☒ Annual Report Pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934

For the fiscal year ended December 30, 2023

☐ Transition Report Pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934

For the transition period from _____ to _____

Commission file number 001-31410

PRIMO WATER CORPORATION

(Exact name of registrant as specified in its charter)

Ontario
(State or Other Jurisdiction of
Incorporation or Organization)

1150 Assembly Dr.
Suite 800

Tampa,

United States

(Address of principal executive offices)

Florida

98-0154711
(IRS Employer
Identification No.)

33607

(Zip Code)

Registrant's telephone number, including area code: (813) 544-8515

Securities registered pursuant to Section 12(b) of the Act:

Title of each class	Trading Symbol(s)	Name of each exchange on which registered
Common Shares, no par value per share	PRMW	New York Stock Exchange Toronto Stock Exchange

Securities registered pursuant to Section 12(g) of the Act: NONE

Indicate by check mark if the registrant is a well-known seasoned issuer, as defined in Rule 405 of the Securities Act. Yes ☒ No ☐

Indicate by check mark if the registrant is not required to file reports pursuant to Section 13 or Section 15(d) of the Act. Yes ☐ No ☒

Indicate by check mark whether the registrant: (1) has filed all reports required to be filed by Section 13 or 15(d) of the Securities Exchange Act of 1934 during the preceding 12 months (or for such shorter period that the registrant was required to file such reports), and (2) has been subject to such filing requirements for the past 90 days. Yes ☒ No ☐

Indicate by check mark whether the registrant has submitted electronically every Interactive Data File required to be submitted pursuant to Rule 405 of Regulation S-T (§ 232.405 of this chapter) during the preceding 12 months (or for such shorter period that the registrant was required to submit such files). Yes ☒ No ☐

Indicate by check mark whether the registrant is a large accelerated filer, an accelerated filer, a non-accelerated filer, a smaller reporting company, or an emerging growth company. See the definitions of "large accelerated filer," "accelerated filer," "smaller reporting company" and "emerging growth company" in Rule 12b-2 of the Exchange Act. (Check one):

Large accelerated filer	☒	Accelerated filer	☐
Non-accelerated filer	☐	Smaller reporting company	☐
		Emerging growth company	☐

If an emerging growth company, indicate by check mark if the registrant has elected not to use the extended transition period for complying with any new or revised financial accounting standards provided pursuant to Section 13(a) of the Exchange Act. ☐

Indicate by check mark whether the registrant has filed a report on and attestation to its management's assessment of the effectiveness of its internal control over financial reporting under Section 404(b) of the Sarbanes-Oxley Act (15 U.S.C. 7262(b)) by the registered public accounting firm that prepared or issued its audit report. Yes ☒ No ☐

If securities are registered pursuant to Section 12(b) of the Act, indicate by check mark whether the financial statements of the registrant included in the filing reflect the correction of an error to previously issued financial statements. ☐

Indicate by check mark whether any of those error corrections are restatements that required a recovery analysis of incentive-based compensation received by any of the registrant's executive officers during the relevant recovery period pursuant to §240.10D-1(b). ☐

Indicate by check mark whether the registrant is a shell company (as defined in Rule 12b-2 of the Act). Yes ☐ No ☒

The aggregate market value of the common equity held by non-affiliates of the registrant as of July 01, 2023 (based on the closing sale price of \$12.54 for the registrant's common shares as reported on the New York Stock Exchange on June 30, 2023) was \$1,934.5 million.

(Reference is made to Part II, Item 5 for a statement of assumptions upon which the calculation is made).

The number of the registrant's outstanding common shares as of February 21, 2024 was 159,511,008.

Documents incorporated by reference

Portions of our definitive proxy statement for the 2024 Annual and Special Meeting of Shareowners, to be filed within 120 days of December 30, 2023, are incorporated by reference in Part III. Such proxy statement, except for the parts therein which have been specifically incorporated by reference, shall not be deemed "filed" for the purposes of this Annual Report on Form 10-K.

INDEX TO CONSOLIDATED FINANCIAL STATEMENTS	F-1
SCHEDULE II—VALUATION AND QUALIFYING ACCOUNTS	F-45

Our consolidated financial statements are prepared in accordance with United States generally accepted accounting principles ("GAAP") in U.S. dollars. Unless otherwise indicated, all amounts in this Annual Report on Form 10-K are in U.S. dollars and U.S. GAAP.

Any reference to 2023, 2022 and 2021 corresponds to our fiscal years ended December 30, 2023, December 31, 2022, and January 1, 2022, respectively.

Forward-looking statements

In addition to historical information, this Annual Report on Form 10-K, and the reports and documents incorporated by reference in this Annual Report on Form 10-K, may contain statements relating to future events and future results. These statements are "forward-looking" within the meaning of the Private Securities Litigation Reform Act of 1995 and applicable Canadian securities legislation and involve known and unknown risks, uncertainties, future expectations and other factors that may cause actual results, performance or achievements of Primo Water Corporation to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. Such statements include, but are not limited to, statements that relate to projections of sales, cash flows, capital expenditures or other financial items, statements regarding our intentions to pay regular quarterly dividends on our common shares, and discussions of estimated future revenue enhancements and cost savings. These statements also relate to our business strategy, goals and expectations concerning our market position, future operations, margins, profitability, liquidity and capital resources. Generally, words such as "anticipate," "believe," "continue," "could," "endeavor," "estimate," "expect," "intend," "may," "will," "plan," "predict," "project," "should" and similar terms and phrases are used to identify forward-looking statements in this Annual Report on Form 10-K and in the documents incorporated in this Annual Report on Form 10-K by reference. These forward-looking statements reflect current expectations regarding future events and operating performance and are made only as of the date of this Annual Report on Form 10-K.

Factors that could cause actual results to differ materially from those described in this Annual Report on Form 10-K include, among others: financial condition and results of operations; our ability to compete successfully in the markets in which we operate; fluctuations in commodity prices and our ability to pass on increased costs to our customers or hedge against such rising costs, and the impact of those increased prices on our volumes; our ability to maintain favorable arrangements and relationships with our suppliers; our ability to manage supply chain disruptions and cost increases related to inflation; our ability to manage our operations successfully; currency fluctuations that adversely affect the exchange between currencies including the U.S. dollar, the British pound sterling, the Euro and the Canadian dollar; the impact on our financial results from uncertainty in the financial markets and other adverse changes in general economic conditions, including inflation and interest rates; any disruption to production at our manufacturing facilities; our ability to maintain access to our water sources; the impact of climate change on our business; our ability to protect our intellectual property; the seasonal nature of our business and the effect of adverse weather conditions; the impact of national, regional and global events, including those of a political, economic, business and competitive nature, such as the Russia/Ukraine war or the Israel/Hamas war; the impact of a pandemic, such as COVID-19, related government actions and our strategy in response thereto on our business; our ability to fully realize the potential benefit of the strategic opportunities that we pursue; our ability to realize cost synergies of our acquisitions due to integration difficulties and other challenges; our exposure to intangible asset risk; our ability to meet our obligations under our debt agreements, and risks of further increases to our indebtedness; our ability to maintain compliance with the covenants and conditions under our debt agreements; fluctuations in interest rates, which could increase our borrowing costs; our ability to recruit, retain and integrate new management; our ability to renew our collective bargaining agreements from time to time on satisfactory terms; compliance with product health and safety standards; liability for injury or illness caused by the consumption of contaminated products; liability and damage to our reputation as a result of litigation or legal proceedings; changes in the legal and regulatory environment in which we operate; our ability to adequately address the challenges and risks associated with our international operations and address difficulties in complying with laws and regulations including the U.S. Foreign Corrupt Practices Act and the U.K. Bribery Act of 2010; the impact on our tax obligations and effective tax rate arising from changes in local tax laws or countries adopting more aggressive interpretations of tax laws; disruptions in our information systems; our ability to securely maintain our customers' confidential or credit card information, or other private data relating to our employees or the Company; our ability to maintain our quarterly dividend; or credit rating changes.

The forward-looking statements are not guarantees of future performance or events and, by their nature, are based on certain estimates and assumptions regarding interest and foreign exchange rates, expected growth, results of operations, performance, business prospects and opportunities and effective income tax rates, which are subject to inherent risks and uncertainties. Material factors or assumptions that were applied in drawing a conclusion or making an estimate set out in forward-looking statements may include, but are not limited to, assumptions regarding management's current plans and estimates. Although we believe the assumptions underlying these forward-looking statements are reasonable, any of these assumptions could prove to be inaccurate and, as a result, the forward-looking statements based on those assumptions could prove to be incorrect. Our operations involve risks and uncertainties, many of which are outside of our control, and any one or any combination of these risks and uncertainties could also affect whether the forward-looking statements ultimately prove to be correct. These risks and uncertainties include, but are not limited to, those described in Part I, Item 1A. "Risk Factors" and elsewhere in this Annual Report on Form 10-K and those described from time to time in our future reports filed with the Securities and Exchange Commission and Canadian securities regulatory authorities.

We undertake no obligation to update any information contained in this Annual Report on Form 10-K or to publicly release the results of any revisions to forward-looking statements to reflect events or circumstances of which we may become aware of after the date of this Annual Report on Form 10-K. Undue reliance should not be placed on forward-looking statements.

All future written and oral forward-looking statements attributable to us or persons acting on our behalf are expressly qualified in their entirety by the foregoing.

PART I

ITEM 1. BUSINESS

Our Company

When used in this report, the terms “Primo,” “the Company,” “our Company,” “Primo Water Corporation,” “we,” “us,” or “our” refers to Primo Water Corporation, together with its consolidated subsidiaries.

We originally incorporated in 1955 and, following the July 2021 continuance to the jurisdiction of the Province of Ontario, are governed by the Business Corporations Act (Ontario). Our principal executive office is located at 1150 Assembly Dr. Suite 800, Tampa, Florida, United States 33607.

Primo is a leading North America-focused pure-play water solutions provider that operates largely under a recurring revenue model in the large format water category (defined as 3 gallons or greater). This business strategy is commonly referred to as “razor-razorblade” because the initial sale of a product creates a base of users who frequently purchase complementary consumable products. The razor in Primo’s revenue model is its industry leading line-up of innovative water dispensers, which are sold through approximately 10,900 retail locations and online at various price points. The dispensers help increase household and business penetration which drives recurring purchases of Primo’s razorblade offering or water solutions. Primo’s razorblade offering is comprised of Water Direct, Water Exchange, and Water Refill. Through its Water Direct business, Primo delivers sustainable hydration solutions direct to customers, whether at home or to businesses. Through its Water Exchange business, customers visit retail locations and purchase a pre-filled bottle of water. Once consumed, empty bottles are exchanged at our recycling center displays, which provide a ticket that offers a discount toward the purchase of a new bottle. Water Exchange is available in approximately 17,500 retail locations. Through its Water Refill business, customers refill empty bottles at approximately 23,500 self-service refill drinking water stations. Primo also offers water filtration units across North America.

Primo’s water solutions expand consumer access to purified, spring and mineral water to promote a healthier, more sustainable lifestyle while simultaneously reducing plastic waste and pollution. Primo is committed to its water stewardship standards and is proud to partner with the International Bottled Water Association in North America which ensures strict adherence to safety, quality, sanitation and regulatory standards for the benefit of consumer protection. Environmental stewardship is a part of who we are, and we have worked to progressively achieve carbon neutrality throughout our organization. Our U.S. operations achieved carbon neutral certification in 2020 under the Carbon Neutral Protocol, an international standard administered by Climate Impact Partners. In 2021, Primo announced its planned exit from the North American small-format retail water business. This business was relatively small and used predominantly single-use plastic bottles. The exit from this category reduced single-use retail water bottles from our production environment by more than 400 million, annually, while also improving overall margins. The exit was completed during the second quarter of 2022.

On November 2, 2023, Primo and Osmosis Buyer Limited, a company incorporated in England and a subsidiary of the Culligan Group (“Purchaser”), entered into a Share Purchase Agreement (the “Purchase Agreement”) providing for the sale of Carbon Luxembourg S.à.r.l. and certain of its subsidiaries (the “European Business”). On December 29, 2023, Primo completed the sale of the European Business for aggregate deal consideration of \$575.0 million, adjusted for customary purchase price adjustments, resulting in total cash consideration of \$565.9 million (the “European Divestiture”). The European Divestiture did not include Primo’s interest in Aimia Foods Limited (“Aimia”), Decantae Mineral Water Limited (“Decantae”), Fonthill Waters Ltd (“Fonthill”), John Farrer & Company Limited (“Farrers”), the portions of the Eden Springs Netherlands B.V. business located in the United Kingdom, Israel, and Portugal (collectively the “Remaining International Businesses”). The European Business and the Remaining International Businesses are collectively the “International Businesses.” This deal is the first of several transactions that will occur in 2024 as part of a Board-approved plan to sell all of our international businesses representing a strategic shift in our operations. Accordingly, the International Businesses are presented herein as discontinued operations for all periods presented. See Note 2 to the Consolidated Financial Statements for additional information on discontinued operations. Unless otherwise noted, discussion within Part I and Part II relates to continuing operations.

During the second quarter of 2022, our Board of Directors approved the exit from our business in Russia. Accordingly, we recorded an impairment charge of \$11.2 million during the second quarter to reduce the carrying value of the assets to the estimated fair value less costs to sell. Separately, we reviewed and realigned our reporting segments. The decision to exit our business in Russia and the realignment of segments resulted in a triggering event for goodwill and intangible assets with indefinite lives requiring quantitative assessments for the combined Eden business (which, prior to realignment, included the Eden Europe and Eden Israel businesses) immediately before the realignment of segments and for the Eden Europe and Israel businesses upon realignment of segments. These assessments resulted in recording a goodwill impairment charge of \$11.2 million due to a decrease in cash flows associated with the exit from our business in Russia and recording a trademark impairment charge of \$6.7 million due primarily to a decrease in the royalty rate used in the quantitative analysis. These impairment charges totaling \$17.9 million are included in Net income (loss) from discontinued operations, net of income taxes on the Consolidated Statements of Operations for the twelve months ended December 31, 2022. The impairment charge of

\$11.2 million to reduce the carrying value of the Russia business to its estimated fair value less costs to sell is included within impairment charges on the Consolidated Statements of Operations for the twelve months ended December 31, 2022 and is included within the Other category. The exit of our business in Russia was completed during the third quarter of 2022.

Our Operations

At the beginning of 2023, our business operated through two reporting segments: (i) North America, which included our DS Services of America, Inc. ("DSS"), Aquaterra Corporation ("Aquaterra"), Mountain Valley Spring Company ("Mountain Valley") and the businesses associated with the acquisition of Primo Water Corporation ("Legacy Primo"), and (ii) Europe, which included the European business of Eden Springs Netherlands B.V. ("Eden Europe"), and our Decantae and Fonthill businesses. The Other category included the Israel business of Eden ("Eden Israel"), and our Aimia and Farrers businesses, as well as our corporate oversight function and other miscellaneous expenses.

During the fourth quarter of 2023, we reviewed and realigned our reporting segments to exclude the businesses within discontinued operations which reflects how the business will be managed and results will be evaluated by the Chief Executive Officer, who is the Company's chief operating decision maker. Following such review, our one reporting segment is North America, which includes our DSS, Aquaterra, Mountain Valley and Legacy Primo businesses. The Other category includes our corporate oversight function and other miscellaneous expenses and the results of our business in Russia prior to the exit of the business during the third quarter of 2022. Segment reporting results have been recast to reflect these changes for all periods presented.

North America

Our North America reporting segment provides bottled water solutions, water filtration and coffee services to customers in North America. Products included in our North America reporting segment consist primarily of bottled water, water dispensers, purified bottled water, self-service refill drinking water, premium spring, sparkling and flavored essence water, filtration equipment and coffee.

Other

The Other category includes our corporate oversight function and other miscellaneous expenses and the results of our business in Russia prior to the exit of the business during the third quarter of 2022.

Competitive Strengths

The combination of our scale and density of our routes in key markets, our industry-leading infrastructure, and our emphasis on superior customer service is intended to create significant competitive strengths. We continually invest in our delivery, exchange and refill service infrastructure, call centers and service capabilities to earn our position as an industry leader. We believe these investments have positioned us to benefit from a number of positive industry dynamics and new growth opportunities. First, we intend to capture new customers as we benefit from favorable consumer trends across our addressable markets, including increased focus on health and wellness, and concerns about deteriorating municipal water quality. Second, we believe our ability to offer complementary water and filtration products and services represents a significant untapped opportunity. Third, the highly fragmented market in which we operate affords us ample opportunity to make the most of our scale, systems and customer density to execute synergistic tuck-in acquisitions across all of our service areas. We believe these strengths, along with the strengths outlined below, will allow us to maximize growth opportunities to drive sustainable and profitable growth.

Leading Position in Multiple Service Platforms

We have a leading volume-based national presence in the North American bottled water industry. We offer a portfolio of well-known brands with longstanding heritages, such as Primo®, Crystal Springs®, Mountain Valley®, Crystal Rock®, Vermont Pure®, Sparkletts®, Hinckley Springs®, Kentwood Springs®, Canadian Springs®, and Labrador Source®, which have contributed to our leadership position in the bottled water industry. In water filtration, we offer a complete range of products including carbon filtration and reverse osmosis filtration.

We are one of the leading direct-to-consumer providers that can offer comprehensive services to residential customers and small and medium-sized businesses, as well as large regional and national corporations and retailers. Our broad direct-to-consumer network creates an advantage in marketing and customer reach, while our extensive range of products and capabilities allows us to offer customers a convenient, single solution for high quality drinking water. We believe our position is strengthened by our presence in the exchange and refill channels and will be further strengthened through our ongoing efforts to enhance and promote our full-service water solutions offering to new and existing customers.

We also believe opportunities exist to increase sales of our products in our core markets by optimizing existing customer relationships, capitalizing on up-selling opportunities, obtaining new customers, exploring new channels of distribution and introducing new products through our broad reaching distribution network.

Water Delivery, Water Filtration or Point of Use and Office Coffee Service Platforms

We believe having one of the leading North American water delivery production and distribution networks in the industry gives us the ability to reduce our purchasing, manufacturing and delivery costs relative to our competitors as well as drive customer density within the markets we serve. We have an extensive water delivery, water filtration and office coffee services distribution network with a unique ability to service customers, along with numerous locations through which we provide our exchange and refill offerings. We believe our footprint infrastructure and attention to customer service uniquely enable us to support local, regional and national accounts, which differentiates us in the industry. Our network has allowed us to secure strategic relationships, which have been successful in attracting new customers and leveraging our production and delivery infrastructure. We are able to provide multiple products to our water delivery, water filtration and office coffee services customers at minimal additional cost and generate additional profits on those incremental sales.

High Levels of Customer Service and Strong Customer Integration

Customer service and customer retention are key indicators of our success. Our goal is to increase the customer lifetime value through increased customer retention. Route Sales Representatives ("RSRs"), who comprise the customer-facing part of the business, are an important part of the customer relationship and not only drive customer service, but also generate new organic customer growth. We provide reliable delivery schedules and closely track call center and customer service metrics to continually improve customer satisfaction.

Business Strategy

Our business strategy is aligned around a common purpose and vision and operates largely under a recurring revenue model in the large format water category (defined as 3 gallons or greater). Our purpose defines and identifies who we are and what sets us apart. We aim to *Inspire Healthier Lives With Water Your Way*. In order to achieve our purpose, our vision guides our decisions and future investments to help differentiate us from our competitors. We aim to become the leading brand in the pure-play water category with a unique portfolio of sustainable drinking water solutions. To achieve this vision, we have aligned around a common set of strategic pillars. These strategic pillars are integrated across our business to help drive a differentiated offering for our customers while at the same time providing an engaged and purpose-driven culture for our associates. Through our strategies, we believe we can drive an enhanced customer experience while at the same time leverage our scale to generate enhanced efficiencies. We also empower and motivate our associate base to help service our customers and their needs. When our associate experience is aligned and operating in tandem with that of our customers, we have the best ability to deliver growth for all stakeholders. We believe our business strategy will enable long-term measurable success in support of our vision and purpose.

Our strategic pillars and goals include:

- **Water Your Way** - we provide a diverse set of water solutions and products for residential, small and medium-sized businesses and retail customers. We believe this allows our customers access to on-trend and high-quality drinking water whenever, wherever and however customers want it. Our goal is to establish Primo as the preferred water brand in the spaces we compete by increasing customer penetration of our water solutions while also diversifying our customer base. Our financial model is strengthened by the recurring-revenue nature of our business model. Our offering is further enhanced through digital channels allowing customers to manage their delivery and order preferences or purchase products on owned and third-party online sites of our retail partners.
- **Category Leading Innovation** - we focus on new product innovation to drive customer penetration and increased water consumption. We focus on selling-in dispensers to retail locations and online and then work to promote the sell-through of these products to customers. We also provide dispensers for rent to Water Direct customers. We have expanded our dispenser offering with a variety of options that include hot, cold and technology to brew coffee, tea and other beverages in numerous price ranges that are suitable for our retail customer needs. We have also enhanced our lineup with color and style options that are on trend for residential and business settings. Dispenser innovation and enhancements also enable us to improve our service efficiency and reduce service costs.
- **Customer for Life Promise** - we position the customer at the center of everything we do. Our goal is to increase the customer lifetime value through increased customer retention. We seek to understand customer needs and listen to their feedback across our product offerings. By providing trusted high-quality products and equipment and responding to their service needs, we believe we can enhance the value of the relationship. We continue to build out interactive digital touch-points to improve the customer experience.

- **Operational Excellence** - we believe we can unlock and increase efficiencies through our scale and product offering. With our pure-play water focus we have begun streamlining and centralizing support functions. Additionally, we have enhanced our staff with a procurement team to help drive valuable supplier partnerships and harmonize our best practices. In conjunction with our other strategies, as we increase our customer base and customer diversity, we believe it will improve our route density and network optimization.
- **Environmental, Social and Corporate Governance ("ESG") Leadership** - we strive to provide a positive impact on the environment, our associates and the communities where we live, work and service. We maintain sustainable water resources, have achieved carbon neutrality throughout our organization, aim to reduce our carbon footprint further and energy usage, and seek to increase the use of recycled packaging. We promote associate health and safety initiatives, as well as diversity, equity and inclusion training for all management. Additionally, we aim to ensure our supplier community complies with all federal, state and local human relations laws and regulations, and each supplier is required to comply with our Global Supplier Code of Conduct. Our Code of Business Conduct and Ethics drives compliance with all relevant rules and regulations.
- **Associate Experience** - we are developing a purpose-driven culture that will drive an enhanced associate experience. Our goal is to attract and retain highly-engaged associates who will live our purpose in their interactions with our customers, as well as in their communities. We seek to implement an effective talent strategy that focuses on the entire associate lifecycle – onboarding to exit.

We ultimately believe that our strategies will help drive increased customer growth and greater customer retention due to our innovation and on-trend water solution offerings, all while leveraging our operating scale. Our associates will be highly-engaged in driving our purpose and engaging in our ESG leadership.

Focus on Water Direct, Water Exchange, Water Refill and Water Filtration Solutions Growth

Using our strategic pillars, our goals are to grow profitably as consumers move to healthier beverage options and to sell across multiple channels. This drives our customer density and consumption, reducing costs to serve.

We will remain focused on expanding our residential and small and medium-sized business customer base, a market segment that we believe remains underpenetrated, by continuing to capitalize on our strong direct-to-consumer distribution network, international sales and marketing efforts as well as our strategic partnerships. Additionally, the sale of our water dispensers through retail and digital channels helps us expand our customer base through which we can offer a diverse set of water solutions both direct and through retail stores.

We intend to utilize our e-commerce capabilities to employ data-driven customer acquisition, increase penetration, expand our customer base and provide a seamless strategy for improved customer experience, retention and long-term growth. Our e-commerce capabilities utilize common platforms while engaging and serving potential and current customers in the most optimized manner.

We believe our ability to offer complementary water and filtration products and services represents a significant untapped opportunity as nearly all of our existing and target customers consume multiple products. We believe we are well-positioned to capitalize on this opportunity utilizing our strong relationships and frequent face-to-face interactions with our large installed customer base. RSRs are trained to sell across our product set and are highly incentivized through our commission structure to promote new products to existing customers, which increases sales and average revenue per customer.

We intend to proactively pursue accretive acquisitions to complement our organic growth. The highly fragmented market in which we operate affords us ample opportunities to execute synergistic water delivery and filtration tuck-in acquisitions. Our acquisition strategy is consistent with our objective to continually build customer density and reduce the overall cost of servicing our existing customer base. We have a proven track record of achieving significant synergies and integrating companies onto our platform, and we believe that our acquisition strategy will continue to improve our profitability.

We have managed to pursue this acquisition strategy while reducing leverage levels by employing a combination of disciplined purchasing, successful integration and synergy realization, and divestiture of assets that are no longer instrumental to our purpose, vision or strategy. In the second quarter of 2022, Primo exited from the North American small-format retail water business. This business was relatively small and used predominantly single-use plastic bottles. The exit from this category is estimated to reduce single-use retail water bottles from our production environment by more than 400 million, annually, while also improving overall margins.

Evaluate Acquisition Opportunities

We will continue to evaluate additional opportunities to expand our positions in the water delivery and filtration service categories, as well as other higher margin or growth-oriented water categories where we believe our platform, operating strength and synergies can be leveraged.

Financial Information about Segments

For financial information about reporting segments and geographic areas, see Note 10 to the Consolidated Financial Statements contained in this Annual Report on Form 10-K.

Ingredient and Packaging Supplies

In addition to water, the principal raw materials required to produce our products are polyethylene terephthalate (“PET”) resin, high-density polyethylene (“HDPE”) and polycarbonate bottles, caps and preforms, labels and cartons and trays. The cost of these raw materials can fluctuate substantially over time. We have implemented a number of risk mitigation programs in order to reduce the risk of commodity fluctuations in key areas such as energy surcharges tied to certain energy indexes within North America. Our core product of bottled water utilizes a reusable bottle that allows for the overall cost to service to be spread out over a number of recurring trips to our customer base. We utilize a refill, reuse and recycle concept with our three gallon (“3G”) and five gallon (“5G”) bottled water packaging. Where we have not established a risk mitigation program, it is often necessary to recover the increased cost of materials through price increases, which we have historically had success in implementing in order to reduce our overall exposure to rising ingredient and packaging costs.

Under many of our supply arrangements for these raw materials, the price we pay fluctuates along with certain changes in underlying commodity costs, such as resin in the case of PET, and HDPE. We believe that we will be able to either renegotiate contracts with these suppliers when they expire or find alternative sources for supply. We also believe there is adequate supply of the ingredient and packaging materials used to produce and package our products.

Generally, we bear the risk of increases in the costs of the ingredient and packaging materials used to produce our products, including the underlying costs of the commodities used to manufacture them and, to some extent, the costs of converting those commodities into the materials we purchase.

Resin for PET, HDPE and fuel are examples of underlying commodities for which we bear the risk of increases in costs. In addition, the contracts for certain of our ingredient and packaging materials permit our suppliers to increase the costs they charge us based on increases in their cost of converting the underlying commodities into the materials we purchase. In certain cases, those increases are subject to negotiated limits. Changes in the prices we pay for ingredient and packaging materials occur at times that vary by product and supplier, and take place on a monthly, quarterly or annual basis.

Trade Secrets, Copyrights, Trademarks and Licenses

We sell a majority of our 3G and 5G bottled water under our own brands while our office coffee services business sells both our branded products as well as products under which we have a distribution license. We own registrations for various trademarks that are important to our worldwide business, including Primo®, Alhambra®, Crystal Rock®, Mountain Valley®, Deep Rock®, Hinckley Springs®, Crystal Springs®, Kentwood Springs®, Mount Olympus®, Pureflo®, Sierra Springs®, Sparkletts®, and Renū® in the United States and Canadian Springs®, Labrador Source® and Amazon Springs® in Canada. We have filed certain trademark registration applications and intend to develop additional trademarks and seek registrations for such trademarks and to develop other intellectual property. The licenses to which we are a party are of varying terms, including some that are perpetual. Trademark ownership is generally of indefinite duration when marks are properly maintained in commercial use.

Our success depends in part on our intellectual property, which includes trademarks for the names of the beverages we sell. To protect this intellectual property, we rely principally on registration of trademarks, contractual responsibilities and restrictions in agreements (such as indemnification, nondisclosure and confidentiality agreements) with employees, consultants and customers, and on the common law and/or statutory protections afforded to trademarks, copyrights, trade secrets and proprietary “know-how.” We also closely monitor the use of our trademarks and, when necessary, vigorously pursue any party that infringes on our trademarks, using all available legal remedies.

Customers

We have limited customer concentration as no customer accounts for more than 10% of our net revenues.

Competition

Our principal competitors are local, regional and national bottled water businesses as well as providers of various types of water filtration units and services. We face significant competition in our business as distribution methods for bottled water products continue to change and evolve. Our business also faces increased competition from filtration units. In addition, consumers may choose to drink from municipal water sources instead of purchasing bottled water or using a filtration unit.

We seek to differentiate ourselves from our competitors by offering our customers high-quality products, category management strategies, packaging and marketing strategies, efficient distribution methods, and superior service.

Government Regulation and Environmental Matters

The production, distribution and sale in the United States of many of our products are subject to the Federal Food, Drug, and Cosmetic Act, the Federal Trade Commission Act, the Lanham Act, state consumer protection laws, federal, state and local workplace health and safety laws, various federal, state and local environmental protection laws and various other federal, state and local statutes and regulations applicable to the production, transportation, import, sale, safety, advertising, labeling and ingredients of such products. Outside the United States, the production, distribution and sale of our many products and related operations are also subject to numerous similar and other statutes and regulations.

A number of states have passed laws setting forth warning or labeling requirements relating to products made for human consumption. For example, the California law known as “Proposition 65” requires that a specific warning appear on any product sold in California containing a substance listed by that state as having been found to cause cancer or reproductive toxicity. This law, and others like it, exposes all food and beverage producers to the possibility of having to provide warnings on their products. The detection of even a trace amount of a listed substance can subject an affected product to the requirement of a warning label, although products containing listed substances that occur naturally or that are contributed to such products solely by a municipal water supply are generally exempt from the warning requirement. From time to time over the past several years, certain of our customers have received notices alleging that the labeling requirements of the relevant state regulation would apply to products manufactured by us and sold by them. There can be no assurance that we will not be adversely affected by actions against our customers or us relating to Proposition 65 or similar “failure to warn” laws.

We currently offer and use non-refillable recyclable containers in the United States and Canada. We also offer and use refillable containers, which are also recyclable. Legal requirements apply in various jurisdictions in the United States and Canada requiring that deposits or certain taxes or fees be charged for the sale, marketing and use of certain non-refillable beverage containers. The precise requirements imposed by these measures vary. Other types of beverage container-related deposit, recycling, tax and/or product stewardship statutes and regulations also apply in various jurisdictions. We anticipate that additional, similar legal requirements may be proposed or enacted in the future at local, state and federal levels. In the second quarter of 2022, we exited from the North American small-format retail water business. This business was relatively small and used predominantly single-use plastic bottles. The exit from this category is estimated to reduce production of plastic water bottles by more than 400 million, annually, while also improving overall margins.

We are a member of the International Bottled Water Association (“IBWA”) and the Water Quality Association. These associations often set higher water quality standards than those set by governmental agencies. Members must comply with these standards, which are enforced by the members themselves. The IBWA requires submission to annual plant inspections administered by an independent third-party inspection agency, such as the National Sanitation Foundation. These inspections audit quality and testing records, review all areas of plant operations and the bottling process, and check compliance with relevant national standards, good manufacturing practices, and any other regulations set by the IBWA. If we fail to meet the standards set by the IBWA and the Water Quality Association, there could be an adverse impact on our reputation, which could have a material adverse effect on our business and results of operations.

All of our production facilities and other operations are subject to various environmental protection statutes and regulations, including those of the U.S. Environmental Protection Agency (“EPA”), which pertain to the use of water resources and the discharge of waste water. Failure to comply with these regulations can have serious consequences, including civil and administrative penalties. Compliance with these provisions has not had, and we do not expect such compliance to have, any material adverse effect on our capital expenditures, net income or competitive position.

Subject to the terms and conditions of the applicable policies, we have coverage for product recalls and product liability claims that could result from the injury, illness or death of consumers using our products, contamination of our products, or damage to or mislabeling of our products.

Human Capital

Employees

As of December 30, 2023, we had over 6,400 employees, of whom approximately 6,330 were in the North America reporting segment; and approximately 70 were in the Other category. We have entered into collective bargaining agreements covering approximately 390 of the employees in the North America reporting segment which all contain terms that we believe are typical in our industry. As these agreements expire, we believe that they can be renegotiated on terms satisfactory to us. We consider our relations with employees to be generally good.

Diversity and Inclusion

We are committed to creating an inclusive workplace that promotes and values diversity, where we embrace our differences and empower our associates to be authentic and transparent. Our company is made up of extraordinary people of every race, gender, religion, sexual orientation and background. We are committed to a culture built on our core value of respect for each other, respect for our customers, respect for our business partners and respect for our communities. We do not tolerate discrimination, harassment or retaliation.

We created a diversity, equity, and inclusion (“DEI”) Strategy Committee, a cross-functional group of diverse associates across Primo that has taken the lead in formalizing our DEI Commitment. The commitment statement is an important first step. Our goal is to create a truly inclusive work culture that ensures diversity of thought is valued across our Company. We are committed to recognizing and embracing the whole associate. As part of this process, our associates and senior management are creating detailed and measurable actions to be incorporated into our strategic plans. And we are inserting a DEI lens into our recruitment processes that is deliberate, consistent and ensures that our talent base reflects the diversity of people, of perspectives and experiences that we need to truly be one Primo across the globe.

Primo offers several options for associates to raise concerns about harassment or discrimination, including an online web-based platform, a helpline, and by speaking with human resource partners or leaders in our organization. We will not tolerate retaliation or unfair treatment of any associate who reports concerns in good faith or who participates in an investigation of any such reports. Retaliation against an individual for reporting in good faith any violation or for participating in any such investigation is a serious violation of our Code of Business Conduct and Ethics that will subject the violator to appropriate disciplinary action, including possible termination of employment.

Health and Safety

Primo is committed to providing our customers with safe and high-quality water products, while ensuring the health and safety of our associates, contractors, and the communities in which we operate. Our approach to health and safety is rooted in our tenets and core values, and we continuously strive to ensure that safety, security, and quality always come first.

The Company's health and safety program is designed to proactively identify, assess, and manage risks and hazards associated with our operations, products, and services. We operate in compliance with all applicable health and safety laws, regulations, and standards, and our program includes a comprehensive set of policies, procedures, and training programs that cover all aspects of our business operations, including manufacturing, distribution, and customer service.

At Primo, we believe that safety, security, and quality are the foundation of a successful organization. As such, we maintain a proactive approach to risk management, which includes regular risk assessments, observations and inspections to identify and mitigate unsafe conditions and behaviors in our operations while building a caring culture. We have a strong reporting process to ensure that all incidents and hazard identifications are investigated, and appropriate corrective and preventative actions are taken.

Primo is committed to continuously improving our health and safety program to ensure that we exceed the expectations of our stakeholders. We believe that our commitment to safety, security, and quality is essential to our long-term success, and we will continue to invest in our health and safety programs to achieve our goal of zero incidents.

Total Rewards

Our compensation programs are designed to align the compensation of our associates with the Company's performance, offering market-competitive compensation, meaningful benefits, and differentiated rewards for our high performers. We believe that investing in our associates results in increased engagement, satisfaction and retention, which ultimately leads to an elevated customer experience and increased shareowner value.

Our total rewards philosophy is designed to:

- Attract, motivate, reward, and retain talent who contribute to the success of the Company;
- Value the diversity of our workforce, recognizing that different people have different needs, and thus strive to provide flexibility and choice in our reward system;
- Be both internally and externally equitable, providing our talent with opportunities, which relate to competitive practices and reflect individual responsibilities, skills, and contributions to the Company;
- Support the whole person, enabling personal and professional growth; and
- Be transparent and effectively communicate; simple and easy to understand the value.

Our target total direct compensation for our executive leadership is designed to be competitive with peer companies and market data to help us attract and retain top talent. A substantial portion of executive officer compensation is variable or at-risk, in line with our philosophy of rewarding our executives when they produce value for our shareowners and our associates.

It is also our intention to offer benefits that will allow our associates and their families to live healthier lives. We offer comprehensive benefits to all eligible associates. These include, among other benefits:

- Medical insurance, prescription drug benefits, dental and vision insurance;
- Accident insurance, critical illness insurance, life insurance, disability insurance, legal insurance, health savings and flexible spending accounts;
- Paid and unpaid leaves;
- Retirement plan; and
- Voluntary benefits that allow associates to select the options that meet their needs, including flexible time-off, telemedicine, and adoption assistance.

Serving Our Communities

We are strongly committed to the communities we serve and to the world at large. After all, our families live, work and play in the local communities where we operate.

It is part of our purpose to promote hydration and wellness via sponsorships and in-kind donations, and to provide aid in the times of need. We provide bottled water products for local sporting events, culinary and hospitality programs, fundraisers, and associate-supported efforts and have also contributed time and resources to many regional causes. In addition, we donate water to medical centers and first responders, as well as support hospitality partners feeding front-line workers during extreme weather-related incidents and natural disasters.

