No. 4, is set forth as Appendix D to this Proxy Circular.

Executive Incentive Share Compensation Plan

The committee has established the Executive Incentive Share Compensation Plan (the "Incentive Plan"), which it intends to replace, subject to shareowner approval, with the executive investment share purchase plan described under "Proposal No. 3 -- Executive Investment Share Purchase Plan". The purpose of the Incentive Plan was to reward certain officers and senior management employees of Cott and certain of its subsidiaries, as designated by the committee, for exceeding one hundred percent (100%) of their respective annual performance objectives during the fiscal year to which the Incentive Plan relates.

Under the Incentive Plan, Cott had contributed an amount, as determined by the committee, to a trust on behalf of participants in the Incentive Plan who exceeded their annual performance objectives. The committee established these objectives and the officers and senior management employees who participated in the Incentive Plan annually. The trust is administered by an arm's length, third party trustee. The trust purchased an amount of Cott's common shares on the open market, which corresponded to the total dollar amount contributed by Cott. Once purchased, the trustee determined the number of common shares acquired on behalf of each participant based upon the amount contributed to the trust on behalf of each participant. Subject to the provisions of the Incentive Plan, the common shares in the trust vest over a period of three years in favour of those participants for whom the amount was originally contributed: 30% of the common shares attributed to a participant vests on January 2nd of each of the two years immediately following the year in which common shares were purchased on behalf of the participant and 40% vests on January 2nd of the 3rd year following the year in which the common shares were purchased on behalf of the participant. Subject to the determination of the committee and the provisions of the Incentive Plan, if the employment of a participant is terminated prior to the final vesting of the common shares attributed to such participant, the participant's unvested common shares are reallocated in favour of those participants participating in the Incentive Plan at the time when the amount was originally contributed. Shares purchased with awards granted under the Incentive Plan will remain subject to the terms of the Incentive Plan, as applicable. Cott contributed approximately C\$5,220,415 in connection with the proposed Executive Investment Share Purchase Plan, which is intended to replace the Incentive Plan, in respect of 2003 for the benefit of 31 participants in the Executive Investment Share Purchase Plan.

Should the Executive Investment Share Purchase Plan described under Proposal No. 3 -- Executive Investment Share Purchase Plan not be adopted, any shares purchased with such amount will be sold and such amount will be paid, in cash, to the certain officers and senior management employees for whom common shares were purchased in respect of 2003.

COMPENSATION OF THE CHAIRMAN AND CHIEF EXECUTIVE OFFICER

The chairman and chief executive officer's base salary was \$425,000 in 2003. The cash bonus paid to Mr. Weise reflects full achievement of all maximum performance targets for the year, as established by the committee prior to the beginning of the year. The committee has targeted Mr. Weise's total compensation, including base salary, bonuses and stock options at a level it believes is competitive with the amount paid by companies in the beverage industry and other similar industries.

The Human Resources and Compensation Committee annually reviews with the chief executive officer his objectives for the upcoming year. In reviewing such objectives, the committee determines the structure of the chief executive officer's bonus plan. As part of its determination of bonus targets, the committee considers Cott's strategic plan as well as the chief executive officer's personal objectives. The committee sets targets for the chief executive officer to achieve within the framework of Cott's bonus plan. Both a target for achievement as well as a "stretch" target are set. For fiscal 2003, the Human Resources and Compensation Committee determined that the chief executive officer's objective would be based on Cott's earnings per share. The committee's view was that this was the most effective means of driving shareowner value.

SUMMARY

The committee is ultimately responsible for determining, affirming or amending the level and nature of executive compensation of Cott. The committee has access, at Cott's expense, to independent, outside compensation consultants for both advice and competitive data for the purpose of making such determinations. The committee believes that the compensation policies and programs as outlined above ensure that levels of executive compensation truly reflect the performance of Cott, thereby serving the best interests of the shareowners.

Submitted by the Human Resources and Compensation Committee.

DIRECTORS' AND OFFICERS' LIABILITY INSURANCE

Cott provides insurance for the benefit of Cott's directors and officers and its subsidiaries against liability incurred by them acting in their capacities as such. Insurance is provided for any actual or alleged breach of duty, neglect, error, misstatement, misleading statement, omission or act by the directors or officers in their capacity as such, or any matter claimed against them solely by reason of the status as directors or officers, subject to the terms, conditions and exclusions of the policy. The current annual policy limit is \$35,000,000. Cott is reimbursed for amounts paid to

indemnify directors and officers, subject to a deductible of \$1,500,000 for securities claims and a deductible of \$500,000 for all other claims. The deductible is Cott's responsibility. There is no applicable deductible in the event that Cott is unable to indemnify. Cott pays the annual premium, which is currently \$905,000.

CORPORATE GOVERNANCE

GENERAL

The Toronto Stock Exchange has issued guidelines for effective corporate governance and requires listed companies annually to disclose their corporate governance practices. The guidelines address matters such as the composition, role and independence of corporate boards, its committees and the effectiveness and education of its members. Cott's board of directors is committed to instituting and maintaining corporate governance practices for the effective and prudent operation of Cott and for enhancing shareowner value. Cott believes that its governance practices meet the Toronto Stock Exchange guidelines, except as discussed herein.

BOARD AND MANAGEMENT ROLES

The board of directors has explicitly assumed responsibility for the stewardship of Cott, including:

- The adoption of a strategic planning process;
- The identification of the principal risks for Cott and the implementation of appropriate risk management systems;
- Succession planning and monitoring of senior management;
- Ensuring that Cott has in place a communications policy to enable it to communicate effectively and in a timely manner with shareowners, other stakeholders and the public generally; and
- The integrity of Cott's internal control and management information systems.

All decisions materially affecting Cott, its business and operations, including long-term strategic and operational planning, must be approved by the board prior to implementation. Each year management prepares a statement of objectives, plans, performance standards and policies for Cott. This statement is submitted to the board of directors for its review and approval prior to implementation.

In order to discharge its responsibilities effectively, the board of directors has established three committees from its membership: the Audit Committee, the Corporate Governance Committee and the Human Resources and Compensation Committee. Each committee is entitled to retain independent consultants, at the expense of Cott, to assist it in carrying out its functions.

ALLOCATION OF RESPONSIBILITIES BETWEEN THE BOARD AND MANAGEMENT

There is no specific mandate for the board, since the board of directors has plenary power. Any responsibility that is not delegated to senior management or a committee of directors remains with the full board. The board of directors has approved a job description for the Chairman and Chief Executive Officer, which specifically outlines the responsibilities of this position. One of these responsibilities is to prepare on behalf of management a written statement of management's objectives, plans, standards of performance and policies. This report is reviewed and approved annually by both the Human Resources and Compensation Committee and the entire board of directors. Additionally, Cott has established a lead independent director role.