Availability of Information and Other Matters

We are required to file annual, quarterly and current reports, proxy statements and other information with the U.S. Securities and Exchange Commission (the "SEC") and Canadian securities regulatory authorities. The SEC maintains an Internet site that contains reports, proxy and information statements, and other information regarding issuers that file with the SEC at www.sec.gov. Information filed with the Canadian securities regulatory authorities is available at www.sedar.com.

Our Annual Report on Form 10-K, quarterly reports on Form 10-Q, current reports on Form 8-K and amendments to reports filed or furnished pursuant to Sections 13(a) and 15(d) of the Securities Exchange Act of 1934, as amended, are also available free of charge on our website at www.primowatercorp.com, as soon as reasonably practicable after such material is electronically filed with, or furnished to, the SEC. The information found on our website is not part of this or any other report that we file with, or furnish to, the SEC or to Canadian securities regulatory authorities nor is such information incorporated by reference herein or therein.

We are responsible for establishing and maintaining adequate internal control over financial reporting as required by the SEC. See "Management's Report on Internal Control over Financial Reporting" in Item 9A.

ITEM 1A. RISK FACTORS

In addition to the other information set forth in this Annual Report on Form 10-K, you should carefully consider the following factors, which could materially affect our business, financial condition or results of operations for both continuing operations and discontinued operations. The risks described below are not the only risks that we face. Additional risks and uncertainties not currently known to us or that we currently deem to be immaterial also may negatively affect our business, financial condition or results of operations.

Risks Related to Our Business, Industry and Operations

We may be unable to compete successfully in the markets in which we operate.

We face competition in our business as distribution methods for bottled water products continue to change and evolve. The increasing availability of multi-gallon water bottles in retail stores could affect our business as some customers may choose to purchase water in returnable bottles through competitors' retail products rather than ours. Our business also faces increased competition from filtration units in the market. In addition, consumers may choose to drink from municipal water sources instead of purchasing bottled water or using a filtration unit. Additionally, retail and internet availability of these products could negatively affect demand for the direct distribution sources we offer.

Supply chain disruptions and cost increases related to inflation had, and could continue to have, an adverse effect on our business, operating results, and financial condition.

We experienced inflationary cost increases in our underlying expenses, including transportation and labor costs. We were impacted by global supply chain disruption, which increased ocean freight voyage lead times for the shipment of our water dispensers to our branch locations and increased freight costs.

The Company largely was able to mitigate the impacts of inflation and supply chain disruptions. Our mitigation strategies, such as price increases and cost control efforts, have provided us the necessary flexibility to respond to the risks.

While we have taken steps to minimize the impact of these increased costs, global supply chain disruption and inflationary pressures may increase, which could adversely affect our business, financial condition, results of operations and cash flows.

Our ingredients, packaging supplies and other costs are subject to price increases, and we may be unable to effectively pass rising costs on to our customers.

We typically bear the risk of changes in prices on the ingredient and packaging materials in our products. The majority of our ingredient and packaging supply contracts allow our suppliers to alter the prices they charge us based on changes in the costs of the underlying commodities, such as resin for PET, HDPE and polycarbonate bottles that are used to produce them and, in some cases, changes in production costs. These changes in the prices we pay for ingredient and packaging materials occur at times that vary by product and supplier, and take place, on a monthly, quarterly or annual basis.

Accordingly, we bear the risk of fluctuations in the costs of these ingredient and packaging materials, including the underlying costs of the commodities used to manufacture them and, to some extent, the costs of converting those commodities into the materials we purchase. If the cost of these ingredients or packaging materials increases, we may be unable to pass these costs along to our customers through adjustments to the prices we charge, which could have a negative effect on our results of operations. If we are able to pass these costs on to our customers through price increases, the impact those increased prices could have on our volumes is uncertain.

Our production facilities use a significant amount of electricity, natural gas and other energy sources to operate. Fluctuations in the price of fuel and other energy sources for which we have not locked in long-term pricing commitments or arrangements would affect our operating costs, which could negatively affect our results of operations.

If we are unable to maintain relationships with our raw material suppliers, we may incur higher supply costs or be unable to deliver products to our customers.

In addition to water, the principal raw materials required to produce our products are PET resin, HDPE and polycarbonate bottles, caps and preforms, labels and cartons and trays. We rely upon our ongoing relationships with our key suppliers to support our operations.

We typically enter into annual or multi-year supply arrangements with our key suppliers, meaning that our suppliers are obligated to continue to supply us with materials for one-year or multi-year periods, at the end of which we must either renegotiate the contracts with those suppliers or find alternative sources for supply. There can be no assurance that we will be able to either renegotiate contracts (with similar or more favorable terms) with these suppliers when they expire or, alternatively, if we are unable to renegotiate contracts with our key suppliers, there can be no assurance that we could replace them. We could also incur higher ingredient and packaging supply costs in renegotiating contracts with existing suppliers or replacing those suppliers, or we could experience temporary disruptions in our ability to deliver products to our customers, either of which could negatively affect our results of operations.

With respect to some of our key ingredients, we have entered into long-term supply agreements. In addition, the supply of specific ingredient and packaging materials could be adversely affected by many factors, including industry consolidation, energy shortages, governmental controls, labor disputes, natural disasters, pandemics, transportation interruption, political instability, acts of war or terrorism and other factors.

If we fail to manage our operations successfully, our business and results of operations may be negatively affected.

In recent years, we have grown our business and beverage offerings primarily through the acquisition of other companies, development of new product lines and growth with key customers. We believe that opportunities exist to grow our business by leveraging existing customer relationships, obtaining new customers, exploring new channels of distribution, introducing new products or identifying appropriate acquisition or strategic alliance candidates. The success of this strategy with respect to acquisitions depends on our ability to manage and integrate acquisitions and alliances into our existing business. Furthermore, the businesses or product lines that we acquire or align with may not be integrated successfully into our business or prove profitable. If we fail to successfully manage our operations, our business and results of operation could be adversely affected.

Our geographic diversity subjects us to the risk of currency fluctuations.

We conduct operations in different areas of the world, involving transactions denominated in multiple currencies. We are subject to currency exchange rate risk to the extent that our costs are denominated in currencies other than those in which we earn revenues. In addition, because our financial statements are denominated in U.S. dollars, changes in currency exchange rates between the U.S. dollar and other currencies have had, and will continue to have, an impact on our results of operations. While we may enter into financial transactions to address these risks, there can be no assurance that currency exchange rate fluctuations will not negatively affect our financial condition, results of operations and cash flows. In addition, while the use of currency hedging instruments may provide us with protection from adverse fluctuations in currency exchange rates, by utilizing these instruments we potentially forego the benefits that might result from favorable fluctuations in currency exchange rates.

Uncertainty in the financial markets and other adverse changes in general economic conditions in the countries in which we do business could adversely affect our industry, business and results of operations.

Periods of uncertainty in the financial markets and adverse economic conditions in the countries in which we do business could have a number of different effects on our business, including:

- a reduction in consumer spending, which could result in a reduction in our sales volume;
- a negative impact on the ability of our customers to timely pay their obligations to us or our vendors to timely supply materials, thus reducing our cash flow;
- an increase in counterparty risk;
- an increased likelihood that one or more members of our banking syndicate may be unable to honor its commitments under our senior secured revolving credit facility (“Revolving Credit Facility”); and
- restricted access to capital markets that may limit our ability to take advantage of business opportunities.

If economic conditions deteriorate, our industry, business and results of operations could be materially and adversely affected.

Substantial disruption to production at our production facilities could occur.

A disruption in production at our production facilities or those of our suppliers, distribution channels or service networks could have a material adverse effect on our business. The disruption could occur for many reasons, including fire, natural disasters, pandemics, weather, manufacturing problems, contamination, diseases, strikes or labor shortages, supply chain disruptions, transportation interruption, government regulation, war, terrorism or other hostile acts. Alternative facilities with sufficient capacity or capabilities may not be available, may cost substantially more or may take a significant time to start production, each of which could negatively impact our business and results of operations.

Our business is dependent on our ability to maintain access to our water sources; water scarcity, government regulation of water access and poor quality could negatively affect our long-term financial performance.

Damage to or a disruption in the water flow at any one of our water sources, a dispute over water rights, increased legal restrictions on or government regulation of water use or access at our water sources or the failure to maintain access to our water sources could cause an increase in the cost of our products or shortages that would likely not allow us to meet market demand. The potential delivery and price disruptions due to the loss of any one water source or a decline in the volume of water available could significantly disrupt our business, result in the loss of customer confidence and have an adverse effect on our business, financial condition and results of operations. Further, if any of our municipal water sources were curtailed or eliminated as a result of, for example, a natural disaster, work stoppage or other significant event that disrupted water flow from such municipal source, we may have to purchase water from other sources, which could increase water and transportation costs and could result in supply shortages and price increases. Any one of these events could have a negative impact on our business, financial condition, reputation and results of operations.

Water is a limited resource facing significant challenges from population growth, environmental contamination and poor management. As demand for water continues to increase and if water becomes more scarce and the quality of water available deteriorates, our business may incur increasing costs or face capacity constraints, which could adversely affect our profitability or net sales in the long run. Furthermore, even if we are able to secure adequate water sources, the methods which we employ to do so, including acquisitions of additional water sources, may have a negative impact on our public reputation, especially in jurisdictions encountering drought or where water is considered a limited resource.

Climate change may have an adverse impact on our business and results of operations.

There is concern that a gradual increase in global average temperatures due to increased concentration of carbon dioxide and other greenhouse gases in the atmosphere is causing significant changes in weather patterns and an increase in the frequency or duration of extreme weather and climate events. These changes could adversely impact some of our facilities, the availability and cost of key raw materials and water resources we use. Public expectations for reductions in greenhouse gas emissions are rapidly changing and may require us to make additional investments in facilities and equipment, including more fuel-efficient vehicles. In addition, federal, state or local governmental authorities may propose legislative and regulatory initiatives in response to concerns over climate change, such as the new disclosure requirements that have been adopted in the European Union and California and additional requirements expected to be adopted by the SEC, which could have varying and inconsistent requirements that could increase our compliance costs and may require additional investments or increase the cost of raw materials, fuel, ingredients and water. Further, if we are unable to meet public expectations and regulatory developments, or if our existing practices and procedures are not adequate to meet new regulatory requirements, we may miss corporate opportunities or become subject to regulatory scrutiny or third-party claims. As a result, the effects of climate change could have an adverse impact on our business and results of operations.

Our success depends, in part, on our intellectual property, which we may be unable to protect.

While we own certain of the trademarks used to identify our beverages, other trademarks are used through licenses from third parties or by permission from our customers. Our success depends, in part, on our ability to protect our intellectual property across multiple jurisdictions.

To protect this intellectual property, we rely principally on registration of trademarks, contractual responsibilities and restrictions in agreements (such as indemnification, nondisclosure and confidentiality agreements) with employees, consultants and customers, and on common law and statutory protections afforded to trademarks, trade secrets and proprietary “know-how.” In addition, we vigorously protect our intellectual property against infringements using any and all legal remedies available. Notwithstanding our efforts, we may not be successful in protecting our intellectual property for a number of reasons, including:

- our competitors may independently develop intellectual property that is similar to or better than ours;
- employees, consultants or customers may not abide by their contractual agreements and the cost of enforcing those agreements may be prohibitive, or those agreements may prove to be unenforceable or more limited than anticipated;
- our intellectual property rights may be successfully challenged, invalidated or circumvented.

If we are unable to protect our intellectual property, our competitive position would weaken and we could face significant expense to protect or enforce our intellectual property rights.

Occasionally, third-parties may assert that we are, or may be, infringing on or misappropriating their intellectual property rights. In these cases, we intend to defend against claims or negotiate licenses when we consider these actions appropriate. Intellectual property cases are uncertain and involve complex legal and factual questions. If we become involved in this type of litigation, it could consume significant resources and divert our attention from business operations.

If we are found to infringe on the intellectual property rights of others, we could incur significant damages, be enjoined from continuing to manufacture, market or use the affected product, or be required to obtain a license to continue manufacturing or using the affected product. A license could be very expensive to obtain or may not be available at all. Similarly, changing products or processes to avoid infringing the rights of others may be costly or impracticable.

Our business is seasonal and adverse weather conditions could negatively affect our business, financial condition and results of operations.

The sales of our products are influenced to some extent by weather conditions in the markets in which we operate. Unusually cold or rainy weather during the summer months may reduce the demand for our bottled water and other products and contribute to lower revenues, which could negatively affect our profitability.

Global or regional unrest, conflict, geopolitical disputes or catastrophic events could affect our operations and results of operations.

Our business can be affected by war, large-scale terrorist or other hostile acts, especially those directed against the United States or other major industrialized countries in which we do business, major natural disasters, long-term periods of drought, or widespread outbreaks of infectious diseases. Such events could impair our ability to manage our business, could disrupt our supply of raw materials, and could affect production, transportation and delivery of products. For example, the U.S.-China trade relations remain uncertain, and if tensions continue to worsen, we may increase our onshoring and diversification efforts to reduce reliance on the Chinese supply chain which could impact our supply chain, production and

delivery of products. Further, regional conflicts, such as the Ukraine-Russia and Israel-Hamas conflicts, could escalate and expand, which in turn could have negative impacts on our operations, including our operations and associates in Israel, and the global economy and financial markets. Such disruptions of regional or global economic activity can affect consumers' purchasing power in the affected areas and, therefore, reduce demand for our products.

The outbreak of contagious diseases, similar to COVID-19, could adversely affect our business, financial condition and results of operations.

Our business could be adversely affected by the effects of a widespread outbreak of contagious diseases, similar to COVID-19, which impacted global, national and local economies, created a number of macroeconomic challenges that impacted our business, including volatility and uncertainty in business planning, disruptions in global supply chains, material, freight and labor inflation, shortages of and delays in obtaining certain materials and labor shortages.

The extent of the impact of a pandemic similar to the COVID-19 pandemic on our business and financial results will depend on numerous evolving factors that we are not able to accurately predict and that all will vary by market, including the duration and scope of the pandemic, the emergence of new variants of the virus and the efficacy of vaccines against such variants, global economic conditions during and after the pandemic, including disruptions in the global supply chain, inflation and labor shortages, government actions that may be taken in the future, in response to the pandemic, and changes in customer behavior in response to the pandemic, some of which may be more than just temporary.

Strategic Risks

We may devote a significant amount of our management's attention and resources to our ongoing review of strategic opportunities, including potential divestitures, and we may not be able to fully realize the potential benefit of any such alternatives that we pursue.

As part of our overall strategic planning process, from time to time we evaluate whether there are alternatives available to complement our strategy of organic growth and growth through diversification. Accordingly, we may from time to time be engaged in evaluating potential transactions and other strategic alternatives, and we may engage in discussions that may result in one or more transactions. Although there would be uncertainty that any of these discussions would result in definitive agreements or the completion of any transaction, we may devote a significant amount of our management's attention and resources to evaluating and pursuing a transaction or opportunity, which could negatively affect our operations.

We are executing strategic alternatives for our remaining international businesses. There can be no assurance that the strategic plan to divest our Remaining International Businesses will receive the level of market support that we expect or that we will be able to achieve the anticipated operational, strategic and other benefits. Moreover, our business will be less diversified geographically, which could make us more susceptible to changing market conditions in North America.

In addition, we may incur significant costs in connection with evaluating and pursuing other strategic opportunities, regardless of whether any transaction is completed. We may not fully realize the potential benefits of any strategic alternatives or transactions that we pursue.

We may not realize the expected revenue and cost synergies related to our acquisitions.

The success of our acquisitions will depend, in part, on our ability to realize all or some of the anticipated benefits from integrating with our existing businesses. The integration process may be complex, costly, time-consuming and subject to significant business, economic and competitive uncertainties and contingencies, many of which are difficult to predict and are beyond our control. The difficulties of integrating the operations and realizing revenue and cost synergies include, among others:

- failure to implement our business plan for the combined business;
- unanticipated issues in integrating manufacturing, logistics, information, communications and other systems;
- possible inconsistencies in standards, controls, procedures and policies, and compensation structures between acquired structures and our structure;
- failure to retain key customers and suppliers;
- unanticipated changes in applicable laws and regulations;
- failure to retain key employees;
- additional exposure to risks of new markets and geographies;
- inherent operating risks; and
- other unanticipated issues, expenses and liabilities.

We may not be able to maintain the levels of revenue, earnings or operating efficiency that each of the Company, on the one hand, and the acquired businesses, on the other hand, had achieved or might achieve separately. Even if we realize the expected benefits, this may not be achieved within the anticipated time frame. Furthermore, the synergies from acquisitions may be offset by costs incurred in consummating such acquisitions or in integrating the acquired businesses, increases in other expenses, operating losses or unrelated adverse results in the business. As a result, there can be no assurance that such synergies will be achieved.

In addition, actual results may differ from pro forma financial information of the combined companies due to changes in the fair value of assets acquired and liabilities assumed, changes in assumptions used to form estimates, differences in accounting policies between the companies, and completion of purchase accounting.

Changes in future business conditions could cause business investments and/or recorded goodwill, indefinite life intangible assets or other intangible assets to become impaired, resulting in substantial losses and write-downs that would negatively affect our results of operations.

As part of our overall strategy, we will, from time to time, make investments in other businesses. These investments are made upon targeted analysis and due diligence procedures designed to achieve a desired return or strategic objective. These procedures often involve certain assumptions and judgment in determining investment amount or acquisition price. After consummation of an acquisition or investment, unforeseen issues could arise that adversely affect anticipated returns or that are otherwise not recoverable as an adjustment to the purchase price. Even after careful integration efforts, actual operating results may vary significantly from initial estimates. We evaluate the recoverability of recorded goodwill and indefinite life intangible asset amounts annually, or when evidence of potential impairment exists. The impairment test is based on several factors requiring judgment and certain underlying assumptions. Goodwill accounted for approximately \$1,004.6 million of our recorded total assets as of December 30, 2023. Our other intangible assets with indefinite lives as of December 30, 2023 relate primarily to the trademarks acquired in our historical acquisitions. These assets have an aggregate net book value of \$381.2 million, and are more fully described in Note 1 to the Consolidated Financial Statements.

As of December 30, 2023, our intangible assets subject to amortization, net of accumulated amortization for continuing operations were \$333.0 million, which consisted principally of \$310.7 million of customer relationships that arose from acquisitions, \$13.8 million of software, and \$5.9 million of patents. Customer relationships are typically amortized over the period for which we expect to receive the economic benefits. The customer relationships acquired in connection with our historical acquisitions are amortized over the expected remaining useful life of those relationships on a basis that reflects the pattern of realization of the estimated undiscounted after-tax cash flows. We review the estimated useful life of these intangible assets annually, taking into consideration the specific net cash flows related to the intangible asset, unless a review is required more frequently due to a triggering event such as the loss of a significant customer. The permanent loss of, or significant decline in sales to customers included in the intangible asset would result in either an impairment in the value of the intangible asset or an accelerated amortization of any remaining value and could lead to an impairment of the fixed assets that were used to service that customer. Principally, a decrease in expected reporting segment cash flows, changes in market conditions, loss of key customers and a change in our imputed cost of capital may indicate potential impairment of recorded goodwill, trademarks or trade names. For additional information on accounting policies we have in place for goodwill and indefinite life intangible asset impairment, see our discussion under “Critical Accounting Policies” in “Item 7. Management’s Discussion and Analysis of Financial Condition and Results of Operations” of this Annual Report on Form 10-K and Note 1 to the Consolidated Financial Statements.

Financial, Credit and Liquidity Risks

We have a significant amount of outstanding indebtedness, which could adversely affect our financial health, and future cash flows may not be sufficient to meet our obligations.

As of December 30, 2023, our total indebtedness was \$1.3 billion. Our present indebtedness and any future borrowings could have important adverse consequences to us and our investors, including:

- requiring a substantial portion of our cash flow from operations to make interest payments on this indebtedness;
- making it more difficult to satisfy debt service and other obligations;
- increasing the risk of a future credit ratings downgrade of our indebtedness, which would increase future debt costs;
- increasing our vulnerability to general adverse economic and industry conditions;
- reducing the cash flow available or limiting our ability to borrow additional funds to pay dividends, to fund capital expenditures and other corporate purposes and to grow our business;
- limiting our flexibility in planning for, or reacting to, changes in our business and the industry; and

- placing us at a competitive disadvantage to our competitors that may not be as highly leveraged as we are.

Our levels of indebtedness are driven, in part, by our strategy of growth by acquisitions. There can be no assurance that we will be successful in obtaining any future debt financing on favorable terms or at all and to the extent we become more leveraged, we face an increased likelihood that one or more of the risks described above would materialize. In addition, our actual cash requirements in the future may be greater than expected. We cannot assure you that our business will generate sufficient cash flow from operations, or that future borrowings will be available to us in amounts sufficient to enable us to pay our indebtedness or to fund our other liquidity needs.

If we fail to generate sufficient cash flow from future operations to meet our debt service obligations, we may need to refinance all or a portion of our indebtedness on or before maturity. We cannot assure you that we will be able to refinance any of our indebtedness on attractive terms, commercially reasonable terms or at all. If we cannot service or refinance our indebtedness, we may have to take actions such as selling assets, seeking additional equity or reducing or delaying capital expenditures, strategic acquisitions, investments and alliances, any of which could impede the implementation of our business strategy, prevent us from entering into transactions that would otherwise benefit our business and/or have a material adverse effect on our financial condition and results of operations. Our future operating performance and our ability to service or refinance our indebtedness will be subject to future economic conditions and to financial, business and other factors, many of which are beyond our control.

Our Revolving Credit Facility and the indentures governing our outstanding notes each contain various covenants limiting the discretion of our management in operating our business, which could prevent us from capitalizing on business opportunities and taking some corporate actions.

Our Revolving Credit Facility and the indentures governing our outstanding notes each impose significant operating and financial restrictions on us. These restrictions will limit or restrict, among other things, our ability and the ability of our restricted subsidiaries to:

- incur additional indebtedness;
- make restricted payments (including paying dividends on, redeeming, repurchasing or retiring our capital stock);
- make investments;
- create liens;
- sell assets;
- enter into agreements restricting our subsidiaries' ability to pay dividends, make loans or transfer assets to us;
- engage in transactions with affiliates; and
- consolidate, merge or sell all or substantially all of our assets.

These covenants are subject to important exceptions and qualifications. In addition, our Revolving Credit Facility also requires us, under certain circumstances, to maintain compliance with certain financial covenants as described in the "Covenant Compliance" section in "Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations". Our ability to comply with these covenants may be affected by events beyond our control, including those described in this "Risk Factors" section. A breach of any of the covenants contained in our Revolving Credit Facility, or the indentures governing our outstanding notes could result in an event of default under one or more of the documents governing such obligations, which would allow the lenders under our Revolving Credit Facility to declare all borrowings outstanding, or in the case of the note holders of our outstanding notes, all principal amounts outstanding on such notes, to be due and payable. Any such acceleration would trigger cross-default provisions under the Revolving Credit Facility, and the indentures governing our outstanding notes and, potentially, our other indebtedness. In the event of an acceleration of payment obligations, we would likely be unable to pay our outstanding indebtedness with our cash and cash equivalents then on hand. We would, therefore, be required to seek alternative sources of funding, which may not be available on commercially reasonable terms, terms as favorable as our current agreements or at all. If we are unable to refinance our indebtedness or find alternative means of financing our operations, we may be required to curtail our operations, face bankruptcy, or take other actions that are inconsistent with our current business practices or strategy. For additional information about our Revolving Credit Facility, see our discussion under "Liquidity and Capital Resources" in "Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations" of this Annual Report on Form 10-K and Note 16 to the Consolidated Financial Statements.

A portion of our debt may be variable rate debt, and changes in interest rates could adversely affect us by causing us to incur higher interest costs with respect to such variable rate debt.

Our Revolving Credit Facility subjects us to interest rate risk. The rate at which we pay interest on amounts borrowed under such facility fluctuates with changes in interest rates and our debt leverage. Accordingly, with respect to any amounts from time to time outstanding under our Revolving Credit Facility, we are and will be exposed to changes in interest rates. In 2022 and 2023, interest rates have risen significantly in efforts to mitigate ongoing inflation, which has increased our debt service costs over prior periods. If we are unable to adequately manage our debt structure in response to changes in the market, our interest expense could increase, which would negatively affect our financial condition and results of operations. As of December 30, 2023, there were no outstanding borrowings under the Revolving Credit Facility.

Risks Related to Our Human Capital

Our success depends in part upon our ability to recruit, retain and prepare succession plans for our CEO, CFO, senior management and key employees.

The performance of our Chief Executive Officer (“CEO”), Chief Financial Officer (“CFO”), senior management and other key employees is critical to our success. In January 2024, we appointed Robbert Rietbroek as our new CEO after the planned retirement of Tom Harrington, which was announced in May 2023. We plan to continue to invest time and resources in developing our senior management and key employee teams. Our long-term success will depend on our ability to recruit and retain capable senior management and other key employees, and any failure to do so could have a material adverse effect on our future operating results and financial condition. Further, if we fail to adequately plan for the succession of our CEO, CFO, senior management and other key employees, our results of operations could be negatively affected.

Our business could be adversely affected by increased labor costs.

Increased labor costs, due to factors such as competition for workers, labor shortages, labor market pressures, increased minimum wage requirements, paid sick leave or vacation accrual mandates, or other legal or regulatory changes, may adversely impact our operating costs. In addition, competition for all qualified personnel is increasingly intense and there can be no assurance that we will be successful in hiring, training, and retaining personnel in the future. The extent and duration of the impact of labor market challenges are subject to numerous factors, availability of qualified personnel and competition from within our industry.

We may not be able to renew collective bargaining agreements on satisfactory terms, or we could experience strikes.

Some of our employees are covered by collective bargaining agreements expiring on various dates. We may not be able to renew our collective bargaining agreements on satisfactory terms or at all. This could result in strikes or work stoppages, which could impair our ability to manufacture and distribute our products and result in a substantial loss of sales. The terms of existing or renewed agreements could also significantly increase our costs or negatively affect our ability to increase operational efficiency.

Risks Related to Our Information Technology, Cybersecurity and Data Protection

An interruption or cybersecurity breach, disruption or misuse of our information systems, or the information systems of our third-party service providers, could have a material adverse effect on our business.

We depend on highly complex key information systems to accurately and efficiently transact our business, provide information to management and prepare financial reports. We rely on third-party providers for various networking, application hosting and related business process services which support our key information systems. Maintaining and upgrading such systems is increasingly costly, and issues with performance by these third parties may disrupt our operations and as a result, our operating expenses could increase, which could negatively affect our results of operations.

In addition, these systems and services are vulnerable to interruptions or other failures resulting from, among other things, natural disasters, war, terrorism or other hostile acts, software, equipment or telecommunications failures, processing errors or supplier defaults. Moreover, the nature of these digital systems makes them potentially vulnerable to cybersecurity attacks, such as computer viruses, ransomware, phishing, hackers, or other security issues. In addition, the rapid evolution and increased adoption of new technologies, such as artificial intelligence, may intensify our cybersecurity risks.

Cybersecurity attacks have become increasingly common and we have experienced immaterial business disruption, monetary loss and data loss as a result of phishing, business email compromise and other types of attacks. Such events may be difficult to detect, and once detected, their impact may be difficult to assess and address. Additionally, security, backup and disaster recovery measures may not be adequate or implemented properly to avoid such disruptions or failures. Any disruption or failure of these systems or services could cause substantial errors, data loss, processing inefficiencies, security breaches, inability to use the systems or process transactions, loss of customers or other business disruptions, any of which could negatively affect our business and results of operations, subject us to penalties or result in reputational harm.

If we are unable to securely maintain our customers' confidential or credit card information, or other private data relating to our employees or our Company, we could be subject to negative publicity, costly government enforcement actions or private litigation, which could damage our business reputation and negatively affect our results of operations.

The protection of our customer, employee and Company data is critical to us. We have procedures and technology in place to safeguard our customers' debit card, credit card and other personal information, our employees' private data and Company records and intellectual property. However, if we experience a data security breach of any kind, we could be exposed to negative publicity, government enforcement actions, private litigation or costly response measures. In addition, our reputation within the business community and with our customers may be affected, which could result in our customers discontinuing their purchases of our products and services or their use of the debit or credit card payment option. Any loss of our ability to securely offer our customers a credit card payment option would make our products less attractive to many small organizations by negatively affecting our customer experience and significantly increasing our administrative costs related to customer payment processing. This could cause us to lose customers and could have a negative effect on our results of operations. While we maintain insurance coverage that is intended to address certain aspects of data security risks, the coverage may be insufficient to cover all losses or all types of claims that may arise.

In addition, the regulatory environment surrounding information security and privacy is increasingly demanding, with frequent imposition of new and changing requirements. For example, the European Union's General Data Protection Regulation, which became effective in 2018, and the California Consumer Privacy Act, which became effective in 2020, impose significant new requirements on how we collect, process and transfer personal data, as well as significant fines for non-compliance. Compliance with changes in privacy and information security laws and standards may result in significant expense due to increased investment in technology and the development of new operational processes.

Legal, Regulatory and Tax Risks

Our products may not meet health and safety standards or could become contaminated and we could be liable for injury, illness or death caused by consumption of our products.

We have adopted various quality, environmental, health and safety standards. However, our products may still not meet these standards or could otherwise become contaminated. A failure to meet these standards or contamination could occur in our operations or those of our bottlers, distributors or suppliers. This could result in expensive production interruptions, recalls and liability claims. We may be liable to our customers if the consumption of any of our products causes injury, illness or death. Moreover, negative publicity could be generated from false, unfounded or nominal liability claims or limited recalls. Any of these failures or occurrences could negatively affect our business, results of operations or cash flows.

Litigation or legal proceedings could expose us to significant liabilities and damage our reputation.

We are party to various litigation claims and legal proceedings. We evaluate these claims and proceedings to assess the likelihood of unfavorable outcomes, and, if possible, estimate the amount of potential losses. If our products are not safely and/or properly manufactured or designed, personal injuries or property damage could result, which could subject us to claims for damages. The costs associated with defending product liability and other claims, and the payment of damages, could be substantial. Our reputation could also be adversely affected by such claims, whether or not successful.

We may establish a reserve as appropriate based upon assessments and estimates in accordance with our accounting policies, and we have also asserted insurance claims where appropriate. We base our assessments, estimates and disclosures on the information available to us at the time and rely on legal and management judgment. Actual outcomes or losses or any recoveries we may receive from insurance may differ materially from assessments and estimates. Actual settlements, judgments or resolutions of these claims or proceedings may negatively affect our business and financial performance. A successful claim against us that is not covered by insurance or is in excess of our available insurance limits could require us to make significant payments of damages and could negatively affect our business, financial condition and results of operations. For more information, see "Item 3. Legal Proceedings."

Changes in the legal and regulatory environment in the jurisdictions in which we operate could negatively affect our results of operations, adversely affect demand for our products and services or result in litigation.

As a producer and distributor of foods and beverages, we must comply with various federal, state, provincial, local and foreign laws and regulations relating to production, packaging, quality, labeling and distribution. The Food and Drug Administration ("FDA") regulates bottled water as a food. Our bottled water must meet FDA requirements of safety for human consumption, labeling, processing, security and distribution under sanitary conditions and production in accordance with FDA "Current Good Manufacturing Practices." We import certain of manufacturing equipment, and we must comply with import laws and regulations. We are also subject to various federal, state, provincial, local and foreign environmental laws and workplace regulations. These laws and regulations may change as a result of political, economic, or social events. Such regulatory changes may include changes in food and drug laws, laws related to advertising, accounting standards, taxation requirements, competition laws and environmental laws, including laws relating to the regulation of water rights and treatment.

Changes in laws, regulations or government policy and related interpretations may alter the environment in which we do business, which may negatively affect our results of operations or increase our costs or liabilities.

Food/Beverage Production

A number of states have passed laws setting forth warning or labeling requirements relating to products made for human consumption. For example, the California law known as Proposition 65 requires that a specific warning statement appear on any product sold in California containing a substance listed by that state as having been found to cause cancer or reproductive toxicity. This law, and others like it, exposes all food and beverage producers to the possibility of having to provide warnings on their products. The detection of even a trace amount of a listed substance can subject an affected product to the requirement of a warning label, although products containing listed substances that occur naturally or that are contributed to such products solely by a municipal water supply are generally exempt from the warning requirement. From time to time over the past several years, certain of our customers have received notices alleging that the labeling requirements of the relevant state regulation would apply to products manufactured by us and sold by them. There can be no assurance that we will not be adversely affected by actions against our customers or us relating to Proposition 65 or similar “failure to warn” laws. Were any such claim to be pursued or succeed, we might in some cases be required to indemnify our customers for damages and provide warnings on our products in order for them to be sold in certain states. Any negative media attention, adverse publicity or action arising from allegations of violations could adversely affect consumer perceptions of our products and harm our business.

Energy/Conservation Initiatives

The EPA has oversight over the Energy Star certification program for appliances, including bottled water dispensers, intended to lower energy consumption. While we are working closely with our water cooler manufacturers to ensure we have continued access to Energy Star certified bottled water dispensers, there can be no assurances that we will continue to have such access. Our inability to utilize compliant dispensers could negatively affect our business, financial condition, reputation and results of operations.

Recent initiatives have taken place in several markets in which we operate regarding bottled water. Regulations have been proposed in some jurisdictions that would ban the use of public funds to purchase bottled water, enact local taxes on bottled water and water extraction and restrict the withdrawal of water from public and private sources. We believe that the adverse publicity associated with these initiatives is generally aimed at the retail, small bottle segment of the industry that is a minimal part of our business, and that our customers can readily distinguish our products from the retail bottles that are currently the basis for concern in some areas. Our customers typically buy their water in reusable multi-gallon water bottles that are placed on coolers and reused many times. While we believe that to date we have not directly experienced any adverse effects from these concerns, and that our products are sufficiently different from those under scrutiny, there is no assurance that adverse publicity about any element of the bottled water industry will not affect public behavior by discouraging consumers from buying bottled water products generally. In that case, our sales and other financial results could be adversely affected.

The increasing concern over climate change also may result in more regional, federal and/or global legal and regulatory requirements to reduce or mitigate the effects of greenhouse gases. In the event that such regulation is more aggressive than the sustainability measures that we are currently undertaking to monitor our emissions and improve our energy efficiency, we may experience significant increases in our costs of operation and delivery. In particular, increasing regulation of fuel emissions could substantially increase the cost of energy, including fuel, required to operate our facilities or transport and distribute our products, thereby substantially increasing the distribution and supply chain costs associated with our products. As a result, climate change could negatively affect our business and results of operations.

Packaging Ingredients

The manufacture and use of resins and Bisphenol A (“BPA”) used to make our 3G and 5G water bottles are subject to regulation by the FDA. These regulations relate to substances used in food packaging materials. BPA is contained in substantially all of our 3G and 5G returnable polycarbonate plastic bottles. Negative media attention regarding BPA has generated concern in the bottled water market. Regulatory agencies in several jurisdictions worldwide, including the FDA, have found these materials to be safe for food contact at current levels, but a significant change in regulatory rulings or state or local laws concerning BPA could have an adverse effect on our business. Extensive negative public perception regarding food packaging that uses BPA or other types of plastics, or the presence of nanoplastics in water generally, could cause consumers to stop purchasing our products manufactured in polycarbonate bottles. Further, the emergence of new scientific evidence or reports that suggests our polycarbonate water bottles are unsafe, or interpretations of existing evidence by regulatory agencies that lead to prohibitions on the use of polycarbonate plastic as packaging for food contact materials, could cause a serious disruption in our ability to package our bottled water products. If polycarbonate plastic becomes a banned substance, we may not be able to adopt alternative packaging, and conduct extensive and costly safety testing, in time to prevent adverse effects to our business, financial condition and results of operations. Further, if our competitors successfully integrate BPA-free packaging into their business and BPA is subsequently deemed undesirable or unsafe, our competitors may have a significant competitive advantage over us.

Hazardous Materials

We engage in or have in the past engaged in the handling, storage or use of hazardous substances, including for the maintenance and fueling of our vehicle fleet. We are also required to obtain environmental permits from governmental authorities for certain operations. We cannot assure you that we have been or will be at all times in complete compliance with such laws, regulations and permits. If we violate or fail to comply with these laws, regulations or permits, we could be fined or otherwise sanctioned by regulators. We could also be held liable for any consequences arising out of human exposure to hazardous substances or other environmental damage.

Certain environmental laws impose liability on current or previous owners or operators of real property for the cost of removal or remediation of hazardous substances. These laws often impose liability even if the owner or operator did not know of, or was not responsible for, the release of such hazardous substances and also impose liability on persons who arrange for hazardous substances to be sent to disposal or treatment facilities. In addition to actions brought by governmental agencies, private plaintiffs may also bring personal injury claims arising from the presence of hazardous substances on a property. From time to time, we have also been named a potentially responsible party at third-party waste disposal sites. There can be no assurances that we will not be required to make material expenditures in the future for these or other contamination-related concerns or that other responsible parties will conduct any required cleanup. Environmental laws and regulations are complex, change frequently and tend to become more stringent over time. The costs of complying with current and future environmental laws and regulations and our liabilities arising from past or future releases of, or exposure to, hazardous substances may negatively affect our business, financial condition or results of operations.

International Trade Regulations

Currently, a large portion of our dispensers are assembled by independent manufacturers in, and imported from, China. These import operations are subject to international trade regulations, including import charges and other agreements among the United States and its trading partners, including China.

The previous U.S. presidential administration made significant changes to U.S. trade policy, including new or increased tariffs on a broad range of goods imported into the United States, particularly from China. Further, these changes in U.S. trade policy have triggered retaliatory protectionist actions by affected countries. Given the uncertainty regarding the scope and duration of these trade actions by the United States and other countries, as well as the potential for additional trade actions, the impact on our operations and results remains uncertain and could be significant. To the extent that our supply chain, costs, sales or profitability are negatively affected by the existing tariffs or any other trade actions (including duties, import charges or other similar restrictions or other reductions in trade), our business, financial condition and results of operations may be materially adversely affected.

We are subject to risks associated with our international operations, including compliance with applicable U.S. and foreign anti-corruption laws and regulations, such as the U.S. Foreign Corrupt Practices Act, the U.K. Bribery Act of 2010 and other applicable anti-corruption laws, which may increase the cost of doing business in international jurisdictions.

We currently operate internationally across North America, the United Kingdom, Portugal and Israel. As a result, our business is exposed to risks inherent in foreign operations. If we fail to adequately address the challenges and risks associated with our international operations and acquisition strategy, we may encounter difficulties in our international operations and implementing our strategy, which could impede our growth or harm our operating results. These risks, which can vary substantially by jurisdiction, include the difficulties associated with managing an organization with operations in multiple countries, compliance with differing laws and regulations (including the U.S. Foreign Corrupt Practices Act, the U.K. Bribery Act of 2010 and local laws prohibiting payments to government officials and other corrupt practices, tax laws, regulations and rates), enforcing agreements and collecting receivables through foreign legal systems. Although we have implemented policies and procedures designed to ensure compliance with these laws, there can be no assurance that our employees, contractors and agents will not take actions in violation of our policies, particularly as we expand our operations through organic growth and acquisitions. Any such violations could subject us to civil or criminal penalties, including material fines or prohibitions on our ability to offer our products in one or more countries, and could also materially damage our reputation, brand, international expansion efforts, business and operating results. Additional risks include the potential for restrictive actions by foreign governments, changes in economic conditions in each market, foreign customers who may have longer payment cycles than customers in the United States, the impact of economic, political and social instability of those countries in which we operate and acts of nature, such as typhoons, tsunamis, or earthquakes. The overall volatility of the economic environment has increased the risk of disruption and losses resulting from hyper-inflation, currency devaluation and tax or regulatory changes in certain countries in which we have operations.

We are subject to the risk of increased taxes.

We base our tax positions upon our understanding of the tax laws of the various countries in which we have assets or conduct business activities. However, our tax positions are subject to review and possible challenge by taxing authorities. This includes adverse changes to the manner in which Canada and other countries tax multinational companies and interpret or change their tax laws. We cannot determine in advance the extent to which some jurisdictions may assess additional tax or interest and penalties on such taxes. In addition, our effective tax rate may be increased by changes in the valuation of deferred tax assets and liabilities, changes in our cash management strategies, changes in local tax rates or countries adopting more aggressive interpretations of tax laws.

Our income tax expense includes tax benefits resulting from several reorganizations of our legal entity structure and refinancing of intercompany debt during the last three years. However, since the calculation of our tax liabilities involves dealing with uncertainties in the application of complex and changing tax laws and regulations in a multitude of jurisdictions across our operations, our effective tax rate may ultimately be different than the amount we are currently reporting. In addition, several jurisdictions in which we operate have tax laws with detailed transfer pricing rules which require that all transactions with nonresident related parties be priced using arm's length pricing principles, and that contemporaneous documentation must exist to support such pricing. There is a risk that the taxing authorities may not deem our transfer pricing documentation acceptable. The Organization for Economic Cooperation and Development released guidance related to Base Erosion and Profit Shifting which may also result in legislative changes that could impact our effective tax rate.

On August 16, 2022, the U.S. enacted the Inflation Reduction Act ("IRA"), which introduces among other items, an excise tax that would impose a 1% surcharge on stock repurchases by covered corporations beginning in 2023. We could be subject to this new excise tax depending on the manner in which the stock repurchase is funded.

Risks Related to Our Common Shares

We may not continue our quarterly dividend and shareowners may never obtain a return on their investment.

We have paid quarterly cash dividends since 2012. Most recently, our Board of Directors declared a dividend of \$0.09 per common share to be paid in cash on March 25, 2024 to shareowners of record at the close of business on March 8, 2024. However, there can be no assurance that we will continue to declare quarterly dividends in the future. The declaration and payment of future dividends on our common shares is subject to, among other things, the best interests of our shareowners, our results of operations, cash balances and future cash requirements, financial condition, statutory regulations and covenants and other restrictions on payment set forth in the instruments governing our indebtedness in effect from time to time. Accordingly, shareowners must rely on sales of their common shares after price appreciation, which may never occur, as the only way to realize any return on their investment.

General Risk Factors

We also face other risks that could adversely affect our business, results of operations or financial condition, which include:

- any requirement to restate financial results in the event of inappropriate application of accounting principles or otherwise;
- any event that could damage our reputation;
- failure to properly manage credit risk from customers;
- failure of our processes to prevent and detect unethical conduct of employees;
- any significant failure of internal controls over financial reporting;
- failure of our prevention and control systems related to employee compliance with internal policies and regulatory requirements;
- failure of corporate governance policies and procedures; and
- credit ratings changes.

ITEM 1B.

UNRESOLVED STAFF COMMENTS

None.

ITEM 1C. CYBERSECURITY

Cybersecurity Risk Management, Strategy and Governance

The Company maintains a robust cybersecurity infrastructure to safeguard our operations, networks and data through comprehensive security measures including our technology tools, internal management and external service providers.

The Company's Global Chief Information Security Officer ("CISO") is responsible for assessing, identifying, and managing the risks from cybersecurity threats. This individual has over 30 years of experience in information security positions. Our CISO holds the Certified Information Security Manager and Certified Information Systems Security Professional certifications from ISACA and ISC2, respectively, two leading independent cybersecurity associations.

Our Board of Directors, primarily through the Audit Committee, oversees management's approach to managing cybersecurity risks. The Audit Committee holds periodic discussions with management regarding the Company's guidelines and policies with respect to cybersecurity risks and receives regular reports regarding such risks and the steps management has taken to monitor and control any exposure resulting from such risks. Our CISO also leads an annual review and discussion with the full Board of Directors dedicated to Primo's cyber risks, threats, and protections and provides updates throughout the year, as warranted.

We have processes and a risk-based approach that align with the National Institute of Standards and Technology Cybersecurity Framework. Our information security program includes, among other aspects, vulnerability management, antivirus and malware protection, encryption and access control, and employee training. The CISO reviews emerging threats, controls, and procedures as part of assessing, identifying, and managing risks. This review aids in the identification of material breaches at other companies, including our third-party service providers. The CISO also discusses trends in cyber risks and our strategy to defend our information against cybersecurity incidents with our Audit Committee and executive leadership team on a regular basis, in addition to the annual review and discussion with the full board.

In addition to our dedicated information security and technology teams monitoring our daily operations, we engage independent third-party cybersecurity providers for managed systems security, endpoint detection and response, and threat and vulnerability management. Regular communication with these providers aids in the identification and remediation of potential threats, and we regularly review our relationships with and services from these providers against industry standards and evolving cybersecurity threats.

We also endeavor to apprise employees of emerging risks and require them to undergo annual security awareness trainings and supplemental trainings as needed. All employees undergo annual training and there are additional trainings for certain roles and functions. Additionally, we conduct periodic internal exercises to gauge the effectiveness of the trainings and assess the need for additional training.

Material cybersecurity incidents are required to be reported to the Board of Directors and to the SEC on Form 8-K. Our systems and services are vulnerable to interruptions or other failures resulting from cybersecurity attacks, such as computer viruses, ransomware, phishing, hackers, or other security issues. In addition, the rapid evolution and increased adoption of new technologies, such as artificial intelligence, may intensify our cybersecurity risks. An interruption or cybersecurity breach, disruption or misuse of our information systems, or the information systems of our third-party service providers, could have a material negative effect on our business, financial condition and results of operations but we have processes in place to mitigate these risks. As of the date of this report, we have not experienced material business disruption, monetary loss, and/or data loss as a result of phishing, business email compromise or other types of attacks.

ITEM 2. PROPERTIES

Our business is supported by our extensive manufacturing and distribution network. Our manufacturing footprint encompasses 38 strategically located manufacturing and production facilities and 186 branch distribution and warehouse facilities. Our facilities are used to support our operations and are suitable and adequate to carry out our business at expected capacity for the foreseeable future. The facilities and square footage amounts noted below do not include vacant or underutilized properties.

The following table is a summary of our properties by segment as of December 30, 2023 and excludes properties classified as discontinued operations:

(square feet in millions)	North America		Other ²		Total	
	Count	Sq Ft.	Count	Sq Ft.	Count	Sq Ft.
Manufacturing and Production						
Owned	11	0.8	—	—	11	0.8
Leased ¹	27	1.4	—	—	27	1.4
	38	2.2	—	—	38	2.2
Branch Distribution and Warehouses						
Owned	42	0.7	—	—	42	0.7
Leased ¹	144	2.1	—	—	144	2.1
	186	2.8	—	—	186	2.8
Office Space						
Owned	—	—	—	—	—	—
Leased ¹	3	0.1	2	0.1	5	0.2
	3	0.1	2	0.1	5	0.2
Total	227	5.1	2	0.1	229	5.2

¹ Lease terms for non-owned properties expire between 2024 and 2040.

² Properties in our Other category include our Corporate headquarters.

ITEM 3. LEGAL PROCEEDINGS

We are subject to various claims and legal proceedings with respect to matters such as governmental regulations, income taxes, and other actions arising out of the normal course of business. Management believes that the resolution of these matters will not have a material adverse effect on our financial position or results of operations.

Pursuant to SEC rules, we will disclose any proceeding in which a government authority is a party and that arises under any federal, state or local provisions enacted or adopted regulating the discharge of materials into the environment or primarily for the purpose of protecting the environment only where we believe that such proceedings, individually or in the aggregate, will result in monetary sanctions on us, exclusive of interest and costs, above \$500,000 or is otherwise material to our financial position, results of operations, or cash flows.

ITEM 4. MINE SAFETY DISCLOSURES

Not applicable.

SUPPLEMENTAL ITEM PART I. INFORMATION ABOUT OUR EXECUTIVE OFFICERS

The following is a list of names, ages, offices and backgrounds of all of our executive officers as of February 28, 2024. Our officers do not serve for a set term.

	Office	Age
Robbert Rietbroek	Chief Executive Officer	50
David Hass	Chief Financial Officer	45
Marni Morgan Poe	Chief Legal Officer and Secretary	54
William "Jamie" Jamieson	Global Chief Information Officer	51
Mercedes Romero	Chief Procurement Officer	57
Anne Melaragni	Chief Human Resources Officer	48
Jason Ausher	Chief Accounting Officer	50

- Robbert Rietbroek was appointed as our Chief Executive Officer and as a director on our Board of Directors effective as of the beginning of 2024. Mr. Rietbroek is a seasoned executive bringing more than 25 years of experience at Fortune 500 companies to Primo Water, including five years as Senior Vice President and General Manager responsible for Quaker Foods North America (QFNA), a reported sector of PepsiCo. Prior to his role at Quaker, Mr. Rietbroek was a Senior Vice President and General Manager PepsiCo Australia and New Zealand. Before his tenure at PepsiCo, Mr. Rietbroek served as Vice President and General Manager Australia, New Zealand, Pacific Islands and Vice President and Global Sector Leader Baby and Child Care at Kimberly-Clark. Mr. Rietbroek also spent nearly 16 years at Procter & Gamble in a variety of management and marketing roles in North America, Latin America, Europe, Middle East, and Africa. Mr. Rietbroek has worked across multiple consumer goods categories and has been recognized for exceptional brand building and innovation, achieving several awards and recognitions.
- David Hass was appointed Chief Financial Officer in January 2023. Prior to his appointment, Mr. Hass served as Chief Strategy Officer for the Company since 2020. From 2011 to 2020, Mr. Hass served in various roles with legacy Primo, including Chief Strategy Officer, Vice President of Strategy, Vice President of Financial Planning & Analysis (FP&A), as well as General Manager of the Canadian Business Unit and the Water Direct Business Unit. From 2007 to 2011, Mr. Hass served as Vice President of Consumer Investment Banking at Stifel (formerly Thomas Weisel Partners). Prior to that, Mr. Hass served as an Associate in the Client Financial Management practice at Accenture.
- Marni Morgan Poe has served as our Chief Legal Officer and Secretary since 2010. Prior to her appointment, Ms. Poe served as our Corporate Counsel from 2008 to 2010. Prior to joining us, Ms. Poe was a partner at the law firm of Holland & Knight LLP from 2000 to 2006 and an associate of the law firm from 1995 to 2000.
- William "Jamie" Jamieson was appointed Global Chief Information Officer in April 2019. Prior to joining us, Mr. Jamieson served as Senior Vice President and Chief Information Officer for GNC from 2015 to 2019, overseeing enterprise technology teams and platforms. From 2000 to 2015, he held various senior roles leading information technology service delivery for Charming Charlie and Chico's FAS, Inc., both fashion retailers.
- Mercedes Romero was appointed Chief Procurement Officer in August 2020. Prior to joining us, Ms. Romero served as Vice President Sourcing and Supply Management from 2019 to 2020 for Ryder System Inc., overseeing global spend and supply planning teams. From 2017 to 2019, Ms. Romero served as Chief Procurement Officer/VP Procurement Americas with the Campari Group. From 1995 to 2017, Ms. Romero held various senior roles leading procurement and supply chain transformations for TEVA Pharma, Diageo, Starbucks, Clorox and Procter & Gamble. Ms. Romero currently serves on the board of directors of John B. Sanfilippo & Son, Inc., a publicly traded snack food manufacturer, and MarineMax Inc., a publicly traded recreational boat and yacht retailer.
- Anne Melaragni was appointed Chief Human Resources Officer in May 2021. Ms. Melaragni joined Primo in September 2020 as Senior Vice President – Human Resources, North America. Prior to joining us, from November 2019 to August 2020, she served as Chief People Officer for CARE, a global non-profit based in Atlanta, where she oversaw Human Resources ("HR") strategy and execution, the associate experience and global total rewards. Previously, from July 2019 to October 2019, Ms. Melaragni was responsible for driving HR strategy and organizational transformation as the Head of Human Resources at Norfolk Southern. Over the previous 16 years, from 2003 to 2019, Ms. Melaragni held various positions with United Parcel Service, including Global Head of Total Rewards, Vice President – HR, Organizational Transformation and Vice President – HR, International & Emerging Markets. Prior to UPS, Ms. Melaragni led the HR team at Sitestuff.com, a real estate procurement start-up in Austin, Texas.

- Jason Ausher was appointed Chief Accounting Officer in May 2015. Prior to his appointment, from 2011 to 2015, Mr. Ausher served as our VP Treasurer, Corporate Development. From 2010 to 2011, Mr. Ausher served as our Corporate Controller, and from 2008 to 2010, he held the position of Controller for our U.S. Business Unit. From 2003 to 2008, Mr. Ausher held numerous positions with Walter Industries, Inc. and Mueller Water Products Inc. (a water infrastructure business and spin-off of Walter Industries, Inc.), including the position of Vice President of Finance. Prior to this, from 1996 to 2002, Mr. Ausher was with PricewaterhouseCoopers LLP.

PART II

ITEM 5. MARKET FOR THE REGISTRANT'S COMMON EQUITY, RELATED SHAREOWNER MATTERS AND ISSUER PURCHASES OF EQUITY SECURITIES

Our common shares are listed on the Toronto Stock Exchange ("TSX") and on the New York Stock Exchange ("NYSE") under the ticker symbol "PRMW."

As of February 21, 2024, we had 880 shareowners of record. This number was determined from records maintained by our transfer agent and does not include beneficial owners of securities whose securities are held in the names of various dealers or clearing agencies. The closing sale price of our common shares on February 21, 2024 was \$15.19 on the NYSE and C\$20.51 on the TSX.

Our Board of Directors has declared a quarterly cash dividend in each quarter during 2023 and 2022. The quarterly cash dividend in 2023 was \$0.08 per common share and aggregated to approximately \$51.8 million. The quarterly cash dividend in 2022 was \$0.07 per common share and aggregated to approximately \$45.7 million. We intend to pay a regular quarterly dividend on our common shares subject to, among other things, the best interests of our shareowners, our results of operations, cash balances and future cash requirements, financial condition, statutory regulations and covenants set forth in the Revolving Credit Facility and indentures governing our outstanding notes as well as other factors that our Board of Directors may deem relevant from time to time.

Dividends to shareowners who are non-residents of Canada will generally be subject to Canadian withholding tax. Under current Canadian tax law, dividends paid by a Canadian corporation to a non-resident shareowner are generally subject to Canadian withholding tax at a 25% rate. Under the current tax treaty between Canada and the United States, U.S. residents who are entitled to treaty benefits are generally eligible for a reduction in this withholding tax rate to 15% (and to 5% for a shareowner that is a corporation and is the beneficial owner of at least 10% of our voting stock). Accordingly, under current tax law, our U.S. resident shareowners who are entitled to treaty benefits will generally be subject to a Canadian withholding tax at a 15% rate on dividends paid by us, provided that they have complied with applicable procedural requirements to claim the benefit of the reduced rate under the tax treaty. The fifth protocol to the tax treaty between Canada and the United States places additional restrictions on the ability of U.S. residents to claim these reduced rate benefits. U.S. residents generally will be entitled on their U.S. federal income tax returns to claim a foreign tax credit, or a deduction, for Canadian withholding tax that applies to them, subject to certain applicable limitations. U.S. investors should consult their tax advisors with respect to the tax consequences and requirements applicable to them, based on their individual circumstances.

There are certain restrictions on the payment of dividends under our Revolving Credit Facility and the indentures governing our outstanding notes. The Revolving Credit Facility and the indentures governing our outstanding notes are discussed in "Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations" in this Annual Report on Form 10-K.

For information on securities authorized for issuance under our equity compensation plans, see "Item 12. Security Ownership of Certain Beneficial Owners and Management and Related Shareowner Matters" in this Annual Report on Form 10-K.

Calculation of Aggregate Market Value of Non-Affiliate Shares

For purposes of calculating the aggregate market value of common shares held by non-affiliates as shown on the cover page of this Annual Report on Form 10-K, it was assumed that all of the outstanding shares were held by non-affiliates except for outstanding shares held or controlled by our directors and executive officers. For further information concerning shareholdings of officers, directors and principal shareowners, see "Item 12. Security Ownership of Certain Beneficial Owners and Management and Related Shareowner Matters" in this Annual Report on Form 10-K.

Shareowner Return Performance Graph

The following graph shows changes over our past five fiscal years in the value of \$100, assuming reinvestment of dividends, invested in: (i) our common shares; (ii) the Russell 2000 Index; (iii) the peer group utilized in prior annual reports, which consists of publicly-traded companies in the water- and route-based service industries, comprised of: UniFirst Corporation, ADT Inc., Chemed Corporation, Terminix Global Holdings Inc. fka ServiceMaster Global Holdings, Inc. (included through the last trading day as a public company), Cintas Corporation, A.O. Smith Corporation, Franklin Electric Co., Inc., IDEX Corporation, Pentair plc, Xylem Inc., The Brink's Company, Evoqua Water Technologies Corp. (included through the last trading day as a public company), Mueller Water Products, Inc., Rollins, Inc., Zurn Elkay Water Solutions Corporation (formerly known as Rexnord Corporation), Stericycle Inc., Tetra Tech, Inc., and Watts Water Technologies Inc.; (iv) a new peer group utilized in this Annual Report on Form 10-K, which better reflects our business consisting of publicly-traded companies in the water- and route-based service industries, comprised of: Addus HomeCare Corporation, ADT Inc., A.O. Smith Corporation, Aveanna Healthcare Holdings Inc., The Brink's Company, Casella Waste Systems, Inc., Chemed Corporation, Cintas Corporation, Consolidated Communications Holdings, Inc., Frontier Communications, Inc., Health Services Group, Inc., Heritage-Crystal Clean, Inc. (included through the last trading day as a public company), Rollins, Inc., Stericycle Inc., UniFirst Corporation, and Waste Connections, Inc. The closing price of Primo's common shares as of December 29, 2023, the last trading day of 2023, was C\$19.96 on the TSX and \$15.05 on the NYSE. The following table is in US dollars.

COMPARISON OF CUMULATIVE TOTAL RETURN

ASSUMES \$100 INVESTED ON DECEMBER 29, 2018
 ASSUMES DIVIDENDS REINVESTED
 FISCAL YEAR ENDING DECEMBER 30, 2023

Company / Market / Peer Group	December 29, 2018		December 28, 2019		January 2, 2021		January 1, 2022		December 31, 2022		December 30, 2023	
Primo Water Corporation	\$	100.00	\$	100.24	\$	118.89	\$	135.54	\$	121.81	\$	120.62
Russell 2000 Index	\$	100.00	\$	126.50	\$	151.79	\$	174.28	\$	138.66	\$	162.14

Issuer Purchases of Equity Securities and Use of Proceeds

Common Share Repurchase Program

On August 9, 2023, the Board of Directors approved a share repurchase program for up to \$50.0 million of our outstanding common shares. Upon the closing of the European Divestiture on December 29, 2023, an incremental \$25.0 million share repurchase was authorized, revising the total share repurchase authorization to \$75.0 million. During the fiscal year ended December 30, 2023, we repurchased 131,409 common shares for \$1.9 million through open market transactions under this repurchase plan. There can be no assurance as to the precise number of common shares, if any, that will be repurchased under the repurchase plan in the future, or the aggregate dollar amount of common shares to be purchased in future periods. We may discontinue purchases at any time, subject to compliance with applicable regulatory requirements.

The following table summarizes the repurchase activity under the repurchase plan for the quarter ended December 30, 2023:

	Total Number of Common Shares Purchased	Average Price Paid per Common Share	Total Number of Common Shares Purchased as Part of Publicly Announced Plans or Programs	Maximum Approximate Dollar Value of Common Shares that May Yet Be Purchased Under the Plans or Programs
October 1 - October 31, 2023	—	\$ —	—	\$ 75,000,000
November 1 - November 30, 2023	31,129	\$ 14.45	31,129	\$ 74,550,062
December 1 - December 30, 2023	100,280	\$ 14.96	100,280	\$ 73,050,144
Total	131,409		131,409	

On August 9, 2022, the Board of Directors approved a share repurchase program for up to \$100.0 million of our outstanding common shares over a 12-month period that expired on August 14, 2023. During the fiscal year ended December 30, 2023, we repurchased 1,272,612 common shares for \$19.0 million through open market transactions under this repurchase plan. During the fiscal year ended December 31, 2022, we repurchased 1,753,479 common shares for \$23.8 million through open market transactions under this repurchase plan.

On May 4, 2021, the Board of Directors approved a share repurchase program for up to \$50.0 million of our outstanding common shares over a 12-month period that expired on May 10, 2022. During the fiscal year ended January 1, 2022, we repurchased 2,646,831 common shares for \$43.5 million through open market transactions under this repurchase plan, all in the fiscal year ended January 1, 2022.

Shares purchased under these repurchase plans were subsequently canceled.

Tax Withholdings

The following table contains information about shares that we withheld from delivering to employees during the quarter ended December 30, 2023 to satisfy their tax obligations related to share-based awards:

	Total Number of Common Shares Purchased	Average Price Paid per Common Share	Total Number of Common Shares Purchased as Part of Publicly Announced Plans or Programs	Maximum Approximate Dollar Value of Common Shares that May Yet Be Purchased Under the Plans or Programs
October 1 - October 31, 2023	—	\$ —	N/A	N/A
November 1 - November 30, 2023	75	\$ 14.79	N/A	N/A
December 1 - December 30, 2023	80,895	\$ 14.69	N/A	N/A
Total	80,970			

ITEM 6. [Reserved]

ITEM 7. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

Objective

The following discussion provides an analysis of the Company's financial condition, cash flows and results of operations from management's perspective and should be read in conjunction with the consolidated financial statements and notes thereto included in Part II, Item 8 of this Annual Report on Form 10-K. Our objective is to also provide discussion of events and uncertainties known to management that are reasonably likely to cause reported financial information not to be indicative of future operating results or of future financial condition and to offer information that provides understanding of our financial condition, cash flows and results of operations.

Overview

Primo is a leading North America-focused pure-play water solutions provider that operates largely under a recurring revenue model in the large format water category (defined as 3 gallons or greater). This business strategy is commonly referred to as "razor-razorblade" because the initial sale of a product creates a base of users who frequently purchase complementary consumable products. The razor in Primo's revenue model is its industry leading line-up of innovative water dispensers, which are sold through approximately 10,900 retail locations and online at various price points. The dispensers help increase household and business penetration which drives recurring purchases of Primo's razorblade offering or water solutions. Primo's razorblade offering is comprised of Water Direct, Water Exchange, and Water Refill. Through its Water Direct business, Primo delivers sustainable hydration solutions direct to customers, whether at home or to businesses. Through its Water Exchange business, customers visit retail locations and purchase a pre-filled bottle of water. Once consumed, empty bottles are exchanged at our recycling center displays, which provide a ticket that offers a discount toward the purchase of a new bottle. Water Exchange is available in approximately 17,500 retail locations. Through its Water Refill business, customers refill empty bottles at approximately 23,500 self-service refill drinking water stations. Primo also offers water filtration units across North America.

Primo's water solutions expand consumer access to purified, spring and mineral water to promote a healthier, more sustainable lifestyle while simultaneously reducing plastic waste and pollution. Primo is committed to its water stewardship standards and is proud to partner with the International Bottled Water Association in North America which ensures strict adherence to safety, quality, sanitation and regulatory standards for the benefit of consumer protection. Environmental stewardship is a part of who we are, and we have worked to progressively achieve carbon neutrality throughout our organization. Our U.S. operations achieved carbon neutral certification in 2020 under the Carbon Neutral Protocol, an international standard administered by Climate Impact Partners. In 2021, Primo announced its planned exit from the North American small-format retail water business. This business was relatively small and used predominantly single-use plastic bottles. The exit from this category reduced single-use retail water bottles from our production environment by more than 400 million, annually, while also improving overall margins. The exit was completed during the second quarter of 2022.

The markets in which we operate are subject to some seasonal variations. Our water delivery sales are generally higher during the warmer months. Our purchases of raw materials and related accounts payable fluctuate based upon the demand for our products. The seasonality of our sales volume causes our working capital needs to fluctuate throughout the year.

We conduct operations in Canada and we are subject to currency exchange risks to the extent that our costs are denominated in currencies other than those in which we earn revenues. As our financial statements are denominated in U.S. dollars, fluctuations in currency exchange rates between the U.S. dollar and the Canadian dollar have had and will continue to have an impact on our results of operations.

Ingredient and packaging costs represent a significant portion of our cost of sales. These costs are subject to global and regional commodity price trends. Our most significant commodities are polyethylene terephthalate ("PET") resin, high-density polyethylene ("HDPE") and polycarbonate bottles, caps and preforms, labels and cartons and trays. We attempt to manage our exposure to fluctuations in ingredient and packaging costs by entering into fixed price commitments for a portion of our ingredient and packaging requirements and implementing price increases as needed.

In 2023, our capital expenditures were devoted primarily to supporting growth in our business, maintaining existing facilities and making equipment upgrades.

On November 2, 2023, Primo and Osmosis Buyer Limited, a company incorporated in England and a subsidiary of the Culligan Group ("Purchaser"), entered into a Share Purchase Agreement (the "Purchase Agreement") providing for the sale of Carbon Luxembourg S.à.r.l. and certain of its subsidiaries (the "European Business"). On December 29, 2023, Primo completed the sale of the European Business for aggregate deal consideration of \$575.0 million, adjusted for customary purchase price adjustments, resulting in total cash consideration of \$565.9 million (the "European Divestiture"). The European Divestiture did not include Primo's interest in Aimia Foods Limited ("Aimia"), Decantae Mineral Water Limited ("Decantae"), Fonthill Waters Ltd ("Fonthill"), John Farrer & Company Limited ("Farrers"), the portions of the Eden Springs Netherlands B.V. business located in the United Kingdom, Israel, and Portugal (collectively the "Remaining International Businesses"). The European Business and the Remaining International Businesses are collectively the "International Businesses." This deal is the first of several transactions that will occur in 2024 as part of a Board-approved plan to sell all of our international businesses representing a strategic shift in our operations. Accordingly, the International Businesses are presented herein as discontinued operations for all periods presented. See Note 2 to the Consolidated Financial Statements for additional information on discontinued operations. Unless otherwise noted, discussion within Part I and Part II relates to continuing operations.

At the beginning of 2023, our business operated through two reporting segments: (i) North America, which included our DS Services of America, Inc. ("DSS"), Aquaterra Corporation ("Aquaterra"), Mountain Valley Spring Company ("Mountain Valley") and the businesses associated with the acquisition of Primo Water Corporation ("Legacy Primo"), and (ii) Europe, which included the European business of Eden Springs Netherlands B.V. ("Eden Europe"), and our Decantae and Fonthill businesses. The Other category included the Israel business of Eden ("Eden Israel"), and our Aimia and Farrers businesses, as well as our corporate oversight function and other miscellaneous expenses.

As a result of the Board approved plan to sell all of our International Businesses, during the fourth quarter of 2023, we reviewed and realigned our reporting segments to exclude the businesses within discontinued operations which reflects how the business will be managed and results will be evaluated by the Chief Executive Officer, who is the Company's chief operating decision maker. Following such review, our one reporting segment is North America, which includes our DSS, Aquaterra, Mountain Valley and Legacy Primo businesses. The Other category includes our corporate oversight function and other miscellaneous expenses and the results of our business in Russia prior to the exit of the business during the third quarter of 2022. Segment reporting results have been recast to reflect these changes for all periods presented.

Our fiscal year is based on either a 52- or 53-week period ending on the Saturday closest to December 31. For the fiscal years ended December 30, 2023, December 31, 2022 and January 1, 2022, we had 52 weeks of activity.

Impact of General Economic and Geopolitical Conditions

Our operations and supplier relationships expose us to risks associated with disruptions to global supply chains, labor shortages, inflation and the ongoing Russia/Ukraine and Israel/Hamas wars, all of which are likely to continue to create challenging conditions for our business, through increased costs, increased employee attrition and vacancies, lower consumer spending, volatility in financial markets or other impacts. While we have taken steps to minimize the impact of these increased costs, global supply chain disruption may deteriorate and inflationary pressures may increase, which could adversely affect our business, financial condition, results of operations and cash flows. To date, our operations in Israel have not been materially impacted by the Israel/Hamas war, though we continue to monitor the situation closely and prioritize the safety of our associates.

Divestiture and Financing Transactions

Divestitures

On November 2, 2023, Primo and Osmosis Buyer Limited, a company incorporated in England and a subsidiary of the Culligan Group, entered into a Share Purchase Agreement providing for the sale of the European Business. As described above, the European Divestiture closed on December 29, 2023.

During the second quarter of 2022, our Board of Directors approved the exit from our business in Russia. Accordingly, we recorded an impairment charge of \$11.2 million during the second quarter to reduce the carrying value of the assets to the estimated fair value less costs to sell. The exit from our business in Russia was completed during the third quarter of 2022.

In the second quarter of 2022, as part of our overall strategy to increase profitability and further reduce our environmental footprint, we exited the North America single-use retail bottled water category, which consisted primarily of 1-gallon, 2.5-gallon and case-pack water. The exit did not affect our large format exchange, refill, and dispenser business or our Mountain Valley brand, which sells products primarily in glass bottles. On an annualized basis, these products have accounted for revenue of approximately \$140.0 million.

Financing Activity

On April 30, 2021, we issued \$750.0 million of 4.375% senior notes due April 30, 2029 ("2029 Notes") to qualified purchasers in a private placement offering under Rule 144 under the Securities Act of 1933, as amended (the "Securities Act"), and outside the United States to non-U.S. purchasers pursuant to Regulation S under the Securities Act and other applicable laws. The 2029 Notes were issued by our wholly-owned subsidiary Primo Water Holdings Inc. The 2029 Notes are guaranteed by the Company and certain subsidiaries that are currently obligors under the Revolving Credit Facility and the €450.0 million of 3.875% senior notes due October 31, 2028. The 2029 Notes will mature on April 30, 2029 and interest is payable semi-annually on April 30th and October 31st of each year commencing on October 31, 2021. The proceeds of the 2029 Notes, along with available cash on hand, were used to redeem in full the \$750.0 million of 5.500% senior notes due April 1, 2025 ("2025 Notes") and pay related premiums, fees and expenses.

We incurred approximately \$11.2 million of financing fees for the issuance of the 2029 Notes. The financing fees are being amortized using the effective interest method over an eight-year period, which represents the term to maturity of the 2029 Notes. The redemption of the 2025 Notes included \$20.6 million in premium payments, accrued interest of \$3.6 million, and the write-off of \$6.6 million in deferred financing fees.

On October 22, 2020, we issued €450.0 million (\$499.4 million at exchange rates in effect on December 30, 2023) of 3.875% senior notes due October 31, 2028 ("2028 Notes") to qualified purchasers in a private placement offering under Rule 144A under the Securities Act, and outside the United States to non-U.S. purchasers pursuant to Regulation S under the Securities Act and other applicable laws. The 2028 Notes were issued by our wholly-owned subsidiary Primo Water Holdings Inc. The 2028 Notes are guaranteed by the Company and certain subsidiaries that are currently obligors under the Revolving Credit Facility and the 2029 Notes. The 2028 Notes will mature on October 31, 2028 and interest is payable semi-annually on April 30th and October 31st of each year commencing on April 30, 2021.

We incurred approximately \$8.5 million of financing fees for the issuance of the 2028 Notes. The financing fees are being amortized using the effective interest method over an eight-year period, which represents the term to maturity of the 2028 Notes.

On March 6, 2020, we entered into a credit agreement among the Company, as parent borrower, Primo Water Holdings Inc. and certain other subsidiary borrowers, certain other subsidiaries of the Company from time to time designated as subsidiary borrowers, Bank of America, N.A., as administrative agent and collateral agent, and the lenders from time to time party thereto (the "Credit Agreement").

On January 13, 2023, we entered into the Second LIBOR Transition Amendment to the Credit Agreement, which replaced interest rate calculations based on LIBOR with calculations based on the Secured Overnight Financing Rate ("SOFR"). See Note 16 to the Consolidated Financial Statements for more details.

The Credit Agreement provides for a senior secured revolving credit facility in an initial aggregate committed amount of \$350.0 million (the "Revolving Credit Facility"), which may be increased by incremental credit extensions from time to time in the form of term loans or additional revolving credit commitments. The Revolving Credit Facility has a five year maturity date and includes letter of credit and swing line loan sub facilities.

Summary Financial Results

Net income from continuing operations in 2023 was \$63.8 million or \$0.40 per diluted common share, compared with net income from continuing operations of \$58.7 million or \$0.36 per diluted common share, in 2022.

The following items of significance affected our 2023 financial results:

- Net revenue increased to \$1,771.8 million in 2023 compared to \$1,693.2 million in 2022, an increase of \$78.6 million, or 4.6%, due primarily to increased demand for products and services from residential and business customers of \$35.0 million and pricing initiatives of \$120.9 million, partially offset by the exit from the single-use retail bottled water business in North America of \$41.0 million, a decrease in dispenser revenue of \$13.0 million, the exit from our business in Russia of \$7.4 million and the impact of unfavorable foreign exchange rates of \$2.4 million;
- Gross profit increased to \$1,137.0 million in 2023 from \$1,019.2 million in 2022. Gross profit as a percentage of revenue was 64.2% in 2023 compared to 60.2% in 2022. The 400 basis point increase is due primarily to increased demand and pricing initiatives, partially offset by the impact of unfavorable foreign exchange rates;

- SG&A expenses increased to \$976.0 million in 2023 compared to \$883.8 million in 2022 due primarily to higher selling and operating costs that supported volume and revenue growth related primarily to labor and transportation cost increases, which increased by \$37.1 million and \$7.0 million, respectively, from 2022, and increases in insurance costs of \$12.3 million and professional fees of \$7.5 million from 2022, partially offset by the exit from our business in Russia of \$5.0 million. SG&A expenses as a percentage of net revenue was 55.1% in 2023 compared to 52.2% in 2022;
- Loss on disposal of property, plant and equipment, net was related primarily to the disposal of \$9.1 million of equipment that was either replaced or no longer being used in our reporting segments;
- Acquisition and integration expenses decreased to \$9.5 million in 2023 compared to \$12.1 million in 2022 due primarily to costs in the prior year associated with the exit from the single-use retail bottled water business in North America, partially offset by increased professional fees. Acquisition and integration expenses as a percentage of net revenue increased to 0.5% in 2023 compared to 0.7% in 2022;
- Impairment charges decreased to nil from \$11.2 million in the prior year due to the non-recurrence of the non-cash asset impairment charge resulting from the exit from our business in Russia in 2022;
- Gain on sale of property decreased to \$21.0 million in 2023 from \$38.8 million in 2022 due to smaller aggregate value of sale transactions for our North America owned real properties in 2023 compared to 2022;
- Other expense, net was \$1.2 million in 2023 compared to Other income, net of \$2.5 million in 2022 due primarily to higher unrealized foreign exchange losses in 2023;
- Income tax expense was \$27.0 million on pre-tax income from continuing operations of \$90.8 million in 2023 compared to income tax expense of \$19.5 million on pre-tax income from continuing operations of \$78.2 million in the prior year. The increase was due primarily to lower foreign exchange losses in the U.S. relative to the prior year.
- Adjusted EBITDA increased to \$380.7 million in 2023 compared to \$343.8 million in 2022 due to the items listed above; and
- Cash flows provided by operating activities from continuing operations was \$289.2 million in 2023 compared to \$238.3 million in 2022. The \$50.9 million increase was due primarily to improved earnings, excluding non-cash charges and income and an increase in cash provided by working capital relative to the prior year.