BOARD'S EXPECTATIONS OF MANAGEMENT

The board of directors expects management to pursue the following objectives:

- Produce timely, complete and accurate information on Cott's operations and business as well as on any other specific matter which might, in their opinion, have material consequences for Cott and its shareowners and other stakeholders;
- Act on a timely basis and make appropriate decisions with regard to Cott's operations, in accordance with all the relevant requirements and obligations and in compliance with Cott's policies, with a view to increasing shareowner value;
- Apply a rigorous budget process and closely monitor Cott's financial performance in terms of the annual budget approved by the board of directors;

- Develop and implement Cott's strategic plan in light of trends in the market; and
- Promote high ethical standards and practices in conducting Cott's business.

SHAREOWNER COMMUNICATIONS

Cott seeks to maintain a transparent and accessible exchange of information with all of its shareowners and other stakeholders with regard to its business and performance, subject to the requirements of all applicable laws and any other limitations of a legal or contractual nature. In addition to the required public filings, Cott regularly distributes information to its shareowners and the investment community through conferences, webcasts made available to the public and press releases. Shareowners are invited to communicate with any of the directors of Cott, including the lead independent director, by sending a letter to the attention of the director, c/o the Secretary of Cott, 207 Queen's Quay West, Suite 340, Toronto, Ontario M5J 1A7. The letter should indicate that you are a Cott shareowner. Depending on the subject matter of the letter, the Secretary or his designee will:

- Forward the communication to the director or directors to whom it is addressed (if the communication is not directed toward a specific director, management will forward the communication to Cott's lead independent director);
- Attempt to have management address the inquiry directly, for example where a shareowner requests information about Cott or a share-related matter; or
- Not forward the communication if it is primarily commercial in nature or if it relates to an improper or irrelevant topic.

At each board meeting, a member of management presents a summary of all communications received since the last meeting that were not forwarded and makes those communications available to the directors upon request.

COMPOSITION OF THE BOARD

The Toronto Stock Exchange guidelines recommend that a majority of the directors be "unrelated". According to these guidelines, an "unrelated" director is a director who is independent of management and is free from any interest and any business or other relationship which could, or could reasonably be perceived to, materially interfere with the director's ability to act with a view to the best interests of Cott, other than interests and relationships arising from shareholding. The guidelines also recommend that the board should include a number of directors who do not have interests in or relationships with either Cott or any significant shareowner of Cott and which fairly reflect the investment in Cott by shareowners other than any significant shareowner. The board of directors believes that it is appropriately constituted to meet the Toronto Stock Exchange guidelines.

The articles of Cott permit a minimum of three and a maximum of 15 directors. There are 12 nominees for election to the board of directors, a number that the board of directors considers to be adequate given the size of Cott and the nature of its shareowner constituency.

Although three of the nominees to the board of directors, Messrs. Harkins, Boll and Hagerty, are officers of a shareowner holding a significant equity interest in Cott, the board of directors believes that it is properly constituted to fairly reflect the investment of all shareowners in Cott.

Board members are encouraged to attend each annual meeting of shareowners. Last year eight of the then eleven directors attended Cott's annual meeting (including Mr. Livingston, who was elected to the board at last year's annual meeting).

INDEPENDENCE OF THE BOARD

Mr. Weise is the chairman of Cott's board of directors. Mr. Gouin, an unrelated, independent director, serves as Cott's Lead Independent Director and presides at meetings of non-management directors.

At all meetings of the board of directors and committees of the board, any outside board member may request that all members of management, including management directors, be excused so that any matter may be discussed without any representative of management being present. In addition to the foregoing, the outside directors meet independently of management as part of each regularly scheduled quarterly meeting of the board.

The Toronto Stock Exchange guidelines suggest that every board should have in place appropriate structures and procedures to ensure that it can function independently of management. The structure of each of the Human Resources

and Compensation Committee, the Corporate Governance Committee and the Audit Committee, which are comprised of entirely unrelated, independent directors, helps to enable the board of directors to function independent of management. The board of directors oversees the establishment and function of all committees, the appointment of their members and their conduct. The board of directors has considered the independence of each of its members for purposes of the rules of the New York Stock Exchange. See "Certain Relationships and Related Transactions".

BOARD COMMITTEES

THE HUMAN RESOURCES AND COMPENSATION COMMITTEE

The Human Resources and Compensation Committee is comprised of three directors, Mr. Harkins, Chairman, Ms. Magee and Mr. Watt. The board has determined that each of Mr. Harkins, Ms. Magee and Mr. Watt are unrelated outside directors who are independent within the meaning of the rules of the New York Stock Exchange. See "Certain Relationships and Related Transactions". The terms of reference of the committee include reviewing and recommending the level of compensation for senior officers and directors of Cott, including the Chief Executive Officer, and reviewing and approving incentive compensation to be allocated to employees of Cott, including such senior officers, and for reviewing the compensation to members of the board of directors. The committee has also been charged with the responsibility of annually reviewing and reporting to the board of directors on the organizational structure of Cott and ensuring that an appropriate succession plan is in place. The committee met on six occasions in 2003.

THE CORPORATE GOVERNANCE COMMITTEE

The Corporate Governance Committee is comprised of three directors. Mr. Gouin, Chairman, Mr. Boll and Mr. Livingston, each of whom is an unrelated outside director. The board has determined that all members of this committee are independent in accordance with the rules of the New York Stock Exchange. The Corporate Governance Committee is responsible for developing and monitoring Cott's approach to corporate governance issues in general. Specifically, the Corporate Governance Committee has been given responsibility for:

- Reviewing and recommending changes to the mandates of the other committees of the board;
- Ensuring compliance with and a response to the Toronto Stock Exchange and New York Stock Exchange guidelines;
- Identifying and recommending the nomination of new members to the board of directors and its committees (and as such functions as a nominating committee);
- Ensuring that new members of the board of directors are properly informed as to the business of Cott;
- Monitoring and assessing the individual and collective effectiveness of the board of directors;
- Monitoring the relationship between management of Cott and the board of directors and recommending any areas for improvement; and
- Reviewing the written objectives of the Chairman and Chief Executive Officer of Cott and providing guidance as to the development of corporate strategies.

When considering candidates for director, the Corporate Governance Committee considers the following criteria:

- Each director should be an individual of the highest character and integrity;
- Each director should have sufficient experience to enable the director to make a meaningful contribution to the board and to Cott;
- Each director should have sufficient time available to devote to the affairs of Cott in order to carry out the responsibilities as a director;
- Each director who is nominated as an independent director shall meet all of the criteria established for independence under securities or stock exchange laws, rules or regulations applicable to Cott;
- The effect the member's residency will have on Cott's residency requirements under applicable legislation or its by-laws in respect of the composition of the board and its committees; and
- Whether the member is being nominated, or is precluded from being nominated, to fulfill Cott's contractual obligations.