Critical Accounting Policies

Our significant accounting policies and recently issued accounting pronouncements are described in Note 1 to the Consolidated Financial Statements included in this Annual Report on Form 10-K. We believe the following represent our critical accounting policies:

Estimates

The preparation of these Consolidated Financial Statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amount of revenue and expenses during the reporting period. Actual results could differ from those estimates. The Consolidated Financial Statements include estimates and assumptions that, in the opinion of management, were significant to the underlying amounts representing the future valuation of intangible assets, long-lived assets and goodwill, insurance reserves, realization of deferred income tax assets, and the resolution of tax contingencies.

Impairment Testing of Goodwill

The Company operates through its North America operating segment, which is also its sole reportable segment. We test goodwill for impairment at least annually on the first day of the fourth quarter, based on our reporting unit carrying values, calculated as total assets less non-interest bearing liabilities, as of the end of the third quarter, or more frequently if we determine a triggering event has occurred during the year.

We evaluate goodwill for impairment on a reporting unit basis, which is an operating segment or a level below an operating segment, referred to as a component. A component of an operating segment is a reporting unit if the component constitutes a business for which discrete financial information is available and management regularly reviews the operating results of that component. However, two or more components of an operating segment can be aggregated and deemed a single reporting unit if the components have similar economic characteristics. Our North America operating segment was determined to have three components: DSS, Aquaterra, and Mountain Valley. We have determined that DSS and Aquaterra have similar economic characteristics and have aggregated them as a single reporting unit for the purpose of testing goodwill for impairment ("DSSAqua"). Therefore, for the purpose of testing goodwill for impairment for the fiscal year ended December 30, 2023, we have determined our reporting units are DSSAqua and Mountain Valley.

We had goodwill of \$1,004.6 million on our Consolidated Balance Sheet as of December 30, 2023, which represents amounts for the DSSAqua and Mountain Valley reporting units, as well as goodwill within our Other category.

For purposes of the annual test for the fiscal year ended December 30, 2023, we elected to perform a qualitative assessment for all reporting units to assess whether it was more likely than not that the fair value of these reporting units exceeded their respective carrying values. In performing these assessments, management relied on a number of factors including, but not limited to, macroeconomic conditions, industry and market considerations, cost factors that would have a negative effect on earnings and cash flows, overall financial performance compared with forecasted projections in prior periods, and other relevant reporting unit events, the impact of which are all significant judgments and estimates. Based on these factors, management concluded that it was more likely than not that the fair values of our reporting units were greater than their respective carrying amounts, including goodwill, indicating no impairment during the fiscal year ended December 30, 2023.

Each year during the fourth quarter, we re-evaluate the assumptions used in our assessments, such as revenue growth rates, SG&A expenses, capital expenditures and discount rates, to reflect any significant changes in the business environment that could materially affect the fair value of our reporting units. Based on the evaluations performed in 2023, we determined that the fair value of each of our reporting units exceeded their carrying amounts.

There are inherent uncertainties related to each of the above listed assumptions, and our judgment in applying them. Changes in the assumptions used in our qualitative assessment could result in impairment charges that could be material to our Consolidated Financial Statements in any given period.

Refer to Note 2 to the Consolidated Financial Statements for discussion regarding goodwill for the discontinued operations entities.

Impairment Testing of Intangible Assets

Our intangible assets with indefinite lives relate to trademarks acquired in the acquisition of businesses, and there are no legal, regulatory, contractual, competitive, economic, or other factors that limit the useful life of these intangible assets. Our trademarks with indefinite lives are not amortized, but rather are tested for impairment at least annually or more frequently if we determine a triggering event has occurred during the year. We compare the carrying amount of the intangible assets to its fair value and when the carrying amount is greater than the fair value, we recognize an impairment loss. Our intangible assets with indefinite lives relate primarily to trademarks acquired in the acquisition of Legacy Primo, trademarks acquired in the acquisition of DSS, one of the trademarks acquired in the acquisition of Aquaterra, trademarks acquired in the acquisition of Mountain Valley, and trademarks acquired in the acquisition of Crystal Rock (collectively, the "Trademarks"). These assets have an aggregate net book value of \$379.7 million as of December 30, 2023.

We assessed qualitative factors to determine whether the existence of events or circumstances indicated that it was more likely than not that the fair value of the Trademarks were less than their respective carrying value. The qualitative factors we assessed included macroeconomic conditions, industry and market considerations, cost factors that would have a negative effect on earnings and cash flows, overall financial performance compared with forecasted projections in prior periods, and other relevant events, the impact of which are all significant judgments and estimates. During the fourth quarter of 2023, we concluded that it was more likely than not that the fair value of the Trademarks were more than their carrying value and therefore we were not required to perform any additional testing.

There are inherent uncertainties related to each of the above listed assumptions, and our judgment in applying them. Changes in the assumptions used in our qualitative assessment could result in impairment charges that could be material to our Consolidated Financial Statements in any given period.

Refer to Note 2 to the Consolidated Financial Statements for discussion regarding intangible assets for the discontinued operations entities.

Other Intangible Assets

As of December 30, 2023, our intangible assets subject to amortization, net of accumulated amortization, were \$333.0 million, consisting principally of \$310.7 million of customer relationships that arose from acquisitions, \$13.8 million of software, and \$5.9 million of patents. Customer relationships are typically amortized over the period for which we expect to receive the economic benefits. The customer relationship intangible assets acquired in our acquisitions are amortized over the expected remaining useful life of those relationships on a basis that reflects the pattern of realization of the estimated undiscounted after-tax cash flows. We review the estimated useful life of these intangible assets annually, unless a review is required more frequently due to a triggering event, such as a loss of a significant customer. Our review of the estimated useful life takes into consideration the specific net cash flows related to the intangible asset. The permanent loss of, or significant decline in sales to customers included in the intangible asset would result in either an impairment in the value of the intangible asset or an accelerated amortization of any remaining value and could lead to an impairment of the fixed assets that were used

to service that customer. We did not record impairment charges for our intangible assets subject to amortization in the fiscal years ended December 30, 2023, December 31, 2022, and January 1, 2022.

Impairment and Disposal of Long-Lived Assets

When adverse events occur, we compare the carrying amount of long-lived assets to the estimated undiscounted future cash flows at the lowest level of independent cash flows for the group of long-lived assets and recognize any impairment loss based on discounted cash flows in the Consolidated Statements of Operations, taking into consideration the timing of testing and the asset's remaining useful life. The expected life and value of these long-lived assets is based on an evaluation of the competitive environment, history and future prospects as appropriate. We did not record impairments of long-lived assets during the fiscal years ended December 30, 2023, December 31, 2022, and January 1, 2022.

Insurance Reserves

We maintain insurance retention programs under our general liability, auto liability, and workers' compensation insurance programs. We also carry excess coverage to mitigate catastrophic losses. We use an independent third-party actuary to assist in determining our insurance reserves. Insurance reserves are accrued on an undiscounted basis based on known claims and estimated incurred but not reported claims not otherwise covered by insurance. The estimates are developed utilizing standard actuarial methods and are based on historical claims experience and actuarial assumptions, including loss development factors and expected ultimate loss selections. The inherent uncertainty of future loss projections could cause actual claims to differ from our estimates. The Company recorded insurance reserves of \$67.0 million and \$58.7 million as of December 30, 2023 and December 31, 2022, respectively, within Accounts payable and accrued liabilities and Other long-term liabilities in the Consolidated Balance Sheets, of which \$8.8 million and \$12.3 million, respectively, was covered by insurance and included as a component of Accounts receivable, net of allowance and Other long-term assets in the Consolidated Balance Sheets.

Income Taxes

We are subject to income taxes in Canada as well as in numerous foreign jurisdictions. Significant judgments and estimates are required in determining the income tax expense in these jurisdictions. Our income tax expense, deferred tax assets and liabilities and reserves for unrecognized tax benefits reflect management's best assessment of estimated future taxes to be paid in the jurisdictions in which we operate.

Deferred income taxes arise from temporary differences between the tax and financial statement recognition of revenue and expense. In evaluating our ability to recover our deferred tax assets within the jurisdiction from which they arise we consider all available positive and negative evidence, including scheduled reversals of deferred tax liabilities, projected future taxable income, tax planning strategies and recent financial operations. In projecting future taxable income, we begin with historical results adjusted for the results of discontinued operations and changes in accounting policies and incorporate assumptions including the amount of future Canadian and foreign pre-tax income, the reversal of temporary differences, and the implementation of feasible and prudent tax planning strategies. These assumptions require significant judgment about the forecasts of future taxable income and are consistent with the plans and estimates we are using to manage the underlying businesses. Changes in tax laws and rates could also affect recorded deferred tax assets and liabilities in the future.

The calculation of our tax liabilities involves dealing with uncertainties in the application of complex tax laws and regulations in a multitude of jurisdictions across our global operations. Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 740, *Income Taxes* ("ASC 740") provides that a tax benefit from an uncertain tax position may be recognized when it is more likely than not that the position will be sustained upon examination, including resolutions of any related appeals or litigation processes, based on the technical merits. ASC 740 also provides guidance on measurement, derecognition, classification, interest and penalties, accounting in interim periods, disclosure and transition.

We recognize tax liabilities in accordance with ASC 740 and we adjust these liabilities when our judgment changes as a result of the evaluation of new information not previously available. Due to the complexity of some of these uncertainties, the ultimate resolution may result in a payment that is materially different from our current estimate of the tax liabilities. These differences will be reflected as increases or decreases to income tax expense in the period in which they are determined.

Non-GAAP Measures

In this Annual Report on Form 10-K, we supplement our reporting of financial measures determined in accordance with GAAP by utilizing certain non-GAAP financial measures that exclude certain items to make period-over-period comparisons for our underlying operations before material charges. We exclude these items to better understand trends in the business. We exclude the impact of foreign exchange to separate the impact of currency exchange rate changes from our results of operations.

We also utilize earnings (loss) before interest expense, taxes, depreciation and amortization ("EBITDA"), which is GAAP net loss from continuing operations before interest expense, net, expense for income taxes and depreciation and amortization. We consider EBITDA to be an indicator of operating performance. We also use EBITDA, as do analysts, lenders, investors and others, because it excludes certain items that can vary widely across different industries or among companies within the same industry. These differences can result in considerable variability in the relative costs of productive assets and the depreciation and amortization expense among companies. We also utilize adjusted EBITDA, which is EBITDA excluding acquisition and integration costs, share-based compensation costs, COVID-19 costs, impairment charges, foreign exchange and other losses, net, loss on disposal of property, plant and equipment, net, loss on extinguishment of long-term debt, (gain) loss on sale of business, (gain) loss on sale of property, and other adjustments, net, as the case may be ("Adjusted EBITDA"). We consider Adjusted EBITDA to be an indicator of our operating performance. Adjusted EBITDA excludes certain items to make more meaningful period-over-period comparisons of our underlying operations before material changes.

Because we use these adjusted financial results in the management of our business and to understand underlying business performance, we believe this supplemental information is useful to investors for their independent evaluation and understanding of our business performance and the performance of our management. The non-GAAP financial measures described above are in addition to, and not meant to be considered superior to, or a substitute for, our financial statements prepared in accordance with GAAP. In addition, the non-GAAP financial measures included in this Annual Report on Form 10-K reflect our judgment of particular items, and may be different from, and therefore may not be comparable to, similarly titled measures reported by other companies.

The following table summarizes our EBITDA and Adjusted EBITDA for the fiscal years ended December 30, 2023, December 31, 2022 and January 1, 2022:

(in millions of U.S. dollars)	For the Fiscal Year Ended		
	December 30, 2023	December 31, 2022	January 1, 2022
Net income from continuing operations	\$ 63.8	\$ 58.7	\$ 4.9

¹ Impact of foreign exchange is the difference between the current year's gross profit translated utilizing the current year's average foreign exchange rates less the current year's gross profit translated utilizing the prior year's average foreign exchange rates.

Our corporate oversight function is not treated as a segment; it includes certain general and administrative costs that are disclosed in the Other category.

Fiscal Year Ended December 30, 2023 Compared to Fiscal Year Ended December 31, 2022

Revenue, Net

Net revenue increased to \$1,771.8 million in 2023 compared to \$1,693.2 million in 2022, an increase of \$78.6 million, or 4.6%. Excluding the impact of foreign exchange, net revenue increased \$81.0 million, or 4.8%, in 2023 from 2022.

North America net revenue increased to \$1,771.2 million in 2023 from \$1,685.6 million in 2022, an increase of \$85.6 million, or 5.1%, due primarily to increased demand for products and services from residential and business customers of \$35.0 million and pricing initiatives of \$120.9 million, partially offset by the exit from the single-use retail bottled water business in North America of \$41.0 million, a decrease in dispenser revenue of \$13.0 million and the unfavorable impact of foreign exchange rates of \$2.4 million.

Other net revenue decreased to \$0.6 million in 2023 from \$7.6 million in 2022, a decrease of \$7.0 million, or (92.1)%, due primarily to the exit from our business in Russia of \$7.4 million.

Gross Profit

Gross profit increased to \$1,137.0 million in 2023 from \$1,019.2 million in 2022. Gross profit as a percentage of revenue was 64.2% in 2023 compared to 60.2% in 2022.

North America gross profit increased to \$1,136.4 million in 2023 from \$1,013.5 million in 2022, and gross profit as a percentage of revenue was 64.2% in 2023 compared to 60.1% in 2022. The 410 basis point increase is due primarily to increased demand and pricing initiatives.

Other gross profit decreased to \$0.6 million in 2023 from \$5.7 million in 2022, and gross profit as a percentage of revenue was 100.0% in 2023 compared to 75.0% in 2022. The decrease in gross profit is due primarily to the exit from our business in Russia in the third quarter of 2022.

Selling, General and Administrative Expenses

SG&A expenses increased to \$976.0 million in 2023 compared to \$883.8 million in 2022. SG&A expenses as a percentage of net revenue was 55.1% in 2023 compared to 52.2% in 2022.

North America SG&A expenses increased to \$919.7 million in 2023 compared to \$830.8 million in 2022, due primarily to higher selling and operating costs that supported volume and revenue growth related primarily to labor and transportation cost increases, which increased by \$37.1 million and \$7.0 million, respectively, from 2022 and increases in insurance costs of \$12.3 million from 2022.

Other SG&A expenses increased to \$56.3 million in 2023 compared to \$53.0 million in 2022 primarily related to higher professional fees of \$7.5 million, partially offset by the exit from our business in Russia in the third quarter of 2022 of \$5.0 million.

Acquisition and Integration Expenses

Acquisition and integration expenses decreased to \$9.5 million in 2023 compared to \$12.1 million in 2022. Acquisition and integration expenses as a percentage of net revenue was 0.5% in 2023 compared to 0.7% in 2022.

North America acquisition and integration expenses decreased to \$6.4 million in 2023 compared to \$10.8 million in 2022, due primarily to costs in the prior year associated with the exit from the single-use retail bottled water business in North America.

Other acquisition and integration expenses increased to \$3.1 million in 2023 compared to \$1.3 million in 2022, due primarily to increased professional fees in 2023.

Impairment Charges

Impairment charges decreased to nil in 2023 compared to \$11.2 million in 2022. Impairment charges as a percentage of revenue was nil in 2023 compared to 0.7% in 2022.

The decrease is due to the non-cash asset impairment charge in Other resulting from the exit of our business in Russia in 2022.

Gain on Sale of Property

Gain on sale of property decreased to \$21.0 million in 2023 from \$38.8 million in 2022.

The decrease was due to smaller aggregate value of sale transactions for our North America owned real properties than in 2022.

Operating Income (Loss)

Operating income was \$163.4 million in 2023 compared to \$143.5 million in 2022.

North America operating income increased to \$222.2 million in 2023 compared to \$203.7 million in 2022, due to the items discussed above.

Other operating loss decreased to \$58.8 million in 2023 compared to \$60.2 million in 2022, due to the items discussed above.

Other Expense (Income), Net

Other expense, net was \$1.2 million in 2023 compared to Other income, net of \$2.5 million in 2022, due primarily to higher unrealized foreign exchange losses in 2023 compared to 2022.

Income Taxes

Income tax expense was \$27.0 million in 2023 compared to \$19.5 million in 2022. The effective tax rate was 29.7% in 2023 compared to 24.9% in 2022.

The effective tax rate for 2023 varied from the effective tax rate from 2022 due primarily to increased income in a tax-paying jurisdiction and increased losses in a tax jurisdiction with existing valuation allowances. The effective tax rate for 2023 differs from the Canadian statutory rate primarily due to: (a) significant permanent differences for which we have not recognized a tax benefit; (b) income in tax jurisdictions with lower statutory tax rates than Canada; and (c) losses in tax jurisdictions with existing valuations allowances.

Fiscal Year Ended December 31, 2022 Compared to Fiscal Year Ended January 1, 2022

Revenue, Net

Net revenue increased to \$1,693.2 million in 2022 from \$1,576.4 million in 2021, an increase of \$116.8 million, or 7.4%. Excluding the impact of foreign exchange, net revenue increased \$119.6 million, or 7.6%, in 2022 from 2021.

North America net revenue increased to \$1,685.6 million in 2022 from \$1,562.9 million in 2021, an increase of \$122.7 million, or 7.9%, due primarily to increased demand for products and services from residential and business customers of \$76.8 million and pricing initiatives of \$134.4 million, partially offset by the exit from the single-use retail bottled water business in North America of \$101.3 million and the unfavorable impact of foreign exchange rates of \$2.4 million.

Other net revenue decreased to \$7.6 million in 2022 from \$13.5 million in 2021, a decrease of \$5.9 million, or 43.7%, due primarily to the exit from our business in Russia in the third quarter of 2022 of \$6.1 million.

Gross Profit

Gross profit increased to \$1,019.2 million in 2022 from \$891.0 million in 2021. Gross profit as a percentage of net revenue was 60.2% in 2022 compared to 56.5% in 2021.

North America gross profit increased to \$1,013.5 million in 2022 from \$881.0 million in 2021, and gross profit as a percentage of revenue was 60.1% in 2022 compared to 56.4% in 2021. The 370 basis point increase is due primarily to increased demand and pricing initiatives.

Other gross profit decreased to \$5.7 million in 2022 from \$10.0 million in 2021, and gross profit as a percentage of revenue was 75.0% in 2022 compared to 74.1% in 2021. The decrease in gross profit is due primarily to the exit from our business in Russia in the third quarter of 2022.

Selling, General and Administrative Expenses

SG&A expenses increased to \$883.8 million in 2022 compared to \$769.8 million in 2021. SG&A expenses as a percentage of net revenue was 52.2% in 2022 compared to 48.8% in 2021.

North America SG&A expenses increased to \$830.8 million in 2022 compared to \$720.6 million in 2021, due primarily to higher selling and operating costs that supported volume and revenue growth. These costs included inflationary labor and transportation cost increases, which increased by \$41.9 million and \$23.1 million, respectively, from 2021.

Other SG&A expenses increased to \$53.0 million in 2022 compared to \$49.2 million in 2021, due primarily to inflationary labor cost increases, which increased by \$4.9 million from 2021.

Acquisition and Integration Expenses

Acquisition and integration expenses increased to \$12.1 million in 2022 compared to \$9.1 million in 2021. Acquisition and integration expenses as a percentage of net revenue was 0.7% in 2022 compared to 0.6% in 2021.

North America acquisition and integration expenses increased to \$10.8 million in 2022 compared to \$5.2 million in 2021, due primarily to costs associated with the exit from the single-use retail bottled water business in North America and ongoing integration costs incurred in connection with the Legacy Primo Acquisition.

Other acquisition and integration expenses decreased to \$1.3 million in 2022 compared to \$3.9 million in 2021, due primarily to lower acquisition and integration costs relating to the Legacy Primo business.

Impairment Charges

Impairment charges increased to \$11.2 million in 2022 compared to nil in 2021. Impairment charges as a percentage of revenue was 0.7% in 2022 compared to nil in 2021.

The increase was due to the non-cash asset impairment charge in Other resulting from the exit from our business in Russia in 2022.

Operating Income (Loss)

Operating income was \$143.5 million in 2022 compared to \$103.0 million in 2021.

North America operating income increased to \$203.7 million in 2022 compared to \$146.0 million in 2021, due to the items discussed above.

Other operating loss increased to \$60.2 million in 2022 compared to \$43.0 million in 2021, due to the items discussed above.

Other Expense (Income), Net

Other income, net was \$2.5 million in 2022 compared to Other expense, net of \$22.1 million in 2021, due primarily to unrealized foreign exchange losses in 2022 and costs to redeem our 2025 Notes incurred in 2021.

Income Taxes

Income tax expense was \$19.5 million in 2022 compared to \$7.7 million in 2021. The effective tax rate was 24.9% in 2022 compared to 61.1% in 2021.

The effective tax rate for 2022 varied from the effective tax rate from 2021 due primarily to increased income in the U.S. related to real property sales in the fourth quarter of 2022 and the debt refinancing costs incurred in the second quarter of 2021. The effective tax rate for 2022 differs from the Canadian statutory rate primarily due to: (a) significant permanent differences for which we have not recognized a tax benefit; (b) income in tax jurisdictions with lower statutory tax rates than Canada; and (c) losses in tax jurisdictions with existing valuations allowances.

Liquidity and Capital Resources

The following table summarizes our cash flows for 2023, 2022 and 2021 as reported in our Consolidated Statements of Cash Flows in the accompanying Consolidated Financial Statements:

(in millions of U.S. dollars)	For the Fiscal Year Ended		
	December 30, 2023	December 31, 2022	January 1, 2022
Net cash provided by operating activities from continuing operations	\$ 289.2	\$ 238.3	\$ 211.3
Net cash used in investing activities from continuing operations	(147.3)	(127.1)	(151.9)
Net cash used in financing activities from continuing operations	(290.4)	(91.4)	(4.2)
Cash flows from discontinued operations:			
Net cash provided by operating activities from discontinued operations	61.1	43.3	45.6
Net cash provided by (used in) investing activities from discontinued operations	488.3	(54.4)	(89.0)
Net cash provided by (used in) financing activities from discontinued operations	4.6	(11.4)	3.4
Effect of exchange rate changes on cash	2.4	(3.1)	(1.9)
Net increase (decrease) in cash, cash equivalents and restricted cash	407.9	(5.8)	13.3
Cash and cash equivalents and restricted cash, beginning of year	122.6	128.4	115.1
Cash and cash equivalents and restricted cash, end of year	530.5	122.6	128.4
Cash and cash equivalents and restricted cash of discontinued operations, end of year	22.6	43.8	46.3
Cash and cash equivalents and restricted cash of continuing operations, end of year	\$ 507.9	\$ 78.8	\$ 82.1

Operating Activities

Cash provided by operating activities from continuing operations was \$289.2 million in 2023 compared to \$238.3 million in 2022 and \$211.3 million in 2021. The \$50.9 million increase in 2023 compared to 2022 was due primarily to improved earnings, excluding non-cash charges and income and an increase in cash provided by working capital relative to the prior year.

The \$27.0 million increase in 2022 compared to 2021 was due primarily to improved earnings, excluding non-cash charges, partially offset by an increase in cash used for working capital balances relative to the prior year.

Investing Activities

Cash used in investing activities from continuing operations was \$147.3 million in 2023 compared to \$127.1 million in 2022 and \$151.9 million in 2021. The \$20.2 million increase in 2023 compared to 2022 was due primarily to lower receipt of proceeds from the sale of properties and increased cash used for acquisitions, partially offset by a decrease in additions to property, plant and equipment relative to the prior year.

The \$24.8 million decrease in 2022 compared to 2021 was due primarily to receipt of proceeds from the sale of properties in 2022 and a decrease in cash used for acquisitions, partially offset by an increase in additions to property, plant and equipment relative to the prior year.

Financing Activities

Cash used in financing activities from continuing operations was \$290.4 million in 2023 compared to \$91.4 million in 2022 and \$4.2 million in 2021. The \$199.0 million increase in 2023 compared to 2022 was due primarily to an increase in net short-term payments compared to the prior year and an increase in dividends paid to common shareholders, partially offset by an increase in issuance of common shares.

The \$87.2 million increase in 2022 compared to 2021 was due primarily to net short term payments compared to net short-term borrowings in the prior year, an increase in dividends paid to common shareholders, and decrease in issuances of common shares, partially offset by cash provided by other financing activities and a decrease in cash used for financing transactions and share repurchases.

Financial Liquidity

As of December 30, 2023, we had \$1,285.0 million of debt and \$507.9 million of cash and cash equivalents compared to \$1,469.0 million of debt and \$78.8 million of cash and cash equivalents as of December 31, 2022.

Our operations expose us to risks associated with disruptions to global supply chains, labor shortages, inflation and the ongoing Russia/Ukraine and Israel/Hamas wars, all of which are likely to continue to create challenging conditions for our business, through increased costs, increased employee attrition and vacancies, lower consumer spending, volatility in financial markets or other impacts. While we have taken steps to minimize the impact of these increased costs, global supply chain disruption may deteriorate and inflationary pressures may increase, which could adversely affect our business, financial condition, results of operations and cash flows.

We believe that our level of resources, which includes cash on hand, availability under our Revolving Credit Facility and funds provided by our operations, will be adequate to fund cash outflows that have both a short- and long-term component, including the long-term obligations described in "Other Liquidity Matters" below. These cash flows will support our growth platform and include our expenses, capital expenditures, anticipated dividend payments, and debt service obligations. The Company regularly assesses its cash requirements and the available resources to fund these needs. Our ability to generate cash to meet our current expenses and debt service obligations will depend on our future performance. If we do not have enough cash to pay our debt service obligations, or if the Revolving Credit Facility or our outstanding notes were to become currently due, either at maturity or as a result of a breach, we may be required to take actions such as amending our Credit Agreement or the indentures governing our outstanding notes, refinancing all or part of our existing debt, selling assets, incurring additional indebtedness or raising equity. If we need to seek additional financing, there is no assurance that this additional financing will be available on favorable terms or at all.

Our Revolving Credit Facility and debt capital markets transactions are described under "Debt" below.

In 2023, we declared a dividend of \$0.08 per common share each quarter for an aggregate dividend payment of approximately \$51.8 million.

We earn substantially all of our consolidated operating income in subsidiaries located outside of Canada. We have not provided for federal, state, and foreign deferred income taxes on the undistributed earnings of our non-Canadian subsidiaries. We expect that these earnings will be permanently reinvested by such subsidiaries except in certain instances where repatriation attributable to current earnings results in minimal or no tax consequences.

We expect our existing cash and cash equivalents, cash flows and the issuance of debt will continue to be sufficient to fund our operating, investing, and financing activities. In addition, we expect our existing cash and cash equivalents and cash flows outside of Canada will continue to be sufficient to fund the operating activities of our subsidiaries.

A future change to our assertion that foreign earnings will be permanently reinvested could result in additional income taxes and/or withholding taxes payable, where applicable. Therefore, a higher effective tax rate could occur during the period of repatriation.

We may, from time to time, depending on market conditions, including without limitation whether our outstanding notes are then trading at a discount to their face amount, repurchase our outstanding notes for cash and/or in exchange for our common shares, warrants, preferred shares, debt, or other consideration, in each case in open market purchases and/or privately negotiated transactions. The amounts involved in any such transactions, individually or in the aggregate, may be material. However, the covenants in our Revolving Credit Facility subject such purchases to certain limitations and conditions.

Off-Balance Sheet Arrangements

We have no off-balance sheet arrangements as of December 30, 2023.

Other Liquidity Matters

We expect capital spending during the fiscal year ended December 28, 2024 to be approximately \$153.6 million. Capital spending will be monitored and controlled as the year progresses. We expect to use operating cash flows to satisfy capital spending.

The following table shows the schedule of future payments under certain contracts, including debt agreements and guarantees, as of December 30, 2023:

(in millions of U.S. dollars)	Total	Payments due by period						
		2024	2025	2026	2027	2028	Thereafter	
3.875% senior notes due in 2028	\$ 499.4	\$ —	\$ —	\$ —	\$ —	\$ 499.4	\$ —	
4.375% senior notes due in 2029	750.0	—	—	—	—	—	750.0	
Revolving Credit Facility ¹	—	—	—	—	—	—	—	
Interest expense ²	260.9	52.0	50.3	50.3	50.3	47.1	10.9	
Operating lease obligations	194.1	35.9	34.1	25.8	21.8	12.7	63.8	
Finance leases ³	52.9	16.7	16.2	13.1	4.6	2.0	0.3	
Purchase obligations ⁴	8.1	7.8	0.3	—	—	—	—	
Other liabilities	2.5	2.5	—	—	—	—	—	
Total ⁵	\$ 1,767.9	\$ 114.9	\$ 100.9	\$ 89.2	\$ 76.7	\$ 561.2	\$ 825.0	

¹ The Revolving Credit Facility is considered a current liability. As of December 30, 2023, there were no outstanding borrowings under the Revolving Credit Facility.

² Interest expense includes fixed interest on the 2028 Notes, 2029 Notes, the Revolving Credit Facility and other long-term liabilities. Actual amounts will differ from estimates provided.

³ Includes estimated interest payments using a weighted-average discount rate of 5.5% as of December 30, 2023.

⁴ Purchase obligations consist of commitments for the purchase of inventory, energy transactions, and payments related to professional fees and technology outsourcing agreements. These obligations represent the minimum contractual obligations expected under the normal course of business.

⁵ The contractual obligations table excludes the Company's ASC 740 uncertain tax positions of \$9.4 million because the Company cannot make a reliable estimate as to when such amounts will be settled.

Debt

Our total debt as of December 30, 2023 and December 31, 2022 was as follows:

(in millions of U.S. dollars)	December 30, 2023			December 31, 2022		
	Principal	Unamortized Debt Costs	Net	Principal	Unamortized Debt Costs	Net
3.875% senior notes due in 2028	\$ 499.4	\$ 4.8	\$ 494.6	\$ 479.1	\$ 5.6	\$ 473.5
4.375% senior notes due in 2029	750.0	7.2	742.8	750.0	8.6	741.4
Revolving Credit Facility	—	—	—	197.0	—	197.0
Short-term borrowings	—	—	—	8.8	—	8.8
Finance leases	47.6	—	47.6	48.3	—	48.3
Total debt	\$ 1,297.0	\$ 12.0	\$ 1,285.0	\$ 1,483.2	\$ 14.2	\$ 1,469.0
Less: Short-term borrowings and current debt:						
Revolving Credit Facility	\$ —	\$ —	\$ —	\$ 197.0	\$ —	\$ 197.0
Short-term borrowings	—	—	—	8.8	—	8.8
Finance leases - current maturities	14.2	—	14.2	10.9	—	10.9
Total current debt	\$ 14.2	\$ —	\$ 14.2	\$ 216.7	\$ —	\$ 216.7
Total long-term debt	\$ 1,282.8	\$ 12.0	\$ 1,270.8	\$ 1,266.5	\$ 14.2	\$ 1,252.3

Revolving Credit Facility

On March 6, 2020, the Company entered into a credit agreement (the “Credit Agreement”) among the Company, as parent borrower, Primo Water Holdings Inc. and certain other subsidiary borrowers, certain other subsidiaries of the Company from time to time designated as subsidiary borrowers, Bank of America, N.A., as administrative agent and collateral agent, and the lenders from time to time party thereto.

The Credit Agreement provides for a senior secured revolving credit facility in an initial aggregate committed amount of \$350.0 million (the “Revolving Credit Facility”), which may be increased by incremental credit extensions from time to time in the form of term loans or additional revolving credit commitments. The Revolving Credit Facility has a five year maturity date and includes letter of credit and swing line loan sub facilities.

Initial borrowings under the Revolving Credit Facility were used to refinance in full and terminate our previously existing asset-based lending credit facility (the “ABL Facility”). Certain letters of credit outstanding under the ABL Facility were rolled over under the Revolving Credit Facility. We incurred approximately \$3.4 million of financing fees in connection with the Revolving Credit Facility. The Revolving Credit Facility was considered to be a modification of the ABL Facility under GAAP. These new financing fees along with \$1.8 million of unamortized deferred costs of the ABL Facility are being amortized using the straight-line method over the duration of the Revolving Credit Facility.

As of December 30, 2023, there were no outstanding borrowings under the Revolving Credit Facility. Outstanding letters of credit totaled \$66.7 million, resulting in total utilization under the Revolving Credit Facility of \$66.7 million. Accordingly, unused availability under the Revolving Credit Facility as of December 30, 2023 amounted to \$283.3 million.

The weighted-average effective interest rate on the outstanding borrowings under the Revolving Credit Facility as of December 30, 2023 and December 31, 2022 was —% and 5.9%, respectively. The effective interest rates are based on our aggregate availability.

On January 13, 2023, we entered into the Second LIBOR Transition Amendment to the Credit Agreement, which replaced interest rate calculations based on LIBOR with calculations based on SOFR. As of December 30, 2023, borrowings under the Credit Agreement bore interest at a rate per annum equal to either: (a) a euro currency rate as determined under the Credit Agreement, plus the applicable margin, or (b) a term SOFR rate, as determined under the Credit Agreement, plus the applicable margin, (c) a base rate equal to the highest of (i) Bank of America’s prime rate, (ii) 0.5% per annum above the federal funds rate, and (iii) the term SOFR rate, as determined under the Credit Agreement, for a one month interest period, plus 1.0%, plus the applicable margin, or (d) an alternative currency daily or term rate, as determined under the Credit Agreement, plus the applicable margin. The applicable margin for euro currency, term SOFR, and alternative currency rate loans ranges from 1.375% to 2.000% and the applicable margin for base rate loans ranges from 0.375% to 1.000%, in each case depending on our consolidated total leverage ratio. Unutilized commitments under the Credit Agreement are subject to a commitment fee ranging from 0.20% to 0.30% per annum depending on our consolidated total leverage ratio, payable on a quarterly basis.

4.375% Senior Notes due in 2029

On April 30, 2021, we issued \$750.0 million of 4.375% senior notes due April 30, 2029 (the “2029 Notes”) to qualified purchasers in a private placement offering under Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), and outside the United States to non-U.S. purchasers pursuant to Regulation S under the Securities Act and other applicable laws. The 2029 Notes were issued by our wholly-owned subsidiary Primo Water Holdings Inc. The 2029 Notes are guaranteed by the Company and certain subsidiaries that are currently obligors under the \$350.0 million senior secured revolving credit facility and the €450.0 million of 3.875% senior notes due October 31, 2028. The 2029 Notes will mature on April 30, 2029 and interest is payable semi-annually on April 30th and October 31st of each year commencing on October 31, 2021. The proceeds of the 2029 Notes, along with available cash on hand, were used to redeem in full the \$750.0 million of 5.500% senior notes due April 1, 2025 (the “2025 Notes”). The redemption of the 2025 Notes included \$20.6 million in premium payments, accrued interest of \$3.6 million, and the write-off of \$6.6 million in deferred financing fees.

We incurred approximately \$11.2 million of financing fees for the issuance of the 2029 Notes. The financing fees are being amortized using the effective interest method over an eight-year period, which represents the term to maturity of the 2029 Notes.

3.875% Senior Notes due in 2028

On October 22, 2020, we issued €450.0 million (\$499.4 million at exchange rates in effect on December 30, 2023) of 3.875% senior notes due October 31, 2028 (the “2028 Notes”) to qualified purchasers in a private placement offering under Rule 144A under the Securities Act, and outside the United States to non-U.S. purchasers pursuant to Regulation S under the Securities Act and other applicable laws. The 2028 Notes were issued by our wholly-owned subsidiary Primo Water Holdings Inc. The 2028 Notes are guaranteed by the Company and certain subsidiaries that are currently obligors under the Revolving Credit Facility and the 2029 Notes. The 2028 Notes will mature on October 31, 2028 and interest is payable semi-annually on April 30th and October 31st of each year commencing on April 30, 2021.

Foreign Exchange Forward Contract

On January 2, 2024, the Company entered into foreign exchange forward contracts with a notional amount of €450.0 million and a maturity date of October 31, 2025. The Company is utilizing the derivative financial instrument to hedge foreign exchange risk associated with the Company’s 2028 Notes.

Credit Ratings and Covenant Compliance

Credit Ratings

Our objective is to maintain credit ratings that provide us with ready access to global capital and credit markets at favorable interest rates.

As of December 30, 2023, the Company’s credit ratings were as follows:

	Credit Ratings	
	Moody’s Rating	Standard and Poor’s Rating
Corporate credit rating	B1	B+
2028 Notes	B1	B+
2029 Notes	B1	B+
Outlook	Stable	Positive

Any downgrade of our credit ratings by either Moody’s or Standard and Poor’s could increase our future borrowing costs or impair our ability to access capital markets on terms commercially acceptable to us or at all.

Covenant Compliance

Indentures Governing Our Outstanding Notes

Under the indentures governing our outstanding notes, we are subject to a number of covenants, including covenants that limit our and certain of our subsidiaries' ability, subject to certain exceptions and qualifications, to (i) pay dividends or make distributions, repurchase equity securities, prepay subordinated debt or make certain investments, (ii) incur additional debt or issue certain disqualified stock or preferred stock, (iii) create or incur liens on assets securing indebtedness, (iv) merge or consolidate with another company or sell all or substantially all of our assets taken as a whole, (v) enter into transactions with affiliates, and (vi) sell assets. The covenants are substantially similar across the series of notes. As of December 30, 2023, we were in compliance with all of the covenants under each series of notes. There have been no amendments to any such covenants of our outstanding notes since the date of their issuance or assumption, as applicable.

Revolving Credit Facility

Under the Credit Agreement governing the Revolving Credit Facility, we and our restricted subsidiaries are subject to a number of business and financial covenants, including a consolidated secured leverage ratio and an interest coverage ratio. The consolidated secured leverage ratio must not be more than 3.50 to 1.00, with an allowable temporary increase to 4.00 to 1.00 for the quarter in which we consummate a material acquisition with a price not less than \$125.0 million, for three quarters. The interest coverage ratio must not be less than 3.00 to 1.00. We were in compliance with these financial covenants as of December 30, 2023.

In addition, the Credit Agreement has certain non-financial covenants, such as covenants regarding indebtedness, investments, and asset dispositions. We were in compliance with all of the applicable covenants as of December 30, 2023.

Issuer Purchases of Equity Securities

Common Share Repurchase Programs

On August 9, 2023, the Board of Directors approved a share repurchase program for up to \$50.0 million of our outstanding common shares. Upon the closing of the European Divestiture on December 29, 2023, an incremental \$25.0 million share repurchase was authorized, revising the total share repurchase authorization to \$75.0 million. During the fiscal year ended December 30, 2023, we repurchased 131,409 common shares for \$1.9 million through open market transactions under this repurchase plan. There can be no assurance as to the precise number of common shares, if any, that will be repurchased under the repurchase plan in the future, or the aggregate dollar amount of common shares to be purchased in future periods. We may discontinue purchases at any time, subject to compliance with applicable regulatory requirements.

On August 9, 2022, the Board of Directors approved a share repurchase program for up to \$100.0 million of our outstanding common shares over a 12-month period that expired on August 14, 2023. During the fiscal year ended December 30, 2023, we repurchased 1,272,612 common shares for \$19.0 million through open market transactions under this repurchase plan. During the fiscal year ended December 31, 2022, we repurchased 1,753,479 common shares for \$23.8 million through open market transactions under this repurchase plan.

On May 4, 2021, the Board of Directors approved a share repurchase program for up to \$50.0 million of our outstanding common shares over a 12-month period that expired on May 10, 2022. We repurchased 2,646,831 common shares for \$43.5 million through open market transactions under this repurchase plan, all in the fiscal year ended January 1, 2022.

Shares purchased under these repurchase plans were subsequently canceled.

Tax Withholding

During the fiscal years ended December 30, 2023, December 31, 2022, and January 1, 2022, 307,042 shares, 253,968 shares, and 263,220 shares, respectively, of our previously-issued common shares were withheld from delivery to our employees to satisfy their tax obligations related to share-based awards. Please refer to the table in Part II, Item 5 of this Annual Report on Form 10-K.

Capital Structure

Since December 31, 2022, equity has increased by \$158.4 million. The increase was due primarily to net income of \$238.1 million, share-based compensation costs of \$14.9 million, and the issuance of common shares of \$6.1 million, partially offset by common shares repurchased and subsequently canceled of \$26.0 million, common share dividend payments of \$51.8 million, and other comprehensive loss, net of tax of \$22.9 million.

Dividend Payments**Common Share Dividend**

Our Board of Directors declared a quarterly dividend of \$0.08 and \$0.07 per common share in each quarter during 2023 and 2022, respectively, for an aggregate dividend payment of approximately \$51.8 million and \$45.7 million, respectively. We intend to pay a regular quarterly dividend on our common shares subject to, among other things, the best interests of our shareowners, our results of operations, cash balances and future cash requirements, financial condition, statutory regulations and covenants set forth in the Revolving Credit facility and indentures governing our outstanding notes as well as other factors that the Board of Directors may deem relevant from time to time.

Recent Accounting Pronouncements

Refer to Note 1 in the Consolidated Financial Statements for a summary of recently adopted and recently issued accounting standards and their related effects or anticipated effects on our consolidated results of operations and financial condition.

ITEM 7A. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

We do not trade market risk sensitive instruments.

Currency Exchange Rate Risk

We are exposed to changes in foreign currency exchange rates. Operations outside of the United States are concentrated in Canada and accounted for 3.7% and 4.3% of Revenue, net for the fiscal years ended December 30, 2023 and December 31, 2022, respectively. We translate the revenues and expenses of our foreign operations using average exchange rates prevailing during the period. The effect of a 10% change in the average foreign currency exchange rates among the U.S. dollar versus the Canadian dollar for the fiscal year ended December 30, 2023 would result in changes to our Revenue, net and Gross profit of \$6.6 million and \$4.1 million, respectively. This change would not be material to our cash flows and our results of operations.

Debt Obligations and Interest Rates

We have exposure to interest rate risk from the outstanding principal amounts of our short-term borrowings on our Revolving Credit Facility. Interest rates on our long-term debt are fixed and not subject to interest rate volatility. Our Revolving Credit Facility is vulnerable to fluctuations in euro currency rates, Bank of America's prime rate, and the federal funds rate. Because we had no outstanding borrowings under the Revolving Credit Facility as of December 30, 2023, the weighted-average interest rate of the Revolving Credit Facility was —% and a 100 basis point increase in the current per annum interest rate for our Revolving Credit Facility (excluding the \$66.7 million of outstanding letters of credit) would not result in additional interest expense. Because we had \$197.0 million of Revolving Credit Facility borrowings outstanding as of December 31, 2022, a 100 basis point increase in the current per annum interest rate for our Revolving Credit Facility (excluding the \$46.6 million of outstanding letters of credit) would result in additional interest expense of approximately \$2.0 million. The weighted average interest rate of our outstanding Revolving Credit Facility at December 31, 2022 was 5.9%.

We regularly review the structure of our indebtedness and consider changes to the proportion of variable versus fixed rate debt through refinancing, interest rate swaps or other measures in response to the changing economic environment. Historically, we have not used derivative instruments to manage interest rate risk. If we use and fail to manage these derivative instruments successfully, or if we are unable to refinance our indebtedness or otherwise increase our debt capacity in response to changes in the marketplace, the expense associated with debt service could increase. This would negatively affect our financial condition and profitability.

The information below summarizes our market risks associated with debt obligations as of December 30, 2023. The table presents principal cash flows and related interest rates by year. Interest rates disclosed represent the actual weighted average rates as of December 30, 2023:

(in millions of U.S. dollars, except percentage amounts)	Debt Obligations	
	Outstanding Debt Balance	Weighted-Average Interest Rate
Debt maturing in:		
2024	\$ 14.2	5.5 %
2025	14.5	5.5 %
2026	12.4	5.5 %
2027	4.3	5.5 %
2028	501.3	3.9 %
Thereafter	750.3	4.4 %
Total	<u>\$ 1,297.0</u>	

Commodity Price Risk

The competitive marketplace in which we operate may limit our ability to recover increased costs through higher prices. As a result, we are subject to market risk with respect to commodity price fluctuations principally related to our purchases of resin for PET, HDPE and polycarbonate bottles, glass for bottles and fuel. We manage some of our exposure to this risk through the use of supplier pricing agreements, which enable us to fix the purchase prices for certain commodities. We estimate that a 10% increase in the market prices of these commodities over the current market prices would cumulatively increase our operating costs during the next 12 months by approximately \$12.1 million. This change would be material to our cash flows and our results of operations.

Inflation and Supply Chain Disruption Risk

In 2022, we experienced highly inflationary cost increases in our underlying expenses, including transportation and labor costs. We were impacted by global supply chain disruption, which increased ocean freight voyage lead times for the shipment of our water dispensers to our branch locations and increased freight costs.

While transportation and labor costs for the year ended December 31, 2022 on aggregate increased by \$148.7 million, offset by favorable impact of foreign exchange rates of \$17.2 million, the Company was able to mitigate the impacts of inflation and supply chain disruptions. Our mitigation strategies, such as price increases and cost control efforts, have provided us the necessary flexibility to respond to the risks.

While we have taken steps to minimize the impact of these increased costs, global supply chain disruption may deteriorate and inflationary pressures may increase, which could adversely affect our business, financial condition, results of operations and cash flows.

Credit Risk

As of December 30, 2023 and December 31, 2022, our cash and cash equivalents were maintained at major financial institutions in the United States, and our current deposits are likely in excess of insured limits. We believe these institutions have sufficient assets and liquidity to conduct their operations in the ordinary course of business with little or no credit risk to us.

ITEM 8. FINANCIAL STATEMENTS AND SUPPLEMENTARY DATA

See "Index to Consolidated Financial Statements."

ITEM 9. CHANGES IN AND DISAGREEMENTS WITH ACCOUNTANTS ON ACCOUNTING AND FINANCIAL DISCLOSURE

None.

ITEM 9A. CONTROLS AND PROCEDURES

Disclosure Controls and Procedures

Our management, under the supervision and with the participation of our Chief Executive Officer and Chief Financial Officer, carried out an evaluation of the effectiveness of the design and operation of our disclosure controls and procedures as of December 30, 2023 (the "Evaluation"). Based upon the Evaluation, our Chief Executive Officer and Chief Financial Officer concluded that our disclosure controls and procedures (as defined in Rule 13a-15(e) of the Securities Exchange Act of 1934 (the "Exchange Act")) are effective.

Management's Report on Internal Control Over Financial Reporting

Our management is responsible for establishing and maintaining adequate internal control over financial reporting as defined in Exchange Act Rules 13a-15(f) and 15d-15(f). Management evaluates the effectiveness of our internal control over financial reporting using the criteria set forth by the Committee of Sponsoring Organizations of the Treadway Commission in Internal Control—Integrated Framework (2013). Management, under the supervision and with the participation of our Chief Executive Officer and Chief Financial Officer, assessed the effectiveness of our internal control over financial reporting as of December 30, 2023, and concluded that it was effective as of December 30, 2023.

The effectiveness of our internal control over financial reporting as of December 30, 2023 has been audited by PricewaterhouseCoopers LLP, an independent registered public accounting firm, who also audited our Consolidated Financial Statements included in this Annual Report on Form 10-K, as stated in their report which appears herein.

Changes in Internal Control Over Financial Reporting

There was no change in our internal control over financial reporting during the fiscal quarter ended December 30, 2023 that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.

ITEM 9B. OTHER INFORMATION

During the fourth quarter of 2023, none of our directors or executive officers (as such term is defined in Rule 16a-1(f) promulgated under the Exchange Act) adopted or terminated any Rule 10b5-1 trading arrangement or any non-Rule 10b5-1 trading arrangement (as each term is defined in Item 408 of Regulation S-K).

ITEM 9C. DISCLOSURE REGARDING FOREIGN JURISDICTIONS THAT PREVENT INSPECTIONS

None.

PART III

ITEM 10. DIRECTORS, EXECUTIVE OFFICERS AND CORPORATE GOVERNANCE

The information required by this item regarding directors is incorporated by reference to, and will be contained in, the “Election of Directors” section of our definitive proxy statement for the 2024 Annual and Special Meeting of Shareowners, which is expected to be filed within 120 days after December 30, 2023 (the “2024 Proxy Statement”). The information required by this item regarding executive officers appears as the Supplemental Item in Part I. There have been no material changes to the procedures by which shareholders may recommend nominees to our Board of Directors.

The Audit Committee of our Board of Directors is an “audit committee” for the purposes of Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended. The Audit Committee charter is posted on our website at www.primowatercorp.com. The members of the Audit Committee are Susan E. Cates (Chair), Britta Bomhard and Eric Foss. As required by the NYSE rules, the Board of Directors has determined that each member of the Audit Committee is independent and financially literate and that Ms. Cates qualifies as an “audit committee financial expert” within the meaning of the rules of the U.S. Securities and Exchange Commission.

All of our directors, officers and employees must comply with our Code of Business Conduct and Ethics. In addition, our Chief Executive Officer, Chief Financial Officer and principal accounting officer and certain other employees have a further obligation to comply with our Code of Ethics for Senior Officers. Our Code of Business Conduct and Ethics and our Code of Ethics for Senior Officers are posted on our website, www.primowatercorp.com, and we intend to comply with obligations to disclose any amendment to, or waiver of, provisions of these codes by posting such information on our website.

ITEM 11. EXECUTIVE COMPENSATION

The information required by this item is incorporated by reference to, and will be contained in, the “Compensation of Executive Officers,” “The Human Resources and Compensation Committee Report” and “Compensation Committee Interlocks and Insider Participation” sections of our 2024 Proxy Statement.

ITEM 12. SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT AND RELATED SHAREOWNER MATTERS

The information required by this item is incorporated by reference to, and will be contained in, the “Principal Shareowners,” “Security Ownership of Directors and Management” and “Equity Compensation Plan Information” sections of our 2024 Proxy Statement.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE

The information required by this item is incorporated by reference to, and will be contained in, the “Certain Relationships and Related Transactions” section of our 2024 Proxy Statement.

ITEM 14. PRINCIPAL ACCOUNTANT FEES AND SERVICES

The information required by this item is incorporated by reference to, and will be contained in, the “Independent Registered Certified Public Accounting Firm” section of our 2024 Proxy Statement.

PART IV

ITEM 15. EXHIBITS AND FINANCIAL STATEMENT SCHEDULES

(a) The documents filed as part of this report are as follows:

1. Financial Statements

The consolidated financial statements and accompanying report of a registered independent public accounting firm are listed in the [Index to Consolidated Financial Statements](#) and are filed as part of this report.

2. Financial Statement Schedule

[Schedule II—Valuation and Qualifying Accounts](#) for the Fiscal Years Ended December 30, 2023, December 31, 2022, and January 1, 2022, page [F-45](#) of this Annual Report on Form 10-K.

Report of Independent Registered Public Accounting Firm

To the Board of Directors and Shareholders of Primo Water Corporation

Opinions on the Financial Statements and Internal Control over Financial Reporting

We have audited the accompanying consolidated balance sheets of Primo Water Corporation and its subsidiaries (the “Company”) as of December 30, 2023 and December 31, 2022, and the related consolidated statements of operations, of comprehensive income, of equity and of cash flows for each of the three years in the period ended December 30, 2023, including the related notes and financial statement schedule listed in the index appearing under Item 15(a)(2) (collectively referred to as the “consolidated financial statements”). We also have audited the Company's internal control over financial reporting as of December 30, 2023, based on criteria established in *Internal Control - Integrated Framework* (2013) issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 30, 2023 and December 31, 2022, and the results of its operations and its cash flows for each of the three years in the period ended December 30, 2023 in conformity with accounting principles generally accepted in the United States of America. Also in our opinion, the Company maintained, in all material respects, effective internal control over financial reporting as of December 30, 2023, based on criteria established in *Internal Control - Integrated Framework* (2013) issued by the COSO.

Basis for Opinions

The Company's management is responsible for these consolidated financial statements, for maintaining effective internal control over financial reporting, and for its assessment of the effectiveness of internal control over financial reporting, included in Management's Report on Internal Control Over Financial Reporting appearing under Item 9A. Our responsibility is to express opinions on the Company's consolidated financial statements and on the Company's internal control over financial reporting based on our audits. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement, whether due to error or fraud, and whether effective internal control over financial reporting was maintained in all material respects.

Our audits of the consolidated financial statements included performing procedures to assess the risks of material misstatement of the consolidated financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements. Our audit of internal control over financial reporting included obtaining an understanding of internal control over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. Our audits also included performing such other procedures as we considered necessary in the circumstances. We believe that our audits provide a reasonable basis for our opinions.

Definition and Limitations of Internal Control over Financial Reporting

A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Critical Audit Matters

The critical audit matter communicated below is a matter arising from the current period audit of the consolidated financial statements that was communicated or required to be communicated to the audit committee and that (i) relates to accounts or disclosures that are material to the consolidated financial statements and (ii) involved our especially challenging, subjective, or complex judgments. The communication of critical audit matters does not alter in any way our opinion on the consolidated financial statements, taken as a whole, and we are not, by communicating the critical audit matter below, providing a separate opinion on the critical audit matter or on the accounts or disclosures to which it relates.

Insurance Reserves

As described in Note 1 to the consolidated financial statements, the Company's consolidated insurance reserves balance was \$67.0 million as of December 30, 2023. The Company maintains insurance retention programs under its general liability, auto liability and workers' compensation insurance programs. Management accrues for insurance reserves on an undiscounted basis based on known claims and estimated incurred but not reported claims not otherwise covered by insurance. The estimates are developed utilizing standard actuarial methods and are based on historical claims experience and actuarial assumptions, including loss development factors and expected ultimate loss selections.

The principal considerations for our determination that performing procedures relating to insurance reserves is a critical audit matter are (i) the significant judgment by management when developing the estimated insurance reserves; (ii) a high degree of auditor judgment and effort in performing procedures and evaluating audit evidence related to the standard actuarial methods and management's significant assumptions related to the loss development factors and expected ultimate loss selections; and (iii) the audit effort involved the use of professionals with specialized skill and knowledge.

Addressing the matter involved performing procedures and evaluating audit evidence in connection with forming our overall opinion on the consolidated financial statements. These procedures included testing the effectiveness of controls relating to management's estimate of insurance reserves, including controls over the standard actuarial methods and significant assumptions related to the loss development factors and expected ultimate loss selections and the completeness and accuracy of data related to historical claims experience. These procedures also included, among others, testing management's process for developing the estimated insurance reserves. Testing management's process involved (i) evaluating the appropriateness of the standard actuarial methods; (ii) testing the completeness and accuracy of data related to historical claims experience; and (iii) evaluating the reasonableness of the significant assumptions used by management related to the loss development factors and expected ultimate loss selections. Professionals with specialized skill and knowledge were used to assist in evaluating (i) the appropriateness of the Company's standard actuarial methods and (ii) the reasonableness of the loss development factor and expected ultimate loss selection significant assumptions.

Notes to Consolidated Financial Statements

Description of Business

On March 2, 2020, Cott Corporation completed the acquisition of Primo Water Corporation ("Legacy Primo" and such transaction, the "Legacy Primo Acquisition"). In connection with the closing of the Legacy Primo Acquisition, Cott Corporation changed its corporate name to Primo Water Corporation ("Primo") and its ticker symbol on the New York Stock Exchange and Toronto Stock Exchange to "PRMW". The Legacy Primo Acquisition is consistent with our strategy of transitioning to a pure-play water solutions provider. As used herein, "Primo," "the Company," "our Company," "Primo Water Corporation," "we," "us," or "our" refers to Primo Water Corporation, together with its consolidated subsidiaries.

Primo is a leading North America-focused pure-play water solutions provider that operates largely under a recurring revenue model in the large format water category (defined as 3 gallons or greater). This business strategy is commonly referred to as "razor-razorblade" because the initial sale of a product creates a base of users who frequently purchase complementary consumable products. The razor in Primo's revenue model is its industry leading line-up of innovative water dispensers, which are sold through approximately 10,900 retail locations and online at various price points. The dispensers help increase household and business penetration which drives recurring purchases of Primo's razorblade offering or water solutions. Primo's razorblade offering is comprised of Water Direct, Water Exchange, and Water Refill. Through its Water Direct business, Primo delivers sustainable hydration solutions direct to customers, whether at home or to businesses. Through its Water Exchange business, customers visit retail locations and purchase a pre-filled bottle of water. Once consumed, empty bottles are exchanged at our recycling center displays, which provide a ticket that offers a discount toward the purchase of a new bottle. Water Exchange is available in approximately 17,500 retail locations. Through its Water Refill business, customers refill empty bottles at approximately 23,500 self-service refill drinking water stations. Primo also offers water filtration units across North America.

Primo's water solutions expand consumer access to purified, spring and mineral water to promote a healthier, more sustainable lifestyle while simultaneously reducing plastic waste and pollution. Primo is committed to its water stewardship standards and is proud to partner with the International Bottled Water Association in North America which ensures strict adherence to safety, quality, sanitation and regulatory standards for the benefit of consumer protection. Environmental stewardship is a part of who we are, and we have worked to progressively achieve carbon neutrality throughout our organization. Our U.S. operations achieved carbon neutral certification in 2020 under the Carbon Neutral Protocol, an international standard administered by Climate Impact Partners. In 2021, Primo announced its planned exit from the North American small-format retail water business. This business was relatively small and used predominantly single-use plastic bottles. The exit from this category reduced single-use retail water bottles from our production environment by more than 400 million, annually, while also improving overall margins. The exit was completed during the second quarter of 2022.

Note 1—Summary of Significant Accounting Policies

Basis of Presentation

These Consolidated Financial Statements have been prepared in accordance with U.S. generally accepted accounting principles ("GAAP") using the U.S. dollar as the reporting currency, as the majority of our business and the majority of our shareholders are in the United States.

Our fiscal year is based on either a 52- or 53-week period ending on the Saturday closest to December 31. For the fiscal years ended December 30, 2023, December 31, 2022 and January 1, 2022, we had 52 weeks of activity.

Basis of Consolidation

The Consolidated Financial Statements include our accounts, our wholly-owned and majority-owned subsidiaries that we control. All intercompany transactions and accounts have been eliminated in consolidation.

Discontinued Operations

On November 2, 2023, Primo and Osmosis Buyer Limited, a company incorporated in England and a subsidiary of the Culligan Group ("Purchaser"), entered into a Share Purchase Agreement (the "Purchase Agreement") providing for the sale of Carbon Luxembourg S.à.r.l. and certain of its subsidiaries (the "European Business"). On December 29, 2023, Primo completed the sale of the European Business for aggregate deal consideration of \$575.0 million, adjusted for customary purchase price adjustments resulting in total cash consideration of \$565.9 million (the "European Divestiture"). The European Divestiture did not include Primo's interests in Aimia Foods Limited ("Aimia"), Decantae Mineral Water Limited ("Decantae"), Fonthill Waters Ltd ("Fonthill"), John Farrer & Company Limited ("Farrers"), the portions of the Eden Springs Netherlands B.V. business located in the United Kingdom, Israel, and Portugal (collectively the "Remaining International Businesses"). The European Business and the Remaining International Businesses are collectively the "International Businesses." This deal is the first of several transactions that will occur in 2024 as part of a Board-approved plan to sell all of our international businesses representing a strategic shift in our operations. Accordingly, the International Businesses are presented herein as discontinued operations.

For all periods presented, the operating results associated with the International Businesses have been reclassified into net income (loss) from discontinued operations, net of income taxes in the Consolidated Statements of Operations and the assets and liabilities associated with this business have been reflected as current and long-term assets and liabilities of discontinued operations in the Consolidated Balance Sheets. Cash flows from the Company's discontinued operations are presented in the Consolidated Statements of Cash Flows for all periods presented. The Notes to Consolidated Financial Statements are presented on a continuing operations basis unless otherwise noted. See Note 2 to the Consolidated Financial Statements for additional information on discontinued operations.

Changes in Presentation

At the beginning of 2023, our business operated through two reporting segments: (i) North America, which included our DS Services of America, Inc. ("DSS"), Aquaterra Corporation ("Aquaterra"), Mountain Valley Spring Company ("Mountain Valley") and the businesses associated with the acquisition of Primo Water Corporation ("Legacy Primo"), and (ii) Europe, which included the European business of Eden Springs Netherlands B.V. ("Eden Europe"), and our Decantae and Fonthill businesses. The Other category included the Israel business of Eden ("Eden Israel"), and our Aimia and Farrers businesses, as well as our corporate oversight function and other miscellaneous expenses.

During the fourth quarter of 2023, we reviewed and realigned our reporting segments to exclude the businesses within discontinued operations which reflects how the business will be managed and results will be evaluated by the Chief Executive Officer, who is the Company's chief operating decision maker. Following such review, our one reporting segment is North America, which includes our DSS, Aquaterra, Mountain Valley and Legacy Primo businesses. The Other category includes our corporate oversight function and other miscellaneous expenses and the results of our business in Russia prior to the exit of the business during the third quarter of 2022. Segment reporting results have been recast to reflect these changes for all periods presented.

Estimates

The preparation of these Consolidated Financial Statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amount of revenue and expenses during the reporting period. Actual results could differ from those estimates. The Consolidated Financial Statements include estimates and assumptions that, in the opinion of management, were significant to the underlying amounts representing the future valuation of intangible assets, long-lived assets and goodwill, insurance reserves, realization of deferred income tax assets, and the resolution of tax contingencies.

Revenue Recognition

We recognize revenue, net of sales returns, when ownership passes to customers for products manufactured in our own plants and/or by third-parties on our behalf, and when prices to our customers are fixed or determinable and collection is reasonably assured. This may be upon shipment of goods or upon delivery to the customer, depending on contractual terms. Shipping and handling costs paid by the customer to us are included in revenue. Although we occasionally accept returns of products from our customers, historically returns have not been material.

We also recognize rental income on filtration, brewers and dispensing equipment at customer locations based on the terms of the related rental agreements, which are generally measured based on 28-day periods. Amounts billed to customers for rental in future periods are deferred and included in Accounts payable and accrued liabilities on the Consolidated Balance Sheets.

Sales Incentives

We participate in various incentive programs with our customers, including volume-based incentives, contractual rebates and promotional allowances. Volume incentives are based on our customers achieving volume targets for a period of time. Volume incentives and contractual rebates are deducted from revenue and accrued as the incentives are earned and are based on management's estimate of the total the customer is expected to earn and claim. Promotional allowances are accrued at the time of revenue recognition and are deducted from revenue based on either the volume shipped or the volume sold at the retailer location, depending on the terms of the allowance. We regularly review customer sales forecasts to ensure volume targets will be met and adjust incentive accruals and revenues accordingly.

Cost of Sales

We record costs associated with the manufacturing of our products in Cost of sales in the Consolidated Statements of Operations. Finished goods inventory costs include the cost of direct labor and materials and the applicable share of overhead expense chargeable to production.

Shipping and handling costs incurred to store, prepare and move products between production facilities or from production facilities to branch locations or storage facilities are recorded in cost of sales. Shipping and handling costs incurred to deliver products from our North America reporting segment branch locations to the end-user consumer of those products are recorded in Selling, general and administrative ("SG&A") expenses in the Consolidated Statements of Operations. Shipping and handling costs included in SG&A were \$456.5 million, \$426.1 million, and \$366.3 million for the fiscal years ended December 30, 2023, December 31, 2022, and January 1, 2022, respectively.

Other costs incurred in shipment of products from our production facilities to customer locations are reflected in Cost of sales in the Consolidated Statements of Operations.

Selling, General and Administrative Expenses

We record all other expenses not charged to production as SG&A expenses.

Advertising costs are expensed at the commencement of an advertising campaign and are recognized as a component of SG&A expenses in the Consolidated Statements of Operations. Advertising costs expensed were approximately \$15.8 million, \$15.6 million, and \$14.1 million for the fiscal years ended December 30, 2023, December 31, 2022, and January 1, 2022, respectively.

Share-Based Compensation

We have in effect equity incentive plans under which Time-based RSUs, Performance-based RSUs, non-qualified stock options and director share awards have been granted (as such terms are defined in Note 8 of the Consolidated Financial Statements). Share-based compensation expense for all share-based compensation awards is based on the grant-date fair value. We recognize these compensation costs on a straight-line basis over the requisite service period of the award, which is generally the vesting term of two to three years, and account for forfeitures when they occur.

The fair value of the Company's Time-based RSUs, certain Performance-based RSUs and director share awards are based on the closing market price of its common shares on the date of grant as stated on the NYSE. We estimate the fair value of non-qualified options as of the date of grant using the Black-Scholes option pricing model. This model considers, among other factors, the expected life of the award, the expected volatility of the Company's share price, and expected dividends. We estimate the fair value of certain Performance-based RSUs that vest, in part, based on the achievement of our total shareholder return ("TSR") relative to the TSR attained by companies within our defined peer group ("Relative TSR") as of grant using the Monte Carlo Simulation model. This model considers, among other factors, the expected life of the award, the expected volatility of the Company's share price, a risk-free interest rate and expected dividends.

The Company records share-based compensation expense in SG&A expenses in the Consolidated Statements of Operations.

All excess tax benefits and tax deficiencies related to share-based compensation are recognized in results of operations at settlement or expiration of the award. The excess tax benefit or deficiency is calculated as the difference between the grant date price and the price of our common shares on the vesting or exercise date.

Cash and Cash Equivalents

Cash and cash equivalents include all highly liquid investments with original maturities not exceeding three months at the time of purchase. The fair values of our cash and cash equivalents approximate the amounts shown on our Consolidated Balance Sheets due to their short-term nature.

Accounts Receivable, Net of Allowance for Credit Losses

All trade accounts receivable are uncollected amounts owed to us from transactions with our customers. Trade accounts receivable represent amounts billed to customers and not yet collected, and are presented net of allowance for credit losses. We estimate an allowance for credit losses based on historical loss experience, adverse situations that may affect a customer's ability to pay, current conditions, reasonable and supportable forecasts and current economic outlook. Customer demographic, such as large commercial customers as compared to small businesses or individual customers, and the customer's geographic market are also considered when estimating credit losses. Historical loss experience was based on actual loss rates over a one year period. Additionally, we evaluate current conditions and review third-party economic forecasts on a quarterly basis to determine the impact on the allowance for credit losses. The assumptions used in determining an estimate of credit losses are inherently subjective and actual results may differ significantly from estimated reserves.

Inventories

Inventories are stated at the lower of cost, determined on the first-in, first-out method, or net realizable value. Finished goods and work-in-process include the inventory costs of raw materials, direct labor and manufacturing overhead costs. As a result, we use an inventory reserve to adjust our inventory costs down to a net realizable value and to reserve for estimated obsolescence of both raw materials and finished goods.

Customer Deposits

The Company generally collects deposits on multi-gallon bottles used by our water delivery customers. Such deposits are refunded only after customers return such bottles in satisfactory condition. The associated bottle deposit liability is estimated based on the number of water customers, average consumption and return rates and bottle deposit market rates. The Company analyzes these assumptions quarterly and adjusts the bottle deposit liability as necessary.

Property, Plant and Equipment, Net

Property, plant and equipment, net are stated at cost less accumulated depreciation. Depreciation is allocated between Cost of sales and SG&A expenses in the Consolidated Statement of Operations and is determined using the straight-line method over the estimated useful lives of the assets.

Leasehold improvements are amortized using the straight-line method over the remaining life of the lease or useful life of the asset, whichever is shorter. Maintenance and repairs are charged to operating expense when incurred.

Leases

We have operating and finance leases for manufacturing and production facilities, branch distribution and warehouse facilities, vehicles and machinery and equipment. At inception, we determine whether an agreement represents a lease and, at commencement, we evaluate each lease agreement to determine whether the lease constitutes an operating or financing lease. Some of our lease agreements have renewal options, tenant improvement allowances, rent holidays and rent escalation clauses.

Right-of-use lease assets represent our right to use the underlying asset for the lease term, and the operating lease obligation represents our commitment to make the lease payments arising from the lease. We have elected not to recognize on the balance sheet leases with terms of one-year or less. We have also elected not to separate lease components from non-lease components for all fixed payments. Lease liabilities and their corresponding right-of-use assets are recorded based on the present value of lease payments over the expected lease term. The interest rate implicit in lease contracts is typically not readily determinable. As such, we utilize the appropriate incremental borrowing rate, which is the rate incurred to borrow on a collateralized basis over a similar term an amount equal to the lease payments in a similar economic environment. Certain adjustments to the right-of-use asset may be required for items such as initial direct costs paid or incentives received. The lease term may include options to extend or terminate the lease when it is reasonably certain that we will exercise that option. Operating lease expense is recognized on a straight-line basis over the lease term, subject to any changes in the lease or expectations regarding the terms.

Goodwill

Goodwill represents the excess purchase price of acquired businesses over the fair value of the net assets acquired. Goodwill is not amortized, but instead is tested for impairment at least annually.

Prior period amounts have been recast to reflect the changes disclosed in the "Changes in Presentation" section of Note 1 to the Consolidated Financial Statements above.

The following table summarizes goodwill as of December 30, 2023 and December 31, 2022:

(in millions of U.S. dollars)	North America		Other		Total
Goodwill as of January 1, 2022	\$	994.1	\$	—	\$ 994.1
Goodwill acquired during the year		4.4		—	4.4
Measurement period adjustments		1.1		—	1.1
Foreign exchange		(2.4)		—	(2.4)
Goodwill as of December 31, 2022	\$	997.2	\$	—	\$ 997.2
Goodwill acquired during the year		4.3		2.1	6.4
Measurement period adjustments		(0.1)		—	(0.1)
Foreign exchange		1.0		0.1	1.1
Goodwill as of December 30, 2023	\$	1,002.4	\$	2.2	\$ 1,004.6

The Company operates through its North America operating segment, which is also its sole reportable segment.

We test goodwill for impairment at least annually on the first day of the fourth quarter, based on our reporting unit carrying values, calculated as total assets less non-interest bearing liabilities, as of the end of the third quarter, or more frequently if we determine a triggering event has occurred during the year.

We evaluate goodwill for impairment on a reporting unit basis, which is an operating segment or a level below an operating segment, referred to as a component. A component of an operating segment is a reporting unit if the component constitutes a business for which discrete financial information is available and management regularly reviews the operating results of that component. However, two or more components of an operating segment can be aggregated and deemed a single reporting unit if the components have similar economic characteristics. Our North America operating segment was determined to have three components: DSS, Aquaterra, and Mountain Valley. We have determined that DSS and Aquaterra have similar economic characteristics and have aggregated them as a single reporting unit for the purpose of testing goodwill for impairment ("DSSAqua"). Therefore, for the purpose of testing goodwill for impairment for the fiscal year ended December 30, 2023, we have determined our reporting units are DSSAqua and Mountain Valley.

We had goodwill of \$1,004.6 million on our Consolidated Balance Sheet as of December 30, 2023, which represents amounts for the DSSAqua and Mountain Valley reporting units, as well as goodwill within our Other category.

For purposes of the annual test for the fiscal year ended December 30, 2023, we elected to perform a qualitative assessment for all reporting units to assess whether it was more likely than not that the fair value of these reporting units exceeded their respective carrying values. In performing these assessments, management relied on a number of factors including, but not limited to, macroeconomic conditions, industry and market considerations, cost factors that would have a negative effect on earnings and cash flows, overall financial performance compared with forecasted projections in prior periods, and other relevant reporting unit events, the impact of which are all significant judgments and estimates. Based on these factors, management concluded that it was more likely than not that the fair values of our reporting units were greater than their respective carrying amounts, including goodwill, indicating no impairment during the fiscal year ended December 30, 2023. As of December 30, 2023, goodwill allocated to the DSSAqua and Mountain Valley reporting units was \$986.4 million and \$16.0 million, respectively.

Each year during the fourth quarter, we re-evaluate the assumptions used in our assessments, such as revenue growth rates, SG&A expenses, capital expenditures and discount rates, to reflect any significant changes in the business environment that could materially affect the fair value of our reporting units. Based on the evaluations performed in 2023, we determined that the fair value of each of our reporting units exceeded their carrying amounts.

There are inherent uncertainties related to each of the above listed assumptions, and our judgment in applying them. Changes in the assumptions used in our qualitative assessment could result in impairment charges that could be material to our Consolidated Financial Statements in any given period.

Refer to Note 2 to the Consolidated Financial Statements for discussion regarding goodwill for the discontinued operations entities.

Intangible Assets, Net

As of December 30, 2023, our intangible assets subject to amortization, net of accumulated amortization, were \$333.0 million, consisting principally of \$310.7 million of customer relationships that arose from acquisitions, \$13.8 million of software, and \$5.9 million of patents. Customer relationships are typically amortized over the period for which we expect to receive the economic benefits. The customer relationship intangible assets acquired in our acquisitions are amortized over the expected remaining useful life of those relationships on a basis that reflects the pattern of realization of the estimated undiscounted after-tax cash flows. We review the estimated useful life of these intangible assets annually, unless a review is required more frequently due to a triggering event, such as a loss of a significant customer. Our review of the estimated useful life takes into consideration the specific net cash flows related to the intangible asset. The permanent loss of, or significant decline in sales to customers included in the intangible asset would result in either an impairment in the value of the intangible asset or an accelerated amortization of any remaining value and could lead to an impairment of the fixed assets that were used to service that customer. We did not record impairment charges for our intangible assets subject to amortization in the fiscal years ended December 30, 2023, December 31, 2022, and January 1, 2022.

Our intangible assets with indefinite lives relate primarily to trademarks acquired in the acquisition of Legacy Primo, trademarks acquired in the acquisition of DSS, one of the trademarks acquired in the acquisition of Aquaterra, trademarks acquired in the acquisition of Mountain Valley, and trademarks acquired in the acquisition of Crystal Rock (collectively, the "Trademarks"). These assets have an aggregate net book value of \$379.7 million as of December 30, 2023. There are no legal, regulatory, contractual, competitive, economic, or other factors that limit the useful life of these intangible assets.

The lives of the Trademarks are considered to be indefinite and therefore these intangible assets are not amortized. Rather, they are tested for impairment at least annually or more frequently if we determine a triggering event has occurred

during the year. We compare the carrying amount of the intangible asset to its fair value and when the carrying amount is greater than the fair value, we recognize an impairment loss.