The committee considers suggestions as to nominees for directors from any source, including any shareowner. Shareowners wishing to suggest a candidate for a director should write to Cott's Secretary at Cott's executive office and include:

- A statement that the writer is a shareowner and is proposing a candidate for consideration by the Corporate Governance Committee;
- The name and contact information for the candidate;
- A statement of the candidate's business and educational experience;
- Information regarding each of the factors listed above, other than the factor regarding board size and composition, to enable the Corporate Governance Committee to evaluate the candidate;
- A statement detailing the relationship between the candidate and Cott or any customer, supplier or competitor of Cott;
- Detailed information about any relationship or understanding between the writer and the proposed candidate; and
- A statement that the candidate is willing to be considered as a candidate and willing to serve as a director if nominated and elected.

The Corporate Governance Committee may from time to time engage outside advisors to assist in identifying and evaluating potential nominees to the board. In 2003 Cott engaged an outside advisor to assist in identifying potential candidates to the board.

In July 2003 the Corporate Governance Committee recommended to the board that Mr. Sheppard be appointed as a director of Cott. He was suggested for consideration as a nominee to the Corporate Governance Committee by the Chief Executive Officer of Cott in light of Mr. Sheppard's increased responsibilities as president and chief operating officer of Cott. The Corporate Governance Committee met three times in 2003.

The board of directors has approved a written charter for the Corporate Governance Committee, which may be found at Appendix E of this proxy circular.

THE AUDIT COMMITTEE

The Audit Committee reports directly to the board and is comprised of three directors, Mr. Livingston, Chairman, Mr. Bennett and Mr. Gouin, each of whom is an unrelated outside director and has been determined by the board to be independent within the meaning of the rules of the New York Stock Exchange.

The committee, on behalf of the board of directors, oversees the quality and integrity of Cott's annual and interim consolidated financial statements and financial reporting process, compliance with applicable legal and regulatory requirements, the adequacy and effectiveness of internal controls, current and emerging business issues, the internal audit function, and the annual independent audit of Cott's financial statements. The committee reviews the terms of engagement and proposed overall scope of the annual audit with management and the independent auditor. See "Audit Committee Report" included below.

The committee operates pursuant to a written charter that has been approved and adopted by the board of directors on March 7, 2001. In accordance with the rules of the New York Stock Exchange, the board has also determined that each member of the committee is financially literate and that Mr. Livingston qualifies as an "audit committee financial expert" within the meaning of the rules of the U.S. Securities and Exchange Commission. The committee met seven times in 2003.

The board of directors has approved a written charter for the Audit Committee, which may be found at Appendix F of this proxy circular.

AUDIT COMMITTEE REPORT

The Audit Committee has reviewed and discussed with management the audited financial statements of Cott.

The committee reviewed with the independent auditor their judgment as to the quality, not just the acceptability, of Cott's accounting principles and such other matters as the committee and the auditors are required to discuss under generally accepted auditing standards. The committee also reviewed with management and PricewaterhouseCoopers

LLP the critical accounting policies underlying Cott's financial statements and how these policies were applied to the financial statements.

The committee discussed with the auditors the auditor's independence from management and Cott, including the matters that are required to be disclosed in writing by the Independence Standards Board and considered the compatibility of non-audit services with the auditors' independence.

Based on the foregoing reviews and discussions, the committee recommended to the board of directors that the audited financial statements be included in Cott's annual report on Form 10-K for the year ended January 3, 2004 for filing with the Securities and Exchange Commission.

AUDIT-RELATED FEES

Audit-related fees for the 2003 fiscal year related to the preparation of a prospectus and registration statement. Audit-related fees for the 2002 fiscal year related to the audit of working capital of acquired assets and audits of employee benefit plans.

TAX FEES

Tax fees in fiscal 2003 and 2002 consisted of tax compliance services and advice.

AUDIT COMMITTEE PRE-APPROVAL POLICY

The Audit Committee follows the guidelines found below regarding the engagement of Cott's independent auditor to perform services for Cott:

- For audit services, the independent auditor will provide the committee with an engagement letter during the last quarter of each fiscal year outlining the scope of the audit services proposed to be performed in the next fiscal year. If agreed to by the committee, this engagement letter will be formally accepted by the committee. The independent auditor will submit to the committee for approval an audit services fee proposal.
- For non-audit services, management will periodically submit to the committee for approval in advance a description of particular non-audit services that it recommends the committee engage the independent auditor

to provide. Cott management and the independent auditor will each confirm to the committee that each proposed non-audit service is permissible under all applicable legal requirements. The committee must approve permissible non-audit services in order for Cott to engage the independent auditor for such services. The committee will be informed routinely as to the non-audit services actually provided by the independent auditor pursuant to this process.

- In the event that management proposes that the committee engage the independent auditor to provide a non-audit service that is not contemplated or approved by the committee pursuant to the process outlined above, management will submit the request to the committee. Cott management and the independent auditor will each confirm to the committee that such non-audit service is permissible under all applicable legal requirements. Management will also provide a budget estimating the cost of such non-audit service. The committee must approve the engagement for the non-audit service and the fees for such service prior to Cott's engagement of the independent auditor for the purposes of providing such non-audit service.

Any amendment or modification to an approved permissible non-audit service must be approved by the committee or the chair of the committee prior to the engagement of the auditors to perform the service.

All of Cott's audit related fees and tax fees in 2003 were pre-approved by the Audit Committee in 2003. The Audit Committee has determined that the provision of the non-audit services for which these fees were rendered is compatible with maintaining the principal accountant's independence.

One or more representatives of PricewaterhouseCoopers LLP will be present at the meeting, will have an opportunity to make a statement as he or she may desire and will be available to respond to appropriate questions.

PROPOSAL NO. 3 -- EXECUTIVE INVESTMENT SHARE PURCHASE PLAN

As a means of providing an incentive for certain officers and senior management employees of Cott and certain of its subsidiaries to exceed pre-determined annual performance objectives for each fiscal year, Cott's Human Resources and Compensation Committee has recommended the adoption of the executive investment share purchase plan (the "Plan") to replace Cott's executive incentive share compensation plan. The Plan requires shareowner approval as a result of recently enacted New York Stock Exchange regulations. Under the terms of the Plan, bonuses paid to certain officers and senior management employees are used to purchase Cott's common shares on the open market at market price. No shares are issued from treasury and the Plan is not dilutive to Cott's shareowners. The purpose of the Plan is to retain and reward certain officers and senior management employees, as designated by the Human Resources and Compensation Committee each year, for exceeding their respective annual performance objectives. Approximately 32 persons are currently eligible to participate in the Plan.