We assessed qualitative factors to determine whether the existence of events or circumstances indicated that it was more likely than not that the fair value of the Trademarks were less than their respective carrying value. The qualitative factors we assessed included macroeconomic conditions, industry and market considerations, cost factors that would have a negative effect on earnings and cash flows, overall financial performance compared with forecasted projections in prior periods, and other relevant events, the impact of which are all significant judgments and estimates. During the fourth quarter of 2023, we concluded that it was more likely than not that the fair value of the Trademarks were more than their carrying value and therefore we were not required to perform any additional testing.

There are inherent uncertainties related to each of the above listed assumptions, and our judgment in applying them. Changes in the assumptions used in our qualitative assessment could result in impairment charges that could be material to our Consolidated Financial Statements in any given period.

Refer to Note 2 to the Consolidated Financial Statements for discussion regarding intangible assets for the discontinued operations entities.

Impairment and Disposal of Long-Lived Assets

When adverse events occur, we compare the carrying amount of long-lived assets to the estimated undiscounted future cash flows at the lowest level of independent cash flows for the group of long-lived assets and recognize any impairment loss based on discounted cash flows in the Consolidated Statements of Operations, taking into consideration the timing of testing and the asset's remaining useful life. The expected life and value of these long-lived assets is based on an evaluation of the competitive environment, history and future prospects as appropriate. We did not record impairments of long-lived assets during the fiscal years ended December 30, 2023, December 31, 2022, and January 1, 2022.

As part of normal business operations, we identify long-lived assets that are no longer productive and dispose of them. We recognized losses on disposals of property, plant and equipment, net of \$9.1 million, \$7.4 million, and \$9.1 million for the fiscal years ended December 30, 2023, December 31, 2022, and January 1, 2022, respectively. Losses on disposals of assets are presented separately as part of operating income in the Consolidated Statements of Operations.

During the second quarter of 2022, our Board of Directors approved the exit from our business in Russia. Accordingly, we recorded an impairment charge of \$11.2 million during the second quarter to reduce the carrying value of the assets to the estimated fair value less costs to sell. The impairment charge of \$11.2 million to reduce the carrying value of the Russia business to its estimated fair value less costs to sell is included within impairment charges on the Consolidated Statements of Operations for the twelve months ended December 31, 2022 and is included within the Other category. The exit of our business in Russia was completed during the third quarter of 2022.

Insurance Reserves

We maintain insurance retention programs under our general liability, auto liability, and workers' compensation insurance programs. We also carry excess coverage to mitigate catastrophic losses. We use an independent third-party actuary to assist in determining our insurance reserves. Insurance reserves are accrued on an undiscounted basis based on known claims and estimated incurred but not reported claims not otherwise covered by insurance. The estimates are developed utilizing standard actuarial methods and are based on historical claims experience and actuarial assumptions, including loss development factors and expected ultimate loss selections. The inherent uncertainty of future loss projections could cause actual claims to differ from our estimates. The Company recorded insurance reserves of \$67.0 million and \$58.7 million as of December 30, 2023 and December 31, 2022, respectively, within Accounts payable and accrued liabilities and Other long-term liabilities in the Consolidated Balance Sheets, of which \$8.8 million and \$12.3 million, respectively, was covered by insurance and included as a component of Accounts receivable, net of allowance and Other long-term assets in the Consolidated Balance Sheets.

Foreign Currency Translation

The assets and liabilities of non-U.S. active operations, all of which are self-sustaining, are translated to U.S. dollars at the exchange rates in effect at the balance sheet dates. Revenues and expenses are translated using average monthly exchange rates prevailing during the period. The resulting gains or losses are recorded in Accumulated other comprehensive loss in the Consolidated Balance Sheets.

Income Taxes

We account for income taxes under the asset and liability method. Deferred tax assets and liabilities are recognized based on the differences between the financial statement carrying amount of assets and liabilities and their respective tax bases, using currently enacted income tax rates. A valuation allowance is established to reduce deferred income tax assets if, on the basis of available evidence, it is not more likely than not that all or a portion of any deferred tax assets will be realized. The consideration of available evidence requires significant management judgment including an assessment of the future periods in which the deferred tax assets and liabilities are expected to be realized and projections of future taxable income.

The ultimate realization of the deferred tax assets, including net operating losses, is dependent upon the generation of future taxable income during the periods prior to their expiration. If our estimates and assumptions about future taxable income are not appropriate, the value of our deferred tax assets may not be recoverable, which may result in an increase to our valuation allowance that will impact current earnings.

We account for uncertain tax positions using a two-step process. The first step is to evaluate the tax position for recognition by determining if the weight of available evidence indicates that it is more likely than not that the position will be sustained on audit, including resolution of related appeals or litigation processes, based on the technical merits. The second step requires management to estimate and measure the tax benefit as the largest amount that is more than 50% likely to be realized upon ultimate settlement. It is inherently difficult and subjective to estimate such amounts, as we have to determine the probability of various possible outcomes. We re-evaluate these uncertain tax positions on a quarterly basis. This evaluation is based on factors including, but not limited to, changes in facts or circumstances, changes in tax law, effectively settled issues under audit, and new audit activity. Such a change in recognition or measurement would result in the recognition of a tax benefit or an additional charge to the tax provision.

We recognize interest and penalties related to unrecognized tax benefits within the Income tax expense (benefit) line in the Consolidated Statements of Operations, and we include accrued interest and penalties within the Other long-term liabilities line in the Consolidated Balance Sheets.

Concentration of Credit Risk

The Company's financial instruments that are exposed to concentrations of credit risk consist primarily of cash and cash equivalents. As of December 30, 2023 and December 31, 2022, cash and cash equivalents were maintained at major financial institutions in the United States, and current deposits are in excess of insured limits. The Company believes these institutions have sufficient assets and liquidity to conduct their operations in the ordinary course of business with little or no credit risk to the Company. The Company has not experienced any losses in such accounts.

Recently Adopted Accounting Pronouncements

Update ASU 2020-04 – Reference Rate Reform (Topic 848)

In March 2020, the FASB issued guidance which provides expedients and exceptions to account for contracts, hedging relationships and other transactions that reference LIBOR or any other reference rates expected to be discontinued because of reference rate reform. This guidance is effective as of March 12, 2020 through December 31, 2022 (updated to December 31, 2024 by the December 2022 issuance of Accounting Standards Update ("ASU") 2022-06) and may be applied prospectively to contract modifications made and hedging relationships entered into or evaluated on or before December 31, 2024. We elected to apply the debt agreement expedient and therefore will account for debt agreement amendments as if the modification was not substantial and thus a continuation of the existing contract. Effective January 13, 2023, we entered into the Second LIBOR Transition Amendment to the Credit Agreement, which transitioned the credit agreement from LIBOR to the Secured Overnight Financing Rate ("SOFR"). The amendment did not have a material impact on our Consolidated Financial Statements.

Update ASU 2021-08 – Business Combinations (Topic 805)

In October 2021, the FASB issued guidance that requires entities to use principles in ASC 606 to recognize and measure contract assets and liabilities in revenue contracts acquired in a business combination rather than fair value. For public entities, this guidance is effective for fiscal years beginning after December 15, 2022 for annual and interim periods. The adoption of this standard did not have a material impact on our Consolidated Financial Statements.

Recently Issued Accounting Pronouncements Not Yet Adopted

Update ASU 2023-06 – Disclosure Improvements - Codification Amendments in Response to the SEC’s Disclosure Update and Simplification Initiative

In October 2023, the FASB issued guidance to modify the disclosure and presentation requirements of a variety of codification topics by aligning them with the SEC’s regulations. This guidance is effective for the Company no later than June 30, 2027. We are currently assessing the impact of adoption of this standard on our Consolidated Financial Statements.

Update ASU 2023-07 – Segment Reporting (Topic 280) - Improvements to Reportable Segment Disclosures

In November 2023, the FASB issued guidance to improve the disclosures about a public entity’s reportable segments and provide for the disclosure of additional and more detailed information about a reportable segment’s expenses. This guidance is effective for the Company effective for fiscal years beginning after December 15, 2023, and interim periods within fiscal years beginning after December 15, 2024. The amendments in this update should be applied retrospectively to all prior periods presented in the financial statements. Early adoption is permitted. We are currently assessing the impact of adoption of this standard on our Consolidated Financial Statements.

Update ASU 2023-09 – Income Taxes (Topic 740) - Improvements to Income Tax Disclosures

In December 2023, the FASB issued guidance to enhance the transparency and decision usefulness of income tax disclosures through improvements to disclosures primarily related to the rate reconciliation and income taxes paid information. This guidance is effective for the Company for annual periods beginning after December 15, 2024. Early adoption is permitted. We are currently assessing the impact of adoption of this standard on our Consolidated Financial Statements.

Note 2—Discontinued Operations

International Businesses

On December 29, 2023, the Company completed the European Divestiture for aggregate deal consideration of \$575.0 million, adjusted for customary purchase price adjustments resulting in total cash consideration of \$565.9 million (see Note 1 to the Consolidated Financial Statements). The proceeds from the European Divestiture were included in Investing activities of discontinued operations in the Consolidated Statements of Cash Flows for the fiscal year ended December 30, 2023. The European Divestiture excluded the Remaining International Businesses. This deal is the first of several transactions that will occur in 2024 as part of a Board-approved plan to sell all of our international businesses representing a strategic shift in our operations. Accordingly, the International Businesses are presented herein as discontinued operations for all periods presented.

In connection with the European Divestiture, the Company and the Purchaser entered into a transition services agreement pursuant to which the Purchaser will provide certain information technology and shared service center services to the Company for various periods. For the year ended December 30, 2023, these services were not material.

The major components of Net income (loss) from discontinued operations, net of income taxes in the accompanying Consolidated Statements of Operations include the following:

(in millions of U.S. dollars)	For the Fiscal Year Ended					
	December 30, 2023		December 31, 2022		January 1, 2022	
Revenue, net	\$	575.0	\$	521.9	\$	496.9
Cost of sales		267.7		247.7		230.5
Gross profit		307.3		274.2		266.4
Selling, general and administrative expenses		271.2		267.6		264.5
Loss on disposal of property, plant and equipment, net		0.7		1.1		0.2
Acquisition and integration expenses		0.9		3.2		1.7
Impairment charges		82.4		17.9		—
Operating loss from discontinued operations		(47.9)		(15.6)		—
Other (income) expense, net		(19.4)		11.3		5.8
Interest expense, net		3.1		2.0		0.5
Gain on sale of discontinued operations		(214.7)		—		—
Income (loss) from discontinued operations, before income taxes	\$	183.1	\$	(28.9)	\$	(6.3)
Income tax expense		8.8		0.2		1.8
Net income (loss) from discontinued operations, net of income taxes	\$	174.3	\$	(29.1)	\$	(8.1)

Assets and liabilities of discontinued operations presented in the accompanying Consolidated Balance Sheets as of December 30, 2023 and December 31, 2022 include the following:

	December 30, 2023	December 31, 2022
ASSETS		
Cash and cash equivalents	\$ 22.6	\$ 43.8
Accounts receivable, net of allowance of \$3.4 (\$8.5 as of December 31, 2022)	67.4	87.9
Inventories	31.9	46.8
Prepaid expenses and other current assets	6.8	8.8
Current assets of discontinued operations	\$ 128.7	\$ 187.3
Property, plant and equipment, net	83.7	164.9
Operating lease right-of-use-assets	37.9	55.4
Goodwill	48.5	295.8
Intangible assets, net	61.5	170.9
Other long-term assets, net ¹	(6.0)	2.4
Long-term assets of discontinued operations	\$ 225.6	\$ 689.4
LIABILITIES		
Short-term borrowings	\$ 18.4	\$ 6.5
Current maturities of long-term debt	3.5	6.6
Accounts payable and accrued liabilities	83.4	142.5
Current operating lease obligations	4.6	9.1
Current liabilities of discontinued operations	\$ 109.9	\$ 164.7
Long-term debt	9.2	31.5
Operating lease obligations	33.6	46.9
Deferred tax liabilities	7.0	27.5
Other long-term liabilities	2.4	9.8
Long-term liabilities of discontinued operations	\$ 52.2	\$ 115.7

¹ Includes the impairment recorded to reduce the carrying value of the Remaining International Businesses to the fair value less costs to sell.

In connection with the European Divestiture, the Company performed a goodwill impairment test on the Remaining International Businesses resulting in a goodwill impairment charge of \$71.1 million and an intangible asset impairment charge of \$4.3 million. This impairment was due to macroeconomic trends and the related impact on long-term forecasts. Upon the classification of the Remaining International Businesses as held for sale, the Company recorded an additional impairment loss of \$7.0 million to reduce the carrying value of the International Businesses to fair value less costs to sell, resulting in a total impairment charge of \$82.4 million that was recorded within Net income (loss) from discontinued operations, net of income tax on the Consolidated Statements of Operations for the fiscal year ended December 30, 2023. There was \$3.0 million tax benefit recorded related to this charge for the fiscal year ended December 30, 2023.

During the second quarter of 2022, the decision to exit our business in Russia and the realignment of segments resulted in a triggering event for goodwill and intangible assets with indefinite lives requiring quantitative assessments for the combined Eden business (which, prior to realignment, included the Eden Europe and Eden Israel businesses) immediately before the realignment of segments and for the Eden Europe and Israel businesses upon realignment of segments. As a result of these assessments, the Company recorded a goodwill impairment charge of \$11.2 million due to a decrease in cash flows associated with the exit from our business in Russia and a trademark impairment charge of \$6.7 million due primarily to a decrease in the royalty rate used in the quantitative analysis. The total impairment charge of \$17.9 million was recorded in the results of discontinued operations for the fiscal year ended December 31, 2022.

Note 3—Leases

We have operating and finance leases for manufacturing and production facilities, branch distribution and warehouse facilities, vehicles and machinery and equipment. The remaining terms on our finance leases range from one year to 8 years, while our operating leases range from one year to 17 years, some of which may include options to extend the leases generally between one year and 10 years, and some of which may include options to terminate the leases within one year.

The components of lease expense were as follows:

(in millions of U.S. dollars)	For the Fiscal Year Ended			
	December 30, 2023		December 31, 2022	
Operating lease cost	\$	39.9	\$	37.4
Short-term lease cost		3.8	\$	2.8
Finance lease cost				
Amortization of right-of-use assets	\$	11.7	\$	12.4
Interest on lease liabilities		2.2		2.7
Total finance lease cost	\$	13.9	\$	15.1
Sublease income	\$	1.7	\$	1.4

Supplemental cash flow information related to leases was as follows:

(in millions of U.S. dollars)	For the Fiscal Year Ended			
	December 30, 2023		December 31, 2022	
Cash paid for amounts included in the measurement of lease liabilities:				
Operating cash flows from operating leases	\$	39.1	\$	35.7
Operating cash flows from finance leases	\$	2.2	\$	2.6
Financing cash flows from finance leases	\$	11.5	\$	12.0
Right-of-use assets obtained in exchange for lease obligations:				
Operating leases	\$	28.8	\$	42.4
Finance leases	\$	10.9	\$	3.3

Supplemental balance sheet information related to leases was as follows:

(in millions of U.S. dollars, except lease term and discount rate)	December 30, 2023	December 31, 2022
Operating leases		
Operating lease right-of-use assets	\$ 136.0	\$ 143.2
Current operating lease obligations	25.6	26.6
Operating lease obligations	124.0	127.6
Total operating lease obligations	\$ 149.6	\$ 154.2
Financing leases		
Property, plant and equipment, net	\$ 45.0	\$ 45.7
Current maturities of long-term debt	14.2	10.9
Long-term debt	33.4	37.4
Total finance lease obligations	\$ 47.6	\$ 48.3
Weighted-Average Remaining Lease Term	December 30, 2023	December 31, 2022
Operating leases	7.3 years	7.8 years
Finance leases	3.4 years	4.4 years
Weighted-Average Discount Rate		
Operating leases	6.6 %	6.5 %
Finance leases	5.5 %	5.1 %

Maturities of operating lease obligations were as follows:

(in millions of U.S. dollars)	December 30, 2023
2024	\$ 35.9
2025	34.1
2026	25.8
2027	21.8
2028	12.7
Thereafter	63.8
Total lease payments	194.1
Less imputed interest	(44.5)
Present value of lease obligations	\$ 149.6

Maturities of finance lease obligations were as follows:

(in millions of U.S. dollars)	December 30, 2023
2024	\$ 16.7
2025	16.2
2026	13.1
2027	4.6
2028	2.0
Thereafter	0.3
Total lease payments	52.9
Less imputed interest	(5.3)
Present value of lease obligations	\$ 47.6

Note 4—Revenue

Our principal sources of revenue are from bottled water delivery direct to consumers primarily in North America from providing multi-gallon purified bottled water, self-service refill drinking water and water dispensers through retailers in North America for the fiscal years ended December 30, 2023, December 31, 2022 and January 1, 2022.

Revenue is recognized, net of sales returns, when a customer obtains control of promised goods or services in an amount that reflects the consideration we expect to receive in exchange for those goods or services. We measure revenue based on the consideration specified in the customer arrangement, and revenue is recognized when the performance obligations in the customer arrangement are satisfied. A performance obligation is a contractual promise to transfer a distinct service to the customer. The transaction price of a contract is allocated to each distinct performance obligation and recognized as revenue when the customer receives the benefit of the performance obligation. Customers typically receive the benefit of our services as they are performed. Substantially all our customer contracts require that we be compensated for services performed to date. This may be upon shipment of goods or upon delivery to the customer, depending on contractual terms.

Shipping and handling costs paid by the customer to us are included in revenue and costs incurred by us for shipping and handling activities that are performed after a customer obtains control of the product are accounted for as fulfillment costs.

In addition, we exclude from net revenue and cost of sales taxes assessed by governmental authorities on revenue-producing transactions.

Although we occasionally accept returns of products from our customers, historically returns have not been material.

Contract Estimates

The nature of certain of the Company's contracts give rise to variable consideration including cash discounts, volume-based rebates, point of sale promotions, and other promotional discounts to certain customers. For all promotional programs and discounts, the Company estimates the rebate or discount that will be granted to the customer and records an accrual upon invoicing. These estimated rebates or discounts are included in the transaction price of the Company's contracts with customers as a reduction to net revenues and are included as accrued sales incentives in accounts payable and accrued liabilities in the Consolidated Balance Sheets. This methodology is consistent with the manner in which the Company historically estimated and recorded promotional programs and discounts. Accrued sales incentives were \$7.7 million and \$6.2 million as of December 30, 2023 and December 31, 2022, respectively.

We do not disclose the value of unsatisfied performance obligations for contracts (i) with an original expected length of one year or less or (ii) for which the Company recognizes revenue at the amount in which it has the right to invoice as the product is delivered.

Contract Balances

Contract liabilities relate primarily to advances received from the Company's customers before revenue is recognized. These amounts are recorded as deferred revenue and are included in Accounts payable and accrued liabilities in the Consolidated Balance Sheets. The advances are expected to be earned as revenue within one year of receipt. Deferred revenues as of December 30, 2023 and December 31, 2022 were \$5.2 million and \$5.2 million, respectively. The amount of revenue recognized for the year ended December 30, 2023 that was included in the deferred revenue balance as of December 31, 2022 was \$5.2 million.

The Company does not have any material contract assets as of December 30, 2023 and December 31, 2022.

Disaggregated Revenue

In general, the Company's business segmentation is aligned according to the nature and economic characteristics of its products and customer relationships and provides meaningful disaggregation of each business segment's results of operations.

Further disaggregation of net revenue to external customers by geographic area based on customer location is as follows:

(in millions of U.S. dollars)	For the Fiscal Year Ended			
	December 30, 2023	December 31, 2022	January 1, 2022	
United States	\$ 1,706.2	\$ 1,620.0	\$ 1,493.0	
Canada	65.6	65.8	69.9	
All other countries	—	7.4	13.5	
Total	\$ 1,771.8	\$ 1,693.2	\$ 1,576.4	

Note 5—Other Expense (Income), Net

The following table summarizes other expense (income), net for the fiscal years ended December 30, 2023, December 31, 2022 and January 1, 2022:

(in millions of U.S. dollars)	For the Fiscal Year Ended		
	December 30, 2023	December 31, 2022	January 1, 2022
Foreign exchange losses (gains), net	\$ 5.7	\$ 0.9	\$ (0.5)
Tariff refunds	(3.1)	—	—
Gain on sale of business	—	(0.7)	—
Loss on extinguishment of long-term debt	—	—	27.2
Other gains, net	(1.4)	(2.7)	(4.6)
Total	\$ 1.2	\$ (2.5)	\$ 22.1

Note 6—Interest Expense, Net

The following table summarizes interest expense, net for the fiscal years ended December 30, 2023, December 31, 2022 and January 1, 2022:

(in millions of U.S. dollars)	For the Fiscal Year Ended		
	December 30, 2023	December 31, 2022	January 1, 2022
Interest on long-term debt	\$ 51.7	\$ 50.8	\$ 56.3
Interest on short-term debt	14.1	9.3	4.1
Other interest expense, net	5.6	7.7	7.9
Total	\$ 71.4	\$ 67.8	\$ 68.3

Note 7—Income Taxes**Provision (Benefit) for Income Taxes**

Income (loss) from continuing operations, before income taxes consisted of the following:

(in millions of U.S. dollars)	For the Fiscal Year Ended		
	December 30, 2023	December 31, 2022	January 1, 2022
Canada	\$ (54.9)	\$ (1.3)	\$ (30.1)
Outside Canada	145.7	79.5	42.7
Income (loss) from continuing operations, before income taxes	\$ 90.8	\$ 78.2	\$ 12.6

Income tax expense consisted of the following:

(in millions of U.S. dollars)	For the Fiscal Year Ended		
	December 30, 2023	December 31, 2022	January 1, 2022
Current			
Canada	\$ —	\$ —	\$ —
Outside Canada	25.5	2.2	3.3
	\$ 25.5	\$ 2.2	\$ 3.3

Adjustments to prior year taxes	0.1	(1.8)	1.2
Other items	0.6	0.5	—
Income tax expense	\$ 27.0	\$ 19.5	\$ 7.7

Deferred Tax Assets and Liabilities

Deferred income tax assets and liabilities were recognized on temporary differences between the financial and tax bases of existing assets and liabilities as follows:

(in millions of U.S. dollars)	December 30, 2023	December 31, 2022
Deferred tax assets		
Net operating loss carryforwards	\$ 108.0	\$ 116.1
Capital loss carryforwards	17.8	15.2
Liabilities and reserves	28.6	23.3
Stock options	9.3	10.4
Inventories	2.2	2.2
Interest expense	26.6	25.5
Right of use lease obligations	41.3	43.8
	233.8	236.5
Deferred tax liabilities		
Property, plant and equipment	(54.0)	(66.1)
Intangible assets	(151.1)	(154.0)
Right of use assets	(37.4)	(40.6)
Other	(3.7)	(2.5)
	(246.2)	(263.2)
Valuation allowance	(131.6)	(115.5)
Net deferred tax liability	\$ (144.0)	\$ (142.2)

As of December 30, 2023, we have outside tax basis differences, including undistributed earnings, in our foreign subsidiaries. For 2023, deferred taxes have not been recorded on the undistributed earnings because our foreign subsidiaries have the ability to repatriate funds to their respective parent company tax-efficiently or the undistributed earnings are indefinitely reinvested under the accounting guidance. In order to arrive at this conclusion, we considered factors including, but not limited to, past experience, domestic cash requirements, cash requirements to satisfy the ongoing operations, capital expenditures and other financial obligations of our subsidiaries. It is not practicable to determine the excess book basis over

outside tax basis in the shares or the amount of incremental taxes that might arise if these earnings were to be remitted. The amount of tax payable could be significantly impacted by the jurisdiction in which a distribution was made, the amount of the distribution, foreign withholding taxes under applicable tax laws when distributed, relevant tax treaties and foreign tax credits. We repatriated earnings of \$87.3 million and \$17.0 million to Canada during the fiscal years ended December 30, 2023 and December 31, 2022, respectively, incurring no tax expense.

As of December 30, 2023, we have operating loss carryforwards totaling \$411.5 million, capital loss carryforwards totaling \$67.0 million, and tax credit carryforwards totaling nil. The operating loss carryforward amount was attributable to Canadian operating loss carryforwards of \$302.3 million that will expire from 2024 to 2043; U.S. federal and state operating loss carryforwards of \$63.6 million and \$8.5 million, respectively, that will predominantly expire from 2024 to 2036; U.S. federal operating loss carryforwards of \$36.4 million that have indefinite lives; and United Kingdom operating loss carryforwards of \$0.7 million that have indefinite lives.

The capital loss carryforward is attributable primarily to Canadian capital losses of \$67.0 million, all with indefinite lives.

In general, under Section 382 and 383 of the U.S. Internal Revenue Code of 1986, as amended (the “Code”), a U.S. corporation that undergoes an “ownership change” is subject to limitations on its ability to utilize its pre-change net operating losses (“NOLs”) or tax credits to offset future taxable income. Therefore, current or future changes in our Canadian stock ownership, many of which are outside of our control, could result in a U.S. ownership change under Section 382 and 383 of the Code. If we undergo a U.S. ownership change, our ability to utilize U.S. federal or state NOLs or tax credits could be limited. We monitor changes in our ownership on an ongoing basis and do not believe we had a change of control limitation as of December 30, 2023.

We establish a valuation allowance to reduce deferred tax assets if, based on the weight of the available evidence, both positive and negative, for each respective tax jurisdiction, it is more likely than not that some portion or all of the deferred tax assets will not be realized. Due to recent cumulative losses, it was determined that it is more likely than not we will not realize the benefit of net operating loss carryforwards and other net deferred assets in Canada. The balance of the valuation allowance was \$131.6 million and \$115.5 million for the fiscal years ended December 30, 2023 and December 31, 2022, respectively. The valuation allowance increase in 2023 was related primarily to losses generated in tax jurisdictions with existing valuation allowances.

Additionally, we have determined that it is more likely than not that the benefit from our capital losses in Canada will not be realized in the future due to the uncertainty regarding potential future capital gains in the jurisdiction. In recognition of this risk, we have provided a valuation allowance of \$17.8 million on our capital losses.

Unrecognized Tax Benefits

A reconciliation of the beginning and ending amount of our unrecognized tax benefits is as follows:

(in millions of U.S. dollars)	For the Fiscal Year Ended		
	December 30, 2023	December 31, 2022	January 1, 2022
Unrecognized tax benefits at beginning of year	\$ 15.9	\$ 16.4	\$ 13.8
Additions based on tax positions taken during a prior period	1.0	—	1.1
Additions related to acquired entities	—	—	1.7
Lapse in statute of limitations	(9.7)	(1.8)	(1.9)
Additions based on tax positions taken during the current period	1.9	1.8	1.7
Foreign exchange	0.3	(0.5)	—
Unrecognized tax benefits at end of year	\$ 9.4	\$ 15.9	\$ 16.4

As of December 30, 2023, we had \$9.4 million of unrecognized tax benefits, a net decrease of \$6.5 million from \$15.9 million as of December 31, 2022. If we recognized our tax positions, approximately \$3.1 million would favorably impact the effective tax rate. We believe it is reasonably possible that our unrecognized tax benefits will decrease or be recognized in the next twelve months by up to \$2.0 million due to the settlement of certain tax positions and lapses in statutes of limitation in various tax jurisdictions.

We recognize interest and penalties related to unrecognized tax benefits in the provision for income taxes. There were net interest and penalties of \$1.0 million, nil and nil recovered during the fiscal years ended December 30, 2023, December 31, 2022 and January 1, 2022, respectively. The amount of interest and penalties recognized on the Consolidated Balance Sheets as of December 30, 2023 and December 31, 2022 were a liability of \$0.7 million and \$1.7 million, respectively.

We are subject to taxation in Canada, the United States, and other foreign jurisdictions. With few exceptions, we are no longer subject to income tax examination for years prior to 2020. To the extent that income tax attributes such as net operating losses and tax credits have been carried forward from years prior to 2020, those attributes can still be audited when utilized on returns subject to audit. We are currently under audit in Canada by the Canada Revenue Agency ("CRA") for tax years 2016, 2017, 2019 and 2021.

Note 8—Share-Based Compensation

Our shareowners approved our Amended and Restated Primo Water Corporation Equity Incentive Plan (the "Amended and Restated Equity Plan") in May 2016, and approved the Primo Water Corporation 2018 Equity Incentive Plan ("2018 Equity Plan" and together with the Amended and Restated Equity Plan, the "Equity Plans") in May 2018. Awards under the Equity Plans may be in the form of incentive stock options, non-qualified stock options, restricted shares, restricted share units, performance shares, performance units, stock appreciation rights, and stock payments to employees, directors and outside consultants. The Equity Plans are administered by the Human Resources and Compensation Committee ("HRCC") of the Board of Directors or any other Board committee as may be designated by the Board of Directors from time to time. Under the Amended and Restated Equity Plan, 20,000,000 shares are reserved for future issuance, and under the 2018 Equity Plan, 8,000,000 shares are reserved for future issuance, subject to adjustment upon a share split, share dividend, recapitalization, and other similar transactions and events. Shares that are issued under the Equity Plans are applied to reduce the maximum number of shares remaining available for issuance under the Equity Plans; provided that the total number of shares available for issuance under the Equity Plans are reduced two shares for each share issued pursuant to a "full-value" award (i.e., an award other than a stock option or stock appreciation right).

Shares to be issued pursuant to Time-based RSUs, Performance-based RSUs, or stock options that are forfeited, expired, or are canceled or settled without the issuance of shares return to the pool of shares available for issuance under the Equity Plans. As of December 30, 2023, there were approximately 819,000 shares available for future issuance under the Amended and Restated Equity Plan, and approximately 1,406,000 shares available for future issuance under the 2018 Equity Plan.

The table below summarizes the share-based compensation expense for the fiscal years ended December 30, 2023, December 31, 2022, and January 1, 2022. Share-based compensation expense is recorded in SG&A expenses in the Consolidated Statements of Operations. As referenced below: (i) "Performance-based RSUs" represent restricted share units with performance-based vesting, (ii) "Time-based RSUs" represent restricted share units with time-based vesting, (iii) "Stock options" represent non-qualified stock options, (iv) "Director share awards" represent common shares issued in consideration of the annual Board retainer fee to non-management members of our Board, and (v) the "ESPP" represents the Primo Water Corporation Employee Share Purchase Plan, under which common shares are issued to eligible employees at a discount through payroll deductions.

(in millions of U.S. dollars)	For the Fiscal Year Ended		
	December 30, 2023	December 31, 2022	January 1, 2022
Stock options	\$ 0.2	\$ 0.8	\$ 3.0
Performance-based RSUs	9.3	6.5	7.4
Time-based RSUs	3.9	8.4	5.5
Director share awards	1.3	1.2	1.3
ESPP	0.2	0.3	0.3
Total ¹	\$ 14.9	\$ 17.2	\$ 17.5

¹ Includes \$0.8 million, \$0.8 million, and \$2.0 million of share-based compensation expense from our discontinued operations, which is included in Net income (loss) from discontinued operations, net of income taxes on the Consolidated Statements of Operations for the fiscal years ended December 30, 2023, December 31, 2022 and January 1, 2022, respectively.

The tax benefit recognized related to share-based compensation expense for the fiscal years ended December 30, 2023, December 31, 2022, and January 1, 2022 was \$3.0 million, \$3.4 million, and \$2.2 million, respectively.

As of December 30, 2023, the unrecognized share-based compensation expense and the weighted-average number of years over which we expect it to be recognized were as follows:

(in millions of U.S. dollars, except years)	Unrecognized share-based compensation expense as of December 30, 2023	Weighted-average years expected to recognize compensation
Performance-based RSUs	\$ 11.9	2.4 years
Time-based RSUs	4.3	2.0 years
Total	\$ 16.2	

Stock Options

During the fiscal years ended December 30, 2023 and December 31, 2022, no stock options were granted to employees. During the fiscal year ended January 1, 2022, approximately 18,000 stock options were granted to certain employees under the Equity Plans at a weighted-average exercise price of \$17.79 per share. The weighted-average grant date fair value of the stock options granted during the year ended January 1, 2022 was estimated to be \$5.47 per share using the Black-Scholes option pricing model. The contractual term of a stock option granted is fixed by the Amended and Restated Equity Plan and cannot exceed ten years from the grant date.

The grant date fair value of stock options granted during the fiscal year ended January 1, 2022 was estimated on the date of grant using the Black-Scholes option pricing model with the following weighted-average assumptions:

	For the Fiscal Year Ended
	January 1, 2022
Risk-free interest rate	1.2 %
Average expected life (years)	6.0
Expected volatility	35.9 %
Expected dividend yield	1.4 %

The following table summarizes the activity for stock options:

	Number of Stock options (in thousands)	Weighted-average exercise price	Weighted-average contractual term (years)	Aggregate intrinsic value (in thousands)
Outstanding as of January 2, 2021	7,270	\$ 13.07	6.5	\$ 20,659.3
Granted	18	17.79		
Exercised	(2,382)	10.32		17,439.4
Forfeited or expired	(51)	13.62		
Outstanding as of January 1, 2022	4,855	\$ 14.42	6.0	\$ 15,588.1
Exercised	(126)	10.65		729.9
Forfeited or expired	(205)	14.51		
Outstanding as of December 31, 2022	4,524	\$ 14.52	5.2	\$ 6,482.0
Exercised	(364)	13.48		771.5
Forfeited or expired	(479)	16.89		
Outstanding as of December 30, 2023	3,681	\$ 14.31	4.5	\$ 4,502.4
Exercisable as of December 30, 2023	3,677	\$ 14.31	4.5	\$ 4,502.4
Vested or expected to vest as of December 30, 2023	3,681	\$ 14.31	4.5	\$ 4,502.4

The aggregate intrinsic value amounts in the table above represent the difference between the closing price of our common shares on the New York Stock Exchange on December 29, 2023, December 30, 2022, and December 31, 2021 which was \$15.05, \$15.54, and \$17.63, respectively, and the exercise price, multiplied by the number of in-the-money stock options as of the same date.

The total amount of cash received from the exercise of stock options during the fiscal years ended December 30, 2023, December 31, 2022, and January 1, 2022 was \$4.6 million, \$0.8 million, and \$23.8 million, respectively, with an associated tax benefit of \$0.1 million, nil, and \$1.3 million, respectively.

The total fair value of options that vested during the fiscal years ended December 30, 2023, December 31, 2022, and January 1, 2022 was \$4.2 million, \$8.3 million, and \$16.7 million, respectively.

Other Awards

During the year ended December 30, 2023, we granted 76,024 common shares to the non-management members of our Board of Directors under the Equity Plans with a grant date fair value of approximately \$1.3 million. The common shares were issued in consideration of the directors' annual Board retainer fee and were vested upon issuance.

During the year ended December 30, 2023, we granted 28,000 Performance-based RSUs subject to the prior year vesting schedule and objectives. We also granted 412,000 Performance-based RSUs, which vest at the end of a three-year performance period beginning on the first day of our 2024 fiscal year and ending on the last day of our 2026 fiscal year ("2024 Performance Awards"). The number of shares ultimately awarded will be based upon the performance payout rate, which can range from 0% to 200% of the awards granted. During 2023, the HRCC determined that the 2024 Performance Awards will vest based on the Company's achievement of average annual return on invested capital ("ROIC") and Relative TSR for the applicable performance period (the "Performance Objectives"). The number of Performance-based RSUs that may vest, and the related unrecognized compensation cost is subject to change based on the Performance Objectives achieved during the vesting period. Additionally, we granted 231,000 Time-based RSUs, which vest over two to three years in equal annual installments on the first, second and third anniversaries of the date of grant and include a service condition.

The grant date fair value of the 2024 Performance Awards was estimated at the grant date using the Monte-Carlo simulation model with the following weighted-average assumptions:

		For the Fiscal Year Ended December 30, 2023
Risk-free interest rate		4.3 %
Average expected life (years)		3.07
Expected volatility		28.5 %
Beginning TSR price	\$	14.67

The risk-free rate is based on the U.S. Treasury yield in effect at the grant date with a term equal to the simulation period used in the Monte-Carlo simulation model. The simulation period is equal to the performance periods associated with the performance shares. Volatility is based on the Company's historical data. Beginning TSR price is equal to the average closing price for the last eight trading days immediately prior to the grant date.

The following table summarizes the activity for the Company's other awards:

	Number of Performance-based RSUs (in thousands)	Weighted-average grant date fair value	Number of Time-based RSUs (in thousands)	Weighted-average grant date fair value
Balance as of January 2, 2021	1,185	\$ 15.27	548	\$ 14.75
Awarded	484	17.06	665	16.50
Awarded in connection with modification	119	17.46	—	—
Issued	(467)	17.46	(266)	14.59
Forfeited	(75)	15.02	(62)	14.88
Balance as of January 1, 2022	1,246	\$ 15.65	885	\$ 16.10
Awarded	529	15.20	413	15.10
Awarded in connection with modification	44	14.61	—	—
Issued	(319)	14.61	(420)	15.74
Forfeited	(49)	16.10	(29)	16.42
Outstanding as of December 31, 2022	1,451	\$ 15.65	849	\$ 15.78
Awarded	440	18.46	231	14.72
Awarded in connection with modification	228	13.88	—	—
Issued	(515)	13.88	(460)	15.54
Forfeited	(101)	16.26	(76)	15.52
Outstanding as of December 30, 2023	1,503	\$ 16.61	544	\$ 15.29
Vested or expected to vest as of December 30, 2023	1,865	\$ 16.55	544	\$ 15.29

The total fair value of Performance-based RSUs vested and issued during the fiscal years ended December 30, 2023, December 31, 2022 and January 1, 2022 was \$7.1 million, \$4.7 million and \$8.1 million, respectively.