Under the terms of the Plan, Cott would contribute an amount in cash, as determined by the Human Resources and Compensation Committee, to an independent trust to be used for the purpose of purchasing Cott's common shares on the open market at market price on behalf of participants in the Plan who exceed their annual performance objectives. The Human Resources and Compensation Committee will determine these objectives and the officers and senior management employees who may participate in the Plan annually. The amount contributed to the trust by Cott may change each year. The trust will be administered by an independent third party trustee. The trustee of the trust will purchase an amount of Cott's common shares on the Toronto Stock Exchange at the prevailing market price at the time of purchase that corresponds to the total dollar amount contributed by Cott at such times to be determined by the trustee in its discretion, but in any event as soon as practicable after Cott contributes the money to the trust, subject to the limitations described below. Once purchased, the trustee will allocate, when directed by the Human Resources and Compensation Committee, the number of common shares acquired on behalf of each participant based upon the amount contributed to the trust on behalf of each participant for that particular year.

Subject to the provisions of the Plan, the common shares in the trust will vest over a period of three years in favour of those participants for whom the amount was originally contributed: 30% of the common shares attributed to each participant will vest on the anniversary of the first day of the fiscal year following the grant for each of the two years immediately following the year in which the common shares were purchased on behalf of the participant and 40% will vest on the anniversary of the first day of the fiscal year following the grant for the third year following the year in which the common shares were purchased on behalf of the participant. Under the terms of the Plan, the maximum number of common shares that can be purchased under the Plan in any year is (i) for the first fiscal year in which the Plan is in effect, not more than 0.5% of the total number of common shares outstanding on the first day of such fiscal year, and (ii) for each subsequent fiscal year, the maximum number of common shares for the preceding year plus 0.5%

of the total number of common shares outstanding on the first day of the fiscal year. Accordingly, the trust may purchase no more than 351,294 shares in 2004, based on the amount of Cott common shares outstanding as of January 4, 2004. If the employment of a participant is terminated prior to the final vesting of the common shares attributed to such participant, other than due to the death, normal retirement or permanent disability of the participant, the Human Resources and Compensation Committee may reallocate the participant's unvested common shares in favour of those participants participating in the Plan at the time when the amount was originally contributed.

The amounts to be received by each participant pursuant to the Plan in 2005 and future periods is not determinable. However, the Human Resources and Compensation Committee has awarded bonuses to certain officers and senior management employees and made grants to the trust on their behalf in 2004. The committee awarded the bonuses in 2004 on the basis of an assessment of each participant's achievement in light of his or her performance objectives in 2003. The cash awards (and any shares purchased with the cash award) are held in the trust, and should the Plan not be adopted, any shares purchased with such amount will be sold and such amount will be paid to the participants in cash.

The table below sets forth the dollar amount contributed to the trust and the number of common shares initially purchased by the trust with such funds on behalf of the chief executive officer, each of the executive officers named in the Summary Compensation Table found on page 8, the executive officers as a group and the non-executive officer and senior management employee group in respect of the committee's assessment of their performance during the 2003 fiscal year.

NAME AND POSITION	DOLLAR VALUE	NUMBER OF SHARES
Frank E. Weise III Chairman and Chief Executive Officer	\$ 650,728	23,790
John K. Sheppard President and Chief Operating Officer	\$ 398,525	14,570
Mark Benadiba Executive Vice President Canada and International	\$ 293,694	10,737
Paul Richardson Executive Vice President President U.S. Operations	\$ 324,219	11,853
Raymond P. Silcock Executive Vice President and Chief Financial Officer	\$ 296,302	10,833
Executive Group	\$3,835,834	100,062
All Other Officers and Senior Management Employees	\$1,384,580	36,120

The dollar amounts in the above table have been converted from C\$ to US\$ at a rate of 1.40146.

The Plan is substantially similar to Cott's former Executive Incentive Share Compensation Plans. However, the new Plan provides for a ten year term and is more rigid than its predecessors in that it prescribes a maximum amount of shares that may be purchased in any year.

Cott intends that certain officers and senior management employees participate in the Plan each year, in accordance with the terms described above. Cott's board of directors and Human Resources and Compensation Committee believe that the Plan is an important mechanism for providing certain officers and senior management with an incentive for exceeding performance targets. No shares are issued from treasury under the terms of the Plan, but are instead purchased on the open market, so that the Plan is not dilutive to shareowners.

THE BOARD OF DIRECTORS AND MANAGEMENT RECOMMEND THAT YOU VOTE "FOR" THE RESOLUTION ADOPTING THE EXECUTIVE INVESTMENT SHARE PURCHASE PLAN. A MAJORITY OF THE VOTES CAST MUST BE IN FAVOUR OF THE RESOLUTION ADOPTING THE PLAN, WHICH IS SET OUT AT APPENDIX "A" ON PAGE A-1, IN ORDER FOR IT TO BE APPROVED. UNLESS A PROXY SPECIFIES THAT THE SHARES IT REPRESENTS SHOULD ABSTAIN FROM VOTING OR VOTE AGAINST THE RESOLUTION SET OUT IN APPENDIX A, THE PERSONS NAMED IN THE ENCLOSED PROXY INTEND TO VOTE IN FAVOUR OF THE RESOLUTION. THE FULL TEXT OF

THE EXECUTIVE INVESTMENT SHARE PURCHASE PLAN IS ATTACHED AT APPENDIX "C" AT PAGE C-1 OF THIS PROXY CIRCULAR. THE FOREGOING DISCUSSION ABOVE IS QUALIFIED IN ITS ENTIRETY BY REFERENCE TO THE PLAN.

PROPOSAL NO. 4 -- AMENDMENT TO OPTION PLAN

The Board is submitting a proposal for approval by the shareowners to amend and restate the Option Plan.

The Option Plan currently permits the issuance of up to 12,000,000 common shares. As described in the following table, since July 19, 1994, 6,986,301 common shares have been issued pursuant to the exercise of options granted under the Option Plan. As at February 29, 2004, 3,880,904 common shares were issuable pursuant to options outstanding under the Option Plan. As a result, 1,132,795 options to acquire common shares (representing approximately 1.6% of the aggregate number of outstanding common shares) are available for grant under the Option Plan. The directors are recommending the Option Plan be amended to increase the maximum number of common shares that may be issued pursuant to the Option Plan by 2,000,000 common shares. The effect of the amendment will be that Cott may issue options for an additional 3,132,795 common shares under the Option Plan, representing 4.5% of the total issued and outstanding common shares as of February 29, 2004.

	OPTIONS EXERCISED FROM JULY 19, 1994(1) TO FEBRUARY 29, 2004	OPTIONS GRANTED AND NOT EXERCISED UNDER THE OPTION PLAN AT FEBRUARY 29, 2004	NUMBER OF OPTIONS AVAILABLE TO BE GRANTED AT FEBRUARY 29, 2004	TOTAL
Cott 1986 Common Share Option Plan, as amended	6,986,301	3,880,904	1,132,795	12,000,000

(1) The date on which the Option Plan implemented a limitation on the number of common shares issuable under the Option Plan.

When combined with the total 3,880,904 common shares issuable pursuant to the exercise of currently outstanding options under the Option Plan as of February 29, 2004, the total number of common shares that would have been issuable under the Option Plan on February 29, 2004, had the proposed amendment been in effect on such date, would have been 7,013,699, representing just under 10% of Cott's issued and outstanding shares at such date.