The total fair value of Time-based RSUs vested and issued during the fiscal years ended December 30, 2023, December 31, 2022, and January 1, 2022 was \$7.1 million, \$6.6 million, and \$3.9 million, respectively.

Employee Share Purchase Plan

The Company has maintained the Primo Water Corporation Employee Share Purchase Plan (the "ESPP") since 2015. The ESPP qualifies as an "employee share purchase plan" under Section 423 of the Internal Revenue Code of 1986 ("IRC"), as amended. Substantially all employees are eligible to participate in the ESPP and may elect to participate at the beginning of any quarterly offering period. The ESPP authorizes the issuance, and the purchase by eligible employees, of up to 3,000,000 shares of Primo common shares through payroll deductions. As of December 30, 2023, 2,091,606 shares remained available for issuance under the ESPP. Eligible employees who choose to participate may purchase Primo common shares at 90% of market value on the first or last day of the quarterly offering period, whichever is lower. The minimum contribution which an eligible employee may make under the ESPP is 1% of the employee's eligible compensation, with the maximum contribution limited to 15% of the employee's eligible compensation. At the end of each quarterly offering period for which the employee participates, the total amount of each employee's payroll deduction for that offering period will be used to purchase Primo common shares. The Company recognized \$0.2 million, \$0.3 million and \$0.3 million of share-based compensation expense in SG&A expenses in the Consolidated Statements of Operations for the years ended December 30, 2023, December 31, 2022, and January 1, 2022, respectively.

Note 9—Common Shares and Net Income (Loss) per Common Share

Common Shares

On August 9, 2023, the Board of Directors approved a share repurchase program for up to \$50.0 million of our outstanding common shares. Upon the closing of the European Divestiture on December 29, 2023, an incremental \$25.0 million share repurchase was authorized, revising the total share repurchase authorization to \$75.0 million. During the fiscal year ended December 30, 2023, we repurchased 131,409 common shares for \$1.9 million through open market transactions under this repurchase plan.

On August 9, 2022, the Board of Directors approved a share repurchase program for up to \$100.0 million of our outstanding common shares over a 12-month period that expired on August 14, 2023. During the fiscal year ended December

30, 2023, we repurchased 1,272,612 common shares for \$19.0 million through open market transactions under this repurchase plan. During the fiscal year ended December 31, 2022, we repurchased 1,753,479 common shares for \$23.8 million through open market transactions under this repurchase plan.

On May 4, 2021, the Board of Directors approved a share repurchase program for up to \$50.0 million of our outstanding common shares over a 12-month period that expired on May 10, 2022. We repurchased 2,646,831 common shares for \$43.5 million through open market transactions under this repurchase plan, all in the fiscal year ended January 1, 2022.

Shares purchased under these repurchase plans were subsequently canceled.

Net Income (Loss) Per Common Share

Basic net income (loss) per common share is calculated by dividing net income (loss) by the weighted-average number of common shares outstanding during the periods presented. Diluted net income (loss) per common share is calculated by dividing diluted net income (loss) by the weighted-average number of common shares outstanding adjusted to include the effect, if dilutive, of the exercise of in-the-money stock options, Performance-based RSUs, and Time-based RSUs during the periods presented.

Set forth below is a reconciliation of the numerator and denominator for the diluted net income (loss) per common share computations for the periods indicated:

	For the Fiscal Year Ended		
	December 30, 2023	December 31, 2022	January 1, 2022
Numerator (in millions):			
Continuing operations	\$ 63.8	\$ 58.7	\$ 4.9
Discontinued operations	174.3	(29.1)	(8.1)
Net income (loss)	\$ 238.1	\$ 29.6	\$ (3.2)
Basic Earnings Per Share			
Denominator (in thousands):			
Weighted-average common shares outstanding - basic	159,452	160,763	160,778
Basic Earnings Per Share:			
Continuing operations	\$ 0.40	\$ 0.36	\$ 0.03
Discontinued operations	\$ 1.09	\$ (0.18)	\$ (0.05)
Net income (loss)	\$ 1.49	\$ 0.18	\$ (0.02)
Diluted Earnings Per Share			
Denominator (in thousands):			
Weighted-average common shares outstanding - basic	159,452	160,763	160,778
Dilutive effect of Stock options	238	261	—
Dilutive effect of Performance-based RSUs	467	445	—
Dilutive effect of Time-based RSUs	462	416	—
Weighted-average common shares outstanding - diluted	160,619	161,885	160,778
Diluted Earnings Per Share:			
Continued operations	\$ 0.40	\$ 0.36	\$ 0.03
Discontinued operations	\$ 1.08	\$ (0.18)	\$ (0.05)
Net income (loss)	\$ 1.48	\$ 0.18	\$ (0.02)

The following table summarizes anti-dilutive securities excluded from the computation of diluted net income (loss) per common share for the periods indicated:

(in thousands)	For the Fiscal Year Ended		
	December 30, 2023	December 31, 2022	January 1, 2022
Stock options	2,138	2,838	4,855
Performance-based RSUs ¹	1,469	979	1,524
Time-based RSUs ²	—	—	885

¹ Performance-based RSUs represent the number of shares expected to be issued based on the estimated achievement of the performance metric for these awards.

² Time-based RSUs represent the number of shares expected to be issued based on known employee retention information.

Note 10—Segment Reporting

Our broad portfolio of products includes bottled water, water dispensers, purified bottled water, self-service refill drinking water, filtration units, premium spring, sparkling and flavored essence water, mineral water, and coffee.

During the fourth quarter of 2023, we reviewed and realigned our reporting segments to exclude the businesses within discontinued operations. Our sole reporting segment is North America, which includes our DSS, Aquaterra, Mountain Valley, and Legacy Primo businesses. The Other category includes our corporate oversight function, other miscellaneous expenses, and the results of our business in Russia prior to the exit of the business during the third quarter of 2022.

Segment reporting results have been recast to reflect these changes for all periods presented.

(in millions of U.S. dollars)	For the Fiscal Year Ended December 30, 2023

Credit risk arises from the potential default of a customer in meeting its financial obligations to us. Concentrations of credit exposure may arise with a group of customers that have similar economic characteristics or that are located in the same geographic region. The ability of such customers to meet obligations would be similarly affected by changing economic, political or other conditions. We are not currently aware of any facts that would create a material credit risk.

We have limited customer concentration as no customer accounts for more than 10% of our net revenues.

Revenues are attributed to countries based on the location of the customer. Revenues generated from sales to external customers by geographic area were as follows:

(in millions of U.S. dollars)	For the Fiscal Year Ended		
	December 30, 2023	December 31, 2022	January 1, 2022
United States	\$ 1,706.2	\$ 1,620.0	\$ 1,493.0

Finance leases ⁴		91.2	46.2	45.0	80.3	34.6	45.7	
Total		\$ 1,127.4	\$ 570.9	\$ 556.5	\$ 1,042.4	\$ 492.9	\$ 549.5	

¹ Leasehold improvements are amortized over the shorter of their estimated useful lives or the related lease life.

² Customer equipment consists of coolers, refill equipment, brewers, refrigerators, water purification devices and storage racks held on site at customer locations.

³ Returnable bottles are those bottles on site at customer locations.

⁴ Our recorded assets under finance leases relate to machinery and equipment, customer equipment, IT systems and vehicles and transportation equipment.

The amounts above include construction-in-progress of \$4.6 million and \$1.4 million as of December 30, 2023, December 31, 2022, respectively.

Depreciation expense, which includes depreciation recorded for assets under finance leases, was \$152.7 million, \$140.0 million, and \$120.7 million for the years ended December 30, 2023, December 31, 2022, and January 1, 2022, respectively.

Property Sales

For the year ended December 30, 2023, the Company completed the sale of five owned real properties for an aggregate sales price, net of closing costs, of \$31.0 million, resulting in a gain of \$21.0 million included within gain on sale of property on the Consolidated Statements of Operations.

During the second quarter of 2022, we classified four of our owned real properties as held for sale. On December 29, 2022, the Company completed the sale of two of the properties for an aggregate sales price, net of closing costs, of \$50.1 million. As of December 31, 2022, \$4.6 million of the proceeds were being held in escrow for the future purchase of property which was completed during 2023. These funds were included in cash and cash equivalents on the Consolidated Balance Sheet as of December 31, 2022. The transactions qualified for sale recognition under the sale-leaseback accounting requirements and the Company recorded a gain of \$38.8 million included within gain on sale of property on the Consolidated Statements of Operations.

As part of the transactions, we entered into a leaseback of each of the properties (for a term of three years and five years, respectively). The leases are classified as operating leases and the Company recorded aggregate right-of-use assets and liabilities of \$11.6 million. The Company entered into a sublease for one of the properties which resulted in an impairment of the right-of-use asset of \$5.2 million recorded within selling, general and administrative expenses on the Consolidated Statements of Operations.

As of December 30, 2023 and December 31, 2022, we had \$3.2 million and \$10.3 million, respectively, related to properties held for sale which is included within prepaid expenses and other current assets on the Consolidated Balance Sheets.

Note 14—Intangible Assets, Net

The following table summarizes intangible assets, net as of December 30, 2023 and December 31, 2022:

(in millions of U.S. dollars)	December 30, 2023			December 31, 2022		
	Cost	Accumulated Amortization	Net	Cost	Accumulated Amortization	Net
Intangible Assets						
<i>Not subject to amortization</i>						
Trademarks	\$ 379.7	\$ —	\$ 379.7	\$ 379.7	\$ —	\$ 379.7
Intellectual Property	1.5	—	1.5	1.4	—	1.4
Total intangible assets not subject to amortization	\$ 381.2	\$ —	\$ 381.2	\$ 381.1	\$ —	\$ 381.1
<i>Subject to amortization</i>						
Customer relationships	\$ 603.8	\$ 293.1	\$ 310.7	\$ 583.4	\$ 265.0	\$ 318.4
Patents	19.2	13.3	5.9	19.2	11.0	8.2

Finance leases	47.6	—	47.6	48.3	—	48.3
Total debt	\$ 1,297.0	\$ 12.0	\$ 1,285.0	\$ 1,483.2	\$ 14.2	\$ 1,469.0
Less: Short-term borrowings and current debt:						
Revolving Credit Facility	\$ —	\$ —	\$ —	\$ 197.0	\$ —	\$ 197.0
Short-term borrowings	—	—	—	8.8	—	8.8
Finance leases - current maturities	14.2	—	14.2	10.9	—	10.9
Total current debt	\$ 14.2	\$ —	\$ 14.2	\$ 216.7	\$ —	\$ 216.7
Total long-term debt	\$ 1,282.8	\$ 12.0	\$ 1,270.8	\$ 1,266.5	\$ 14.2	\$ 1,252.3

The long-term debt payments, which include current maturities of long-term debt, required in each of the next five years and thereafter are as follows:

(in millions of U.S. dollars)	Long-Term Debt (including current)
2024	\$ 14.2
2025	14.5
2026	12.4
2027	4.3
2028	501.3
Thereafter	750.3
	\$ 1,297.0

Revolving Credit Facility

On March 6, 2020, the Company entered into a credit agreement (the “Credit Agreement”) among the Company, as parent borrower, Primo Water Holdings Inc. and certain other subsidiary borrowers, certain other subsidiaries of the Company from time to time designated as subsidiary borrowers, Bank of America, N.A., as administrative agent and collateral agent, and the lenders from time to time party thereto.

The Credit Agreement provides for a senior secured revolving credit facility in an initial aggregate committed amount of \$350.0 million (the “Revolving Credit Facility”), which may be increased by incremental credit extensions from time to time in the form of term loans or additional revolving credit commitments. The Revolving Credit Facility has a five year maturity date and includes letter of credit and swing line loan sub facilities.

Initial borrowings under the Revolving Credit Facility were used to refinance in full and terminate our previously existing asset-based lending credit facility (the “ABL Facility”). Certain letters of credit outstanding under the ABL Facility were rolled over under the Revolving Credit Facility. We incurred approximately \$3.4 million of financing fees in connection with the Revolving Credit Facility. The Revolving Credit Facility was considered to be a modification of the ABL Facility under GAAP. These new financing fees along with \$1.8 million of unamortized deferred costs of the ABL Facility are being amortized using the straight-line method over the duration of the Revolving Credit Facility.

As of December 30, 2023, there were no outstanding borrowings under the Revolving Credit Facility. Outstanding letters of credit totaled \$66.7 million, resulting in total utilization under the Revolving Credit Facility of \$66.7 million. Accordingly, unused availability under the Revolving Credit Facility as of December 30, 2023 amounted to \$283.3 million.

The weighted-average effective interest rate on the outstanding borrowings under the Revolving Credit Facility as of December 30, 2023 and December 31, 2022 was —% and 5.9%, respectively. The effective interest rates are based on our aggregate availability.

On January 13, 2023, we entered into the Second LIBOR Transition Amendment to the Credit Agreement, which replaced interest rate calculations based on LIBOR with calculations based on SOFR. As of December 30, 2023, borrowings under the Credit Agreement bore interest at a rate per annum equal to either: (a) a euro currency rate as determined under the Credit Agreement, plus the applicable margin, or (b) a term SOFR rate, as determined under the Credit Agreement, plus the applicable margin, (c) a base rate equal to the highest of (i) Bank of America's prime rate, (ii) 0.5% per annum above the federal funds rate, and (iii) the term SOFR rate, as determined under the Credit Agreement, for a one month interest period, plus 1.0%, plus the applicable margin, or (d) an alternative currency daily or term rate, as determined under the Credit Agreement, plus the applicable margin. The applicable margin for euro currency, term SOFR, and alternative currency rate loans ranges from 1.375% to 2.000% and the applicable margin for base rate loans ranges from 0.375% to 1.000%, in each case depending on our consolidated total leverage ratio. Unutilized commitments under the Credit Agreement are subject to a commitment fee ranging from 0.20% to 0.30% per annum depending on our consolidated total leverage ratio, payable on a quarterly basis.

4.375% Senior Notes due in 2029

On April 30, 2021, we issued \$750.0 million of 4.375% senior notes due April 30, 2029 (the "2029 Notes") to qualified purchasers in a private placement offering under Rule 144A under the Securities Act of 1933, as amended (the "Securities Act"), and outside the United States to non-U.S. purchasers pursuant to Regulation S under the Securities Act and other applicable laws. The 2029 Notes were issued by our wholly-owned subsidiary Primo Water Holdings Inc. The 2029 Notes are guaranteed by the Company and certain subsidiaries that are currently obligors under the \$350.0 million senior secured revolving credit facility and the €450.0 million of 3.875% senior notes due October 31, 2028. The 2029 Notes will mature on April 30, 2029 and interest is payable semi-annually on April 30th and October 31st of each year commencing on October 31, 2021. The proceeds of the 2029 Notes, along with available cash on hand, were used to redeem in full the \$750.0 million of 5.500% senior notes due April 1, 2025 (the "2025 Notes"). The redemption of the 2025 Notes included \$20.6 million in premium payments, accrued interest of \$3.6 million, and the write-off of \$6.6 million in deferred financing fees.

We incurred approximately \$11.2 million of financing fees for the issuance of the 2029 Notes. The financing fees are being amortized using the effective interest method over an eight-year period, which represents the term to maturity of the 2029 Notes.

3.875% Senior Notes due in 2028

On October 22, 2020, we issued €450.0 million (\$499.4 million at exchange rates in effect on December 30, 2023) of 3.875% senior notes due October 31, 2028 (the "2028 Notes") to qualified purchasers in a private placement offering under Rule 144A under the Securities Act, and outside the United States to non-U.S. purchasers pursuant to Regulation S under the Securities Act and other applicable laws. The 2028 Notes were issued by our wholly-owned subsidiary Primo Water Holdings Inc. The 2028 Notes are guaranteed by the Company and certain subsidiaries that are currently obligors under the Revolving Credit Facility and the 2029 Notes. The 2028 Notes will mature on October 31, 2028 and interest is payable semi-annually on April 30th and October 31st of each year commencing on April 30, 2021.

We incurred approximately \$8.5 million of financing fees for the issuance of the 2028 Notes. The financing fees are being amortized using the effective interest method over a period of eight years, which represents the term to maturity of the 2028 Notes.

Covenant Compliance

Indentures Governing Our Outstanding Notes

Under the indentures governing our outstanding notes, we are subject to a number of covenants, including covenants that limit our and certain of our subsidiaries' ability, subject to certain exceptions and qualifications, to (i) pay dividends or make distributions, repurchase equity securities, prepay subordinated debt or make certain investments, (ii) incur additional debt or issue certain disqualified stock or preferred stock, (iii) create or incur liens on assets securing indebtedness, (iv) merge or consolidate with another company or sell all or substantially all of our assets taken as a whole, (v) enter into transactions with affiliates and (vi) sell assets. The covenants are substantially similar across the series of notes. As of December 30, 2023, we were in compliance with all of the covenants under each series of notes. There have been no amendments to any covenants of our outstanding notes since the date of their issuance or assumption, as applicable.

Revolving Credit Facility

The Credit Agreement has two financial covenants, a consolidated secured leverage ratio and an interest coverage ratio. The consolidated secured leverage ratio must not be more than 3.50 to 1.00, with an allowable temporary increase to 4.00 to 1.00 for the quarter in which the Company consummates a material acquisition with a price not less than \$125.0 million, for three quarters. The interest coverage ratio must not be less than 3.00 to 1.00. The Company was in compliance with these financial covenants as of December 30, 2023.

In addition, the Credit Agreement has certain non-financial covenants, such as covenants regarding indebtedness, investments, and asset dispositions. The Company was in compliance with all covenants as of December 30, 2023.

Note 17—Retirement Plans

The Company maintains certain defined contribution (“DC”) retirement plans covering qualifying employees. The total expense with respect to these DC plans was \$7.4 million, \$6.4 million, and \$5.7 million for the fiscal years ended December 30, 2023, December 31, 2022, and January 1, 2022, respectively.

The Company also maintained defined benefit (“DB”) plans acquired as a part of acquisitions covering certain U.S. employees (the “U.S. Plan”). Retirement benefits are based on years of service multiplied by a monthly benefit factor. Pension costs are funded in accordance with the provisions of the applicable law.

Effective as of December 31, 2021, the U.S. Plan was terminated. In accordance with the amended plan documents, we made distributions for all plan participants and distributed all plan assets during the fiscal year ended December 30, 2023.

Obligations and Funded Status

The following table summarizes the change in the projected benefit obligation, change in plan assets and unfunded status of the U.S. Plan as of December 30, 2023 and December 31, 2022:

<i>(in millions of U.S. dollars)</i>	December 30, 2023		December 31, 2022	
Change in Projected Benefit Obligation				
Projected benefit obligation at beginning of year	\$	7.3	\$	9.4
Interest cost		0.2		0.1
Benefit payments		(7.4)		(0.6)
Actuarial gains		—		(1.6)
Settlement gains		(0.1)		—
Projected benefit obligation at end of year	\$	—	\$	7.3
Change in Plan Assets				
Plan assets beginning of year	\$	7.1	\$	9.2
Employer contributions		0.3		—
Benefit payments		(7.4)		(0.6)
Actual return on plan assets		—		(1.5)
Fair value at end of year	\$	—	\$	7.1
Funded Status of Plan				
Projected benefit obligation	\$	—	\$	(7.3)
Fair value of plan assets		—		7.1
Unfunded status	\$	—	\$	(0.2)

The accumulated benefit obligation for the U.S. Plan was nil and \$7.3 million as of December 30, 2023 and December 31, 2022, respectively.

The components of net periodic pension cost were as follows:

<i>(in millions of U.S. dollars)</i>	December 30, 2023		December 31, 2022		January 1, 2022	
Interest cost	\$	0.2	\$	0.1	\$	0.2
Expected return on plan assets		(0.1)		(0.1)		(0.2)
Recognized net loss due to settlement		0.5		—		—
Net periodic pension cost	\$	0.6	\$	—	\$	—

Accumulated Other Comprehensive (Loss) Income

Amounts included in accumulated other comprehensive (loss) income, net of tax, as of the periods presented which have not yet been recognized in net periodic benefit cost were as follows:

(in millions of U.S. dollars)	December 30, 2023	December 31, 2022	January 1, 2022
Unrecognized net actuarial loss	\$ —	\$ (0.6)	\$ (0.6)
Total accumulated other comprehensive loss	\$ —	\$ (0.6)	\$ (0.6)

Actuarial Assumptions

The following table summarizes the weighted-average actuarial assumptions used to determine the projected benefit obligation:

	For the Fiscal Year Ended		
	December 30, 2023	December 31, 2022	January 1, 2022
U.S. Plans			
Discount rate	— %	4.9 %	2.5 %
Expected long-term rate of return on plan assets	— %	1.0 %	2.0 %

The following table summarizes the weighted-average actuarial assumptions used to determine net periodic benefit cost:

	For the Fiscal Year Ended		
	December 30, 2023	December 31, 2022	January 1, 2022
U.S. Plans			
Discount rate	5.1 %	1.0 %	2.0 %
Expected long-term rate of return on plan assets	1.0 %	1.0 %	2.0 %

The Company utilizes a yield curve analysis to determine the discount rates for its DB plan obligations. The yield curve considers pricing and yield information for high quality corporate bonds with maturities matched to estimated payouts of future pension benefits. The Company evaluates its assumption regarding the estimated long-term rate of return on plan assets based on historical experience, future expectations of investment returns, asset allocations, and its investment strategy. The Company's long-term rate of return on plan assets reflect expectations of projected weighted-average market returns of plan assets. Changes in expected returns on plan assets also reflect any adjustments to the Company's targeted asset allocation.

Plan Assets and Asset Mix

Our investment policy is that plan assets will be managed utilizing an investment philosophy and approach characterized by all of the following, listed in priority order: (1) emphasis on total return, (2) emphasis on high-quality securities, (3) sufficient income and stability of income, (4) safety of principal with limited volatility of capital through proper diversification and (5) sufficient liquidity.

In connection with termination of the U.S. Plan and the distribution of all plan assets in the fiscal year ended December 30, 2023, there were no plan assets as of December 30, 2023. The U.S. Plan assets were 100% allocated to cash and cash equivalents as of December 31, 2022.

Note 18—Consolidated Accumulated Other Comprehensive (Loss) Income

Changes in consolidated accumulated other comprehensive (loss) income ("AOCI") by component for the fiscal years ended December 30, 2023, December 31, 2022 and January 1, 2022 were as follows:

(in millions of U.S. dollars)¹	Pension Benefit Plan Items	Currency Translation Adjustment Items	Total
Balance as of January 2, 2021	\$ (1.1)	\$ (85.6)	\$ (86.7)
OCI before reclassifications	(0.6)	18.2	17.6
Amounts reclassified from AOCI	—	—	—
Net current-period OCI	(0.6)	18.2	17.6
Balance as of January 1, 2022	\$ (1.7)	\$ (67.4)	\$ (69.1)
OCI before reclassifications	2.9	(15.7)	(12.8)
Amounts reclassified from AOCI	—	(0.3)	(0.3)
Net current-period OCI	2.9	(16.0)	(13.1)
Balance as of December 31, 2022	\$ 1.2	\$ (83.4)	\$ (82.2)
OCI before reclassifications	(1.8)	(10.7)	(12.5)
Amounts reclassified from AOCI	(0.2)	(10.2)	(10.4)
Net current-period OCI	(2.0)	(20.9)	(22.9)
Balance as of December 30, 2023	\$ (0.8)	\$ (104.3)	\$ (105.1)

¹ All amounts are net of tax.

The following table summarizes the amounts reclassified from AOCI to total net income (loss) for the fiscal years ended December 30, 2023, December 31, 2022 and January 1, 2022:

(in millions of U.S. dollars)	For the Fiscal Year Ended			Affected Line Item in the Statement Where Net Income Is Presented
Details About AOCI Components¹	December 30, 2023	December 31, 2022	January 1, 2022	
Amortization of pension benefit plan items				
Recognized net actuarial gain	\$ 0.2	\$ —	\$ —	Gain on sale of discontinued operations and Other expense (income), net ²
	\$ 0.2	\$ —	\$ —	Net of tax
Foreign currency translation adjustments	\$ 10.2	\$ 0.3	\$ —	Gain on sale of discontinued operations and Impairment charges ³
Total reclassifications for the period	\$ 10.4	\$ 0.3	\$ —	Net of tax

¹ Amounts in parenthesis indicate debits.

² Includes \$0.6 million related to the recognition of unrealized losses resulting from the distribution of the assets of the U.S. defined benefit plan included in Other expense (income), net on the Consolidated Statement of Operations. In addition, it includes \$0.8 million related to the recognition of unrealized gains resulting from the sale of the European Business included in Net income (loss) from discontinued operations, net of income taxes on the Consolidated Statement of Operations. Amounts are net of the tax impact of \$0.2 million.

³ For the year ended December 30, 2023, the amount relates to the foreign currency translation balances recognized in earnings in connection with the sale of the European Business included in Net income (loss) from discontinued operations, net of income taxes on the Consolidated Statement of Operations. For the year ended December 31, 2022, the foreign currency translation balance recognized was included in Impairment charges on the Consolidated Statement of Operations.

Note 19—Commitments and Contingencies

We are subject to various claims and legal proceedings with respect to matters such as governmental regulations, and other actions arising out of the normal course of business. Management believes that the resolution of these matters will not have a material adverse effect on our financial position, results of operations, or cash flow.

We had \$66.7 million, \$46.6 million, and \$59.4 million in standby letters of credit outstanding as of December 30, 2023, December 31, 2022, and January 1, 2022, respectively.

We have future purchase obligations of \$8.1 million that consist of commitments for payments related to inventory and professional information technology outsourcing agreements. These obligations represent the minimum contractual obligations expected under the normal course of business.

Guarantees

In July 2017, we entered into a Share Repurchase Agreement with Refresco Group B.V., a Dutch company (“Refresco”), pursuant to which we sold to Refresco, in January 2018, our carbonated soft drinks and juice businesses and our Royal Crown International finished goods export business (collectively, the “Traditional Business” and such transaction, the “Traditional Business Divestiture”). After the Traditional Business Divestiture, we have continued to provide contractual payment guarantees to two third-party lessors of certain real property used in this business. The leases were conveyed to the buyer as part of the sale, but our guarantee was not released by the landlord. The two lease agreements mature in 2027 and 2028. The maximum potential amount of undiscounted future payments under the guarantee is approximately \$10.8 million as of December 30, 2023 and was calculated based on the minimum lease payments of the leases over the remaining term of the agreements. The sale documents require the buyer to pay all post-closing obligations under these conveyed leases, and to reimburse us if the landlord calls on a guarantee. The buyer has also agreed to a covenant to negotiate with the landlords for a release of our guarantees. We currently do not believe it is probable we would be required to perform under any of these guarantees or any of the underlying obligations.

Note 20—Fair Value Measurements

FASB Accounting Standards Codification Topic 820, *Fair Value Measurements and Disclosures*, defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. Additionally, the inputs used to measure fair value are prioritized based on a three-level hierarchy. This hierarchy requires entities to maximize the use of observable inputs and minimize the use of unobservable inputs.

The three levels of inputs used to measure fair value are as follows:

- Level 1—Quoted prices in active markets for identical assets or liabilities.
- Level 2—Observable inputs other than quoted prices included in Level 1, such as quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.
- Level 3—Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. This includes certain pricing models, discounted cash flow methodologies and similar techniques that use significant unobservable inputs.

Fair Value of Financial Instruments

The carrying amounts reflected in the Consolidated Balance Sheets for cash and cash equivalents, receivables, payables, short-term borrowings and long-term debt approximate their respective fair values, except as otherwise indicated. The carrying values and estimated fair values of our significant outstanding debt as of December 30, 2023 and December 31, 2022 were as follows:

(in millions of U.S. dollars)	December 30, 2023		December 31, 2022	
	Carrying Value	Fair Value	Carrying Value	Fair Value
3.875% senior notes due in 2028 ^{1,2}	\$ 494.6	\$ 477.5	\$ 473.5	\$ 418.7
4.375% senior notes due in 2029 ^{1,2}	742.8	683.1	741.4	642.2
Total	\$ 1,237.4	\$ 1,160.6	\$ 1,214.9	\$ 1,060.9

¹ The fair values were based on the trading levels and bid/offer prices observed by a market participant and are considered Level 2 financial instruments.

² Carrying value of our significant outstanding debt is net of unamortized debt issuance costs as of December 30, 2023 and December 31, 2022 (see Note 16 to the Consolidated Financial Statements).

Non-Financial Assets Measured at Fair Value on a Non-Recurring Basis

In addition to assets and liabilities that are measured at fair value on a recurring basis, we are also required to measure certain items at fair value on a non-recurring basis. These assets can include goodwill, intangible assets, property, plant and equipment, lease-related right-of-use assets, and long-lived assets that have been reduced to fair value when they are held for sale. If certain triggering events occur, or if an annual impairment test is required, we would evaluate these non-financial assets for impairment. If an impairment were to occur, the asset would be recorded at the estimated fair value, using primarily unobservable Level 3 inputs.

During the second quarter of 2022, the assets held for sale of our business in Russia were measured at the lower of carrying value or fair value less costs to sell as discussed in more detail in Note 1 to the Consolidated Financial Statements. The Company's measurement of fair value less costs to sell was based on the total consideration expected to be received by the Company as outlined in the disposition agreement which is a Level 2 input.

During the second quarter of 2022, as a result of the exit of our Russia business and realignment of segments, we identified a triggering event indicating possible impairment of goodwill and intangible assets. See Note 1 to the Consolidated Financial Statements for additional information on goodwill and intangible asset impairment. The determination of the estimated fair values of the reporting units included unobservable Level 3 inputs. We did not identify impairment of our property, plant and equipment, lease-related right-of-use assets, or long-lived assets except as noted above related to the Russia assets held for sale.

Note 21—Quarterly Financial Information (unaudited)

(in millions of U.S. dollars, except per share amounts)	For the Fiscal Year Ended December 30, 2023

Note 22—Subsequent Events

On January 2, 2024, the Company entered into foreign exchange forward contracts with a notional amount of €450.0 million and a maturity date of October 31, 2025. The Company is utilizing the derivative financial instrument to hedge foreign exchange risk associated with the Company's 2028 Notes.

Since the fiscal year ended December 30, 2023, we repurchased 377,441 common shares for \$5.6 million through open market transactions under the repurchase plan approved by the Board of Directors on August 9, 2023.

On February 21, 2024, the Board of Directors declared a dividend of \$0.09 per common share, payable in cash on March 25, 2024 to shareholders of record at the close of business on March 8, 2024.

SCHEDULE II—VALUATION AND QUALIFYING ACCOUNTS

SUPPLEMENTAL INDENTURE, (this “Supplemental Indenture”) dated as of October 24, 2023, by and among Primo Water Financing One LLC, as a Guarantor (the “Guaranteeing Subsidiary”), Primo Water Holdings Inc., a Delaware corporation (the “Issuer”), BNY Trust Company of Canada, as Canadian co-trustee (the “Canadian Trustee”), and The Bank of New York Mellon, as U.S. co-trustee (the “U.S. Trustee” and together with the Canadian Trustee, the “Trustees” and each, a “Trustee”), under the Indenture referred to below.

WITNESSETH:

WHEREAS, the Issuer, each of the Guarantors, the Trustees and the Agent have heretofore executed and delivered an indenture dated as of October 22, 2020 (as amended, supplemented, waived or otherwise modified, the “Indenture”), providing for the issuance of 3.875% Senior Notes due 2028 of the Issuer (the “Notes”);

WHEREAS, the Indenture provides that under certain circumstances the Guaranteeing Subsidiary shall execute and deliver to the Trustees a supplemental indenture to which the Guaranteeing Subsidiary shall unconditionally guarantee, on a joint and several basis with the other Guarantors, all of the Issuer’s Obligations under the Notes and the Indenture on the terms and conditions set forth herein and under the Indenture (the “Guarantee”); and

WHEREAS, pursuant to Section 9.1 of the Indenture, the Issuer, any Guarantor and the Trustees are authorized to execute and deliver a supplemental indenture to add additional Guarantors, without the consent of any Holder;

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt of which is hereby acknowledged, the Guaranteeing Subsidiary, the Issuer and the Trustees mutually covenant and agree for the equal and ratable benefit of the Holders of the Notes as follows:

ARTICLE I

DEFINITIONS

SECTION 1.1. Defined Terms. As used in this Supplemental Indenture, terms defined in the Indenture or in the preamble or recitals hereto are used herein as therein defined. The words “herein,” “hereof” and “hereby” and other words of similar import used in this Supplemental Indenture refer to this Supplemental Indenture as a whole and not to any particular section hereof.

ARTICLE II

AGREEMENT TO BE BOUND; GUARANTEE

SECTION 2.1. Agreement to be Bound. The Guaranteeing Subsidiary hereby becomes a party to the Indenture as a Guarantor and as such will have all of the rights and be subject to all of the obligations and agreements of a Guarantor under the Indenture.

SECTION 2.2. Guarantee. The Guaranteeing Subsidiary agrees on a joint and several basis with all the existing Guarantors, to fully, unconditionally and irrevocably Guarantee to each Holder of the Notes and the Trustees and the Agent the Guaranteed Obligations pursuant to Article X of the Indenture on a senior basis.

ARTICLE III

MISCELLANEOUS

SECTION 3.1. Notices. All notices and other communications to the Guarantor shall be given as provided in the Indenture to the Guarantor, with a copy to the Issuer as provided in the Indenture for notices to the Issuer.

SECTION 3.2. Merger and Consolidation. The Guaranteeing Subsidiary shall not sell or otherwise dispose of all or substantially all of its assets to, or consolidate with or merge with or into another Person (other than the Company, the Issuer or any Restricted Subsidiary that is a Guarantor or becomes a Guarantor concurrently with the transaction) except in accordance with Section 4.1(g) of the Indenture.

SECTION 3.3. Release of Guarantee. This Guarantee shall only be released in accordance with Section 10.2 of the Indenture.

SECTION 3.4. Parties. Nothing expressed or mentioned herein is intended or shall be construed to give any Person, firm or corporation, other than the Holders, the Trustees and the Agent, any legal or equitable right, remedy or claim under or in respect of this Supplemental Indenture or the Indenture or any provision herein or therein contained.

SECTION 3.5. Governing Law. This Supplemental Indenture shall be governed by, and construed in accordance with, the laws of the State of New York.

SECTION 3.6. Severability. In case any provision in this Supplemental Indenture shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby and such provision shall be ineffective only to the extent of such invalidity, illegality or unenforceability.

SECTION 3.7. Benefits Acknowledged. The Guaranteeing Subsidiary's Guarantee is subject to the terms and conditions set forth in the Indenture. The Guaranteeing Subsidiary acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by the Indenture and this Supplemental Indenture and that the guarantee and waivers made by it pursuant to this Guarantee are knowingly made in contemplation of such benefits.

SECTION 3.8. Ratification of Indenture: Supplemental Indentures Part of Indenture. Except as expressly amended hereby, the Indenture is in all respects ratified and confirmed and all the terms, conditions and provisions thereof shall remain in full force and effect. This Supplemental Indenture shall not be used to, and is not intended to, interpret any other indenture (other than the Indenture), supplemental indenture, loan or credit agreement of the Issuer, the Guarantors or any of the Company's Subsidiaries. Any such indenture, supplemental indenture, loan or credit agreement may not be used to interpret this Supplemental Indenture. This Supplemental Indenture shall form a part of the Indenture for all purposes, and every Holder of Notes heretofore or hereafter authenticated and delivered shall be bound hereby.

SECTION 3.9. The Trustee and the Agent. Each of the Trustee and the Agent makes no representation or warranty as to the validity or sufficiency of this Supplemental Indenture or with respect to the recitals contained herein, all of which recitals are made solely by the other parties hereto.

SECTION 3.10. Counterparts. The parties hereto may sign any number of copies of this Supplemental Indenture. Each signed copy shall be an original, but all of them together represent the same agreement. The exchange of copies of this Supplemental Indenture and of signature pages by facsimile or PDF transmission shall constitute effective execution and delivery of this Supplemental Indenture as to the parties hereto and may be used in lieu of the original Supplemental Indenture for all purposes. Signatures of the parties hereto transmitted by facsimile or PDF shall be deemed to be their original signatures for all purposes.

SECTION 3.11. Execution and Delivery. The Guaranteeing Subsidiary agrees that the Guarantee shall remain in full force and effect notwithstanding any failure to endorse on each Note a notation of any such Guarantee.

SECTION 3.12. Headings. The headings of the Articles and the Sections in this Supplemental Indenture are for convenience of reference only and shall not be deemed to alter or affect the meaning or interpretation of any provisions hereof.

IN WITNESS WHEREOF, the parties hereto have caused this Supplemental Indenture to be duly executed as of the date first above written.

May 4, 2021

Dear Anne:

I am very pleased to outline in this letter (the “**Offer Letter**”) the terms and conditions on which we are offering you the position of Chief Human Resources Officer (“**CHRO**”) of Primo Water Holdings Inc. (the “**Company**”), a subsidiary of Primo Water Corporation. This Offer Letter will not constitute an agreement until it has been fully executed by both parties. Please note that this Offer Letter does not contemplate a contract or promise of employment for any specific term; you will be an at-will employee at all times.

1. Position and Duties.

1.1. Position. Subject to the terms and conditions hereof, you will be employed by the Company as its CHRO, effective as of May 4, 2021 (the “**Employment Date**”) and continuing until terminated by you or the Company. Effective as of the Employment Date, your principal place of employment will be Tampa, Florida.