The board of directors and the Human Resources and Compensation Committee believe that adoption of Proposal No. 4 is in the best interest of Cott. The board of directors and the Human Resources and Compensation Committee believe that the grant of equity incentives is an essential component of compensation and is standard and expected in Cott's industry. The directors and the committee believe that awards under the Option Plan have played an important part in enabling Cott to attract, retain and motivate employees in the extremely competitive industry in which Cott operates and have been an important factor in contributing to Cott's success in recent years. The ability to continue to attract new employees and to retain current employees is a critical element in Cott's strategy for future growth, and its ability to attract and retain qualified employees could be impeded if sufficient equity incentives are not available in the future for grant under the Option Plan. Furthermore, the ability to motivate employees and senior management to take into account the long-term interests of Cott and its shareowners is essential to Cott's future growth. Cott's ability to so motivate its employees and senior management could be impeded if sufficient equity incentives are not available in the future.

Cott is submitting this proposal to shareowners for their approval in order to comply with the Option Plan, which, by its terms, requires such approval, and in order to comply with the requirements of the Toronto and New York Stock Exchanges. Appendix B at page B-1 to this proxy circular sets out the full text of the proposed resolution approving the amendments to the Option Plan.

Please refer to "Executive Compensation -- Long-Term Incentives -- Option Plan" for a summary of certain features of the Option Plan.

THE BOARD OF DIRECTORS AND MANAGEMENT RECOMMEND THAT YOU VOTE "FOR" THE RESOLUTION APPROVING THE AMENDMENTS TO THE OPTION PLAN. A MAJORITY OF VOTES CAST MUST BE IN FAVOUR OF THE RESOLUTION APPROVING THE AMENDMENTS, WHICH IS SET OUT AT APPENDIX "B" ON PAGE B-1, IN ORDER FOR IT TO BE APPROVED. UNLESS A PROXY SPECIFIES THAT THE SHARES IT REPRESENTS SHOULD ABSTAIN FROM VOTING OR VOTE AGAINST THE RESOLUTION SET OUT IN APPENDIX "B", THE PERSONS NAMED IN THE ENCLOSED PROXY INTEND TO VOTE IN FAVOUR OF THE RESOLUTION. THE FULL TEXT

OF THE OPTION PLAN IS ATTACHED AT APPENDIX "D" AT PAGE D-1 OF THIS PROXY CIRCULAR. THE FOREGOING SUMMARY DOES NOT CONTAIN ALL OF THE INFORMATION THAT MAY BE IMPORTANT TO SHAREOWNERS. THE COMPLETE TEXT OF THE OPTION PLAN, AS AMENDED TO REFLECT PROPOSAL NO. 4, IS SET FORTH AS APPENDIX D TO THIS PROXY CIRCULAR. THE FOREGOING DISCUSSION IS QUALIFIED IN ITS ENTIRETY BY REFERENCE TO THE OPTION PLAN.

UNITED STATES FEDERAL INCOME TAX CONSEQUENCES

Cott believes that, with respect to options and other awards granted under the Option Plan, the normal operation of the Option Plan generally should have, under the Internal Revenue Code of 1986, as amended, (the "Code"), the regulations thereunder, and existing rulings and court decisions, all as in effect on February 29, 2004, the principal federal income tax consequences described below. The consequences described below do not take into account any changes to the law that may occur after February 29, 2004.

The consequences described below only address the principal U.S. federal income tax consequences of the Option Plan for: (1) optionees who are citizens or residents of the U.S.; and (2) Cott's U.S. subsidiaries. The Option Plan generally will have no U.S. federal income tax consequences for optionees who are nonresident aliens and for non-U.S. corporations.

United States Citizens or Residents

ISOs. To the extent options granted under the Option Plan qualify as incentive stock options ("ISOs") under section 422 of the Code, the principal federal income tax consequences for the optionee generally will be as follows:

(1) The optionee will not recognize taxable income on the grant of the ISO. Moreover, the optionee generally will not recognize taxable income on the exercise of the ISO, provided the optionee was Cott's employee or that of any of Cott's subsidiary corporations, as defined in section 424 (f) of the Code, during the entire period from the date of grant of the ISO until three months before the date of exercise, increased to 12 months if employment ceased due to permanent and total disability. An amount, generally equal to the excess of the fair market value of the shares over the exercise price at the time of exercise, however, will be included in the optionee's alternative minimum taxable income in the year of exercise. The employment requirement is waived if the optionee dies. Of course, in all of these situations, the ISO itself may provide a shorter exercise period after employment ceases than the allowable period under the Code. If the employment requirements described above are not met, the tax consequences relating to NQSOs, discussed below, will apply.

(2) If the optionee disposes of the common shares acquired under the ISO more than two years after Cott grants the ISO and more than one year following the date the optionee acquires the shares upon exercise of the ISO, the optionee will recognize a long-term capital gain or loss equal to the difference between the amount realized on the disposition and the exercise price, provided that the optionee held the shares as capital assets.

(3) If the optionee makes a disqualifying disposition of the shares, that is, the optionee disposes of the shares within two years after Cott grants the ISO or within one year after the optionee acquired the shares, but all other requirements of section 422 of the Code are met, the optionee generally will recognize ordinary income on disposition of the shares in an amount equal to the lesser of (i) the fair market value of the shares on the date of exercise minus the exercise price, or (ii) the amount realized on disposition minus the exercise price. Disqualifying dispositions of shares may also, depending on the sales price, result in either long-term or short-term capital gain or loss under the rules that govern other stock dispositions, assuming that the optionee held the shares as capital assets.

NQSOs. If options, when granted under the Option Plan, are non-qualified stock options ("NQSOs") or if options, when granted, are intended to be ISOs but fail to qualify as ISOs, the principal federal income tax consequences for the optionee generally will be as follows:

(1) The optionee will not recognize taxable income on the grant of the NQSO.

(2) The optionee will recognize compensation income at the time of the exercise of the NQSO, in an amount equal to the excess of the fair market value of the shares at the time of the exercise over the exercise price.

(3) Gain or loss that the optionee recognizes after a subsequent disposition of shares will be short-term or long-term capital gain or loss, depending on whether the optionee holds the shares for more than a year, provided that the shares are held by the optionee as capital assets.

Foreign Tax Credit. If the optionee is a Canadian resident and is subject to Canadian taxation on the grant or exercise of an option under the Option Plan, the Canadian tax paid by the optionee may be creditable against the optionee's United States federal income tax liability with respect to the options, subject to certain limitations.

United States Citizens or Residents

ISOs. If all requirements of Section 422 of the Code, including the holding and employment requirements described in (1) and (2) above under the discussion of ISOs, are met, Cott's U.S. subsidiaries will not be entitled to any federal income tax deduction with respect to an ISO. If any of the requirements are not met, a U.S. subsidiary by whom the optionee is employed will be allowed a federal income tax deduction to the extent of the compensation income includable in the optionee's gross income.

NQSOs. Cott's U.S. subsidiaries will not be entitled to a deduction on the grant of a NQSO. A U.S. subsidiary by whom the optionee is employed will be entitled to a deduction to the extent of the compensation income recognized by the optionee.

Section 162(m) of the Code generally limits the extent to which the compensation paid to Cott's chief executive officer, or the person acting in that capacity, and the four highest compensated executives other than the chief executive officer (collectively, the "Covered Employees") is deductible by Cott's U.S. subsidiaries when the annual compensation for any Covered Employee exceeds \$1,000,000 in a taxable year. Compensation for purposes of section 162(m) includes cash compensation and noncash benefits paid for services and may include, with respect to NQSOs, the difference between the exercise price and the market value of the shares at the time of exercise, subject to some exclusions. However, section 162(m) will not apply to stock options issued with an exercise price greater than or equal to the fair market value of the shares on the date of grant, provided that the option plan is approved by a vote of shareholders and certain other requirements are met. Accordingly, if you approve Proposal No. 4, Cott believes that section 162(m) will not apply to limit any deductions attributable to the exercise of options under the Option Plan.

THE DISCUSSION SET FORTH ABOVE IS ONLY A SUMMARY OF THE PRINCIPAL UNITED STATES FEDERAL INCOME TAX CONSEQUENCES RELATING TO PROPOSAL NO. 4. NO DISCUSSION HAS BEEN INCLUDED REGARDING THE TAX CONSEQUENCES OF ANY FOREIGN (INCLUDING CANADIAN), STATE, LOCAL OR OTHER TAX LAWS RELEVANT TO PROPOSAL NO. 4 OR TO AN OPTIONEE ALTHOUGH THOSE TAX LAWS MAY SIGNIFICANTLY AFFECT COTT AND OPTIONEES.

ARTICLE V

ALLOCATION AND VESTING

5.1 Allocation for Fiscal Year. Following the acquisition of Common Shares pursuant to Section 4.3, the Trustee shall, when directed by the Committee, determine the number of Common Shares to be allocated to each Benefiting Active Participant's account under the EISP Fund as of the Grant Date for the Fiscal Year by dividing the Benefiting Active Participant's Benefit Amount for such Fiscal Year by the Prevailing Market Price. In respect of the UK Participants, this Section 5.1 is subject to Section 5.3.

5.2 Reallocation of Forfeited Shares. On or before the Fiscal Year End, Unvested Shares that are forfeited under the Plan for any reason during a Fiscal Year shall be reallocated effective as of the Grant Date for such Fiscal Year among the Benefiting Active Participants designated for such Fiscal Year. Any Unvested Shares that are forfeited during a Fiscal Year beginning after expiration of the Term shall be reallocated, effective as of the Plan's last Grant Date, at such Fiscal Year End among the Participants in the Plan as of such Fiscal Year End. In respect of the UK Participants, this Section 5.2 is subject to Section 5.3.

5.3 Grant of Option to Acquire Common Shares (UK Participants only). Within 60 days of the allocation of Common Shares to a UK Participant's account in accordance with Section 5.1 or 5.2, the Company shall send the UK Participant an Option Agreement and, if the UK Participant does not execute and return a copy of such Option Agreement to the Company within 30 days of receipt, the Company shall determine in its discretion that the UK Participant will not be entitled to acquire the relevant allocated Common Shares and/or to receive any future allocation of Common Shares pursuant to Section 5.1 or 5.2. For the avoidance of doubt, the date on which the UK Participant executes the Option Agreement shall be the date of grant of the option to acquire the relevant Common Shares notwithstanding that it differs from the Grant Date (which shall still be the relevant date for determining when Unvested Shares subject to the option vest pursuant to Section 5.4).

5.4 Normal Vesting. Except as otherwise provided under the Plan (and, in particular subject to Section 5.11 in respect of the UK Participants), Common Shares allocated to Benefiting Active Participants under Section 5.1 and 5.2 shall vest in accordance with the following vesting schedule:

VESTING SCHEDULE

MULTIPLE OF GRANT DATE	% VESTED	TOTAL % VESTED
1st Anniversary of Grant Date.....	30%	30%
2nd Anniversary of Grant Date.....	30%	60%
3rd Anniversary of Grant Date.....	40%	100%

5.5 Accelerated Vesting upon Termination of Employment. If a Participant terminates employment due to death, Normal Retirement, or Permanent Disability, all Unvested Shares that are allocated to the Participant's account as of the Termination Date or allocable for the Fiscal Year in which the Termination Date occurs, shall become Vested Shares and paid or distributed to the Participant in accordance with Section 7.3. In respect of the UK Participants, this Section 5.5 is subject to Section 5.11.

5.6 Accelerated Vesting upon Plan Termination. If the Plan is terminated and continued vesting under Section 5.4 ceases in connection therewith, then all Unvested Shares allocated to a Participant as of the date of such Plan termination or allocable for the Fiscal Year in which the Plan termination occurs shall become Vested Shares and paid or distributed to the Participant in accordance with Section 7.3. Accelerated vesting under this Section 5.6 shall not apply if Participants are permitted to continue to vest in their accounts following termination of the Plan. In respect of the UK Participants, this Section 5.6 is subject to Section 5.11.

5.7 Vesting Upon Change in Control. Notwithstanding any other provisions of the Plan, all Unvested Shares credited to a Participant shall immediately become Vested Shares of the Participant on the effective date of:

- (a) a consolidation, merger or amalgamation of the Company with or into any other corporation whereby the voting shareholders of the Company immediately prior to such event receive less than 50% of the voting shares of the consolidated, merged or amalgamated corporation;
- (b) a sale by the Company of all or substantially all of the Company's undertakings and assets; or
- (c) a proposal by or with respect to the Company being made in connection with a liquidation, dissolution or winding-up of the Company.

In respect of the UK Participants, this Section 5.7 is subject to Section 5.11.

5.8 Vesting upon Qualifying Take-Over Bid.

- (a) With Right of Tender. If a Qualifying Take-Over Bid that permits tendering by notice of guaranteed delivery is made for the Common Shares, all Unvested Shares shall immediately vest conditional upon the successful completion of such Qualifying Take-Over Bid, and each Participant shall have the right to tender his or her Unvested Shares to the Qualifying Take-Over Bid by notice of guaranteed delivery.
- (b) Without Right of Tender. If a Qualifying Take-Over Bid that does not permit tendering by notice of guaranteed delivery is made for the Common Shares, upon consummation of the Qualifying Take-Over Bid and subject to compliance with all applicable laws and regulations, the Company shall repurchase all Unvested Shares held by Participants at a purchase price equal to the offer price under such Qualifying Take-Over Bid.
- (c) Reasonable Steps. The Company will take all reasonable steps necessary to facilitate or guarantee the Participants' exercise of the rights described above.