1.2. Responsibilities.

(a) As the Company’s CHRO, you will report to the Company’s Chief Executive Officer (“**CEO**”) and have such duties and responsibilities as may be assigned to you from time to time by the CEO.

(b) You agree to devote substantially all of your business time and attention to the business and affairs of the Company and to discharging the responsibilities assigned to you. This shall not preclude you from (i) serving on the boards of directors of a reasonable number of charitable organizations, (ii) engaging in charitable activities and community affairs, and (iii) managing your personal affairs, so long as these activities do not interfere with the performance of your duties and responsibilities as the Company’s CHRO.

1.3. No Employment Restriction. You hereby represent and covenant that, except as disclosed to the Company, your employment by the Company does not violate any agreement or covenant to which you are subject or by which you are bound and that there is no such agreement or covenant that could restrict or impair your ability to perform your duties or discharge your responsibilities to the Company. You agree and understand that if you represent to the Company that none exist or apply, and the Company discovers at any subsequent time that a restrictive

covenant does or did in fact exist or apply (regardless of the eventual enforceability or lack of enforceability of the restrictive covenant), the Company may opt to terminate your employment for "Cause" (for purposes of the Severance and Non-Competition Plan, in addition to how Cause is defined in the Severance and Non-Competition Plan) without triggering any severance or further payment obligations to you under this Offer Letter, any document referenced hereunder, or any legal theory.

2. Remuneration.

2.1. Base Salary. Your annual base salary will initially be at the rate of US \$410,000.00 per year ("**Annual Base Salary**"), paid on a bi-weekly basis, prorated for any partial periods based on the actual number of days in the applicable period. Your performance will be evaluated at least annually, and any increase to the level of your Annual Base Salary will be determined as part of the regular annual review process.

2.2. Bonus. You will be eligible to participate in the Company's annual bonus plan and may earn a bonus based upon the achievement of specified performance goals. The amount of your target bonus is 75% of your Annual Base Salary. The bonus year is the Company's fiscal year and any payments made to you for the bonus year 2021 will be weighted 50% on Primo Water Corporation consolidated results and 50% on Primo Water North America results. Currently the maximum potential payout permitted under the bonus plan is two (2) times the applicable target bonus for achievement of performance goals significantly in excess of the target goals, as established by the Human Resources and Compensation Committee of the Company's Board of Directors (the "**HRCC**"). Please note that the bonus plan is entirely discretionary, and the Company reserves in its absolute discretion the right to terminate or amend it or any other bonus plan that may be established. You must be actively employed on the actual pay date of the bonus to be eligible to receive it or any portion of it.

2.3. One-Time LTI Grant. You will be entitled to receive a one-time long-term incentive ("**LTI**") award equivalent to US \$400,000 comprised of time-based restricted share units, granted to you on your Employment Date. The time-based restricted share units will vest in two equal annual installments from the grant date. The LTI award, including the vesting terms, will be governed by the terms of the Primo Water Corporation equity incentive plan under which the award is made (the "**Equity Plan**") and your award agreement. You will be eligible for future LTI awards that will be based on your performance. Annual grants are issued following approval by the HRCC at its regularly scheduled meetings in December.

3. Benefits.

3.1. Benefit Programs. You will be eligible to participate in the Company's benefit programs generally available to other senior executives of the Company. Our benefit programs include our 401(k) plan and health, disability and life insurance benefits. Employee contributions are required for our benefit programs.

3.2. ESPP. In addition, you will be eligible to participate in the Company's Employee

Stock Purchase Plan (the “**ESPP**”), through which you can purchase Company common shares at a discount through payroll deductions.

3.3. Vacation. You will be entitled to four (4) weeks’ vacation per calendar year. You are encouraged to take vacation in the calendar year it is earned. All earned vacation must be taken in the year in which it is earned; otherwise it may be forfeited. If you should leave the Company, the value of any unearned vacation taken by you will be considered a debt to the Company and you expressly authorize the Company to deduct from your final paycheck to the maximum extent permitted by law the value of taken but unearned vacation. All vacation periods require the approval of the CEO.

3.4. Reimbursement. You will be reimbursed for expenses reasonably incurred in connection with the performance of your duties in accordance with the Company’s policies as established from time to time. It is your obligation to submit to the Company expense reimbursement requests and evidence of such expenses in order to receive reimbursements for such expenses.

3.5. Relocation. As a condition of your employment, you are required to relocate to the Tampa, Florida area on a permanent basis by no later than November 1, 2021 (“**Relocation Date**”). Failure to relocate by this deadline shall constitute “Cause” for your termination including for purposes of the Severance and Non-Competition Plan (in addition to how Cause is defined in the Severance and Non-Competition Plan). This deadline may only be extended by a writing signed by the Company’s CEO. To assist you in your relocation, the Company will pay you a relocation bonus in the amount of US \$200,000.00 and will be paid at least 3 months prior to the Relocation Date. You agree to promptly reimburse the Company 100% of the relocation bonus in the event you: (a) fail to relocate to the Tampa area on a permanent basis by the deadline provided (or extended deadline, as may be applicable); or (b) resign your employment for any reason or are terminated by the Company for Cause (as defined herein or in the Severance and Non-Competition Plan) prior to the first anniversary of the Relocation Date (or actual relocation date if extended, whichever is later). You further agree to repay the Company the relocation bonus in full by the following deadlines: (a) if repayment is owed due to your failure to timely relocate, full repayment shall be due on or before the 90th day after the deadline to relocate; or (b) if repayment is owed due to your resignation for any reason or termination for Cause prior to the anniversary of the Relocation Date (or actual relocation date if extended, whichever is later), full repayment shall be due on or before the 90th day after the date of your resignation or termination.

3.6. Allowances. You will receive an annual vehicle allowance in the amount of US \$13,500.00.

3.7. No Other Benefits. Other than benefits generally available to all full-time employees, you will not be entitled to any benefit or perquisite other than as specifically set out in this Offer Letter or separately agreed to in writing by the Company.

4. Termination; Payments and Entitlements Upon a Termination.

4.1. Termination. The Company may terminate your employment: (a) for Cause (as defined herein or in the Severance and Non-Competition Plan); or (b) for any reason or no reason, in all cases, upon reasonable notice to you. Your employment with the Company will terminate upon your death. You are able to resign your employment, as provided in the Severance and Non-Competition Plan.

4.2. Involuntary Termination. Upon the Employment Date, you shall be entitled to the benefits of and be bound by the obligations under the Amended and Restated Severance and Non-Competition Plan (the “**Severance and Non-Competition Plan**”) (a copy of which is attached hereto) as a “Level 2 Employee” in the event your employment terminates as result of an Involuntary Termination (as defined in the Severance and Non-Competition Plan).

4.3. Change in Control. If (1) your LTI awards are continued, assumed, or replaced by the surviving or successor entity, and, within two years after the Change of Control (as defined in the Equity Plan), you experience an involuntary termination of employment for reasons other than Cause (as defined in the Equity Plan), or you terminate your employment for Good Reason (as defined in the Equity Plan), or (2) such awards are not continued, assumed or replaced by the surviving or successor entity, then (i) your unvested options will immediately become vested and exercisable, (ii) all of your unvested time-based and performance-based restricted share units will immediately vest, and (iii) any performance objectives applicable to awards will be deemed to have been satisfied at your “target” level of performance.

4.4. Resignation. If you are an officer of the Company or a director or an officer of a company affiliated or related to the Company at the time of your termination, you will be deemed to have resigned all such positions, and you agree that upon termination you will execute such tenders of resignation as may be requested by the Company to evidence such resignations.

4.5. Return of Company Property. Upon resignation/termination of your employment for any reason, you agree to immediately return all Company property in your possession, custody, or control (e.g., Company-issued computer, telephone, badge, keys, equipment, vehicle, etc.). You expressly authorize the Company to deduct the value or replacement cost (whichever is less) of any unreturned Company property from your severance payment (if receiving one) or final paycheck to the maximum extent permitted by law.

5. Restrictive Covenants.

Severance and Non-Competition Plan. You shall be bound by the restrictive covenants contained in the Severance and Non-Competition Plan

6. Code Section 409A.

6.1. In General. This Section shall apply to you if you are subject to Section 409A of the United States Internal Revenue Code of 1986 (the “Code”), but only with respect to any payment due hereunder that is subject to Section 409A of the Code.

6.2. Release. Any requirement that you execute and not revoke a release to receive a payment hereunder shall apply to a payment described in Section 6.1 only if the

Company provides the release to you on or before the date of your Involuntary Termination.

6.3. Payment Following Involuntary Termination. Notwithstanding any other provision herein to the contrary, any payment described in the Severance and Non-Competition Plan that is due to be paid within a stated period following your Involuntary Termination shall be paid:

(a) If, at the time of your Involuntary Termination, you are a "specified employee" as defined in Section 409A of the Code and such payment is subject to (and not exempt from) Section 409A of the Code, such payment shall be made as of the later of (i) the date payment is due hereunder, or (ii) the earlier of the date which is six months after your "separation from service" (as defined under Section 409A of the Code), or the date of your death; or

(b) In any other case, on the later of (i) last day of the stated period, or if such stated period is not more than 90 days, at any time during such stated period as determined by the Company without any input from you, or (ii) the date of your "separation from service" (as defined under Section 409A of the Code).

6.4. Reimbursements. The following shall apply to any reimbursement that is a payment described in Section 6.1: (a) with respect to any such reimbursement under Section 7.8, reimbursement shall not be made unless the expense is incurred during the period beginning on your effective hire date and ending on the sixth anniversary of your death; (b) the amount of expenses eligible for reimbursement during your taxable year shall not affect the expenses eligible for reimbursement in any other year; and (c) the timing of all such reimbursements shall be as provided herein, but not later than the last day of your taxable year following the taxable year in which the expense was incurred.

6.5. Offset. If payments to you under this Agreement are subject to Section 409A of the Code, any offset under Section 7.11 shall apply to a payment described in Section 6.1 only if the debt or obligation was incurred in the ordinary course of your employment with the Company, the entire amount of the set-off in any taxable year of the Company does not exceed \$5,000, and the set-off is made at the same time and in the same amount as the debt or obligation otherwise would have been due and collected from you.

6.6. Interpretation. This Offer Letter shall be interpreted and construed so as to avoid the additional tax under Section 409A(a)(1)(B) of the Code to the maximum extent practicable.

7. General Provisions.

7.1. Entire Agreement. This Offer Letter, together with the plans and documents referred to herein, constitutes and expresses the whole agreement of the parties hereto with reference to any of the matters or things herein provided for or herein before discussed or mentioned with reference to your employment and supersedes any prior offer letters or severance arrangements offered by the Company or any of its affiliates (including that Offer Letter dated July 13, 2020). All promises, representation, collateral agreements and undertakings not expressly incorporated in this Offer Letter are hereby superseded by this Offer Letter.

7.2. **Amendment.** This Offer Letter may be amended or modified only by a writing signed by both of the parties hereto.

7.3. **Assignment.** This Offer Letter may be assigned by the Company to any successor to its business or operations. Your rights hereunder may not be transferred by you except by will or by the laws of descent and distribution and except insofar as applicable law may otherwise require. Any purported assignment in violation of the preceding sentence shall be void.

7.4. **Governing Law; Consent to Personal Jurisdiction and Venue.** This Offer Letter takes effect upon its acceptance and execution by the Company. The validity, interpretation, and performance of this Offer Letter shall be governed, interpreted, and construed in accordance with the laws of the State of Florida without giving effect to the principles of comity or conflicts of laws thereof. You hereby consent to personal jurisdiction and venue, for any action brought by the Company arising out of a breach or threatened breach of this Offer Letter or out of the relationship established by this Offer Letter, exclusively in the United States District Court for the Middle District of Florida, Tampa Division, or in the Circuit Court in and for Hillsborough County, Florida; and, if applicable, the federal and state courts in any jurisdiction where you are employed or reside; you hereby agree that any action brought by you, alone or in combination with others, against the Company, whether arising out of this Offer Letter or otherwise, shall be brought exclusively in the United States District Court for the Middle District of Florida, Tampa Division, or in the Circuit Court in and for Hillsborough County, Florida.

7.5. **Severability.** The invalidity of any one or more of the words, phrases, sentences, clauses or sections contained in this Offer Letter shall not affect the enforceability of the remaining portions of the Offer Letter or any part thereof, all of which are inserted conditionally on their being valid in law, and, in the event that any one or more of the words, phrases, sentences, clauses or sections contained in the Offer Letter shall be declared invalid, the Offer Letter shall be construed as if such invalid word or words, phrase or phrases, sentence or sentences, clause or clauses, or section or sections had not been inserted.

7.6. **Section Headings and Gender.** The section headings contained herein are for reference purposes only and shall not affect in any way the meaning or interpretation of this agreement. All pronouns and any variations thereof shall be deemed to refer to the masculine, feminine or neuter, as the identity of the person or persons may require.

7.7. **No Term of Employment.** Nothing herein obligates the Company to continue to employ you. Where lawfully permitted in any jurisdiction in which you perform employment responsibilities on behalf of the Company, your employment shall be at will.

7.8. **Indemnification.** The Company will indemnify and hold you harmless to the maximum extent permitted by applicable law against judgments, fines, amounts paid in settlement and reasonable expenses, including reasonable attorneys' fees, in connection with the defense of, or as a result of any action or proceeding (or any appeal from any action or proceeding) in which you are made or are threatened to be made a party by reason of the fact that you are or were an officer of the Company or any Affiliate (as defined in the Severance and Non- Competition Plan). In

addition, the Company agrees that you shall be covered and insured up to the maximum limits provided by any insurance which the Company maintains to indemnify its directors and officers (as well as any insurance that it maintains to indemnify the Company for any obligations which it incurs as a result of its undertaking to indemnify its officers and directors).

7.9. Survivorship. Upon the termination your employment, the respective rights and obligations of the parties shall survive such termination to the extent necessary to carry out the intended preservation of such rights and obligations.

7.10. Taxes. All payments under this Offer Letter shall be subject to withholding of such amounts, if any, relating to tax or other payroll deductions as the Company may reasonably determine and should withhold pursuant to any applicable law or regulation.

7.11. Set-Off. Except as limited by Section 6.5, the Company may set off any amount or obligation that may be owing by you to the Company against any amount or obligation owing by the Company to you.

7.12. Records. All books, records, and accounts relating in any manner to the Company or to any suppliers, customers, or clients of the Company, whether prepared by you or otherwise coming into your possession, shall be the exclusive property of the Company and immediately returned to the Company upon termination of employment or upon request at any time.

7.13. Counterparts. This Offer Letter may be executed in counterparts, each of which shall be deemed to be an original but all of which together shall constitute one and the same instrument.

7.14. Consultation with Counsel. You acknowledge that you have been advised, and have had a sufficient opportunity to, confer with your own counsel with respect to this Offer Letter, and that you understand the restrictions and limitations that it imposes upon your conduct.

Please indicate your acceptance of this offer by returning one signed original of this Offer Letter.

Yours truly,

/s/ Thomas Harrington

Thomas Harrington

I accept this offer of employment and agree to be bound by the terms and conditions listed herein.

Dear Anne –

Please allow this letter to confirm the revisions to the relocation terms set forth in Section 3.5 of your original offer letter. The below terms supersede and replace those contained in that letter.

To assist you in your recent relocation to the Tampa area, the Company is offering you relocation assistance pursuant to the Company's U.S. Permanent Transfer Executive Relocation Policy (the "Relocation Policy"). Please review the Relocation Policy carefully, as it contains important details about what is and is not reimbursable, as well as relevant deadlines and other requirements, and the Company will reimburse, or pay on your behalf, only those relocation expenses authorized and described in the Relocation Policy.

Additionally, you may be eligible, through the Company's Mortgage Payment Differential ("MPD") program, for mortgage assistance in the event that the interest rate for the mortgage for your new residence is at least two percent higher than the interest rate for the mortgage for your prior residence. The terms and rules of the MPD program are also set forth in the Relocation Policy or an addendum to that policy. By your signature below, you acknowledge and agree (1) to the eligibility rules associated with the Relocation Policy, including the MPD program, and (2) that you will use any funds that you receive through the MPD program solely to make mortgage payments for your post-relocation residence.

Should you resign your employment with the Company for any reason or if the Company terminates your employment for Cause as defined in the Severance and Non-Competition Plan (each, a "Qualifying Separation") prior to the three-year anniversary of the date on which the Company last disburses relocation-related funds, including any MPD program payments, whether to you or a third party on your behalf, no further relocation or MPD program benefits will be provided to you, and you must reimburse the Company 100% of all relocation-related payments, including MPD program payments, made to you or on

1150 Assembly Dr., Suite 800 | Tampa, FL 33607

PRIMO WATER CORPORATION

your behalf during the three-year period prior to your separation. Such repayments must be made on or before the 90th day after a Qualifying Separation.

If you agree to the above terms, please countersign this letter where indicated below.

Yours Truly,

Agreed to and accepted by:

A handwritten signature in black ink, appearing to read "Anne Melaragni", is written over a horizontal line.

PRIMO WATER CORPORATION

**PRIMO WATER CORPORATION
AMENDMENT NO. 3 TO THE PRIMO WATER CORPORATION
2018 EQUITY INCENTIVE PLAN**

RECITALS

- A. Pursuant to section 17(a) of the Primo Water Corporation 2018 Equity Incentive Plan (the “**Plan**”), the board of directors of Primo Water Corporation (the “**Company**”) wish to amend the Plan as hereinafter set forth.

NOW THEREFORE, this Amendment No. 3 is hereby adopted on this 31st day of October 2023:

1. Section 3(j) of the Plan is hereby amended to add the following to the end of that section:
Notwithstanding anything in this Section to the contrary, with respect to any Award subject to Section 409A of the Code, Date of Termination or Termination shall mean the Grantee’s “separation from service” (as such term is defined for purposes of Section 409A of the Code).
 2. Section 3(m) of the Plan is hereby amended and restated in full to read as follows:
 - (m) “**Good Reason**” shall mean any of the following:
 - (1) a material diminution in the Grantee’s title or duties or assignment to the Grantee of materially inconsistent duties;
 - (2) a reduction in the Grantee’s then current annual base salary or target bonus opportunity as a percentage of annual base salary, unless such reduction in target bonus opportunity is made applicable to all other Grantees serving in substantially the same capacity;
 - (3) relocation of the Grantee’s principal place of employment to a location that is more than 50 miles away from the Grantee’s principal place of employment on the Grantee’s date of hire, unless such relocation is effected at the Grantee’s request or with the Grantee’s approval;
 - (4) a material breach by the Company or a Subsidiary of any provisions of any employment agreement to which the Grantee and the Company or Subsidiary are parties;
 - (5) the failure of the Company or Subsidiary to obtain the assumption in writing of an employment agreement to which the Grantee and the Company or Subsidiary are parties by any successor to all or substantially all of the business or assets of the Company or Subsidiary; or
 - (6) Any other action that constitutes good reason for resignation or termination from or of the Grantee’s employment with the Company or
-

Subsidiary under any other agreement to which the Grantee is a party or under applicable law.

Notwithstanding anything in this Section 3(m) to the contrary, for an event to be considered “Good Reason” under the Plan, (x) the Grantee must notify the Company of such event within 90 days of the Grantee’s knowledge of the occurrence of such event and the Company must be provided with a reasonable opportunity to cure such occurrence and (y) if the Company does not cure such occurrence within 30 days, the Grantee must Terminate service with the Company or Subsidiary within 120 days after the first occurrence of the applicable grounds for good reason, or the Grantee will be deemed to have waived the Grantee’s right to have a Termination of Service for Good Reason with respect to such grounds.

3. Section 5(e) of the Plan is hereby amended to remove the language “or Section 162(m) of the Code” from that section.

4. Section 11 of the Plan is hereby amended and restated in full as follows:

11. Minimum Vesting Requirement. Notwithstanding any other provision of the Plan to the contrary, Awards granted under the Plan (other than cash-based awards) shall vest no earlier than the first anniversary of the date on which the Award is granted; provided, that the following Awards shall not be subject to the foregoing minimum vesting requirement: any (i) substitute Awards granted in connection with awards that are assumed, converted or substituted pursuant to a merger, acquisition or similar transaction entered into by the Company or any of its Subsidiaries, (ii) Shares delivered in lieu of fully vested cash obligations, (iii) Awards to Nonemployee Directors that vest on earlier of the one-year anniversary of the date of grant and the next annual meeting of stockholders which is at least 50 weeks after the immediately preceding year’s annual meeting, and (iv) any additional Awards the Committee may grant, up to a maximum of five percent (5%) of the available share reserve authorized for issuance under the Plan pursuant to Section 4(a) (subject to adjustment under Section 14); and, provided, further, that the foregoing restriction does not apply to the Committee’s discretion to provide for accelerated exercisability or vesting of any Award, including in cases of Retirement, death, disability or a Change in Control, in the terms of the Award Agreement or otherwise.

5. Section 17 of the Plan is hereby amended to add a new subsection (g) to read as follows:

- (g) **Forfeiture and Compensation Recovery.** Awards and any compensation associated therewith will be made subject to forfeiture, recovery by the Company or other action pursuant to any compensation recovery policy adopted by the Board or the Committee at any time, including in response to the requirements of Section 10D of the Exchange Act and any implementing rules and regulations thereunder, or as otherwise required by law. Any Agreement may be unilaterally amended by the Committee to comply with any such compensation recovery policy.
-

Except as otherwise expressly provided herein, all of the terms, conditions and provisions of the Plan shall remain the same, and the Plan, as amended hereby, shall continue in full force and effect.

CONSENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

We hereby consent to the incorporation by reference in the Registration Statements on Form S-8 (No. 333-264315, 333-224772, 333-204286, 333-204285, and 333-188735) and Form S-3 (No. 333-204287) of Primo Water Corporation of our report dated February 28, 2024 relating to the financial statements and financial statement schedule and the effectiveness of internal control over financial reporting, which appears in this Form 10-K.

/s/ PricewaterhouseCoopers LLP
Tampa, Florida
February 28, 2024

CERTIFICATION PURSUANT TO SECTION 302 OF THE SARBANES-OXLEY ACT OF 2002

I, Robbert Rietbroek, certify that:

1. I have reviewed this annual report on Form 10-K of Primo Water Corporation;
2. Based on my knowledge, this report does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made, in light of the circumstances under which such statements were made, not misleading with respect to the period covered by this report;
3. Based on my knowledge, the financial statements, and other financial information included in this report, fairly present in all material respects the financial condition, results of operations and cash flows of the registrant as of, and for, the periods presented in this report;
4. The registrant's other certifying officer and I are responsible for establishing and maintaining disclosure controls and procedures (as defined in Exchange Act Rules 13a-15(e) and 15d-15(e)) and internal control over financial reporting (as defined in Exchange Act Rules 13a-15(f) and 15d-15(f)) for the registrant and have:
 - (a) Designed such disclosure controls and procedures, or caused such disclosure controls and procedures to be designed under our supervision, to ensure that material information relating to the registrant, including its consolidated subsidiaries, is made known to us by others within those entities, particularly during the period in which this report is being prepared;
 - (b) Designed such internal control over financial reporting, or caused such internal control over financial reporting to be designed under our supervision, to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles;
 - (c) Evaluated the effectiveness of the registrant's disclosure controls and procedures and presented in this report our conclusions about the effectiveness of the disclosure controls and procedures, as of the end of the period covered by this report based on such evaluation; and
 - (d) Disclosed in this report any change in the registrant's internal control over financial reporting that occurred during the registrant's most recent fiscal quarter (the registrant's fourth fiscal quarter in the case of an annual report) that has materially affected, or is reasonably likely to materially affect, the registrant's internal control over financial reporting; and
5. The registrant's other certifying officer and I have disclosed, based on our most recent evaluation of internal control over financial reporting, to the registrant's auditors and the audit committee of the registrant's board of directors (or persons performing the equivalent functions):
 - (a) All significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting which are reasonably likely to adversely affect the registrant's ability to record, process, summarize and report financial information; and
 - (b) Any fraud, whether or not material, that involves management or other employees who have a significant role in the registrant's internal control over financial reporting.

CERTIFICATION PURSUANT TO SECTION 302 OF THE SARBANES-OXLEY ACT OF 2002

I, David Hass, certify that:

1. I have reviewed this annual report on Form 10-K of Primo Water Corporation;
2. Based on my knowledge, this report does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made, in light of the circumstances under which such statements were made, not misleading with respect to the period covered by this report;
3. Based on my knowledge, the financial statements, and other financial information included in this report, fairly present in all material respects the financial condition, results of operations and cash flows of the registrant as of, and for, the periods presented in this report;
4. The registrant's other certifying officer and I are responsible for establishing and maintaining disclosure controls and procedures (as defined in Exchange Act Rules 13a-15(e) and 15d-15(e)) and internal control over financial reporting (as defined in Exchange Act Rules 13a-15(f) and 15d-15(f)) for the registrant and have:
 - (a) Designed such disclosure controls and procedures, or caused such disclosure controls and procedures to be designed under our supervision, to ensure that material information relating to the registrant, including its consolidated subsidiaries, is made known to us by others within those entities, particularly during the period in which this report is being prepared;
 - (b) Designed such internal control over financial reporting, or caused such internal control over financial reporting to be designed under our supervision, to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles;
 - (c) Evaluated the effectiveness of the registrant's disclosure controls and procedures and presented in this report our conclusions about the effectiveness of the disclosure controls and procedures, as of the end of the period covered by this report based on such evaluation; and
 - (d) Disclosed in this report any change in the registrant's internal control over financial reporting that occurred during the registrant's most recent fiscal quarter (the registrant's fourth fiscal quarter in the case of an annual report) that has materially affected, or is reasonably likely to materially affect, the registrant's internal control over financial reporting; and
5. The registrant's other certifying officer and I have disclosed, based on our most recent evaluation of internal control over financial reporting, to the registrant's auditors and the audit committee of the registrant's board of directors (or persons performing the equivalent functions):
 - (a) All significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting which are reasonably likely to adversely affect the registrant's ability to record, process, summarize and report financial information; and
 - (b) Any fraud, whether or not material, that involves management or other employees who have a significant role in the registrant's internal control over financial reporting.

Primo Water Corporation
Amended and Restated
Executive Incentive Compensation Recoupment Policy

1. **ADMINISTRATION AND APPLICATION.** This policy shall be administered by the Human Resources and Compensation Committee (the “Committee”) of Primo Water Corporation (the “Company”). This policy applies to all current and former “executive officers,” as such term is defined in accordance with Section 16a-1(f) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), the Securities and Exchange Commission regulations promulgated thereunder, and applicable New York Stock Exchange (“NYSE”) listing standards. Subject to and in accordance with the terms of this policy, upon a Recoupment Event, each Covered Associate shall be obligated to return to the Company, reasonably promptly, the amount of Erroneously Awarded Compensation that was received by such Covered Associate during the Lookback Period.
2. **EVENTS THAT PERMIT RECOVERY.** As set forth in more detail below, this policy allows the Company to recover Erroneously Awarded Compensation from Covered Associates in the event of a required Accounting Restatement of a financial statement of the Company (whether or not it is based on misconduct).
3. **AMOUNT OF RECOVERY.** In the event of a Recoupment Event, the Committee will promptly determine the amount of Erroneously Awarded Compensation for each Covered Associate, and the Company will provide each such Covered Associate with a written notice of such amount and a demand for repayment or return. Upon receipt of such notice, each affected Covered Associate shall promptly repay or return such Erroneously Awarded Compensation to the Company.
4. **TEMPORAL AND OTHER LIMITS ON RECOVERY.** The right to recovery shall be limited to Incentive-Based Compensation received by the Covered Associate during the Lookback Period. Erroneously Awarded Compensation will be recovered in accordance with this policy unless the Committee determines that recovery would be impracticable and one of the following conditions is met:
 - the direct expense paid to a third party to assist in enforcing this policy would exceed the amount to be recovered, provided the Company has first made a reasonable effort to recover the Erroneously Awarded Compensation; or
 - the recovery would likely cause a U.S. tax-qualified retirement plan to fail to meet the requirements of Internal Revenue Code Sections 401(a)(13) and 411(a) and the regulations thereunder; or

- the recovery would violate applicable provincial or federal Canadian law that was in effect before November 28, 2022, and the Company provides the exchange with an acceptable opinion of counsel to that effect.

If any of the above exemptions are relied upon, the Company will further comply with applicable listing standards, including without limitation, documenting the reason for the impracticability and providing required documentation to NYSE.

5. **MEANS OF COLLECTING RECOVERY.** If the repayment or return of Erroneously Awarded Compensation is not made by a Covered Associate within a reasonable time after receipt of written notice as provided by Section 3, the Company shall recover such amounts in a reasonable and prompt manner using any lawful method, which may include, without limitation:

- reducing future Incentive-Based Compensation or by seeking repayment or return of prior Incentive-Based Compensation paid or distributed to the Covered Associate;
- requiring reimbursement of cash previously paid, as well as any Erroneously Awarded Compensation that is deferred and not yet payable, including any interest or earnings accrued;
- seeking recovery of any shares of Company stock that are Erroneously Awarded Compensation;
- seeking recovery of any gain realized on the vesting, exercise, settlement, sale, transfer, or other disposition of any equity-based awards;
- offsetting such amount from any compensation the Company otherwise owes to the Covered Associate;
- cancelling outstanding vested or unvested equity awards;
- causing the forfeiture of any unpaid, vested or unvested, compensation; and
- taking any other remedial and recovery action permitted by law;

provided that recovery of any Erroneously Awarded Compensation must be made in compliance with Section 409A and other applicable law. The applicable Covered Associate shall also be required to reimburse the Company for any and all expenses (including legal fees) reasonably incurred by the Company in recovering such Erroneously Awarded Compensation in accordance with the immediately preceding sentence.

6. **AWARDS SUBJECT TO POLICY.** This policy shall apply to all Incentive-Based Compensation received by a Covered Associate (i) on or after October 2, 2023 (even if such Incentive-Based Compensation was approved, awarded or granted prior to the effective date), (ii) after the individual began service as a Covered Associate, (iii) if the individual served as a Covered Associate during the performance period for such Incentive-Based Compensation, and (iv) while the Company has a class of securities listed on a national securities exchange or national securities association.

For purposes of this policy, Incentive-Based Compensation is deemed “received” in the Company’s fiscal period during which the Financial Reporting Measure specified in the Incentive-Based Compensation award is attained, even if the payment or grant of the Incentive-Based Compensation occurs after the end of that period.

7. **NOTICE.** The Company shall take all appropriate steps to inform Covered Associates of this policy, so that such policy shall be enforceable to the fullest extent legally permissible. These steps may include, but not be limited to providing that this policy shall be acknowledged by Covered Associates and incorporating the terms of this policy into the terms of any incentive plan or incentive award agreement applicable to Covered Associates. In addition, the Company shall take all appropriate steps to disclose this policy in accordance with the requirements of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Act”) and any regulations promulgated with respect thereto.
8. **COORDINATION WITH LAW.** This policy is designed, and shall be interpreted, to comply with section 954 of the Act, and Rule 10D-1, and, in each case, any regulations promulgated with respect thereto, and in the event that any provision of this policy is inconsistent with any requirement of the Act or any interpretive regulations issued thereunder, the Committee shall administer this policy to comply with the Act and the regulations. In addition, the Committee shall have the authority to amend this policy at any time as the Committee deems necessary or appropriate, as the Committee determines in its sole discretion, to comply with the requirements of the Act and any applicable regulations, rules or standards adopted by SEC or the rules of any securities exchange or securities association on which the Company’s securities are listed.
9. **DEFINITIONS.**
 - “Accounting Restatement” means an accounting restatement due to the material noncompliance of the Company with any financial reporting requirement under the securities laws, including any required accounting restatement to correct an error in previously issued financial statements that is material to the previously issued financial statements (commonly referred to as a “Big R” restatement), or that would result in a material misstatement if the error were corrected in the current period or left uncorrected in the current period (commonly referred to as a “little r” restatement).
 - “Covered Associate” means each of the Company’s current and former executive officers who is or was designated as an officer of the Company in accordance with Rule 16a-1(f) of the Exchange Act.
 - “Erroneously Awarded Compensation” means, with respect to each Covered Associate in connection with an Accounting Restatement, the excess of the amount of Incentive-Based Compensation received by the Covered Associate during the Lookback Period over the amount of Incentive-Based Compensation that otherwise would have been received had it been determined based on the restated amounts, computed without regard to any taxes

paid. For Incentive-Based Compensation based on stock price or total shareholder return, where the amount of Erroneously Awarded Compensation is not subject to mathematical recalculation directly from the information in an Accounting Restatement: (a) the amount must be based on a reasonable estimate of the effect of the Accounting Restatement on the stock price or total shareholder return upon which the Incentive-Based Compensation was received; and (b) the Company must maintain documentation of the determination of that reasonable estimate and provide such documentation to NYSE.

- “Financial Reporting Measures” are any measures that are determined and presented in accordance with the accounting principles used in preparing the Company’s financial statements, and any measures derived wholly or in part from such measures. Stock price and total shareholder return are also Financial Reporting Measures. A Financial Reporting Measure need not be presented within the financial statements or included in a filing with the SEC.
- “Incentive-Based Compensation” is any compensation that is granted, earned, or vested based wholly or in part upon the attainment of a Financial Reporting Measure.
- “Lookback Period” means the three completed fiscal years immediately preceding the Required Restatement Date and any transition period (that results from a change in the Company’s fiscal year) of less than nine months within or immediately following those three completed fiscal years.
- A “Recoupment Event” occurs when the Company is required to prepare an Accounting Restatement.
- “Required Restatement Date” means the earlier to occur of: (a) the date the Company’s Board, a committee of the Board, or the officer(s) of the Company authorized to take such action if Board action is not required, concludes, or reasonably should have concluded, that the Company is required to prepare an Accounting Restatement, or (b) the date a court, regulator, or other legally authorized body directs the Company to prepare an Accounting Restatement.
- “Section 409A” means Section 409A of the Internal Revenue Code and the regulations and guidance promulgated thereunder.

10. **NO INSURANCE OR INDEMNIFICATION.** Neither the Company nor any of its affiliates or subsidiaries may indemnify any Covered Associate against the loss of any Erroneously Awarded Compensation (or related expenses incurred by the Covered Associate) pursuant to a recovery of Erroneously Awarded Compensation under this policy, nor will it pay or reimburse a Covered Associate for any insurance premiums on any insurance policy obtained by the Covered Associate to protect against the forfeiture or recovery of any compensation pursuant to this policy.

- 11. OTHER RECOUPMENT RIGHTS.** The Committee intends that this policy will be applied to the fullest extent of the law. Any Incentive-Based Compensation provided for in an employment agreement or any other compensatory plan or agreement shall, as a condition to the grant of any benefit thereunder, be subject to the terms of this policy. Any right of recoupment under this policy is in addition to, and not in lieu of, any other remedies or rights of recoupment that may be available to the Company pursuant to the terms of any similar policy in any employment agreement or other compensation plan or agreement and any other legal remedies available to the Company. This policy is in addition to any other clawback or compensation recovery, recoupment or forfeiture policy in effect or that may be adopted by the Company from time to time, or any laws, rules or listing standards applicable to the Company, including without limitation, the Company's right to recoup any bonus or other compensation subject to Section 304 of the Sarbanes-Oxley Act of 2002. To the extent that application of this policy would provide for recovery of Erroneously Awarded Compensation that the Company recovers pursuant to another policy or provision, the amount that is recovered will be credited to the required recovery under this policy.
- 12. SEVERABILITY.** The invalidity of any one or more of the words, phrases, sentences, clauses or sections contained in this policy shall not affect the enforceability of the remaining portions of this policy or any part thereof, all of which are inserted conditionally on their being valid in law, and, in the event that any one or more of the words, phrases, sentences, clauses or sections contained in this policy shall be declared invalid, this policy shall be construed as if such invalid word or words, phrase or phrases, sentence or sentences, clause or clauses, or section or sections had not been inserted.
- 13. SUCCESSORS.** This policy shall be binding and enforceable against all Covered Associate and their beneficiaries, heirs, executors, administrators or other legal representatives.

Adopted October 31, 2023

**ACKNOWLEDGMENT TO
PRIMO WATER CORPORATION
AMENDED AND RESTATED**

EXECUTIVE INCENTIVE COMPENSATION RECOUPMENT POLICY

By signing below, the undersigned acknowledges and confirms that the undersigned has received and reviewed a copy of the Primo Water Corporation (the "Company") Amended and Restated Executive Incentive Compensation Recoupment Policy (as it may be amended and in effect from time to time, the "Policy"). By signing this Acknowledgement, the undersigned acknowledges and agrees that the undersigned is and will continue to be subject to the Policy and that the Policy will apply both during and after the undersigned's employment with, and provision of services to, the Company.

In the event of any inconsistency between the Policy and the terms of any employment or other agreement to which the undersigned is a party, or the terms of any compensation plan, program or agreement under which any compensation has been granted, awarded, earned or paid, the terms of the Policy shall govern.

Further, by signing below, the undersigned acknowledges that the Company will not indemnify the undersigned against the loss of any Erroneously Awarded Compensation (as defined in the Policy) and agrees to abide by the terms of the Policy, including, without limitation, by forfeiting, returning and/or reimbursing any Erroneously Awarded Compensation (as defined in the Policy) to the Company to the extent required by, and in a manner consistent with, the Policy.