In respect of the UK Participants, the provisions of Sections 5.8(a) and (b) are subject to Section 5.11.

5.9 Transfer to EISP Custodial Fund. Unless paid out in accordance with Article VII, all Unvested Shares that vest in accordance with the terms of the Plan shall be distributed from the EISP Fund, registered in the respective Participant's name, or as otherwise permitted under the Plan, and transferred to the Participant's account under the EISP Custodial Fund. Until distributed to the Participant, the Trustee shall hold all such Vested Shares in accordance with the terms of the EISP Custodial Trust Agreement.

5.10 Restrictions on Vested Shares. Except as set forth in the Company's policies respecting the trading of the Common Shares by employees or law, Vested Shares are not subject to any restrictions concerning their sale or use.

5.11 Requirement to Exercise Right to Acquire Unvested Shares (UK Participants Only). Unvested Shares allocated to a UK Participant's account shall not become Vested Shares unless the UK Participant has exercised his right to acquire the relevant Unvested Shares on or before the potential Vesting Date by completing and sending a Notice of Exercise to the Company. For the avoidance of doubt, a UK Participant may exercise his or her right to acquire the Unvested Shares allocated to the UK Participant's account by sending a completed Notice of Exercise in advance of a potential Vesting Date but with such exercise being conditional on the Unvested Shares otherwise satisfying the requirements for vesting as set out in this Article V.

ARTICLE VI

UNVESTED SHARES

6.1 Prohibition against Alienation. A Participant shall not, directly or indirectly, assign, transfer, or encumber in any manner whatsoever any rights in and to the Unvested Shares held on his or her behalf under this Plan.

6.2 Forfeiture of Unvested Shares and Unacquired Shares.

(a) Forfeiture of Unvested Shares. Except as determined otherwise by the Committee in its sole discretion, if Participant's employment terminates for any reason other than those set forth in Section 5.5, such Terminated Participant shall forfeit all rights regarding the Unvested Shares allocated to his or her account as of the Termination Date. The Unvested Shares so forfeited shall be reallocated in accordance with Section 5.2.

(b) Forfeiture of Unacquired Shares (UK Participants Only). Except as determined otherwise by the Committee in its sole discretion, a UK Participant shall forfeit all rights regarding Unacquired Shares immediately after the potential Vesting Date in respect of such Unacquired Shares. The Unacquired Shares so forfeited shall be reallocated in accordance with Section 5.2.

ARTICLE VII

WITHDRAWALS AND DISTRIBUTIONS

7.1 Withdrawal of Vested Interest. A Participant may, at any time and from time to time, by a written notice to the Company in the form approved by the Committee, request:

(a) subject to Section 7.4, the delivery to him or her of the certificates representing all or a portion of the Vested Shares held in the Participant's account under the EISP Custodial Fund; or

(b) a cheque representing the cash equivalent (determined in accordance with Section 7.2) of all or a portion of the Vested Shares held in the Participant's account.

7.2 Valuation of Vested Shares. In respect of a Participant's election to receive the cash equivalent of Vested Shares, the Trustee shall, as soon as practicable following receipt of such election, sell the requested number of Vested Shares on the Toronto Stock Exchange at the prevailing market price of Common Shares as of the time and date of such sale.

8. **PARTICIPANTS' RETIREMENT SAVINGS PLANS.** Participants, other than U.S. Participants, may, in their sole discretion, elect to have some or all of the Options granted to them granted to a Trust governed by a registered retirement savings plan established by and for the sole benefit of such Participant. Such election must be made prior to the execution of the agreement referred to in Section 6 and shall be evidenced in such agreement. For the purposes of this Plan, Options held by Trusts established for the benefit of the Participant shall be considered to be held by that Participant.

9. **PARTICIPANTS' PERSONAL HOLDING CORPORATION.** Participants who are Canadian Participants may, in their sole discretion, elect to have some or all of any Options granted to a Personal Holding Corporation. Such election must be made prior to the execution of the agreement referred to in Section 6 and shall be evidenced in such agreement. For the purposes of this Plan, Options held by the Personal Holding Corporation of a Canadian Participant shall be considered to be held by that Participant. Any Options held by the Personal Holding Corporation of a Canadian Participant shall terminate immediately upon that corporation ceasing to qualify as a Personal Holding Corporation as provided by Section 1(k) hereof.

10. **LIMIT ON RESERVATION AND ISSUANCE OF SHARES.**

11. **EXERCISE PRICE.** The exercise price per Share shall be not less than the Fair Market Value of a Share on the date the Option is granted and, with respect to grants to Substantial Shareholders who are also U.S. Participants, not less than 110% of the Fair Market Value of a Share on the date the Option is granted.

12. **TERM OF OPTION.** The term of each Option hereafter granted shall be determined by the Administrators, provided that no Option shall be exercisable after ten years from the date on which it is granted.

13. **SHARES AVAILABLE FOR PURCHASE.** Subject to Sections 16 and 17, the Shares subject to each Option granted shall become available for purchase by the Participant on the date or dates determined by the Administrators when the Option is granted.

14. **EXERCISE OF OPTION.** An Option may be exercised at any time, or from time to time, during its term as to any number of whole Shares which are then available for purchase. A Participant electing to exercise an Option on his or her own behalf or on behalf of a Trust or Personal Holding Corporation shall give written notice of the election to the Administrators, substantially in the form of the applicable election set out in Schedule 2, or in any other form acceptable to the Administrators. The aggregate amount to be paid for the Shares to be acquired pursuant to the exercise of an Option shall accompany the written notice.

Upon actual receipt by the Corporation of written notice and a cheque for the aggregate exercise price, the person (including a trustee, in the case of the exercise of Options by a Trust) exercising the Option shall be registered on the books of the Corporation as the holder of the appropriate number of Shares. No person shall enjoy any part of the rights or privileges of a holder of Shares subject to Options until that person becomes the holder of record of those Shares.

15. **CERTAIN ADJUSTMENTS.** If the number of outstanding Shares is materially affected as a result of the amalgamation or merger of the Corporation with another corporation, a rights offering, or the reclassification, consolidation or subdivision of the Shares, the Participant shall be entitled, upon payment of the consideration paid by the holders of Shares who received securities and/or property in the course of the amalgamation, merger, rights offering, reclassification, consolidation or subdivision, to acquire those securities and/or property that the Participant would have received as a result of that event if the Participant had exercised the Option immediately before that event occurred.

16. **TERMINATION OF EMPLOYMENT.** Upon the occurrence of an Event of Termination, the Options granted to the affected Participant or to a Trust established for the benefit of such Participant or to a Personal Holding Corporation of such Participant may be exercised only before the earlier of,

(i) the expiry of the Options; and

(ii) 60 days from the date of the Event of Termination (unless the Event of Termination is the total disability, retirement or death of the Participant);

(iii) three years from the date of the Event of Termination (if the Event of Termination relates to the total and permanent disability or retirement of the Participant); or

(iv) 365 days from the date of the Event of Termination (if the Event of Termination relates to the death of the Participant);

and, except as provided below in respect of an Event of Termination relating to the death of a Participant, only in respect of Shares which were available for purchase at the date of the Event of Termination. The right to purchase Shares which have not yet become available for purchase shall, except as provided below in respect of an Event of Termination relating to the death of a Participant, cease immediately on the date of the Event of Termination. All Options granted to a Participant shall, notwithstanding anything to the contrary contained in the terms relating to such grant of Options, immediately vest and be exercisable upon the death of such Participant and all Shares subject to such Options shall be immediately available for purchase.

17. AMALGAMATION, LIQUIDATION OR CHANGE OF CONTROL.

If there is:

(i) a consolidation, merger or amalgamation of the Corporation with or into any other Corporation whereby the voting shareholders of the Corporation immediately prior to such event receive less than 50% of the voting shares of the consolidated, merged or amalgamated corporation;

(ii) a sale by the Corporation of all or substantially all of the Corporation's undertakings and assets; or

(iii) a proposal by or with respect to the Corporation being made in connection with a liquidation, dissolution or winding-up of the Corporation,

all unvested Options held by a Participant shall immediately vest and be exercisable by such Participant.

If a take-over bid (within the meaning of the Securities Act (Ontario)), other than a take-over bid exempt from the requirements of Part XX of such act pursuant to subsections 93(1)(b) or (c) thereof, is made for the Common Shares with a per-share offer price (the "Offer Price") greater than or equal to the exercise price in respect of an Option and such take-over bid permits tendering by notice of guaranteed delivery, each Participant shall have the right to conditionally exercise all such Options held by the Participant, whether vested or unvested, such exercise to be conditional only upon completion of the take-over bid, and to tender the Common Shares subject to such Options to the take-over bid by notice of guaranteed delivery, provided that arrangements for payment of the exercise price in compliance with applicable law are made. The Corporation will take all reasonable steps necessary to facilitate or guarantee the exercise by a Participant of the rights hereinbefore described including, without limitation, to repurchase, on the consummation of such a take-over bid, each Option held by a Participant at a purchase price equal to the difference between the exercise price of such Option and the Offer Price in circumstances where such a take-over bid does not permit the tendering thereto by notice of guaranteed delivery.

18. NON-TRANSFERABILITY. Options may be exercised only by a Participant, Trust or Personal Holding Corporation and, upon a Participant's death, the legal representative of his or her estate or any other person who acquires his or her rights in respect of an Option by bequest or inheritance. A person exercising an Option may subscribe for Shares only in his or her own name, on behalf of a Trust (provided he or she is not a U.S. Participant) established for his or her sole benefit, in the name of his or her Personal Holding Corporation (provided he or she is not a U.S. Participant) or in his or her capacity as a legal representative. Upon any attempt to transfer, assign, pledge, hypothecate or otherwise dispose of any Options contrary to the provisions of this Plan, or upon the levy of any attachment or similar process upon the Options or upon a Participant's beneficial rights to such Options or to exercise same, the Options and such rights shall, at the election of the Board, cease and terminate immediately.

19. TERMINATION OF PLAN. The Board may terminate this Plan at any time in its absolute discretion. If the Plan is so terminated, no further Options shall be granted but the Options then outstanding shall continue in full force and effect in accordance with the provisions of this Plan.

20. COMPLIANCE WITH STATUTES AND REGULATIONS. The granting of Options and the sale and delivery of Shares under this Plan shall be carried out in compliance with applicable statutes and with the regulations of governmental authorities and applicable stock exchanges. If the Administrators determine in their discretion that, in order to comply with any such statutes or regulations, certain action is necessary or desirable as a condition of or in connection with the granting of an Option or the issue or purchase of Shares under an Option, that Option may not be exercised in whole or in part unless that action shall have been completed in a manner satisfactory to the Administrators.

21. RIGHT TO EMPLOYMENT. Nothing contained in this Plan or in any Option granted under this Plan shall confer upon any person any rights to continued employment with the Corporation or interfere in any way with the rights of the Corporation in connection with the employment or termination of employment of any such person.

22. AMENDMENT OF FORMER PLAN. This Plan amends and restates the Corporation's Restated 1986 Common Share Option Plan, as amended through April 18, 2001. For greater certainty, any Options outstanding under the Corporation's Restated 1986 Common Share Option Plan, as amended, as at the date hereof shall continue in full force and effect in accordance with the terms of such Options, except as modified hereby.

23. FUTURE AMENDMENTS TO THE PLAN. The provisions of this Plan may be amended at any time and from time to time by resolution of the Board, provided that any required shareholder approval and other regulatory or stock exchange approval of the amended form of the Plan is received prior to the issuance of any Shares of the Corporation on the exercise of any Options granted under the provisions of the amended form of the Plan and, provided further, that

no such amendment may materially and adversely affect any Options previously granted to a Participant under this Plan without the prior consent of such Participant.

24. **GOVERNING LAW.** The Plan, and any and all determinations made and actions taken in connection with the Plan, shall be governed by and construed in accordance with the laws of the Province of Ontario and the laws of Canada applicable therein.

25. **LANGUAGE.** The Corporation states its express wish that this Plan and all documents related thereto be drafted in the English language only; la société a par les présentes exprime sa volonté expresse que ce régime, de même que tous les documents y afférents, soient rédigés en anglais seulement.

26. **SUBJECT TO APPROVAL.** The Plan is adopted subject to the approval, if required, of The Toronto Stock Exchange, The Montreal Exchange and the shareholders of the Corporation and any other required regulatory or stock exchange approval. To the extent a provision of the Plan requires regulatory approval which is not received, such provision shall be severed from the remainder of the Plan until the approval is received and the remainder of the Plan shall remain in effect.

ADOPTED as of the 2(nd) day of March, 2004.

15. Based on the above mentioned report, the Committee shall evaluate the qualifications, performance and independence of the independent auditors. In this evaluation, the Committee shall (a) consider whether the independent auditors' quality controls are adequate and the provision of permitted non-audit services is compatible with maintaining the independent auditors' independence, (b) evaluate the lead partner of the independent auditors team and make sure that there is a regular rotation of the lead partner, (c) consider if there should be a rotation of the independent auditors, and (d) take into account the opinions of management and internal auditors. If such a determination is made, it must be disclosed in the Corporation's annual proxy statement.
4. A majority of the members of the Committee shall constitute a quorum. No business may be transacted by the Committee except at a meeting of its members at which a quorum of the Committee is present (in person or by means of telephone conference) or by a resolution in writing signed by all the members of the Committee.
5. Each member of the Committee shall hold such office until the next annual meeting of shareowners after election as a member of the Committee.
